# HC-CARGO Brush Gears and Sets

## HC-CARGO Brush Gears & Sets

HC-CARGO extends our comprehensive spare parts program and introduces a new range of brush gears and sets.

Analysis shows that customers demands quality solutions for older applications at a favorable price.

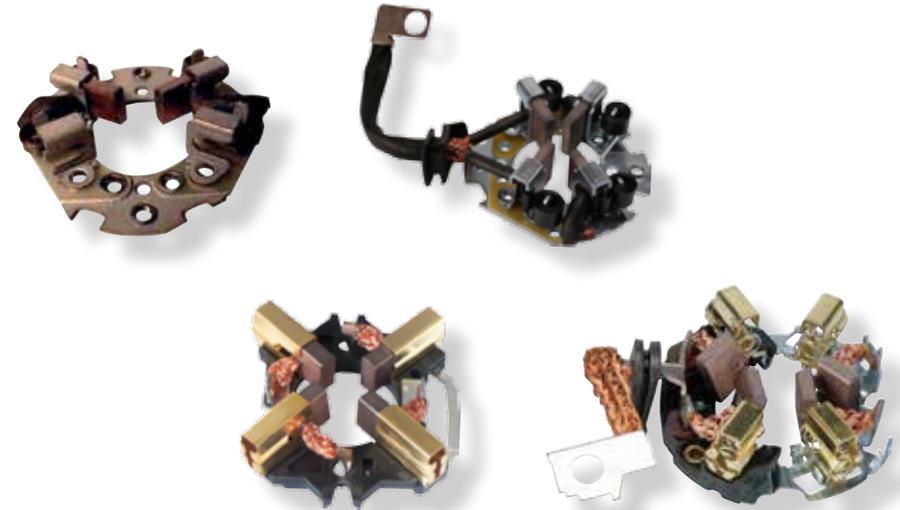

Therefore we now broaden the range with new brush gears and new brush sets. The brushes fulfil the specifications equivalent to the OE Brushes.

HC-CARGO spare parts are based on more than 50 years of experience with dealings and remanufacturing of starters and alternators.

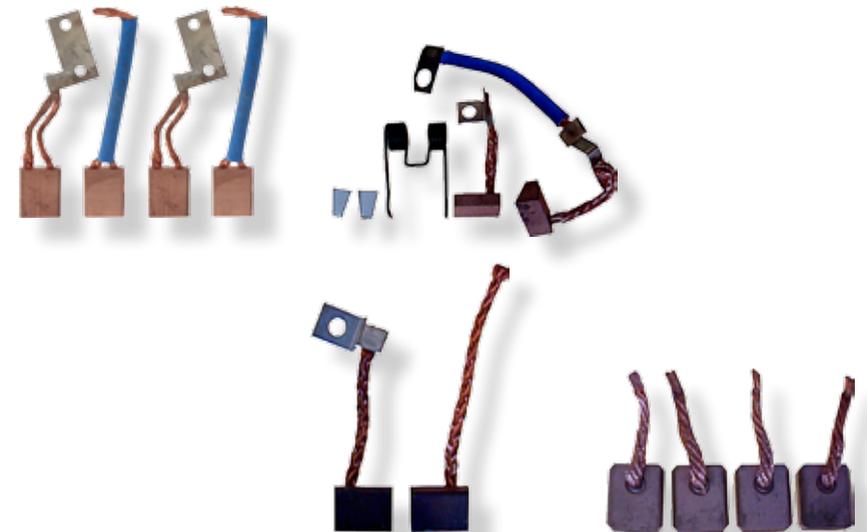

All our replacement parts are tested according to defined specification to reach high quality level. Our brushes and brush holders secure the maximum performance, durability, fit and measurements.

We have a huge range of brush and brush holders for Bosch, CAV, Denso, Valeo, Hitachi, Mitsubishi, Delco, Vistion, Ford, Briggs & Stratton, Butec, Delco Remy and many others.
