Company introduction

WAIglobal is a worldwide manufacturing, sourcing, distribution & logistics company with over thirty years of experience servicing the global Automotive Aftermarket.

We employ over 860 people in 14 countries and sell into 105 different countries. As an established industry leader we are ranked 27 in North America and 59th globally in the Automotive Supplier list published by the Automotive Aftermarket Supplier Association.

WAI is pleased to announce the introduction of our full range Window Regulator program covering the top referenced products for the European market.

WAI products range will include, power, manual, and comfort function equipped window regulators.

All **WAI** window regulators are manufactured under the strict ISO 9001 standards to keep the customer in mind which is why our products are thoroughly tested to perform the same as your current product.

Please visit our website to see our full product range offering at www.waiglobal.com

About us

- A worldwide manufacturing, sourcing and distribution company
- Employs more than 650 people
- Sells to 5000 customers in 105 countries
- Extensive R&D with continuous investment
- In-house electronics manufacturing
- 14 worldwide locations
- Global distribution center located in Memphis, TN
- Global headquarters located in Ft. Lauderdale, FL
- European head office and distribution center located in the Netherlands
- Remanufacturing and distribution center located in the United Kingdom
- TecAlliance certified supplier
- ISO9001, TS16949 and ISO 14001 certified
