Hi. My name's Wayne Turner. I'm twelve years old. And this is my world!
This is my home. My address is Flat 8, 19 Marina Road, Brighton. Our flat isn't big, but the view is fantastic! Look. You can see my hometown Brighton, the sea and the pier. Brighton isn't a big town, but it's famous. Every year a lot of people come here for a day by the sea.

That's my sister, Tina. She's sixteen. And that's our dog, Bobby. He's a Labrador and he's very friendly. Today's the best day of the year. Can you guess why? Yes, it's the 15th of September - my birthday! And these are two of my favourite things: my bike and my football boots. My boots are a bit muddy at the moment and they aren't new, but they're great! My mum says I'm sports mad. My top three sports are football, basketball and athletics.
