Life Style,

Lovely Design.

Design da amare, dal 1957.

Una grande anima produttiva e una cura del dettaglio ereditata da una grande tradizione fanno di SCAB Design un simbolo del Made in Italy. Oggetti straordinari, che prendono forma dai principi di bellezza e funzionalità. Una ricerca senza fine verso la perfezione della materia, sfociata nel riconoscimento esclusivo da parte di Bayer MaterialScience. Qualità e stile per l'home design e per il settore contract. Un tocco unico, per trasformare l'**ideale** in **materiale**.

Design to love, since 1957.

*A great capacity of creation and attention to detail inherited from a long tradition make SCAB Design a symbol of Italian production. Extraordinary objects, which take shape from the principles of beauty and functionality. Infinite research for the perfection of matter, which has resulted in exclusive recognition by Bayer MaterialScience. Quality and style for home design and for the contract sector. A unique touch, to transform **the ideal** into the **material**.*

55
YEAR
EXPERIENCE

SCAB/ReCycle

Progettazione è anche disegnare un futuro ecosostenibile.

Le produzioni SCAB Design sono perfettamente riciclabili, perché i singoli componenti che le costituiscono sono rapidamente differenziabili. Ogni elemento plastico riporta il marchio d'identificazione secondo la normativa ISO 11469:2001, e fornisce facili indicazioni per il riciclaggio. **Tutta la produzione SCAB è realizzata con materiali riciclabili al 100%.**

Planning also means designing an eco-sustainable future.

SCAB Design products are perfectly recyclable because their individual components can quickly be sorted for disposal. Every plastic element has the identification mark according to ISO 11469:2001, and provides easy directions for recycling.

All the SCAB production is made with 100% recyclable materials.

Guida alla compilazione del codice del prodotto finito.

E' indispensabile specificare i componenti del prodotto nel seguente ordine:

- 1 - Codice modello
- 2 - Eventuale finitura telaio legno
- 3 - Sigla tessuto o colore scocca (a seconda del modello scelto)
- 4 - Finitura tessuto

Guidelines for creating the product reference number.

Please specify all component reference numbers of the product as per following order:

- 1 - Model reference number
- 2 - Wood frame finishing (if requested)
- 3 - Fabric monogram (letters) or main body colour (according to the selected model)
- 4 - Fabric reference number
