- **Eines der breitesten Sortimente mit größter Marktabdeckung**
One of the widest product ranges and maximum market coverage
- **BREMI Luftmassenmesser: zu 100% kontrolliert und produziert nach ISO/TS16949**
BREMI air mass meters: 100% tested and manufactured to ISO/TS16949 standard
- **Höchste Genauigkeit und schnellste Ansprechzeiten unterstützen die optimale und saubere Verbrennung**
Maximum precision and fast response times support optimum and clean combustion

The perfect one!

KOMPLETT AUS EINER HAND: GRÖSSTE MARKTABDECKUNG IN BEWÄHRTER QUALITÄT!

YOUR SINGLE SOURCE – MAXIMUM MARKET COVERAGE AND PROVEN QUALITY!

Sortierfolge

Unsere Vergleichsliste ist nach der
1. Ziffer bzw. nach dem 1. Buchstaben
einer Artikel-Nummer sortiert

Beispiel:

132549
1326
14
1445A
251
3
313
327B
A422
B4023
B415
C10
C8
D11
D4038
D408

Assortement Sequences

Our Cross Reference List is sorted
according to the first digit or the first letter
or the article number

Examples:

132549
1326
14
1445A
251
3
313
327B
A422
B4023
B415

Allgemeine Verkaufs- und Lieferungsbedingungen

Bremi Fahrzeug-Elektrik GmbH + Co. KG

I.

Allgemeine Bestimmungen – Geltungsbereich

1. Die folgenden Allgemeinen Geschäftsbedingungen gelten für alle gegenwärtigen und zukünftigen Geschäftsbeziehungen, die wir mit Unternehmern im Sinn von § 310 Abs. 1 BGB eingehen. Dies gilt auch dann, wenn auf sie bei späteren Geschäften nicht mehr ausdrücklich Bezug genommen wird. Abweichende, entgegenstehende oder ergänzende Allgemeine Geschäftsbedingungen des Unternehmers werden selbst bei Kenntnis nicht Vertragsbestandteil, es sei denn, wir hätten ihrer Geltung ausdrücklich schriftlich zugestimmt. Eine Vertragserfüllung durch uns ersetzt diese schriftliche Bestätigung nicht.
2. An Abbildungen, Zeichnungen, Kalkulationen und anderen Unterlagen (im Folgenden "Unterlagen") behalten wir uns unsere Eigentums- und urheberrechtlichen Verwertungsrechte uneingeschränkt vor. Die Unterlagen dürfen nur nach unserer vorherigen schriftlichen Zustimmung Dritten zugänglich gemacht werden und sind, wenn uns der Auftrag nicht erteilt wird, uns auf Verlangen unverzüglich zurückzugeben. Die Sätze 1 und 2 gelten entsprechend für Unterlagen des Unternehmers. Ausnahmsweise dürfen die Unterlagen jedoch solchen Dritten zugänglich gemacht werden, denen wir zulässigerweise Lieferungen übertragen haben.
3. Unsere Angebote sind freibleibend und unverbindlich, sofern sich aus der Auftragsbestätigung nichts anderes ergibt. Mit der Bestellung erklärt der Unternehmer verbindlich sein Vertragsangebot. Wir behalten uns vor, die Annahme der Bestellung - etwa nach Prüfung der Bonität des Unternehmers - abzulehnen. Im Übrigen sind wir berechtigt, das in der Bestellung liegende Vertragsangebot innerhalb von 14 Tagen durch Zusendung einer Auftragsbestätigung anzunehmen oder dem Besteller innerhalb dieser Frist die bestellte Ware zuzusenden. Für den Inhalt des Liefervertrags ist unsere Auftragsbestätigung maßgebend. Alle Vereinbarungen, insbesondere die Übernahme von Garantien oder Beschaffungsrisiken, die zwischen uns und dem Unternehmer zwecks Ausführung eines Vertrags getroffen werden, sind in diesem Vertrag schriftlich niedergelegt.
4. Der Vertragsschluss erfolgt unter dem Vorbehalt, im Falle unverschuldeter nicht richtiger oder nicht ordnungsgemäßer Selbstlieferung nicht oder nur teilweise zu leisten. Im Falle der Nichtverfügbarkeit oder der nur teilweisen Verfügbarkeit der Leistung wird der Unternehmer unverzüglich informiert. Die Gegenleistung wird unverzüglich erstattet.
5. Von uns bestätigte Aufträge kann der Unternehmer nicht stornieren, es sei denn, dass wir ausnahmsweise schriftlich zustimmen. In diesem Falle können wir eine Entschädigung fordern, deren Höhe die vertragliche Gegenleistung des Unternehmers nicht überschreiten soll.
6. Wir behalten uns Konstruktions- und Formänderungen bis zur Lieferung vor, durch die jedoch unter Berücksichtigung unserer Interessen die Interessen des Unternehmers nicht unzumutbar beeinträchtigt werden dürfen.
7. Die Rechte des Unternehmers aus dem Vertrag sind nur mit unserer vorherigen Zustimmung übertragbar.

II.

Lieferung und Abnahme

1. Der Unternehmer stellt uns bei Ware, die nach seinen Anforderungen, Spezifikationen usw. gefertigt wird, von allen Ansprüchen frei, die Dritte aus gewerblichen Schutzrechten, Urheberrechten, Warnzeichen usw. gegen uns oder ein mit uns verbundenes Unternehmen geltend machen können. Soweit wir hier Bedenken haben, sind wir verpflichtet, den Unternehmer hierauf aufmerksam zu machen. Eine eigenständige Prüfungspflicht trifft uns nicht. Das gleiche gilt, wenn der Unternehmer unsere Ware ohne unser Einverständnis so verwendet, dass Rechte Dritter verletzt werden können.
2. Soweit sich dies nicht bereits aus der Natur des Schuldverhältnisses ergibt, z.B. Sukzessivlieferungsvertrag, sind wir zu Teilleistungen berechtigt, wenn deren Entgegennahme dem Unternehmer zumutbar ist.

III.

Preise und Zahlungsbedingungen

1. Sofern unser Angebot oder unsere schriftliche Auftragsbestätigung nichts anderes beinhaltet, verstehen sich unsere Preise in EURO ab Werk ausschließliche Verpackung und Versicherung (beachte: ordnungsgemäße Verpackung ist Sache des Verkäufers. Wer Verpackungskosten trägt, ist Vereinbarungssache. Transportkosten trägt Unternehmer, wenn Ware an anderen als Erfüllungsort geschickt wird.). Besondere Verpackungswünsche des Unternehmers sind uns frühestmöglich, spätestens jedoch zwei Wochen vor dem Ablieferungs- bzw. Verladetermin, schriftlich mitzuteilen. Die in der Rechnung ausdrücklich als Leihverpackung kenntlich gemachten Paletten und ähnliche Lademittel sind in geeignetem und unbeschädigtem Zustand frachtfrei zurückzugeben.
2. Die gesetzliche Mehrwertsteuer ist nicht in unseren Preisen eingeschlossen. Sie wird in gesetzlicher Höhe am Tag der Rechnungsstellung in der Rechnung gesondert ausgewiesen.
3. Unsere Rechnungen sind binnen 30 Tagen ab Rechnungsdatum rein netto zahlbar. Bei einer Zahlung innerhalb von 14 Tagen ab Rechnungsdatum ist der Unternehmer zum Abzug von 2 % Skonto vom Nettowarenwert berechtigt. Für die Rechtzeitigkeit der jeweils geschuldeten Zahlung ist im bargeldlosen Zahlungsverkehr, namentlich bei Überweisungen, nicht die Vornahme der erforderlichen Leistungshandlung, sondern der Eintritt des Leistungserfolges in der Weise maßgebend, dass bei bargeldloser Zahlung der geschuldete Betrag auf unserem Konto eingegangen sein muss. Andere Zahlungsmittel als Bargeld oder Überweisung auf die von uns angegebenen Konten werden nur aufgrund schriftlicher Vereinbarung und nur erfüllungshalber angenommen. Alle Zahlungen sind spesenfrei zu leisten. Bei Zielüberschreitungen werden die gesetzlichen Verzugszinsen in Höhe von 8 Prozentpunkten über dem jeweiligen Basiszinssatz als objektiver Mindestschaden berechnet. Die Geltendmachung weiteren Verzugs Schadens wird hierdurch nicht ausgeschlossen.

4. Die Zurückhaltung von Zahlungen durch den Unternehmer ist ausgeschlossen, sofern die Gegenansprüche aus einem anderen Vertragsverhältnis resultieren. Beruhen die Gegenansprüche auf demselben Vertragsverhältnis, ist die Zurückhaltung von Zahlungen nur zulässig, wenn es sich um rechtskräftig festgestellte, unbestrittene oder von uns anerkannte Gegenansprüche handelt.
5. Ebenso stehen Aufrechnungsrechte dem Unternehmer nur zu, wenn seine Gegenansprüche rechtskräftig festgestellt, unbestritten oder von uns anerkannt sind.
6. Der Unternehmer erklärt sich damit einverstanden, dass wir gegenüber fälligen Forderungen des Unternehmers die Aufrechnung mit eigenen fälligen Forderungen erklären können, auch wenn die Fälligkeitstermine der gegenseitigen Forderungen verschieden sind.
Wir behalten uns das Recht vor, unsere Preise entsprechend zu ändern, wenn nach Abschluss des Vertrages Kostensenkungen oder Kostenerhöhungen, insbesondere aufgrund von Materialpreisänderungen, eintreten. Diese werden wir dem Unternehmer auf Verlangen nachweisen. Die Preisänderung darf dabei nur im Rahmen und zum Ausgleich der betreffenden Kostenänderungen erfolgen und ist daher auf den kostenabhängigen Teil des Gesamtpreises beschränkt.
7. Anteilige Werkzeugkosten sind, soweit nichts anderes schriftlich vereinbart, mit 50 % bei Auftragserteilung und 50 % bei Ausfallmustervorlage sofort ohne Abzug bezahlbar.
8. Teillieferungen sind mit den in Nr. 3 genannten Fristen je gesondert zu bezahlen. Zahlt der Unternehmer nicht rechtzeitig, so können wir die weitere Erledigung der Bestellung aussetzen oder gegen Bereitstellung der genannten Warenmenge den vereinbarten Preis verlangen. Das gleiche gilt bei Abrufaufträgen, wenn der Unternehmer die Ware nicht ordnungsgemäß abrufen. Auf Abruf gekaufte Ware muss der Unternehmer mangels anderer schriftlicher Vereinbarung spätestens innerhalb von sechs Monaten vollständig abgerufen haben. Abrufe müssen spätestens sechs Wochen vor dem Liefertermin bei uns eingehen.

IV.

Kreditgrundlage

1. Voraussetzung der Belieferung ist die Kreditwürdigkeit des Unternehmers. Erhalten wir nach Vertragsabschluss Auskünfte, die die Gewährung eines Kredits in der sich aus dem Auftrag ergebenden Höhe nicht unbedenklich erscheinen lassen, oder ergeben sich Tatsachen, die einen Zweifel in dieser Hinsicht zulassen, tritt insbesondere eine erhebliche Verschlechterung der Vermögenslage (Zwangsvollstreckung, Zahlungseinstellung, Insolvenz, Geschäftsauflösung, Geschäftsübergang) ein, sind wir berechtigt, angemessene Vorauszahlung bzw. Sicherheitsleistung oder Barzahlung ohne Rücksicht auf entgegenstehende frühere Vereinbarungen zu verlangen.
2. Unter den gleichen Voraussetzungen sind wir nach Belieferung des Unternehmers berechtigt, dessen Lager zu besichtigen und unter Eigentumsvorbehalt stehende Waren ohne Rücksicht auf entgegenstehende frühere Vereinbarungen bis zur Barzahlung vorläufig sicherzustellen. Transport- und Unterstellungskosten trägt der Unternehmer.

V.

Lieferzeit

1. Die Einhaltung von vereinbarten Fristen für Lieferungen setzt den rechtzeitigen Eingang sämtlicher vom Unternehmer zu liefernder Unterlagen, erforderlicher Genehmigungen und Freigaben, insbesondere von Plänen, sowie die Einhaltung der vereinbarten Zahlungsbedingungen und sonstigen Verpflichtungen durch den Unternehmer voraus. Werden diese Voraussetzungen nicht rechtzeitig erfüllt, so verlängern sich die Fristen angemessen, die Einrede des nicht erfüllten Vertrages sowie die Geltendmachung uns zustehender Zurückbehaltungsrecht bleibt vorbehalten. Dies gilt nicht, wenn wir die Verzögerung zu vertreten haben.
2. Die vereinbarte Lieferfrist verlängert sich unbeschadet unserer Rechte aus Verzug um den Zeitraum, in dem uns eine dauernde oder aufschiebende Einrede zusteht, insbesondere währenddessen der Unternehmer mit seinen Verpflichtungen aus diesem oder einem anderen Vertrag in Verzug ist.
3. Die Lieferfrist verlängert sich angemessen bei Maßnahmen im Rahmen von rechtmäßigen Arbeitskämpfen, insbesondere Streik und Aussperrung im eigenen Betrieb sowie unabhängig von der Rechtmäßigkeit der Arbeitskämpfmaßnahmen in Drittbetrieben, sofern uns kein Übernahme-, Vorsorge- oder Abwendungsverpflichtung trifft, des Weiteren bei Eintritt unvorhergesehener Ereignisse wie Mobilmachung, Krieg, Blockade, Aus- und Einfuhrverbote, insbesondere gesetzliche oder behördliche Vorschriften, Roh- oder Brennstoffmangel, Feuer oder Verkehrssperrungen oder höhere Gewalt, soweit solche Hindernisse nachweislich auf die Fertigstellung oder Ablieferung des Liefergegenstandes von Einfluss sind und bei uns, einem Vor- oder Unterlieferanten oder Transporteur eintreten und von uns nicht zu vertreten sind.
4. Bei teilweisem oder vollständigem Wegfall der Bezugsquellen von Bremi, gleich welcher Art, ist Bremi nicht verpflichtet, Deckungskäufe bei Dritten zu tätigen. Deckungskäufe oder sonstige Ansprüche stehen unseren Vertragspartnern aus einer etwaig von uns vertretbaren oder nicht vertretbaren Nichteinhaltung von Lieferfristen nicht zu.
5. Der Liefertermin ist eingehalten, wenn die Ware bis zu seinem Ablauf unser Werk Dömitz verlassen hat oder die Versandbereitschaft mitgeteilt ist.

Wir haften nach den gesetzlichen Bestimmungen, soweit der zugrunde liegende Kaufvertrag ein Fixgeschäft im Sinn von § 286 Abs. 2 Nr. 4 BGB oder von § 376 HGB ist. Wir haften auch nach den gesetzlichen Bestimmungen, sofern als Folge eines von uns zu vertretenden Lieferverzugs der Unternehmer berechtigt ist, geltend zu machen, dass sein Interesse an der weiteren Vertragserfüllung in Fortfall geraten ist. Wir haften ferner nach den gesetzlichen Bestimmungen, sofern der Lieferverzug auf einer von uns zu vertretenden vorsätzlichen oder grob fahrlässigen Vertragsverletzung beruht. Sofern der Lieferverzug nicht auf einer von uns zu vertretenden vorsätzlichen oder grob fahrlässigen Vertragsverletzung beruht, ist unsere Schadensersatzhaftung auf den vorhersehbaren, typischerweise eintretenden Schaden begrenzt. Ein Verschulden unserer Vertreter oder Erfüllungsgehilfen ist uns zuzurechnen.

Wir haften auch nach den gesetzlichen Bestimmungen, soweit der von uns zu vertretende Lieferverzug auf der schuldhaften Verletzung einer wesentlichen Vertragspflicht beruht; in diesem Fall ist aber die Schadensersatzhaftung auf

den vorhersehbaren, typischerweise eintretenden Schaden begrenzt.

6. Kommt der Unternehmer in Schuldner-/Annahmeverzug oder verletzt er schuldhaft sonstige Mitwirkungspflichten, sind wir berechtigt, den uns insoweit entstehenden Schaden einschließlich etwaiger Mehraufwendungen ersetzt zu verlangen. Dem Unternehmer bleibt der Nachweis gestattet, dass uns überhaupt kein Schaden entstanden ist oder dieser wesentlich niedriger als die Pauschale ist. Dasselbe gilt für den Fall, dass sich die Übergabe der Kaufsache auf Wunsch des Unternehmers verzögert. Weitergehende Ansprüche unsererseits bleiben vorbehalten.
7. Sofern der Unternehmer in Schuldner-/Annahmeverzug ist oder sonstige Mitwirkungspflichten schuldhaft verletzt oder die Übergabe der Sache auf seinen Wunsch hinausgeschoben wird, geht die Gefahr eines zufälligen Untergangs oder einer zufälligen Verschlechterung der Kaufsache in dem Zeitpunkt auf den Unternehmer über, in dem dieser in Annahme- oder Schuldnerverzug geraten ist, die geschuldete Mitwirkungshandlung unterlassen hat oder die Übergabe auf seinen Wunsch hinausgeschoben wird.

VI.

Eigentumsvorbehalt

1. Wir behalten uns das Eigentum an der Kaufsache bis zum Eingang aller Zahlungen aus der Geschäftsverbindung vor. Im Falle des Bestehens eines Kontokorrentverhältnisses bezieht sich der Vorbehalt auf den anerkannten Saldo. Dies schließt neben der vollständigen Kaufpreiszahlung einschließlich Mehrwertsteuer auch Zinsen und sonstige Nebenkosten, wie zum Beispiel vom Unternehmer zu tragende Frachtkosten, mit ein.
2. Während der Dauer unseres Eigentumsvorbehaltes ist der Unternehmer verpflichtet, die Kaufsache pfleglich zu behandeln. Er ist des Weiteren verpflichtet, diese auf eigene Kosten gegen Feuer-, Wasser- und Diebstahlschäden ausreichend zum Neuwert zu versichern. Sofern Wartungs- und Inspektionsarbeiten erforderlich sind, muss der Unternehmer diese auf eigene Kosten rechtzeitig durchführen.
3. Bei Pfändungen oder sonstigen Eingriffen Dritter hat der Unternehmer zu widersprechen und uns unverzüglich auf schnellstem Wege Anzeige zu machen, damit wir erforderlichenfalls Klage gemäß § 771 ZPO erheben können. Soweit der Dritte nicht in der Lage ist, uns die gerichtlichen und außergerichtlichen Kosten einer Klage gemäß § 771 ZPO zu erstatten, haftet der Unternehmer für den uns entstandenen Ausfall. Sicherungsübereignungen, Verpfändungen und andere unsere Rechte gefährdende Verfügungen über die unter Eigentumsvorbehalt stehende Sache sind dem Unternehmer nicht gestattet. Bei vertragswidrigem Verhalten des Unternehmers, insbesondere bei Zahlungsverzug, sind wir berechtigt, die Kaufsache zurückzunehmen. In der Zurücknahme der Kaufsache durch uns liegt ein Rücktritt vom Vertrag. Wir sind nach Rücknahme der Kaufsache zu deren Verwertung befugt, der Verwertungserlös ist auf die Verbindlichkeiten des Unternehmers – abzüglich angemessener Verwertungskosten – anzurechnen.
4. Kommt der Unternehmer mit der Erfüllung seiner Verbindlichkeit ganz oder teilweise in Verzug, so wird die gesamte Restschuld zuzüglich Verzugszinsen sofort fällig. Wir sind außerdem berechtigt, von sämtlichen noch nicht ausgeführten Verträgen zurückzutreten oder Lieferungen bzw. sonstige Leistungen aus sämtlichen Verträgen wegen der uns zu-

stehenden Forderungen zurückzuhalten. Der Unternehmer kann dieses Zurückbehaltungsrecht durch Gestellung einer selbstschuldnerischen und unbefristeten Bürgschaft einer deutschen Großbank, Sparkasse oder Volksbank in Höhe sämtlicher ausstehender Forderungen abwenden.

5. Der Unternehmer ist zur getrennten Lagerung und Kennzeichnung unserer unter Eigentumsvorbehalt stehenden Waren verpflichtet.
6. Der Unternehmer ist berechtigt, die Kaufsache im ordentlichen Geschäftsgang weiterzuverkaufen; er tritt uns jedoch bereits jetzt alle Forderungen einschließlich etwaiger Nebenrechte und Sicherheiten, in Höhe des Faktura-Endbetrages (einschließlich Mehrwertsteuer) unserer Forderung ab, die ihm aus der Weiterveräußerung gegen seine Abnehmer oder Dritte erwachsen, und zwar unabhängig davon, ob die Kaufsache ohne oder nach Verarbeitung weiterverkauft worden ist. Wir nehmen die Abtretung an. Eine Befugnis zur Weiterveräußerung besteht nicht, wenn sich der Unternehmer in Zahlungsverzug befindet, Antrag auf Eröffnung des Insolvenzverfahrens gestellt ist, oder er die Zahlung einstellt. Die uns vom Unternehmer im Voraus abgetretenen Forderungen beziehen sich bei Bestehen eines Kontokorrentverhältnisses mit seinem Abnehmer auch auf den anerkannten Saldo sowie im Fall der Insolvenz des Abnehmers auf den dann vorhandenen "kausalen" Saldo. Soweit der Unternehmer ein Recht zur Einziehung der entsprechenden Forderungen hat, bleibt er hierzu auch nach der Abtretung ermächtigt. Unsere Befugnis, die Forderung selbst einzuziehen, bleibt hiervon unberührt. Wir verpflichten uns jedoch, die Forderung nicht einzuziehen, solange der Unternehmer seinen Zahlungsverpflichtungen aus den vereinnahmten Erlösen nachkommt, nicht in Zahlungsverzug gerät und insbesondere kein Antrag auf Eröffnung eines Insolvenzverfahrens gestellt ist oder Zahlungseinstellung vorliegt. Ist dies der Fall, können wir verlangen, dass der Unternehmer uns die abgetretenen Forderungen und deren Schuldner bekannt gibt, alle zum Einzug erforderlichen Angaben macht, die dazugehörigen Unterlagen aushändigt und den Schuldnern (Dritten) die Abtretung mitteilt.

Für den Fall, dass die von dem Unternehmer im Rahmen der Weiterveräußerung der Vorbehaltsware geschlossenen Verträge unwirksam oder nichtig sein sollten, tritt der Unternehmer bereits jetzt die ihm anstelle der abgetretenen vertraglichen Ansprüche zustehenden gesetzlichen Ansprüche, insbesondere Bereicherungsansprüche, in demselben Umfang an uns ab. Wir nehmen die Abtretung an.

7. Die Verarbeitung oder Umbildung der Kaufsache durch den Unternehmer wird stets für uns vorgenommen. Verarbeitet der Unternehmer unsere Vorbehaltsware mit anderen, uns nicht gehörenden Gegenständen, erwerben wir das Miteigentum an der neuen Sache im Verhältnis des Wertes der Kaufsache (Faktura-Endbetrag, einschließlich Mehrwertsteuer) zu den anderen verarbeiteten Gegenständen zur Zeit der Verarbeitung.

Wird die Kaufsache mit anderen, uns nicht gehörenden Gegenständen untrennbar verbunden, vermengt oder vermischt, so erwerben wir das Miteigentum an der neuen Sache im Verhältnis des Wertes der Kaufsache (Faktura-Endbetrag, einschließlich Mehrwertsteuer) zu den anderen verbundenen, vermengten, vermischten Gegenständen zum Zeitpunkt der Verbindung, Vermengung oder Vermischung. Erfolgt die Verbindung, Vermengung oder Vermischung in der Weise, dass die Sache des Unternehmers als Hauptsache anzusehen ist, gilt als vereinbart, dass der Unternehmer uns anteilmäßig Miteigentum überträgt.

Im Übrigen gilt für die durch Verarbeitung, Verbindung, Vermengung oder Vermischung entstehende neue Sache das Gleiche wie für die unter Eigentumsvorbehalt gelieferte Kaufsache, insbesondere Ziffer 6 vorstehend.

8. Der Unternehmer verwahrt das so entstandene Alleineigentum oder Miteigentum für uns. Der Unternehmer haftet für eigenes vorsätzliches und fahrlässiges Verhalten ebenso für das seiner gesetzlichen Vertreter und der Personen, deren er sich zur Erfüllung seiner Verbindlichkeiten bedient.
9. Wir verpflichten uns, uns zustehende Sicherheiten auf Verlangen des Unternehmers insoweit freizugeben, als der realisierbare Wert unserer Sicherheiten die zu sichernden Forderungen um mehr als 10 % übersteigt; die Auswahl der freizugebenden Sicherheiten obliegt uns.

VII.

Gefahrübergang

Die Gefahr des zufälligen Untergangs und der zufälligen Verschlechterung der Ware geht mit der Übergabe, beim Versandkauf mit der Auslieferung der Ware an den Spediteur, den Frachtführer oder die sonst zur Ausführung der Versendung bestimmte Person oder Anstalt auf den Unternehmer über. Der Übergabe steht es gleich, wenn der Unternehmer im Verzug der Annahme ist. Befindet sich der Unternehmer in Annahmeverzug, haften wir nur für Vorsatz und grobe Fahrlässigkeit.

VIII.

Mängelhaftung, Schadenersatzansprüche

1. Voraussetzung für die Mängelrechte des Unternehmers ist, dass dieser den in § 377 HGB geregelten Untersuchungs- und Rügeobliegenheiten ordnungsgemäß nachgekommen ist. Für die Rechtzeitigkeit der Rüge genügt die rechtzeitige Absendung. Den Unternehmer trifft die volle Beweislast für sämtliche Anspruchsvoraussetzungen, insbesondere für den Mangel selbst, für den Zeitpunkt der Feststellung des Mangels und für die Rechtzeitigkeit der Mängelrüge. Für nicht rechtzeitig gerügte Mängel haften wir nicht.
2. Rechtzeitige Beanstandungen werden von unserer Qualitätskontrolle geprüft.
3. Soweit ein Mangel der Kaufsache vorliegt, ist der Unternehmer nach seiner Wahl berechtigt, Nacherfüllung entweder in Form einer Mangelbeseitigung oder in Form der Lieferung einer neuen mangelfreien Sache zu verlangen. Die zum Zwecke der Nacherfüllung erforderlichen Aufwendungen, insbesondere Transport-, Wege-, Arbeits- und Materialkosten werden von uns getragen, sofern sich die Kosten nicht dadurch erhöhen, dass die Kaufsache nach einem anderen Ort als dem Erfüllungsort verbracht worden ist. Wir sind berechtigt, die Art der gewählten Nacherfüllung zu verweigern, wenn sie nur mit unverhältnismäßigen Kosten möglich ist und die andere Art der Nacherfüllung ohne erhebliche Nachteile für den Unternehmer bleibt. Wenn wir zum Zwecke der Nacherfüllung eine mangelfreie Sache liefern, können wir von dem Unternehmer Rückgewähr der mangelhaften Sache nach Maßgabe der §§ 346, 348 BGB verlangen. Ersetzte Teile werden unser Eigentum. Der Unternehmer muss uns Gelegenheit zur Untersuchung oder zur schriftlichen Stellungnahme geben, bevor er unsere Ware aus-

baut. Sind wir zur Nachbesserung oder mangelfreier Ersatzlieferung nicht in der Lage, kann der Unternehmer unter Ausschluss aller weiteren Ansprüche vom Vertrag zurück-treten oder eine angemessene Preisherabsetzung fordern.

Für normale Abnutzung haften wir nicht. Unsere Gewährleistung setzt voraus, dass die Ware sachgemäß behandelt wurde.

4. Der Anspruch auf die Leistung ist ausgeschlossen, sobald der Unternehmer statt der Leistung Schadenersatz verlangt hat.
5. Wir haften nach den gesetzlichen Bestimmungen, sofern der Unternehmer Schadenersatzansprüche geltend macht, die auf Vorsatz oder grober Fahrlässigkeit, einschließlich von Vorsatz oder grober Fahrlässigkeit unserer gesetzlichen Vertreter oder Erfüllungsgehilfen, beruhen. Soweit uns keine vorsätzliche oder grob fahrlässige Vertragsverletzung vorgeworfen wird, ist die Schadenersatzhaftung auf den vorhersehbaren, typischerweise eintretenden Schaden begrenzt. Wir haften nach den gesetzlichen Bestimmungen, sofern wir schuldhaft eine wesentliche Vertragspflicht verletzen. In diesem Falle ist die Schadenersatzhaftung auf den vorhersehbaren, typischerweise eintretenden Schaden begrenzt. Wir haften nicht bei lediglich leicht fahrlässiger Verletzung unwesentlicher Vertragspflichten. Soweit der Unternehmer ein Anspruch auf Ersatz des Schadens statt der Leistung zusteht, ist unsere Haftung auch im Rahmen von vorstehender Ziffer 3 auf Ersatz des vorhersehbaren, typischerweise eintretenden Schadens begrenzt. Die Haftung wegen schuldhafter Verletzung des Lebens, des Körpers oder der Gesundheit bleibt unberührt. Dies gilt auch für die zwingende Haftung nach dem Produkthaftungsgesetz.
6. Soweit vorstehend nichts Abweichendes geregelt ist, ist die Haftung im Übrigen ausgeschlossen. Soweit unsere Haftung ausgeschlossen oder beschränkt ist, gilt dies auch für die persönliche Haftung unserer gesetzlichen Vertreter oder Erfüllungsgehilfen.
7. Die Verjährungsfrist für Mängelansprüche beträgt ein Jahr ab Ablieferung der Ware. Unsere Haftung nach dem Produkthaftungsgesetz bleibt unberührt.

IX.

Anwendbares Recht, Erfüllungsort, Gerichtsstand

1. Es gilt das Recht der Bundesrepublik Deutschland. Die Geltung des UN-Kaufrechts ist ausgeschlossen.
2. Erfüllungsort und ausschließlicher Gerichtsstand für alle Streitigkeiten, gleich aus welchem Rechtsgrund, auch aus Wechsel oder Schecks, ist unser Geschäftssitz. Wir haben das Recht, auch am Sitz des Unternehmers zu klagen.

X.

Schlussbestimmungen

Sollten einzelne Bestimmungen des Vertrags mit dem Unternehmer einschließlich dieser Allgemeinen Geschäftsbedingungen ganz oder teilweise unwirksam sein oder werden, wird hierdurch die Gültigkeit der übrigen Bestimmungen nicht berührt. Die ganz oder teilweise unwirksame Regelung soll durch eine Regelung ersetzt werden, deren wirtschaftlicher Erfolg dem der unwirksamen Regelung möglichst nahe kommt.

General Sale and Delivery Conditions

Bremi Fahrzeug-Elektrik GmbH + Co. KG

I.

General Regulations – Scope of Application

1. The following general business regulations shall apply to all present and future business relationships into which we enter with contractors, pursuant to Section 310, Paragraph 1 of the German Civil Code (BGB). This shall also apply where no express reference is made to the same in subsequent transactions. Divergent, contrasting or supplementary general business regulations of the Company shall not be incorporated into contracts even when known, unless we have expressly approved the application of the same in writing. The performance of a contract by ourselves shall not replace this written acknowledgement.
2. We unconditionally reserve our rights of exploitation of property and copyrights with regard to illustrations, drawings, calculations and other documents (hereafter, the "Documents"). The Documents may only be made available to third parties with our prior written consent, and if we are not awarded a contract, shall immediately be returned to us on demand. Clauses 1 and 2 shall correspondingly apply for the Company's documents. By way of exception, the documents may nevertheless be made available to such third parties, for which we have been authorised to assign deliveries.
3. Our offers are subject to confirmation and are non-binding in so far as there are no further consequences of the acknowledgement of the contract. With the order, the Company shall declare its contractual offer to be binding. We reserve the right to decline the order, for example, after checking the creditworthiness of the Contractor. Furthermore, we shall be authorised to accept the offer contained in the order within 14 days, through the delivery of an order confirmation or the dispatch of the ordered goods to the purchaser within this deadline. Our order confirmation shall be decisive for the content of the delivery contract. All agreements, in particular, the assumption of guarantees or financing risks, which are agreed between ourselves and the Company for the purpose of executing a contract, shall be set forth in this contract in writing.
4. The contract shall be concluded subject to the provision that we shall not carry out deliveries either in part or in full, in the event that supplies fail to match specifications or rules through no fault of our own. In the event that supplies are unavailable or only partially available, the Company shall immediately be informed of the same and the consideration for the order immediately reimbursed.
5. Orders that have been confirmed by ourselves may not be cancelled by the Company, unless we agree the same in writing on an exceptional basis. In such a case, we may demand an indemnity, the amount of which shall not exceed the contractual consideration of the Company.
6. We reserve the right to make changes to the construction and form until the delivery, albeit ensuring, while considering our own interests, that the interests of the Company are not affected in an unacceptable way.
7. The rights of the Company arising from the Contract shall only be transferable with our prior agreement.

II.

Delivery and Receipt

1. The Company shall release us with regard to the products manufactured according to its demands, specifications, etc. from all claims that third parties may make against us or against a company associated with ours on grounds of industrial property rights, copyrights, brands etc. In so far as we have concerns about these, we shall be obliged to draw the attention of the Company to them, but have no independent duty of scrutiny. The same shall apply, if the Company uses our products without our agreement in such a way that the rights of third parties may be infringed.
2. In so far as it does not already arise from the nature of the obligation, e.g. a subsequent delivery contract, we shall be authorised to make partial deliveries, when the receipt of the same is acceptable to the Company.

III.

Prices and Payment Conditions

1. In so far as our offer or our written order confirmation does not specify otherwise, our prices shall be understood as being denominated in Euros ex works, excluding packaging and insurance (NB: duly executed packaging shall be the responsibility of the seller. Packaging costs shall be agreed by the parties. The Company shall bear transport costs where the products are delivered to a location other than the place of performance). Special packaging requests by the Company shall be notified to us in writing as soon as possible and at latest, two weeks before the delivery or shipping deadline. Pallets and similar shipping material which is expressly distinguished in the invoice as loaned packaging material are to be returned in an appropriate and undamaged condition with carriage paid.
2. Official Value Added Tax is not included in our prices, with the legal amount of the same identified separately on the invoice on the day that it is issued.
3. Our invoices shall be payable within 30 days on a net basis and without deductions. Where these are paid within 14 days of the invoice date, the Company shall be authorised to deduct 2% from the net value of the products. For cashless payments, and notably transfers, the effective deadline for the outstanding payment in question shall not be that of the carrying out of the necessary transaction but the date on which the outstanding amount is received into our account. Means of payment other than cash or bank transfers to the accounts indicated by ourselves shall only be accepted by written agreement and as conditional payment. All payments shall be made net of expenses. In the event of default, late payment interest shall accrue at the legal rate of 800 basis points above the relevant base rate, as the minimum claim. We hereby reserve the right to enforce claims for injuries due to delayed performance.
4. The withholding of payments by the Company shall be excluded where counterclaims arise from another contractual relationship. If the counterclaims arise from the same contractual relationship, the withholding of payments shall

only be permitted where these relate to counterclaims that are determined to be legally binding, unchallenged or acknowledged by ourselves.

5. Likewise, the Company shall only be entitled to make offsetting payments, when its counterclaims are determined to be legally binding, unchallenged or acknowledged by ourselves.
6. The Company declares that it agrees to our offsetting outstanding amounts due to it against outstanding amounts due to us, even when the due dates of the reciprocal outstanding amounts are different.
We reserve the right to change our prices correspondingly, when costs increase or decrease after the conclusion of the contract, in particular due to changes in raw materials prices. These shall be demonstrated to the Company on request. Changes in prices may only be made to compensate the relevant changes in costs and shall therefore be restricted to the cost-dependent portion of the overall price.
7. Pro-rata costs of tools shall, unless otherwise agreed in writing, be paid immediately without deductions, with 50 % due when the invoice is issued and 50% when reference samples are submitted.
8. Partial deliveries shall be paid separately by the deadlines indicated in point 3. In the event that the Company does not pay in timely fashion, we may suspend the further completion of the order or demand the agreed price against the provision of the named quantity of product. The same shall apply for stand-by contracts, where the Company does not retrieve the products in regular fashion. For products purchased on a stand-by basis, the Company shall, in the absence of another written agreement, have collected the purchased goods in full within six months. Stand-by requests must be received by us at latest six weeks before the delivery deadline.

IV.

Credit basis

1. A precondition for deliveries is the creditworthiness of the Company. In the event that we receive information following the conclusion of the contract suggesting that the granting of a credit for the amount arising from the contract will not be automatic, or if events occur which cast doubts on the same, in particular, if there is a notable deterioration in the financial situation (foreclosure, bankruptcy, insolvency, liquidation, change of ownership), we shall be authorised to demand appropriate prepayments or sureties or payment in cash, without concern for conflicting previous agreements.
2. Under the same preconditions, we shall be authorised after delivery to the Company to inspect the warehouses of the same, and to secure goods under retention of title on a provisional basis until payment is made in cash, without concern for conflicting previous agreements. The Company shall bear transport and temporary storage costs.

V.

Delivery Times

1. Compliance with agreed delivery deadlines shall presuppose that the Company submits all the necessary documents, required authorisations and approvals, in particular of plans, and complies with the agreed payment conditions and other obligations. In the event that these preconditions are not met in timely fashion, the delivery deadlines shall be suitably extended, with our reserving the right to object on grounds of failure of contractual performance and to assert claims to our right of retention. The above shall not apply where we are responsible for the delay.
2. The agreed delivery deadline shall be extended, regardless of our rights, due to default, for the period for which there is a lasting or suspensive objection, and in particular, while the Company remains in default of its obligations arising from this or from another contract.
3. The delivery deadline shall be suitably extended in the event of measures in the context of lawful labour disputes, in particular strikes and lockouts within our own factory, or in third-party factories regardless of the legality of the industrial dispute measures, in so far as we are unaffected by any blame for acceptance, precautions or preventive measures, and additionally, by the occurrence of unforeseen events such as mobilisation, war, blockades, bans on exports and imports, in particular, legal or government instructions, shortages of raw materials or fuel, fire or closure to traffic, acts of God, in so far as such obstacles have a demonstrable influence on the completion or delivery of the objects of the delivery and occur to us, to a supplier or to a subcontractor and remain beyond our control.
4. In any event of partial or complete discontinuation of deliveries from sources of supply, Bremitz are under no obligation whatsoever to purchase products from third parties. Our contractual partners do not have the right to purchase from third parties and/or to claim damages as a result of possible non-compliance with lead times caused by events within or beyond Bremitz's control.
5. The delivery deadline shall have been observed if by it, the products have left our plant in Dömitz, or we have given notice that they are ready for delivery.

We shall be liable pursuant to legal provisions, in so far as the underlying purchase contract is a fixed contract pursuant to Section 286, Para. 2, Item 4 of the German Civil Code (BGB) or Section 376 of the German Commercial Code (HGB). We shall also be liable pursuant to legal provisions, in so far as the Company is authorised as a consequence of a delayed delivery for which we are responsible, to claim that its interest in the subsequent fulfilment of the contract has ceased. We shall be further liable, pursuant to legal provisions, in so far as the delayed delivery is due to a deliberate or grossly negligent breach of contract on our part. In so far as the delayed delivery is not due to a deliberate or grossly negligent breach of contract on our part, our liability for damages shall be limited to the foreseeable, naturally arising injuries. The fault of our representative or vicarious agent shall be attributed to us.

We shall also be liable pursuant to legal provisions, in so far as the delayed delivery for which we are responsible is due to the culpable violation of a significant contractual obligation; in this case, however, our liability for damages shall be limited to the foreseeable, naturally arising injuries.

6. If the Company is in default on a debt or in acceptance or has culpably violated other obligations of cooperation, we shall be authorised to demand compensation for the injuries sustained in this respect, including any additional expenditures. The Company shall be allowed to produce evidence that we have not suffered any injuries at all, or that these are significantly lower than the loss allowance. This shall also apply to the case that the delivery of the object of the purchase is delayed on the wishes of the Company. We reserve the right to press further claims.
7. In so far as the Company is in default on a debt or in acceptance or has culpably violated other obligations of cooperation, or has postponed the delivery of the product at its own wish, the risk of the accidental decay or deterioration of the purchase shall be shifted to the Company as of the time when the same party defaults on debts or in acceptance, has failed to perform the outstanding obligation of cooperation or has postponed the delivery of the product at its own wish.

VI.

Retention of Title

1. We shall reserve ownership of the sale object until all payments arising from the business relationship have been received. In the event that there is a current account relationship, the provision shall refer to the recognised balance. This shall include, in addition to the complete payment of the full purchase price, including value added tax, any interest and other associated costs, such as freight costs to be borne by the Company.
2. While our retention of title is in effect, the Company shall be obliged to handle the sale object with care. It shall be further obliged to insure the same against fire, flooding and theft at replacement value. In so far as maintenance and inspection work is necessary, the Company shall undertake these in timely fashion at its own expense.
3. In the event of distraints or other third-party interventions, the Company must oppose these and report the same to us immediately by the fastest possible means, so that we may file a suit pursuant to Section 771 of the German Civil Procedure Code (ZPO) if necessary. In so far as the third party is not in a position to compensate us for the judicial and extrajudicial costs of proceedings, pursuant to Section 771 of the German Civil Procedure Code (ZPO), the Company shall be liable for the financial loss accruing to us. The Company shall not be authorised to make assignments as security, pledges and other uses of the goods to which we retain title which place our rights at risk. Where the Company's behaviour is contrary to the contract, particularly for payment delays, we shall be authorised to reclaim the sale object. Our reclaiming of the sale object shall constitute a withdrawal from the contract. After reclaiming the sale object, we shall be authorised to sell the same, with the proceeds to be offset against the obligations of the Company after the deduction of appropriate costs of realisation.
4. If the Company delays the fulfilment of its obligations in part or in full, the entire remaining balance plus late payment interest shall immediately fall due. We shall furthermore be authorised to withdraw from all contracts that have not yet been executed, or to refrain from all deliveries and other services in all contracts on account of the claims due to us. The

Company may avoid this right of retention by arranging the issue of an absolute undated guarantee by a major German bank, German savings or cooperative bank for the full amount of the outstanding claims.

5. The Company shall be obliged to store and distinguish our goods under retention of title in a separate location.
6. The Company shall be justified in selling on the purchase object in a regular business transaction; it shall nevertheless immediately assign all of our claims, including accessory rights and sureties for the amount of the final amounts of the invoices (including value added tax) arising from the further assignment to its client or to a third party, and this independently of whether or not the purchase object has been sold on without or after further processing. We shall accept the transfer. An authorisation for the further disposal shall not be granted when the Company has defaulted on payments, has filed for bankruptcy or halts payment. Our claims assigned by the Company on a prior basis shall also relate, in the event that there is a current account relationship with its customer, to the acknowledged balance, as in the case of insolvency of the customer, to the "causal" balance which is then available. In so far as the Company is entitled to collect the corresponding claims, it shall remain authorised to do so even after the assignment. Our authorisation to collect the claims ourselves shall remain unaffected by the same. We shall nevertheless undertake not to collect the claims for as long as the Company meets its payment obligations from the collected proceeds, does not default on payment, and in particular, does not file for bankruptcy or halt payments. In this case, we may demand that the Company gives us notice of the assigned claims and the liable parties, provides us with all the information necessary for collection, surrenders the associated documents and informs the debtors (third parties) of the assignment.

In the case that the contracts concluded by the Company in the context of the further disposal of the retained goods are found to be ineffective or invalid, the Company shall immediately assign to us the due legal claims in the place of the assigned contractual claims, most notably claims based on unfair enrichment to the same extent. We shall accept the assignment.

7. The processing or reorganisation of the sale object by the Company shall always be carried out for us. If the Company processes our retained goods with other objects that do not belong to us, we shall acquire joint ownership of the new product in relation to the ratio of the sale object (final invoice amount, including value added tax) to the other processed objects at the time of processing.

If the processed goods are indissociably joined with objects not belonging to us, we shall acquire joint ownership of the new product in relation to the ratio of the sale object (final invoice amount, including value added tax) to the other joined, blended or mixed objects at the time of association. If the joining, blending or mixing is carried out in such a way that the product of the Company is seen to be the main item, it shall be considered as agreed that the Company shall assign us joint ownership on a proportional basis. Furthermore, the same terms shall apply to the new object arising through processing, joining, blending or mixing as to the purchase good delivered under title of retention, most notably the above item 6.

8. The Company shall safeguard the sole or joint property for us. The Company shall also assume liability for its own deliberate and negligent behaviour, as well as for that of its legal

representative and for the persons who assist it in fulfilling its obligations.

9. We shall undertake to release the sureties due to us at the demand of the Company, in so far as the realisable value of the same exceed the guaranteed claims by more than 10 %; the selection of the sureties to be released shall be incumbent on us.

VII.

Transfer of Risk

The risk of the accidental decay or deterioration of the goods shall migrate to the Company for mail-order purchases with the delivery to the carrier, the freight forwarder or other persons or entities defined for the execution of the shipping. The same consequences shall arise if the Company is in default in accepting the delivery. If the Company is in default in this way, we shall only be liable for malicious intent and gross negligence.

VIII.

Liability for Defects, Claims for Damages

1. A precondition for the warranty rights of the Company is that the same party has performed the obligations of investigation and objection set forth in Section 377 of the German Commercial Code (HGB) in proper fashion. Timely dispatch shall be sufficient for the timeliness of the objection. The Company shall bear the full burden of proof for conditions of entitlement, in particular for the defect itself, for the time of determination of the defect and for the timeliness of the objection. We shall not be liable for objections to defects that are not communicated in timely fashion.
2. Timely objections shall be checked by our Quality Control department.
3. In so far as there is a defect in the sale object, the Company shall be authorised, as it chooses, to demand subsequent performance in the form either of the correction of the defect or the delivery of a new defect-free product. Expenditure incurred for the purpose of subsequent performance, notably transport, tolls, work and material costs shall be borne by us, in so far as the costs do not increase due to the fact that the sale object has been taken from a place other than the place of performance. We are authorised to reject the chosen form of subsequent performance, when it is only possible at disproportionate cost and the other forms of subsequent performance are without significant disadvantages for the Company.

When we deliver a defect free product for the purpose of subsequent performance, we may demand the return of the defective product from the Company pursuant to Sections 346 and 348 of the German Civil Code (BGB).

Replaced parts shall become our property. The Company shall give us the opportunity to investigate or issue a written position before it dismantles our products. If we are not in a position to amend the product or deliver a defect-free replacement, the Company may, on excluding all further claims, withdraw from the contract or demand a suitable price reduction.

We shall not be liable for normal wear and tear. Our guarantee states that requires that goods are handled appropriately.

4. Performance claims shall be excluded as soon as the Company has demanded compensation for damages instead of the performance.
5. We shall be liable pursuant to the provisions of the law, in so far as the Company makes valid claims for compensation resting on malicious intent or gross negligence, including that of our legal representatives or assistants with execution. In so far as we are not accused of any breach of contract due to malicious intent or gross negligence, the liability for compensation shall be limited to foreseeable, naturally arising injuries.

We shall be liable pursuant to the provisions of the law, in so far as we culpably breach a significant contractual obligation. In this case, the liability for compensation shall be limited to foreseeable, naturally arising injuries. We shall not be liable for only mildly negligent breaches of insignificant contractual obligations. In so far as the Company claims compensation for injuries instead of performance, our liability shall also be limited with regard to the previous point 3 to foreseeable, naturally arising injuries.

Liability for culpable injury to life, body or health shall remain unaffected. This shall also apply to compulsory liability according to the Product Liability Law.

6. In so far there are no exceptions in the above provisions, remaining liability is excluded. In so far as our liability is excluded or restricted, this shall also apply to the personal liability of our legal representatives or vicarious agents.
7. The limitation period for claims for defective goods shall be one year from the delivery of the products. Our liability pursuant to the product liability law shall remain unaffected.

IX.

Applicable Law, Place of Performance, Jurisdiction

1. This contract shall be governed by the laws of the Federal Republic of Germany. The validity of UN Purchase Law is hereby excluded.
2. The Place of Performance and exclusive Jurisdiction for all disputes, regardless of the legal grounds, including currency or cheques, shall be our registered office. We shall also have the right to file claims at the registered office of the Company.

X.

Final Provisions

In the event that individual provisions of the contract with the Company, including these general business conditions are or become ineffective, whether in part or in whole, the same shall not affect the validity of the other provisions. The partly or wholly ineffective provision shall be replaced by another, which comes as close as possible to the commercial effect of the ineffective one.
