Monteringsvejledning for støddæmpere
Mounting instructions for Shock Absorbers
Einbauanleitung für Stossdämpfer
60191007 - 60191008 - 60191285

Ved montering af disse støddæmpere er det **meget vigtigt** at nedenforstående tegning følges nøje.
Støddæmpernes montering vil være **modsat** de originalt monterede støddæmpere.
Mærket **> ARRIBA <** som er stemplet ind i dæmperne, skal pege op imod chassis'et,
da ventilen i modsat fald ikke vil virke som den skal.

When mounting these Shock Absorbers, it is **very important** to follow the drawing below very accurately.
These shock absorbers are to be mounted **opposite** the original equipment shock absorbers.
The mark **> ARRIBA <** printed into the shock absorbers must be mounted pointing up towards the chassis.

Bei Einbau von diesen Stossdämpfern ist es **unbedingt notwendig** untenstehende Zeichnung wahrzunehmen.
Die Stossdämpfer sollen in Vergleich mit den Originaldämpfern genau 180° umgedreht montiert werden,
und die Marke **> ARRIBA <** die in die Dämpfer gestanzt ist, soll nach oben stehen,
da die Ventile sonst nicht optimal funktionieren wird.
