(1) bei Erneuerung eines kompletten Halters ist die andere Seite mit auszutauschen (febi 18686 verwenden); ein vorher montiertes Gummilager darf nicht wiederverwendet werden, da die Innenhülse durch das trockene Abziehen zerstört wird! Querlenker mit der Form A sind auszutauschen, nicht mischen!!
 When replacing a complete retainer please do also think of the other side - this has to be replaced as well (use febi 18686). A rubber mounting installed before may not be used anymore as the rubberized interior is destroyed by the dry pulling off.
 Control Arms Form A have to be replaced, do not mix.!!
