### Chapter 1. About the dock

This chapter contains product information about the ThinkPad® USB-C Dock (hereafter called dock).

### **Product description**

The dock is a portable expansion module that enables you to easily connect your computer to the Ethernet and multiple devices, such as a headset, a monitor, and Universal Serial Bus (USB) devices.

You can set up your work area by connecting your computer to the dock with a USB-C cable, connecting multiple devices to the dock, and configuring the dock on your computer. Then, you are ready to use the multiple devices each time you connect your computer to the dock. The dock can also supply power to your computer when it is connected to the computer.

Your option package includes the following:

- ThinkPad USB-C Dock
- Power adapter
- Power cord
- USB-C cable
- · Warranty poster

Contact your place of purchase if any item is missing or damaged. Be sure to retain your proof of purchase and packing material. They might be required to receive warranty service.

#### Main features

The dock provides the following main features:

- USB connectors: three USB 3.0 connectors, two USB 2.0 connectors, and one USB-C connector
- Network connection: Gigabit Ethernet speed
- Supported external monitors: DisplayPort® (DP) monitor and video graphics array (VGA) monitor
- Supported functions:
  - ThinkVantage<sup>®</sup> Access Connections<sup>™</sup> (Windows<sup>®</sup> 7 only)
  - Preboot eXecution Environment (PXE) (supported on some Lenovo® computers)
  - Media Access Control (MAC) address Pass Through
  - Wake on LAN

For more information about the supported functions, see "Using the Ethernet connector" on page 7.

#### Maximum resolutions and refresh rates

To achieve better display experience, it is recommended that you connect one or two external monitors to the dock at a time.

- DP output only: 3840 x 2160 pixels (30 Hz)
- VGA output only: 1920 x 1200 pixels (60 Hz)
- DP and VGA simultaneous output: 1920 x 1080 pixels (60 Hz)

• DP and DP simultaneous output: 1920 x 1080 pixels (60 Hz)

### **Component overview**

The following illustration helps you locate and identify the connectors and controls on your dock.

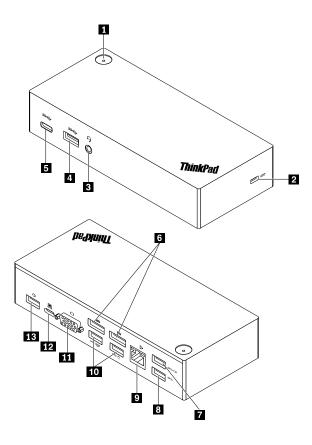

Figure 1. Component overview

1 Power button with indicator	2 Security-lock slot		
3 Headset and microphone combo connector	4 USB 3.0 connector		
5 USB-C connector	6 DP connectors		
7 Always On USB 3.0 connector	8 USB 3.0 connector		
9 Ethernet connector	10 USB 2.0 connectors		
11 VGA connector	12 USB-C connector		
13 Power connector			

#### 1 Power button with indicator

- Power button
  - When the dock is disconnected from the computer, press the power button to turn off the dock.
  - When the dock is connected to the computer, the power button on the dock has the same functions as the power button of the computer. You can use the power button on the dock to turn on, turn off, sleep, hibernate, or wake up the computer after you define what power button does on your computer. To change what the power button does, do the following:

- 1. Got to Control Panel and then change the view of the Control Panel from Category to Large icons or Small icons.
- 2. Click Power Options → Choose what the power buttons do.
- 3. Follow the instructions on the screen.
- Power button indicator

The indicator shows the dock status and computer status:

- Off: The dock is off, or the computer is off or in hibernation mode.
- White: The computer is on.
- White and blinking slowly: The computer is in sleep mode.
- **Amber**: The dock is on and ready to connect to the computer.

#### 2 Security-lock slot

To protect your dock from theft, lock your dock to a desk, table, or other fixtures through a security cable lock that fits this security-lock slot.

Note: You are responsible for evaluating, selecting, and implementing the locking device and security feature. Lenovo makes no comments, judgments, or warranties about the function, quality, or performance of the locking device and security feature.

#### 3 Headset and microphone combo connector

Connect headphones or a headset with a 3.5-mm (0.14-inch), 4-pole plug.

#### 4 8 USB 3.0 connector

Connect USB-compatible devices, such as a USB storage device, or a USB printer. For optimal data transfer, connect a USB 3.0 device to a USB 3.0 connector instead of a USB 2.0 connector.

#### 5 USB-C connector

Connect USB-C compatible devices for data transfer only, such as a USB-C storage device.

#### 6 DP connector

Connect a high-performance monitor, a direct-drive monitor, or other devices that use a DP connector.

#### 7 Always On USB 3.0 connector

Charge devices even when your computer is turned off, in sleep mode, or in hibernation mode; or when the dock is disconnected from your computer.

#### 9 Ethernet connector

Connect the dock to an Ethernet LAN with an Ethernet cable.

#### 10 USB 2.0 connectors

Connect USB 2.0 devices, such as a USB keyboard, a USB mouse, a USB storage device, or a USB printer.

#### Notes:

It is recommended that you connect a USB keyboard and a USB mouse to the USB 2.0 connectors.

• If you are using a USB 3.0 device, it is recommended that you connect it to a USB 3.0 connector for faster USB transmission speed.

#### 11 VGA connector

Connect a VGA-compatible video device, such as a VGA monitor.

#### 12 USB-C connector

Connect the dock to your computer by a USB-C cable.

#### 13 Power connector

Connect the dock to the power adapter.

### **System requirements**

Before using the dock, ensure that your computer has one of the following Microsoft® operating systems installed:

- Windows 7
- Windows 10

### Chapter 2. Setting up the dock

This section provides information about how to connect the dock to your computer, and how to install and uninstall the device driver.

### Installing the device driver on Windows operating systems

The Lenovo computer with USB-C connectors has the dock device driver preinstalled. In this situation, the dock is ready for use after you connect it to an ac power source and your computer. For the detailed computer model information, go to http://www.lenovo.com/support/docks and click **ThinkPad USB-C Dock**.

The latest device driver for the dock also is available for downloading from the Lenovo Web site. Go to http://www.lenovo.com/support/docks, click **ThinkPad USB-C Dock**, and download the driver installation file. Then follow the instructions on the screen to install the device driver.

### Connecting the dock to your computer

To connect the dock to your computer, do the following:

- 1. Connect the ac power adapter to the power cord 1.
- 2. Connect the power cord to an electrical outlet 2.
- 3. Connect the ac power adapter to the power connector of the dock 3.

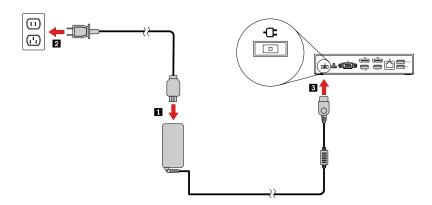

Figure 2. Connecting the dock to the power supply

- 4. Connect one end of the USB-C cable to the dock 1.
- 5. Connect the other end of the USB-C cable to the computer 2.

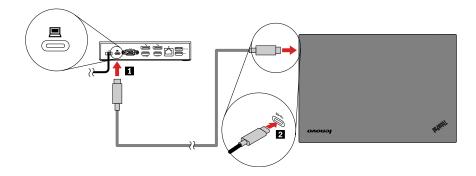

Figure 3. Connecting the dock to the computer

Note: The dock supplies power to the computer when it is connected to the computer.

### Uninstalling the device driver from Windows operating systems

To uninstall the device driver, do the following:

#### For the Windows 7 operating system:

- 1. Exit all applications that use the dock.
- 2. Click Start → Control Panel. Then change the view of Control Panel to Category.
- 3. Click Uninstall a program → ThinkPad USB-C Dock USB Audio, and then right-click to select Uninstall.
- 4. Follow the instructions on the screen to uninstall the device driver.
- 5. If necessary, restart your computer.

#### For the Windows 10 operating system:

- 1. From the desktop, move the pointer to the bottom-left corner of the screen, and then search **Control Panel** in the search box.
- 2. Click Control Panel, and then change the view of Control Panel to Category.
- 3. Click Uninstall a program → ThinkPad USB-C Dock USB Audio, and then right-click to select Uninstall.
- 4. Follow the instructions on the screen to uninstall the device driver.

### Chapter 3. Using the dock

This section provides instructions on how to use the connectors on the dock:

- "Using the headset and microphone combo connector" on page 7
- "Using the Ethernet connector" on page 7
- "Using the USB connectors" on page 8
- "Using the DP and VGA connectors" on page 8

The dock expands the connection capability of your computer. You can connect devices to the appropriate connectors on the dock after your computer is turned on. Normally it takes several seconds for the computer to recognize new devices.

The dock simplifies the connection between your computer and multiple devices. For example, you can connect the USB devices and external monitors to the dock rather than the computer. When you want to take your computer away, you can disconnect the computer from the dock rather than remove the USB devices and external monitors. When you come back, simply connect your computer to the dock to resume all previous connections and start working at once.

### Using the headset and microphone combo connector

The headset and microphone combo connector on the dock is a 3.5-mm (0.14-inch) microphone combined stereo line-out connector. It works for the standard 3.5-mm (0.14-inch) headset, microphone, or speaker.

**Note:** The headset and microphone combo connector on the dock are automatically enabled after you have successfully connected the dock to your computer and installed the device driver. However, if you cannot hear anything from the headset connected to the dock, you can manually enable the headset and microphone combo connector on the dock. See "Manually enabling the headset and microphone combo connector" on page 11 for more information.

### **Using the Ethernet connector**

To use the Ethernet connector on the dock, connect the dock to a standard 10 Mbps, 100 Mbps, or 1000 Mbps network.

The Ethernet connection on the dock supports the following functions:

- ThinkVantage Access Connections (Windows 7 only)
  - Access Connections is a connectivity assistant program for creating and managing location profiles. Each location profile stores all the network and Internet configuration settings needed for connecting to a network infrastructure from a specific location such as a home or an office. By switching between location profiles as you move your computer from place to place, you can quickly and easily connect to a network with no need to manually reconfigure your settings and restart the computer each time.
- Preboot eXecution Environment (supported on some Lenovo computers)
   The PXE technology makes the computer more manageable by enabling the computer to start from a server. For the PXE supported computer list, go to www.lenovo.com/accessoriesguide.
- MAC address Pass Through
   Your dock MAC address is the same as that of your computer, after enabling the MAC address Pass Through function.
- Wake on LAN

The network administrator can turn on a computer from a management console by using the Wake on LAN function. When the Wake on LAN function is enabled, many operations, such as data transfer, software updates, and flash updates of the UEFI BIOS, can be done remotely without remote attendance. The updating process can perform after normal working hours and on weekends, so that the users are not interrupted during work, and the LAN traffic is kept to a minimum. It saves time and increases productivity.

**Note:** You can enable the PXE function, the MAC address Pass Through function, and the Wake on LAN function through configuring the BIOS on your computer. For more information about configuring the BIOS, refer to the user guide that comes with your computer.

There are two indicators on the top of the Ethernet connector.

Indicator activity	Working status		
The right indicator stays on in green.	The dock connects to the Ethernet successfully.		
The left indicator keeps flashing in amber.	The dock is transferring data.		

### Using the USB connectors

Connect USB-compatible devices, such as a USB storage device or a USB printer to the USB connectors.

#### Notes:

- It is recommended that you connect a USB keyboard and a USB mouse to the USB 2.0 connectors.
- If you are using a USB 3.0 device, it is recommended that you connect it to a USB 3.0 connector for faster USB transmission speed.
- The dock provides two types of USB-C connectors:
  - Connect your computer to this USB-C connector on the dock.
  - Connect a USB-C compatible device to this USB-C connector on the dock for data transfer only, such as a USB-C storage device.

#### Using the Always On USB 3.0 connector

By default, the Always On USB 3.0 connector (see and smartphones when the dock is connected to the power supply.

The Always on USB 3.0 connector can supply power up to 2.4 A during the charging process. When you press the power button to turn off the dock, the dock stops power supply.

### Using the DP and VGA connectors

To use the DP connector, connect an external DP monitor to the dock using a DP cable. To use the VGA connector, connect an external VGA monitor to the dock using a VGA cable.

**Note:** For better performance, occasionally adjust the external monitor to realign its settings with the video output of the dock. For more information about the adjustment procedure, refer to the documentation that comes with your external monitor.

### Chapter 4. Working with the dock

This section provides information about the video output modes of the dock and instructions on how to configure the dock to your needs.

### Understanding the video output modes

The dock works in the following three video output modes:

- "Extend mode" on page 9
- "Mirror mode" on page 10
- "Single-display mode" on page 10

By default, the dock works in the extend mode. The first time you connect the dock to your computer, the resolution of your computer and the connected monitor is changed to the default. You can configure your resolution to your needs.

#### **Extend mode**

When the dock is in the extend mode, it splits your display across two monitors. Your computer monitor becomes the primary display and the external monitor becomes the secondary display. By default, the external monitor display is on the right side of the computer monitor display.

In extend mode, you can drag and drop windows from one display to the other. You also can increase your productivity by doing the following:

- · Reading e-mails on one display and opening the attachments on the other
- Expanding a spreadsheet across two displays
- Increasing your work area by putting all the palette and toolbars on the other display when you are doing graphics editing
- Keeping the desktop on one display and watching videos on the other

To enter the extend mode, do the following:

#### For the Windows 7 operating system:

- 1. Click Start → Control Panel.
- 2. Depending on your Control Panel mode, do one of the following:
  - Click Display → Change display settings.
  - Click Appearance and Personalization → Display → Change display settings.
- 3. In the Multiple displays drop-down list box, select Extend these displays.
- 4. Follow the instructions on the screen to complete the setting.

#### For the Windows 10 operating system:

- 1. From the desktop, move the pointer to the bottom-left corner of the screen, and then search **Control Panel** in the search box.
- 2. Depending on your Control Panel mode, do one of the following:
  - Click **Display** → **Change display settings**.
  - Click Appearance and Personalization → Display → Change display settings.

- 3. In the Multiple displays drop-down list box, select Extend these displays.
- 4. Follow the instructions on the screen to complete the setting.

#### Mirror mode

When the dock is in the mirror mode, it clones your computer screen to the external monitor. The dock automatically selects the settings (screen resolution, color quality, and refresh rate) for the external monitor, which achieves optimal resolution based on your computer.

To enter the mirror mode, do the following:

#### For the Windows 7 operating system:

- 1. Click Start → Control Panel.
- 2. Depending on your Control Panel mode, do one of the following:
  - Click Display → Change display settings.
  - Click Appearance and Personalization → Display → Change display settings.
- 3. In the Multiple displays drop-down list box, select Duplicate these displays.
- 4. Follow the instructions on the screen to complete the setting.

#### For the Windows 10 operating system:

- 1. From the desktop, move the pointer to the bottom-left corner of the screen, and then search Control Panel in the search box.
- 2. Depending on your Control Panel mode, do one of the following:
  - Click Display → Change display settings.
  - Click Appearance and Personalization → Display → Change display settings.
- 3. In the Multiple displays drop-down list box, select Duplicate these displays.
- 4. Follow the instructions on the screen to complete the setting.

### Single-display mode

When the dock is in the single-display mode, you can show your desktop on only one screen.

To enter the single-display mode, do the following:

#### For the Windows 7 operating system:

- 1. Click Start → Control Panel.
- 2. Depending on your Control Panel mode, do one of the following:
  - Click Display → Change display settings.
  - Click Appearance and Personalization → Display → Change display settings.
- 3. In the Multiple displays drop-down list box, select Show desktop only on 1 or Show desktop only on 2.
- 4. Follow the instructions on the screen to complete the setting.

#### For the Windows 10 operating system:

- 1. From the desktop, move the pointer to the bottom-left corner of the screen, and then search Control Panel in the search box.
- 2. Depending on your Control Panel mode, do one of the following:
  - Click Display → Change display settings.
  - Click Appearance and Personalization → Display → Change display settings.
- 3. In the Multiple displays drop-down list box, select Show desktop only on 1 or Show desktop only on 2.
- 4. Follow the instructions on the screen to complete the setting.

Note: If you select Show desktop only on 1, your computer display will be on and the external monitor will turn off. However, the other functions such as audio, Ethernet, and USB connection can still work though the external monitor is off. If you select **Show desktop only on 2**, the external monitor will be on and your computer display will turn off.

### Configuring the dock

You can configure the display settings of the dock to your needs:

- "Manually enabling the headset and microphone combo connector" on page 11
- "Rotating the external monitor display" on page 11
- "Setting the color quality of the external monitor" on page 12
- "Setting the resolution of the external monitor" on page 13

Note: The settings you have configured for the dock will be retained each time when you connect the computer to the dock.

### Manually enabling the headset and microphone combo connector

To manually enable the headset and microphone combo connector on the dock, do the following:

- 1. Right-click the speaker icon in the Windows notification area. A pop-up menu opens.
- 2. Click Playback devices to select a USB audio line-out device, and then click the Recording tab to select a USB audio line-in device.
- 3. Click OK.

Note: To apply the new settings, restart the applications that are using the audio devices.

### Rotating the external monitor display

The dock enables you to rotate only your external monitor display as you want.

To rotate the external monitor display, do the following:

#### For the Windows 7 operating system:

- 1. Click Start → Control Panel.
- 2. Depending on your Control Panel mode, do one of the following:
  - Click Display → Change display settings.
  - Click Appearance and Personalization → Display → Change display settings.
- 3. In the **Orientation** drop-down list box, select one of the following options:
  - Landscape: The external monitor display remains the same as your computer monitor display.

- Portrait: The external monitor display rotates 90 degrees to the left.
- Landscape (flipped): The external monitor display becomes upside-down.
- Portrait (flipped): The external monitor display rotates 90 degrees to the right.
- 4. Follow the instructions on the screen to complete the setting.

#### For the Windows 10 operating system:

- 1. From the desktop, move the pointer to the bottom-left corner of the screen, and then search Control Panel in the search box.
- 2. Depending on your Control Panel mode, do one of the following:
  - Click Display → Change display settings.
  - Click Appearance and Personalization → Display → Change display settings.
- 3. In the **Orientation** drop-down list box, select one of the following options:
  - Landscape: The external monitor display remains the same as your computer monitor display.
  - **Portrait**: The external monitor display rotates 90 degrees to the left.
  - Landscape (flipped): The external monitor display becomes upside-down.
  - Portrait (flipped): The external monitor display rotates 90 degrees to the right.
- 4. Follow the instructions on the screen to complete the setting.

Note: For a normal display, you can continually click Portrait or Portrait (flipped) until the display becomes upside-down.

### Setting the color quality of the external monitor

The color quality setting of the external monitor is supported only on the Windows 7 operating system.

To set the color quality of the external monitor, do the following:

- 1. Click Start → Control Panel.
- 2. Depending on your Control Panel mode, do one of the following:
  - Click **Display** → **Change display settings**.
  - Click Appearance and Personalization → Display → Change display settings.
- 3. Click Advanced settings, and then click the Monitor tab.
- 4. Select High Color (16 bit) or True Color (32 bit) from the Colors drop-down list box.

Note: The default and recommended setting is True Color (32 bit).

5. Click **OK** to save the setting.

### Setting the resolution of the external monitor

To set the resolution of the external monitor, do the following:

#### For the Windows 7 operating system:

- 1. Click Start → Control Panel.
- 2. Depending on your Control Panel mode, do one of the following:
  - Click **Display** → **Change display settings**.
  - Click Appearance and Personalization → Display → Change display settings.
- 3. In the **Resolution** drop-down list box, move the slider up to increase or down to decrease the resolution of the external monitor.
- 4. Follow the instructions on the screen to complete the setting.

#### For the Windows 10 operating system:

- 1. From the desktop, move the pointer to the bottom-left corner of the screen, and then search Control Panel in the search box.
- 2. Depending on your Control Panel mode, do one of the following:
  - Click **Display** → **Change display settings**.
  - Click Appearance and Personalization → Display → Change display settings → Advanced display settings.
- 3. In the **Resolution** drop-down list box, move the slider up to increase or down to decrease the resolution of the external monitor.
- 4. Follow the instructions on the screen to complete the setting.

### **Chapter 5. Troubleshooting**

This chapter provides some troubleshooting hints and tips to assist you if you experience any problems with the dock. Check the following items first to try to solve the problem.

#### General

- 1. The dock does not work after connected to a computer with the provided USB-C cable.
  - Ensure that the dock is correctly connected to the power adapter. The dock always needs external
    power adapter for operation, because it does not get power supply from the USB connector attached
    to your computer.
  - Ensure that the device driver of the dock is installed; if not, install the device driver and restart the computer.
- 2. The 2.4 GHz wireless keyboard or 2.4 GHz wireless mouse function is interrupted. The mouse pointer lags or it cannot move. Some characters are lost when you input by the keyboard.
  - It is recommended that you connect your 2.4 GHz device receiver to the front USB 3.0 connector on the dock and avoid connecting another USB 3.0 device next to the connector with the receiver attached.
- 3. The charging speed becomes slow, after I connect my device (such as a mobile phone) to the dock for charging.
  - Ensure that you connect your mobile phone to the Always On USB 3.0 connector. Disconnect the dock from the computer, the charging speed might become faster.
- 4. The mobile phones or other USB devices cannot be charged when connected to the Always On USB 3.0 connector.
  - It is recommended that you can disconnect the dock from the computer, and then you can charge the mobile phones or other USB devices.
- 5. The mouse and keyboard cannot wake up my computer when connected to the Always On USB 3.0 connector.
  - Ensure that you connect your keyboard and mouse to other USB connectors on the dock instead of the Always On USB 3.0 connector.
- 6. The computer is not charged after connected to the dock.
  - Ensure that you use the power adapter that shipped with the dock.

#### Video output

- 1. The external monitor display is blank.
  - Ensure that the computer connected to the dock is running correctly and is not in standby or hibernation mode. When the computer is in standby or hibernation mode, the external monitor display is always blank.
  - Ensure that the device driver is installed following the installation instructions.
  - Ensure that the following connections are correct:
    - The connection between the USB-C cable and your computer
    - The connection between the USB-C cable and the dock
    - The connection among the power adapter, the dock, and the electrical outlet
    - The connection between your video cable to the dock and the external monitor.

If the problem persists, disconnect all connections of the dock, and uninstall the dock device driver. Then, reinstall the device driver and the dock.

© Copyright Lenovo 2016

#### 2. I cannot play back videos on the external monitor but can play them back on the computer monitor.

Some computers do not support the Certified Output Protection Protocol (COPP), and you will not be able to play back the protected videos on the external monitor connected to the dock.

To play back videos on the external monitor, you can connect the external monitor to the VGA or DP connector on your computer, and extend the display to the external monitor. For more information about configuring the display settings, see Chapter 4 "Working with the dock" on page 9.

3. The images on the external monitor flutter.

Check the display resolution setting of the computer and ensure that the resolution is supported by the dock.

4. The images on the external monitor are not in correct colors.

Check the color quality of the external monitor and adjust the color to the correct color. See "Setting the color quality of the external monitor" on page 12.

5. The computer can play back Web flashes. However, when I drag the window to the external monitor and maximize the playback window, the playback stops.

To solve the problem, update your Adobe Flash Player to the latest version.

6. The external monitor display is blank, or the images on the external monitor flutter.

Connect one or two external monitors at a time. It is not recommended that you connect three external monitors.

#### **Audio**

#### I cannot hear anything through my computer speakers or I cannot use the audio connectors on the computer.

By default, ThinkPad and other Lenovo computers use the headset and microphone combo connector on the dock and disable built-in audio connectors when the dock is connected.

To enable the built-in audio connectors on your computer, do the following:

- 1. Right-click the **Volume** icon in the Windows notification area.
- 2. Select **Sounds**, and the Sound window is displayed.
- 3. Click the Playback tab to select a built-in audio device, and then click the Recording tab to select another built-in audio device.

See "Manually enabling the headset and microphone combo connector" on page 11 for more information.

#### **Notes:**

- To apply the new settings, restart the applications that are using the audio devices.
- The settings you have adjusted will be saved until you change the settings next time.

### Appendix A. Service and Support

The following information describes the technical support that is available for your product, during the warranty period or throughout the life of your product. Refer to the Lenovo Limited Warranty for a full explanation of Lenovo warranty terms.

### Online technical support

Online technical support is available during the lifetime of a product at: http://www.lenovo.com/support

Product replacement assistance or exchange of defective components also is available during the warranty period. In addition, if your option is installed in a Lenovo computer, you might be entitled to service at your location. A Lenovo technical support representative can help you determine the best alternative.

### **Telephone technical support**

Installation and configuration support through the Customer Support Center will be available until 90 days after the option has been withdrawn from marketing. After that time, the support is canceled, or made available for a fee, at Lenovo's discretion. Additional support is also available for a nominal fee.

Before contacting a Lenovo technical support representative, please have the following information available: option name and number, proof of purchase, computer manufacturer, model, serial number and manual, the exact wording of any error message, description of the problem, and the hardware and software configuration information for your system.

Your technical support representative might want to walk you through the problem while you are at your computer during the call.

Telephone numbers are subject to change without notice. The most up-to-date telephone list for Lenovo Support is always available at http://www.lenovo.com/support/phone. If the telephone number for your country or region is not listed, contact your Lenovo reseller or Lenovo marketing representative.

### **Accessibility information**

#### **Documentation in accessible formats**

Lenovo provides electronic documentation in accessible formats, such as properly tagged PDF files or HyperText Markup Language (HTML) files. Lenovo electronic documentation is developed to ensure that visually impaired users can read the documentation through a screen reader. Each image in the documentation also includes adequate alternative text to explain the image so that visually impaired users can understand the image when they use a screen reader.

To open and view PDF files, your computer must have the Adobe Reader program installed. The Adobe Reader program also is available for download at: http://www.adobe.com

© Copyright Lenovo 2016

### **Appendix B. Lenovo Limited Warranty**

L505-0010-02 08/2011

This Lenovo Limited Warranty consists of the following parts:

Part 1 - General Terms

Part 2 - Country-specific Terms

Part 3 - Warranty Service Information

The terms of Part 2 replace or modify terms of Part 1 as specified for a particular country.

#### Part 1 - General Terms

This Lenovo Limited Warranty applies only to Lenovo hardware products you purchased for your own use and not for resale. This Lenovo Limited Warranty is available in other languages at www.lenovo.com/warranty.

#### **What this Warranty Covers**

Lenovo warrants that each Lenovo hardware product that you purchase is free from defects in materials and workmanship under normal use during the warranty period. The warranty period for the product starts on the original date of purchase as shown on your sales receipt or invoice or as may be otherwise specified by Lenovo. The warranty period and type of warranty service that apply to your product are as specified in "Part 3 - Warranty Service Information" below. This warranty only applies to products in the country or region of purchase.

THIS WARRANTY IS YOUR EXCLUSIVE WARRANTY AND REPLACES ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. AS SOME STATES OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF EXPRESS OR IMPLIED WARRANTIES, THE ABOVE EXCLUSION MAY NOT APPLY TO YOU. IN THAT EVENT, SUCH WARRANTIES APPLY ONLY TO THE EXTENT AND FOR SUCH DURATION AS REQUIRED BY LAW AND ARE LIMITED IN DURATION TO THE WARRANTY PERIOD. AS SOME STATES OR JURISDICTIONS DO NOT ALLOW LIMITATIONS ON THE DURATION OF AN IMPLIED WARRANTY, THE ABOVE LIMITATION ON DURATION MAY NOT APPLY TO YOU.

#### **How to Obtain Warranty Service**

If the product does not function as warranted during the warranty period, you may obtain warranty service by contacting Lenovo or a Lenovo approved Service Provider. A list of approved Service Providers and their telephone numbers is available at: www.lenovo.com/support/phone.

Warranty service may not be available in all locations and may differ from location to location. Charges may apply outside a Service Provider's normal service area. Contact a local Service Provider for information specific to your location.

#### **Customer Responsibilities for Warranty Service**

Before warranty service is provided, you must take the following steps:

follow the service request procedures specified by the Service Provider;

- backup or secure all programs and data contained in the product;
- provide the Service Provider with all system keys or passwords;
- provide the Service Provider with sufficient, free, and safe access to your facilities to perform service;
- remove all data, including confidential information, proprietary information and personal information, from the product or, if you are unable to remove any such information, modify the information to prevent its access by another party or so that it is not personal data under applicable law. The Service Provider shall not be responsible for the loss or disclosure of any data, including confidential information, proprietary information, or personal information, on a product returned or accessed for warranty service;
- remove all features, parts, options, alterations, and attachments not covered by the warranty;
- ensure that the product or part is free of any legal restrictions that prevent its replacement;
- if you are not the owner of a product or part, obtain authorization from the owner for the Service Provider to provide warranty service.

#### What Your Service Provider Will Do to Correct Problems

When you contact a Service Provider, you must follow the specified problem determination and resolution procedures.

The Service Provider will attempt to diagnose and resolve your problem by telephone, e-mail or remote assistance. The Service Provider may direct you to download and install designated software updates.

Some problems may be resolved with a replacement part that you install yourself called a "Customer Replaceable Unit" or "CRU." If so, the Service Provider will ship the CRU to you for you to install.

If your problem cannot be resolved over the telephone; through the application of software updates or the installation of a CRU, the Service Provider will arrange for service under the type of warranty service designated for the product under "Part 3 - Warranty Service Information" below.

If the Service Provider determines that it is unable to repair your product, the Service Provider will replace it with one that is at least functionally equivalent.

If the Service Provider determines that it is unable to either repair or replace your product, your sole remedy under this Limited Warranty is to return the product to your place of purchase or to Lenovo for a refund of your purchase price.

#### **Replacement Products and Parts**

When warranty service involves the replacement of a product or part, the replaced product or part becomes Lenovo's property and the replacement product or part becomes your property. Only unaltered Lenovo products and parts are eligible for replacement. The replacement product or part provided by Lenovo may not be new, but it will be in good working order and at least functionally equivalent to the original product or part. The replacement product or part shall be warranted for the balance of the period remaining on the original product.

#### **Use of Personal Contact Information**

If you obtain service under this warranty, you authorize Lenovo to store, use and process information about vour warranty service and your contact information, including name, phone numbers, address, and e-mail address. Lenovo may use this information to perform service under this warranty. We may contact you to inquire about your satisfaction with our warranty service or to notify you about any product recalls or safety issues. In accomplishing these purposes, you authorize Lenovo to transfer your information to any country where we do business and to provide it to entities acting on our behalf. We may also disclose it where required by law. Lenovo's privacy policy is available at www.lenovo.com/.

#### What this Warranty Does not Cover

This warranty does not cover the following:

- uninterrupted or error-free operation of a product;
- loss of, or damage to, your data by a product;
- any software programs, whether provided with the product or installed subsequently;
- failure or damage resulting from misuse, abuse, accident, modification, unsuitable physical or operating environment, natural disasters, power surges, improper maintenance, or use not in accordance with product information materials;
- damage caused by a non-authorized service provider:
- failure of, or damage caused by, any third party products, including those that Lenovo may provide or integrate into the Lenovo product at your request;
- any technical or other support, such as assistance with "how-to" questions and those regarding product set-up and installation;
- products or parts with an altered identification label or from which the identification label has been removed.

#### **Limitation of Liability**

Lenovo is responsible for loss or damage to your product only while it is in the Service Provider's possession or in transit, if the Service Provider is responsible for the transportation.

Neither Lenovo nor the Service Provider is responsible for loss or disclosure of any data, including confidential information, proprietary information, or personal information, contained in a product.

UNDER NO CIRCUMSTANCES, AND NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY REMEDY SET FORTH HEREIN, SHALL LENOVO, ITS AFFILIATES, SUPPLIERS, RESELLERS, OR SERVICE PROVIDERS BE LIABLE FOR ANY OF THE FOLLOWING EVEN IF INFORMED OF THEIR POSSIBILITY AND REGARDLESS OF WHETHER THE CLAIM IS BASED IN CONTRACT, WARRANTY, NEGLIGENCE, STRICT LIABILITY OR OTHER THEORY OF LIABILITY: 1) THIRD PARTY CLAIMS AGAINST YOU FOR DAMAGES; 2) LOSS, DAMAGE OR DISCLOSURE OF YOUR DATA; 3) SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO LOST PROFITS, BUSINESS REVENUE, GOODWILL OR ANTICIPATED SAVINGS. IN NO CASE SHALL THE TOTAL LIABILITY OF LENOVO, ITS AFFILIATESS, SUPPLIERS, RESELLERS OR SERVICE PROVIDERS FOR DAMAGES FROM ANY CAUSE EXCEED THE AMOUNT OF ACTUAL DIRECT DAMAGES, NOT TO EXCEED THE AMOUNT PAID FOR THE PRODUCT.

THE FOREGOING LIMITATIONS DO NOT APPLY TO DAMAGES FOR BODILY INJURY (INCLUDING DEATH), DAMAGE TO REAL PROPERTY OR DAMAGE TO TANGIBLE PERSONAL PROPERTY FOR WHICH LENOVO IS LIABLE UNDER LAW. AS SOME STATES OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

#### **Your Other Rights**

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY HAVE OTHER RIGHTS ACCORDING TO THE APPLICABLE LAWS OF YOUR STATE OR JURISDICTION. YOU MAY ALSO HAVE OTHER RIGHTS UNDER A WRITTEN AGREEMENT WITH LENOVO. NOTHING IN THIS WARRANTY AFFECTS STATUTORY RIGHTS, INCLUDING RIGHTS OF CONSUMERS UNDER LAWS OR REGULATIONS GOVERNING THE SALE OF CONSUMER GOODS THAT CANNOT BE WAIVED OR LIMITED BY CONTRACT.

### Part 2 - Country-specific Terms

**Australia** 

"Lenovo" means Lenovo (Australia & New Zealand) Pty Limited ABN 70 112 394 411. Address: Level 10, North Tower, 1-5 Railway Street, Chatswood, NSW, 2067. Telephone: +61 2 8003 8200. Email: lensyd au@lenovo.com

The following replaces the same section in Part 1:

#### **What this Warranty Covers:**

Lenovo warrants that each hardware product that you purchase is free from defects in materials and workmanship under normal use and conditions during the warranty period. If the product fails due to a covered defect during the warranty period, Lenovo will provide you a remedy under this Limited Warranty. The warranty period for the product starts on the original date of purchase specified on your sales receipt or invoice unless Lenovo informs you otherwise in writing. The warranty period and type of warranty service that apply to your product are set forth below in Part 3 - Warranty Service Information.

#### THE BENEFITS GIVEN BY THIS WARRANTY ARE IN ADDITION TO YOUR RIGHTS AND REMEDIES AT LAW, INCLUDING THOSE UNDER THE AUSTRALIAN CONSUMER LAW.

The following replaces the same section in Part 1:

#### **Replacement Products and Parts:**

When warranty service involves the replacement of a product or part, the replaced product or part becomes Lenovo's property and the replacement product or part becomes your property. Only unaltered Lenovo products and parts are eligible for replacement. The replacement product or part provided by Lenovo may not be new, but it will be in good working order and at least functionally equivalent to the original product or part. The replacement product or part shall be warranted for the balance of the period remaining on the original product. Products and parts presented for repair may be replaced by refurbished products or parts of the same type rather than being repaired. Refurbished parts may be used to repair the product; and repair of the product may result in loss of data, if the product is capable of retaining user-generated data.

The following is added to the same section in Part 1:

#### **Use of Personal Contact Information:**

Lenovo will not be able to perform our service under this warranty if you refuse to provide your information or do not wish us to transfer your information to our agent or contractor. You have the right to access your personal contact information and request correction of any errors in it pursuant to the Privacy Act 1988 by contacting Lenovo.

The following replaces the same section in Part 1:

#### **Limitation of Liability:**

Lenovo is responsible for loss or damage to your product only while it is in the Service Provider's possession or in transit, if the Service Provider is responsible for the transportation.

Neither Lenovo nor the Service Provider is responsible for loss or disclosure of any data, including confidential information, proprietary information, or personal information, contained in a product.

TO THE EXTENT PERMITTED BY LAW, UNDER NO CIRCUMSTANCES AND NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY REMEDY SET FORTH HEREIN, SHALL LENOVO, ITS AFFILIATES, SUPPLIERS, RESELLERS, OR SERVICE PROVIDERS BE LIABLE FOR ANY OF THE FOLLOWING EVEN IF INFORMED OF THEIR POSSIBILITY AND REGARDLESS OF WHETHER THE CLAIM IS BASED IN CONTRACT, WARRANTY, NEGLIGENCE, STRICT LIABILITY OR OTHER THEORY OF LIABILITY: 1) THIRD PARTY CLAIMS AGAINST YOU FOR DAMAGES; 2) LOSS, DAMAGE OR DISCLOSURE OF YOUR DATA; 3) SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO LOST PROFITS, BUSINESS REVENUE, GOODWILL OR ANTICIPATED SAVINGS. IN NO CASE SHALL THE TOTAL LIABILITY OF LENOVO, ITS AFFILIATESS, SUPPLIERS, RESELLERS OR SERVICE PROVIDERS FOR DAMAGES FROM ANY CAUSE EXCEED THE AMOUNT OF ACTUAL DIRECT DAMAGES, NOT TO EXCEED THE AMOUNT PAID FOR THE PRODUCT.

THE FOREGOING LIMITATIONS DO NOT APPLY TO DAMAGES FOR BODILY INJURY (INCLUDING DEATH), DAMAGE TO REAL PROPERTY OR DAMAGE TO TANGIBLE PERSONAL PROPERTY FOR WHICH LENOVO IS LIABLE UNDER LAW.

The following replaces the same section in Part 1:

#### **Your Other Rights:**

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU ALSO HAVE OTHER RIGHTS AT LAW, INCLUDING UNDER THE AUSTRALIAN CONSUMER LAW. NOTHING IN THIS WARRANTY AFFECTS STATUTORY RIGHTS OR RIGHTS AT LAW, INCLUDING RIGHTS THAT CANNOT BE WAIVED OR LIMITED BY CONTRACT.

For example, our products come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the products repaired or replaced if the products fail to be of acceptable quality and the failure does not amount to a major failure.

#### New Zealand

The following is added to the same section in Part 1:

#### **Use of Personal Information:**

Lenovo will not be able to perform our service under this warranty if you refuse to provide your information or do not wish us to transfer your information to our agent or contractor. You have the right to access your personal information and request correction of any errors in it pursuant to the Privacy Act 1993 by contacting Lenovo (Australia & New Zealand) Pty Limited ABN 70 112 394 411. Address: Level 10, North Tower, 1-5 Railway Street, Chatswood, NSW, 2067. Telephone: 61 2 8003 8200. Email: lensyd\_au@lenovo.com

#### Bangladesh, Cambodia, India, Indonesia, Nepal, Philippines, Vietnam and Sri Lanka

The following is added to Part 1:

#### **Dispute Resolution**

Disputes arising out of or in connection with this warranty shall be finally settled by arbitration held in Singapore. This warranty shall be governed, construed and enforced in accordance with the laws of Singapore, without regard to conflict of laws. If you acquired the product in **India**, disputes arising out of or in connection with this warranty shall be finally settled by arbitration held in Bangalore, India. Arbitration in Singapore shall be held in accordance with the Arbitration Rules of Singapore International Arbitration Center ("SIAC Rules") then in effect. Arbitration in India shall be held in accordance with the laws of India then in effect. The arbitration award shall be final and binding on the parties without appeal. Any award shall be in writing and set forth the findings of fact and the conclusions of law. All arbitration proceedings, including all documents presented in such proceedings shall be conducted in the English language. The English language version of this warranty prevails over any other language version in such proceedings.

#### **European Economic Area (EEA)**

The following is added to Part 1:

Customers in the EEA may contact Lenovo at the following address: EMEA Service Organisation, Lenovo (International) B.V., Floor 2, Einsteinova 21, 851 01, Bratislava, Slovakia. Service under this warranty for Lenovo hardware products purchased in EEA countries may be obtained in any EEA country in which the product has been announced and made available by Lenovo.

#### Russia

The following is added to Part 1:

#### **Product Service Life**

The product service life is four (4) years from the original date of purchase.

### Part 3 - Warranty Service Information

Product Type	Country or Region of Purchase	Warranty Period	Type of Warranty Service
ThinkPad USB-C Dock	Worldwide	3 years	1, 4

If required, your Service Provider will provide repair or exchange service depending on the type of warranty service specified for your product and the available service. Scheduling of service will depend upon the time of your call, parts availability, and other factors.

#### **Types of Warranty Service**

#### 1. Customer Replaceable Unit ("CRU") Service

Under CRU Service, the Service Provider will ship CRUs to you at its cost for installation by you. CRU information and replacement instructions are shipped with your product and are available from Lenovo at any time upon request. CRUs that are easily installed by you are called "Self-service CRUs". "Optional-service CRUs" are CRUs that may require some technical skill and tools. Installation of Self-service CRUs is your responsibility. You may request that a Service Provider install Optional-service CRUs under one of the other types of warranty service designated for your product. An optional service offering may be available for purchase from a Service Provider or Lenovo under which Self-service CRUs would be installed for you. You may find a list of CRUs and their designation in the publication that was shipped with your product or at www.lenovo.com/CRUs. The requirement to return a defective CRU, if any, will be specified in the instructions shipped with a replacement CRU. When return is required: 1) return instructions, a prepaid return shipping label, and a container will be included with the replacement CRU; and 2) you may be charged for the replacement CRU if the Service Provider does not receive the defective CRU from you within thirty (30) days of your receipt of the replacement CRU.

#### 2. On-site Service

Under On-Site Service, a Service Provider will either repair or exchange the product at your location. You must provide a suitable working area to allow disassembly and reassembly of the product. Some repairs may need to be completed at a service center. If so, the Service Provider will send the product to the service center at its expense.

#### 3. Courier or Depot Service

Under Courier or Depot Service, your product will be repaired or exchanged at a designated service center, with shipping at the expense of the Service Provider. You are responsible for disconnecting the product and packing it in a shipping container provided to you to return your product to a designated service center. A courier will pick up your product and deliver it to the designated service center. The service center will return the product to you at its expense.

#### 4. Customer Carry-In Service

Under Customer Carry-In Service, your product will be repaired or exchanged after you deliver it to a designated service center at your risk and expense. After the product has been repaired or exchanged, it will be made available to you for collection. If you fail to collect the product, the Service Provider may dispose of the product as it sees fit, with no liability to you.

#### 5. Mail-In Service

Under Mail-In Service, your product will be repaired or exchanged at a designated service center after you deliver it at your risk and expense. After the product has been repaired or exchanged, it will be returned to you at Lenovo's risk and expense, unless the Service Provider specifies otherwise.

#### 6. Customer Two-Way Mail-In Service

Under Customer Two-Way Mail-In Service, your product will be repaired or exchanged after you deliver it to a designated service center at your risk and expense. After the product has been repaired or exchanged, it will be made available to you for return shipping at your risk and expense. If you fail to arrange return shipment, the Service Provider may dispose of the product as it sees fit, with no liability to you.

#### 7. Product Exchange Service

Under Product Exchange Service, Lenovo will ship a replacement product to your location. You are responsible for its installation and verification of its operation. The replacement product becomes your property in exchange for the failed product, which becomes the property of Lenovo. You must pack the failed product in the shipping carton in which you received the replacement product and return it to Lenovo. Transportation charges, both ways, shall be at Lenovo's expense. If you fail to use the carton in which the replacement product was received, you may be responsible for any damage to the failed product occurring during shipment. You may be charged for the replacement product if Lenovo does not receive the failed product within thirty (30) days of your receipt of the replacement product.

### Suplemento de Garantía para México

Este Suplemento de Garantía se considera parte integrante de la Garantía Limitada de Lenovo y será efectivo única y exclusivamente para los productos distribuidos y comercializados dentro del Territorio de los Estados Unidos Mexicanos. En caso de conflicto, se aplicarán los términos de este Suplemento.

El comercializador responsable del producto es Lenovo México S de R L de CV y para efectos de esta garantía en la República Mexicana su domicilio es Paseo de Tamarindos No.400-A Piso 27 Arcos Torre Poniente, Bosques de Las Lomas, Delegación Miguel Hidalgo, C.P. 05120 México, D.F. En el caso de que se precise una reparación cubierta por la garantía o precise de partes, componentes, consumibles o accesorios diríjase a este domicilio.

Si no existiese ningún Centro de servicio autorizado en su ciudad, población o en un radio de 70 kilómetros de su ciudad o población, la garantía incluirá cualquier gasto de entrega razonable relacionado con el transporte del producto a su Centro de servicio autorizado más cercano. Por favor, llame al Centro de servicio autorizado más cercano para obtener las aprobaciones necesarias o la información relacionada con el envío del producto y la dirección de envío.

Esta garantía ampara todas las piezas de hardware del producto e incluye mano de obra.

El procedimiento para hacer efectiva la garantía consiste en la presentación del producto, acompañado de la póliza correspondiente, debidamente sellada por el establecimiento que lo vendió, o la factura, o recibo o comprobante, en el que consten los datos específicos del producto objeto de la compraventa.

Lenovo sólo pueden eximirse de hacer efectiva la garantía en los siguientes casos: a) Cuando el producto se hubiese utilizado en condiciones distintas a las normales. b) Cuando el producto no hubiese sido operado de acuerdo con el instructivo de uso que se le acompaña. c) Cuando el producto hubiese sido alterado o reparado por personas no autorizadas por el fabricante nacional, importador o comercializador responsable respectivo.

Todos los programas de software precargados en el equipo sólo tendrán una garantía de noventa (90) días por defectos de instalación desde la fecha de compra. Lenovo no es responsable de la información incluida en dichos programas de software y /o cualquier programa de software adicional instalado por Usted o instalado después de la compra del producto.

La garantía cubre la atención, revisión y corrección de errores, defectos o inconsistencias que impidan el desempeño normal de un equipo de cómputo en cuanto a su hardware y software. Los servicios no cubiertos por la garantía se cargarán al usuario final, previa obtención de una autorización.

Esta garantía tiene una duración de un año a partir del momento de la compra e incluye la mano de obra, por lo que en caso de aplicarse la garantía, esta no causara ningún gasto o costo para el cliente.

Centros de Servicios autorizados para hacer efectiva la garantía:

- Lenovo México con domicilio en Paseo de Tamarindos No.400-A Piso 27 Arcos, Torre Poniente, Bosques de Las Lomas, Delegación Miguel Hidalgo, C.P. 05120 México, D.F. Teléfono 01800- 083-4916, http://support.lenovo.com/es MX/product-service/service-provider/default.page
- Lenovo Monterrey con domicilio en Boulevard Escobedo No.316, Apodaca Technology Park, Apodaca, C.P. 66601, Nuevo León, México. Teléfono 01800- 083-4916, http://support.lenovo.com/es\_MX/product-service/service-provider/default.page

Importado por: Lenovo México S. de R.L. de C.V. Av. Santa Fe 505, Piso 15 Col. Cruz Manca Cuajimalpa, D.F., México C.P. 05349 Tel. (55) 5000 8500

### Appendix C. Compliance information

The latest compliance information is available at: http://www.lenovo.com/compliance

#### Electronic emission notices

The following information refers to the ThinkPad USB-C Dock.

### **Federal Communications Commission Declaration of Conformity**

ThinkPad USB-C Dock - DK1633

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- · Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult an authorized dealer or service representative for help.

Lenovo is not responsible for any radio or television interference caused by using other than specified or recommended cables and connectors or by unauthorized changes or modifications to this equipment. Unauthorized changes or modifications could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Responsible Party: Lenovo (United States) Incorporated 1009 Think Place - Building One Morrisville, NC 27560

Phone Number: 919-294-5900

#### **Industry Canada Compliance Statement**

CAN ICES-3(B)/NMB-3(B)

#### **European Union - Compliance to the Electromagnetic Compatibility Directive**

This product is in conformity with the protection requirements of EU Council Directive 2004/108/EC (until 19 April, 2016) and Council Directive 2014/30/EU (from 20 April, 2016) on the approximation of the laws of the Member States relating to electromagnetic compatibility.

© Copyright Lenovo 2016

Lenovo cannot accept responsibility for any failure to satisfy the protection requirements resulting from a non-recommended modification of the product, including the installation of option cards from other manufacturers. This product has been tested and found to comply with the limits for Class B equipment according to European Standards harmonized in the Directives in compliance. The limits for Class B equipment were derived for typical residential environments to provide reasonable protection against interference with licensed communication devices.

Lenovo, Einsteinova 21, 851 01 Bratislava, Slovakia

#### German Class B compliance statement

#### **Deutschsprachiger EU Hinweis:**

#### Hinweis für Geräte der Klasse B EU Richtlinie zur Elektromagnetischen Verträglichkeit

Dieses Produkt entspricht den Schutzanforderungen der EU Richtlinie 2014/30/EU (früher 2004/108/EC) zur Angleichung der Rechtsvorschriften über die elektromagnetische Verträglichkeit in den EU-Mitgliedsstaaten und hält die Grenzwerte der Klasse B der Norm gemäß Richtlinie.

Um dieses sicherzustellen, sind die Geräte wie in den Handbüchern beschrieben zu installieren und zu betreiben. Des Weiteren dürfen auch nur von der Lenovo empfohlene Kabel angeschlossen werden. Lenovo übernimmt keine Verantwortung für die Einhaltung der Schutzanforderungen, wenn das Produkt ohne Zustimmung der Lenovo verändert bzw. wenn Erweiterungskomponenten von Fremdherstellern ohne Empfehlung der Lenovo gesteckt/eingebaut werden.

#### **Deutschland:**

#### Einhaltung des Gesetzes über die elektromagnetische Verträglichkeit von Betriebsmitteln

Dieses Produkt entspricht dem "Gesetz über die elektromagnetische Verträglichkeit von Betriebsmitteln" EMVG (früher "Gesetz über die elektromagnetische Verträglichkeit von Geräten"). Dies ist die Umsetzung der EMV EU Richtlinie 2014/30/EU (früher 2004/108/EWG) in der Bundesrepublik Deutschland.

Zulassungsbescheinigung laut dem Deutschen Gesetz über die elektromagnetische Verträglichkeit von Betriebsmitteln, EMVG vom 20. Juli 2007 (früher Gesetz über die elektromagnetische Verträglichkeit von Geräten), bzw. der EMV EU Richtlinie 2014/30/EU (früher 2004/108/EC), für Geräte der Klasse B.

Dieses Gerät ist berechtigt, in Ubereinstimmung mit dem Deutschen EMVG das EG-Konformitätszeichen - CE - zu führen. Verantwortlich für die Konformitätserklärung nach Paragraf 5 des EMVG ist die Lenovo (Deutschland) GmbH, Meitnerstr. 9, D-70563 Stuttgart.

Informationen in Hinsicht EMVG Paragraf 4 Abs. (1) 4:

Das Gerät erfüllt die Schutzanforderungen nach EN 55024 und EN 55022 Klasse B.

### Appendix D. Notices

Lenovo may not offer the products, services, or features discussed in this document in all countries. Consult your local Lenovo representative for information on the products and services currently available in your area. Any reference to a Lenovo product, program, or service is not intended to state or imply that only that Lenovo product, program, or service may be used. Any functionally equivalent product, program, or service that does not infringe any Lenovo intellectual property right may be used instead. However, it is the user's responsibility to evaluate and verify the operation of any other product, program, or service.

Lenovo may have patents or pending patent applications covering subject matter described in this document. The furnishing of this document does not give you any license to these patents. You can send license inquiries, in writing, to:

Lenovo (United States), Inc. 1009 Think Place - Building One Morrisville, NC 27560 U.S.A.

Attention: Lenovo Director of Licensing

LENOVO PROVIDES THIS PUBLICATION "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF NON-INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Some jurisdictions do not allow disclaimer of express or implied warranties in certain transactions, therefore, this statement may not apply to you.

This information could include technical inaccuracies or typographical errors. Changes are periodically made to the information herein; these changes will be incorporated in new editions of the publication. Lenovo may make improvements and/or changes in the product(s) and/or the program(s) described in this publication at any time without notice.

### Recycling and environmental information

Lenovo encourages owners of information technology (IT) equipment to responsibly recycle their equipment when it is no longer needed. Lenovo offers a variety of programs and services to assist equipment owners in recycling their IT products. For information on recycling Lenovo products, go to: http://www.lenovo.com/recycling

Recycling and disposal information for Japan is available at: http://www.lenovo.com/recycling/japan

The latest environmental information about our products is available at: http://www.lenovo.com/ecodeclaration

### **Recycling information for China**

《废弃电器电子产品回收处理管理条例》提示性说明

联想鼓励拥有联想品牌产品的用户当不再需要此类产品时,遵守国家废弃电器电子产品回收处理相关法律法规,将其交给当地具有国家认可的回收处理资质的厂商进行回收处理。更多回收服务信息,请点击进入http://support.lenovo.com.cn/activity/551.htm

### Recycling information for Brazil

#### Declarações de Reciclagem no Brasil

#### Descarte de um Produto Lenovo Fora de Uso

Equipamentos elétricos e eletrônicos não devem ser descartados em lixo comum, mas enviados à pontos de coleta, autorizados pelo fabricante do produto para que sejam encaminhados e processados por empresas especializadas no manuseio de resíduos industriais, devidamente certificadas pelos orgãos ambientais, de acordo com a legislação local.

A Lenovo possui um canal específico para auxiliá-lo no descarte desses produtos. Caso você possua um produto Lenovo em situação de descarte, lique para o nosso SAC ou encaminhe um e-mail para: reciclar@lenovo.com, informando o modelo, número de série e cidade, a fim de enviarmos as instruções para o correto descarte do seu produto Lenovo.

### Battery recycling information for the European Union

ΕU

**Notice:** This mark applies only to countries within the European Union (EU).

Batteries or packaging for batteries are labeled in accordance with European Directive 2006/66/EC concerning batteries and accumulators and waste batteries and accumulators. The Directive determines the framework for the return and recycling of used batteries and accumulators as applicable throughout the European Union. This label is applied to various batteries to indicate that the battery is not to be thrown away, but rather reclaimed upon end of life per this Directive.

In accordance with the European Directive 2006/66/EC, batteries and accumulators are labeled to indicate that they are to be collected separately and recycled at end of life. The label on the battery may also include a chemical symbol for the metal concerned in the battery (Pb for lead, Hg for mercury, and Cd for cadmium). Users of batteries and accumulators must not dispose of batteries and accumulators as unsorted municipal waste, but use the collection framework available to customers for the return, recycling, and treatment of batteries and accumulators. Customer participation is important to minimize any potential effects of batteries and accumulators on the environment and human health due to the potential presence of hazardous substances.

Before placing electrical and electronic equipment (EEE) in the waste collection stream or in waste collection facilities, the end user of equipment containing batteries and/or accumulators must remove those batteries and accumulators for separate collection.

#### Disposing of lithium batteries and battery packs from Lenovo products

A coin-cell type lithium battery might be installed inside your Lenovo product. You can find details about the battery in the product documentation. If the battery needs to be replaced, contact your place of purchase or contact Lenovo for service. If you need to dispose of a lithium battery, insulate it with vinyl tape, contact your place of purchase or a waste-disposal operator, and follow their instructions.

#### Disposing of battery packs from Lenovo products

Your Lenovo device might contain a lithium-ion battery pack or a nickel metal hydride battery pack. You can find details on the battery pack in the product documentation. If you need to dispose of a battery pack, insulate it with vinyl tape, contact Lenovo sales, service, or your place of purchase, or a waste-disposal operator, and follow their instructions. You also can refer to the instructions provided in the user guide for your product

For proper collection and treatment, go to: http://www.lenovo.com/lenovo/environment

### **Important WEEE information**

The WEEE marking on Lenovo products applies to countries with WEEE and e-waste regulations (for example, the European WEEE Directive, India E-Waste Management & Handling Rules, 2011). Appliances are labeled in accordance with local regulations concerning waste electrical and electronic equipment (WEEE). These regulations determine the framework for the return and recycling of used appliances as applicable within each geography. This label is applied to various products to indicate that the product is not to be thrown away, but rather put in the established collection systems for reclaiming these end of life products.

Users of electrical and electronic equipment (EEE) with the WEEE marking must not dispose of end of life EEE as unsorted municipal waste, but use the collection framework available to them for the return, recycle, and recovery of WEEE and to minimize any potential effects of EEE on the environment and human health due to the presence of hazardous substances. Lenovo electrical and electronic equipment (EEE) may contain parts and components, which at end-of-life might qualify as hazardous waste.

EEE and waste electrical and electronic equipment (WEEE) can be delivered free of charge to the place of sale or any distributor that sells electrical and electronic equipment of the same nature and function as the used EEE or WEEE.

For additional WEEE information go to: http://www.lenovo.com/recycling

#### **WEEE information for Hungary**

Lenovo, as a producer, bears the cost incurred in connection with the fulfillment of Lenovo's obligations under Hungary Law No. 197/2014 (VIII.1.) subsections (1)-(5) of section 12.

### **Export Classification Notice**

This product is subject to the United States Export Administration regulations (EAR) and has an Export Classification Control Number (ECCN) of EAR99. It can be re-exported except to any of the embargoed countries in the EAR E1 country list.

#### **Trademarks**

The following terms are trademarks of Lenovo in the United States, other countries, or both:

**Access Connections** 

Lenovo

The Lenovo logo

ThinkPad

ThinkVantage

Microsoft and Windows are trademarks of the Microsoft group of companies.

DisplayPort is a trademark of the Video Electronics Standards Association.

Other company, product, or service names may be trademarks or service marks of others.

### Appendix E. Restriction of Hazardous Substances Directive (RoHS)

### **European Union RoHS**

This Lenovo product, with included parts (cables, cords, and so on) meets the requirements of Directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment ("RoHS recast" or "RoHS 2").

For more information about Lenovo worldwide compliance on RoHS, go to: http://www.lenovo.com/social responsibility/us/en/RoHS Communication.pdf

#### China RoHS

为满足中国电子电气产品有害物质限制相关的法律法规和其他要求,联想公司对本产品中有害物质,按 部件分类,声明如下。

	有害物质					
部件名称	们 (Pb)	汞 (Hg)	镉 (Cd)	六价铬 (Cr (VI))	多溴联苯 (PBB)	多溴二苯醚 (PBDE)
印刷电路板组件*	X	0	0	0	О	О
外壳及附件	X	0	0	0	О	О
介元及附针		_	0	U	0	0

各本格依語5/71 1130·1的规定测明。 〇:表示该有害物质在该部件所有均质材料中的含量均在GB/T 26572规定的限量要求以下。 ×:表示该有害物质至少在该部件的某一均质材料中的含量超出GB/T 26572规定的限量要求。 表中标记"×"的部件,皆因全球技术发展水平限制而无法实现有害物质的替代。

印刷电路板组件\*:包括印刷电路板及其零部件,电子元器件等

根据产品型号不同,您所购买的产品可能不会含有以上所有部件

在中华人民共和国境内销售的电子电气产品上将印有"环保使用期"(EPuP)符号。

#### **Turkish RoHS**

The Lenovo product meets the requirements of the Republic of Turkey Directive on the Restriction of the Use of Certain Hazardous Substances in Waste Electrical and Electronic Equipment (WEEE).

#### Türkiye AEEE Yönetmeliğine Uygunluk Beyanı

Bu Lenovo ürünü, T.C. Çevre ve Orman Bakanlığı'nın "Atık Elektrik ve Elektronik Eşyalarda Bazı Zararlı Maddelerin Kullanımının Sınırlandırılmasına Dair Yönetmelik (AEEE)" direktiflerine uygundur.

AEEE Yönetmeliğine Uygundur.

### **Ukraine RoHS**

Цим підтверджуємо, що продукція Леново відповідає вимогам нормативних актів України, які обмежують вміст небезпечних речовин

35

## **India RoHS**

RoHS compliant as per E-Waste (Management & Handling) Rules.
