#### NEW COLORS IN BOLD

#### Certainty Protective Technologies™

Certainty Protective Technologies" are integrated into many of our products to help them better withstand the demands of the clinical environment. Each Certainty® technology adds one or more levels of enhanced protection to increase durability, improve comfort and/or protect the item against fluids and/or bacteria. Items with Certainty® carry the Certainty logo along with a letter symbol indicating the type(s) of Certainty® protection it offers.

#### Antimicrobial Agents

Proven to reduce bacteria that cause odors and damage the item.

#### Fluid Barrier

Fluids and stains bead up and roll off the item.

and letter designation indicates garments with one or more Certainty Protective Technologies" (A = Antimicrobial and B = Fluid Barrier). Wash all garments thoroughly after each use. Garments featuring antimicrobial technology do not protect users or others against bacteria, viruses or other disease organisms. Always follow all best practices for infection prevention.

Inhibits the growth of microbes that cause odor and fabric damage.
