Fabric Story

Self Fabric:

This Workwear Revolution two-way stretch fine twill is blended with Polyester which delivers durability, color retention and easy care properties. Rayon is a natural cellulose fiber that is soft, has innate moisture absorption and provides more comfort. Spandex contributes to ease of movement for the wearer's mobility.

- 78% Polyester / 20% Rayon / 2% Spandex
- 2-Way Stretch Fine Twill
- Soft
- Easy Care
- Durable
- Breathable

Contrast Active Styles:

This soft knit mesh can be stretched a considerable length and yet, when released, it returns to its original shape. Its porous nature allows the skin to breath freely and the added moisture wicking keep the wearer comfortable and dry.

- 100% Polyester
- Knit Mesh
- All-way Stretch
- Comfort Soft
- Easy Care
- Moisture Wicking
- Breathable

Knit Coordinates:

Smooth on the outside, soft on the inside. This Polyester/Spandex heavy jersey has all-way stretch, is durable and easy to care for. Bringing you endless warmth and comfort.

- 88% Polyester / 12% Spandex
- Brushed Jersey Knit
- All-way Stretch
- Comfort Soft
- Easy Care
- Durable
