Stories

This is who I am. This is my world. My life.
A universe of sophisticated details.
Intertwined in tranquil, feminine lace.
This is where the passionate details of my nature run free.
Where the quirky corners of eccentricity are explored,
and delicate touches of ethnicity combined.
The serenity of my elven dreams finds a safe haven here.
These are the stories of my life.
Enjoy.

SOPHISTICATED

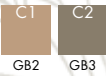

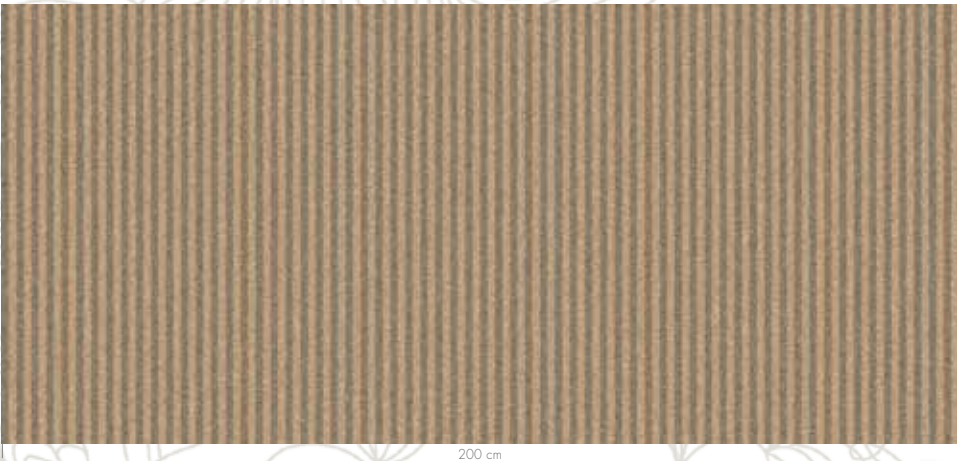

"Went to a cosy little café today. Its dark brown décor made my thoughts echo glimpses of a time gone by. Can't help but wonder. What hides behind the intriguing play of shadows in this smoked-filled room of custom-made tweed and couture"

"Saw a couple dancing today. It made me wonder. What hides behind the wall? Does it hold a world of unconditional passion? And what happens when I break down this wall of dramatic contrast and give in, when I let my emotions run free to the beat of sensual Spanish tones?"

About Stories

Stories displays a universe of 5 different temperaments and expressions. Sophisticated, Passion, Eccentric, Delicate and Serene are in Stories intertwined, each playing a different but equally important role conveying glimpses of the past, unconditional passion, eccentric ambience, golden Arabic nights and rustic country-living.

The collection is developed in ege's standard colour palettes. Recolouration is possible for all designs. Highline 630 and Highline Loop E16 are only available in solid colours. Blend colours will require a Millitron trial run on these two qualities.

All this with:

- 5 unique design stories
- Recolour options (see p. 117)
- No minimum order requirements
- 9 standard qualities from 630-1900 g/m²
- Undisputed performance standard EN1307
- Performance classification to fit any need; heavy & extra heavy use
- 24-hour sample service
- Dispatch within 2-3 weeks from receipt of order
