TILLBERG CARPET DESIGN

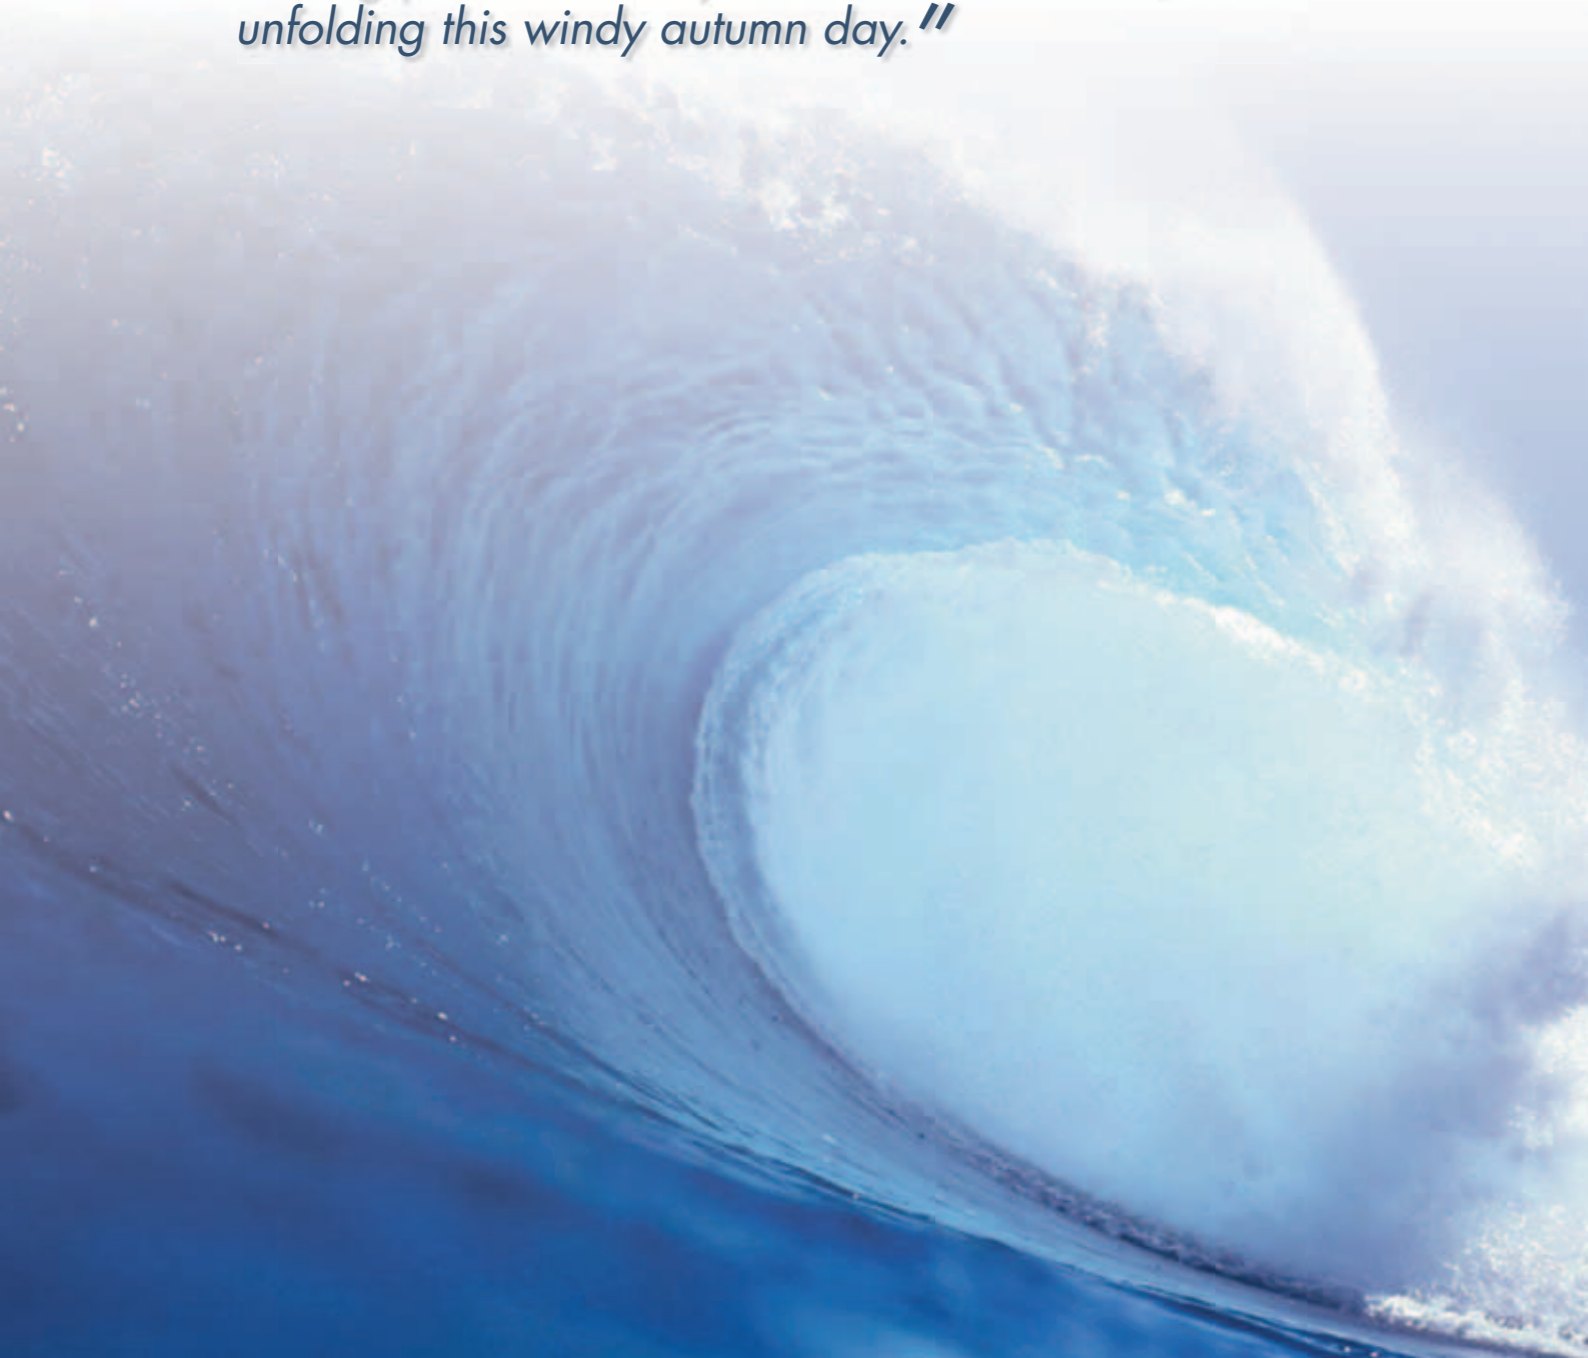

With more than 40 years of experience with architecture, interior and design, the Swedish company Tillberg Design has planned and designed interiors for marine clients, hotels, restaurants and shops all over the world. The numerous assignments have spanned from 62 feet luxury yachts, high-speed catamarans and ferries to some of the world’s largest and most prestigious cruise ships.

Cruise & Resorts by Tillberg Design is designed to provide marine environments, hotels and resorts with a carpet collection offering great style combined with supreme quality, high safety and environmental consideration.

The collaboration with ege has allowed for a rare freedom in the creation of designs. The result is a broad and contemporary collection carefully tailored to ensure that all aspects of the specifier’s requirements are met. Ranging from organic shapes and classic elegance to contemporary graphics and exotic details, Cruise & Resorts by Tillberg Design offers a wide range of unique design possibilities which allows for the creation of interiors with distinct and unique character.

# Waves

*“Patiently listening to the roars of crystal blue waves, as they vigorously break down the rocky shoreline. Finding peace in the dynamic force of nature, unfolding this windy autumn day.”*

## Cruise & Resorts by Tillberg Design

Cruise & Resorts by Tillberg Design is a multifunctional carpet collection offering a multitude of trendy design possibilities ranging from organic and wavy lines to stringent, graphic expressions. The collection adds style, comfort and expression to the interior without compromising important parameters as quality, safety and environmental consideration. The collection is divided into 8 design themes offering a beautiful range of designs - with 50 specially selected custom colours at your disposal.

All this with:

- Recolour options
- 8 unique design themes in contemporary special colour shades
- Special colours from 200 m<sup>2</sup> (maximum 12 special colours in total)
- Recolour options with standard colours with no minimum order requirements
- 8 standard qualities from 630 – 1400 g/m<sup>2</sup>
- IMO certified qualities from 630 – 1400 g/m<sup>2</sup> in wool and polyamide
- Undisputed performance standard EN1307
- Performance classification to fit any need
- 2-5 days sample service
- Dispatch within 2-3 weeks from receipt of order
