Timeliness Accuracy Quality

Northern Tube Company is a leading Russian manufacturer of precision ERW steel tubes made of cold-rolled, hot-rolled and galvanized steels.

The company specializes in the production of high-quality thin-walled electric welded tubes for end consumers, both in Russia and abroad. Our main partners are manufacturers of furniture, greenhouses and consumer goods.

- round tubes with a diameter from 10 mm to 63 mm,
- square tubes from 15x15 mm to 50x50 mm,
- rectangular tubes from 20x10 mm to 60x40 mm,
- oval and flat-oval tubes.

All tubes are manufactured in compliance with EN 10305-3 and 10305-5. The range of products we offer includes more than 300 standard sizes of tubes of various thicknesses, lengths and steel grades.

SIA SeverTex is our distributor registered in Latvia. We are glad to offer our European clients the high quality certified products and the services that will make the purchase easier.

We offer:

- door to door delivery (DAP and DDP terms)
- special packaging
- safety stock for a long-term contracts
- short lead time
- low minimum order quantity

CR round tube EN10305-3
