

AQUA INK GRAPHIX

Lightfast, pigment-based watercolor inks with concentrated colors that are both naturally transparent and ultra brilliant. Try your favorite watercolor techniques with a brush or make bold lines with a dip pen. Even when dry, the colors can still be dissolved with water to create interesting translucent effects.

- Available in 14 colors (15ml bottles)
- Starter set comes with 6 colors + brush
- Shake vigorously before use

MC FLOATY STARTER SET
Set of 6—15ml + one paint brush

GRAPHIX

THE RIGHT TOOLS TO LET YOUR IMAGINATION RUN FREE!

With the Marabu Graphix range of inks and markers, creative expression is at your fingertips! Here's everything you need for inventive lettering, relaxing doodles, imaginative illustrations, fun drawings and watercolor-style paintings.

AQUA PEN GRAPHIX

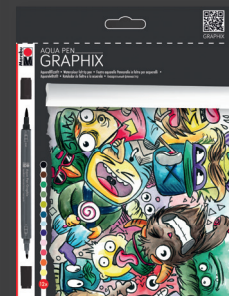

Write and draw with bold, sharp details, or use a wet brush to blur the lines and create soft watercolor effects.

- High-quality, water-based, low odor inks in 24 colors
- Markers feature both contour and brush tips (do not dip the tips in water)
- Available in sets of 6 (3 color palettes), 12 or 24
