Pack Size: 0,75 - 4 - 14 L

## Basic system

Step	Name	Coats	Yields	Color code	Tools
1	Primer Normal	1	1lt/10 m <sup>2</sup>	x	Roller
2	Primer Liscio	2	1lt/8-10 m <sup>2</sup>	Color chart	Roller
3	Fantasia	2	1lt/8-12 m <sup>2</sup>	Color chart	Trowel

## Types

Fantasia silver base — for creating cold colors

Fantasia gold base — for creating warm colors (semi-gold base)

*Thanks to its traslucent property this material can be used like additional finish decorative covering for different lime based and mineral decorative plasters. For example: Travertino Romanum, Roccia, Crateria, Marmorino Carrara, Intonachino, Loft etc. Fantasia decorative covering provides perfect mother of pearl effect and high water resistant also.*
