# LET'S GET STARTED **SHALL WE?**

## **Install Option A: Smart Device Setup via Bluetooth (Pg. 8-32)**

### **① Plug in**

Plug the power cable into the jack found on the bottom of the ALLie Home. Once the green light on the front of your ALLie Home is solid you are ready to begin Step 2.

### **② Turn on Bluetooth & Sync**

Make sure Bluetooth is turned on and you have downloaded the ALLie Home App for your smartphone or tablet.

## **Install Option B: Computer Setup via USB (Pg. 39-58)**

### **① Plug in**

Plug the power cable into the jack found on the bottom of the ALLie Home. Once the green light on the front of your ALLie Home is solid you are ready to begin Step 2.

### **② Sync via USB**

Plug in the ALLie Home to your computer via USB and begin the installation process. *(Place the ALLie Home in it's packaging in a sideways angle for support during installation.)*

## Camera Indicators & Functions

### IR Lights

Located under the plastic casing on the outer part of each lens are IR LED lights. These lights automatically activate in low light situations, and illuminate in red.

### Light Sensor

Located on the back of the camera, below the lens, is the camera's light sensor. The light sensor detects when the camera is in low light situations in order to activate the IR LED lights.

### Microphone

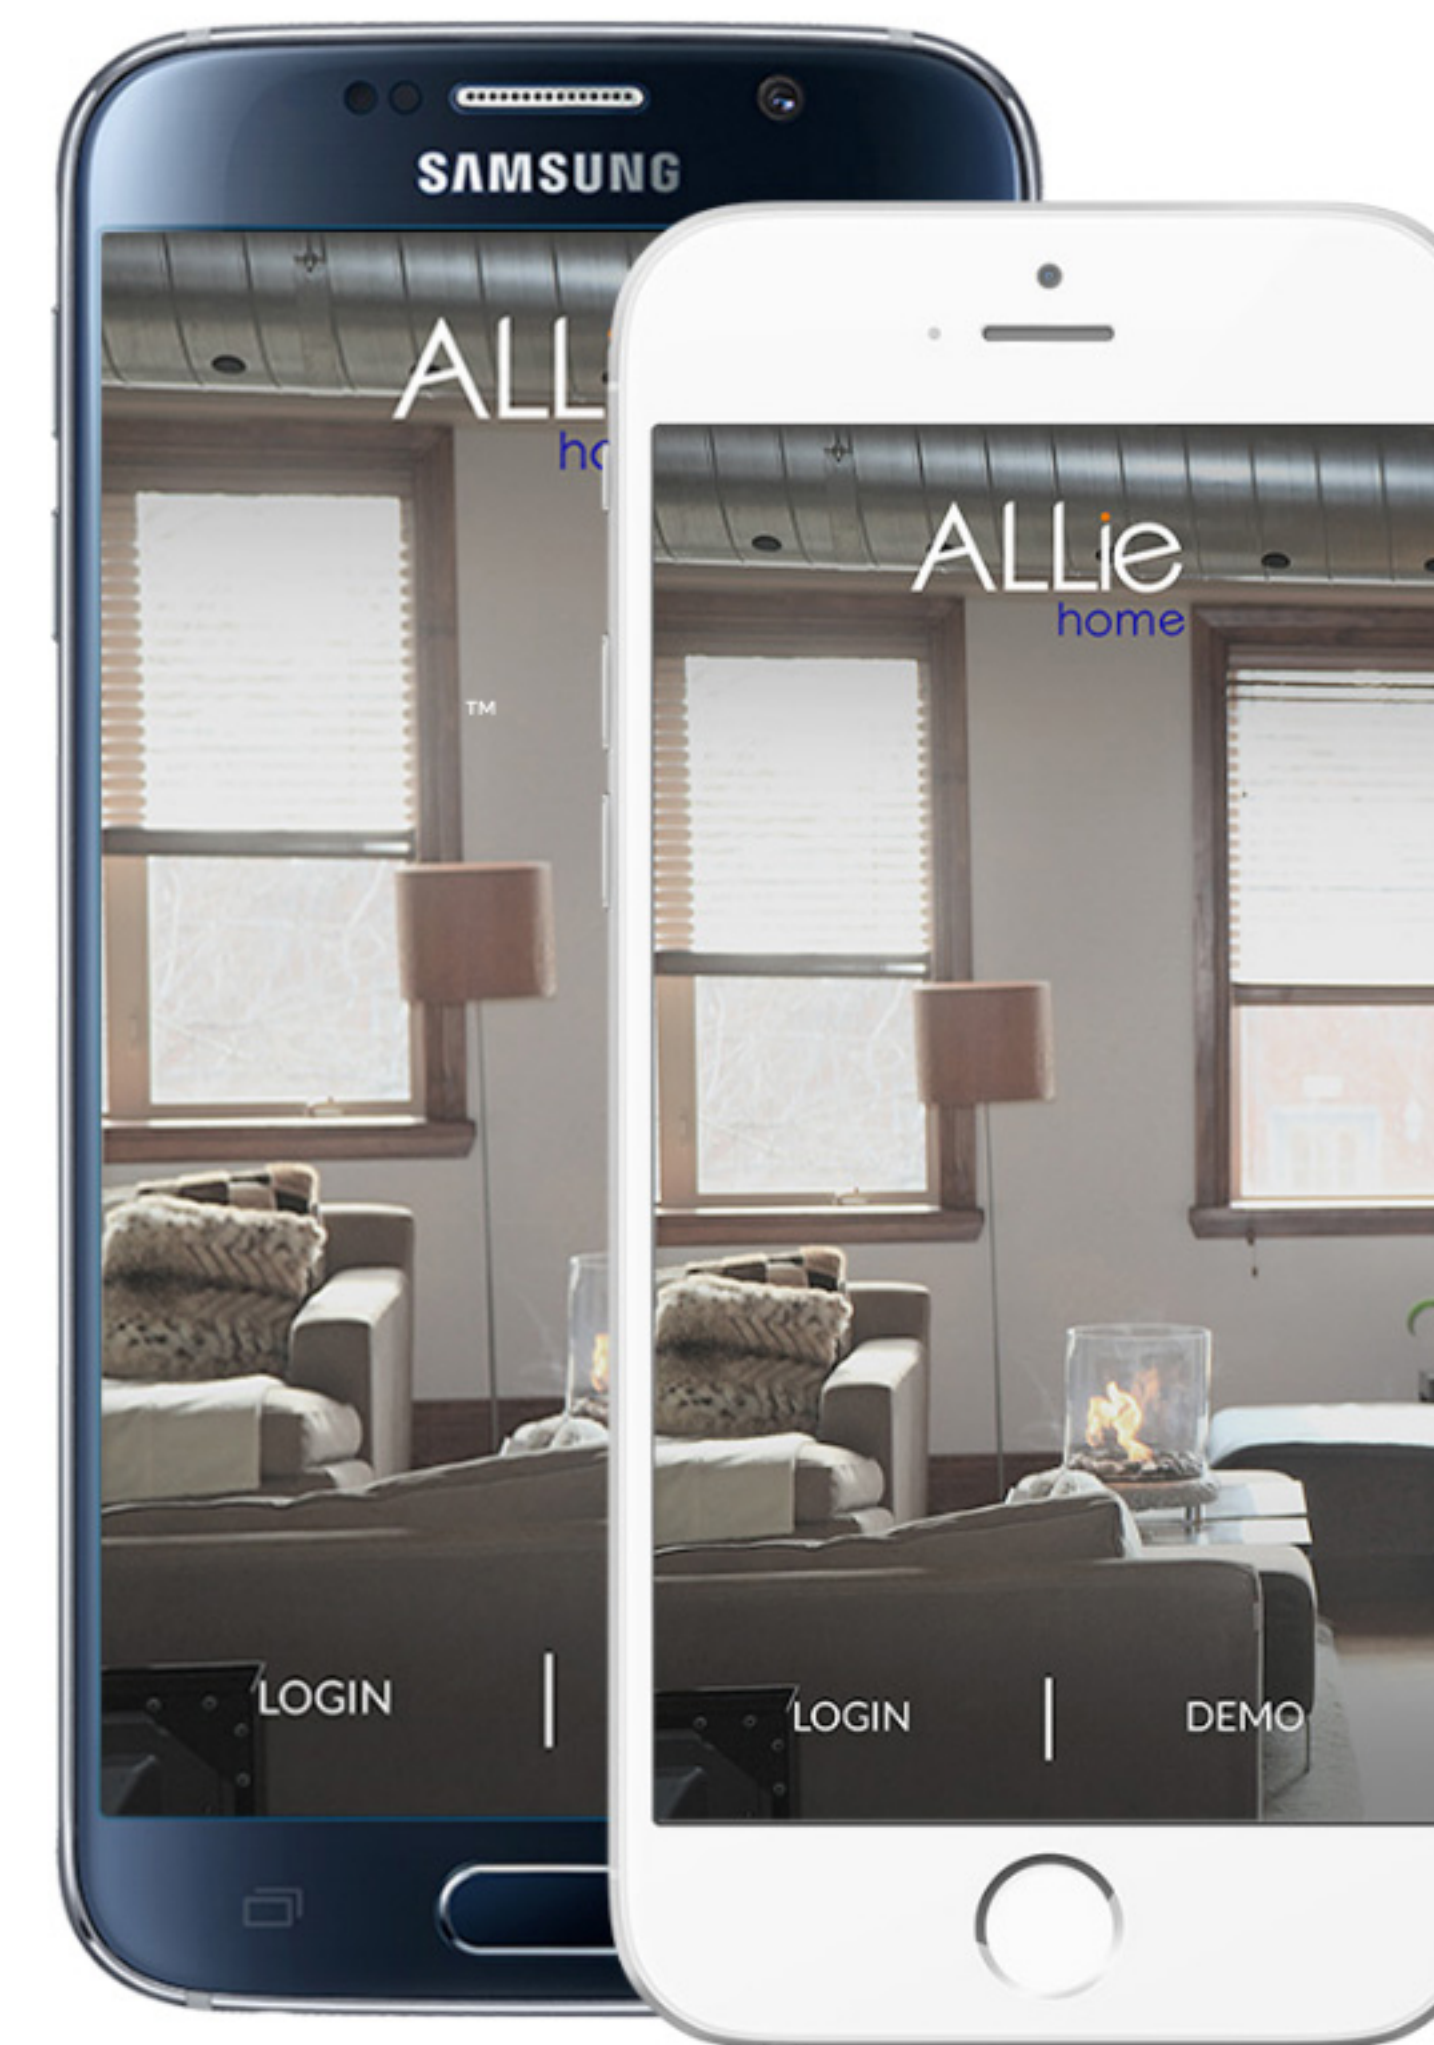

On the front of the camera below the lens, on the left of the sync/power light indicator, is the microphone. The microphone can be used for live two-way talk.

### Reset Button

Underneath the ALLie Home are your USB, Power, and Reset ports and button. In order to reset the camera it is recommended to use a thin paperclip to push into the hole and hold it down for 10 seconds. **(PLEASE SEE REFERENCE ON PAGE 71)**

**\*\*\*CAUTION\*\*\* DO NOT unplug the camera while it is updating or while being reset! This can cause permanent damage to the camera!**

# SMART DEVICE SETUP

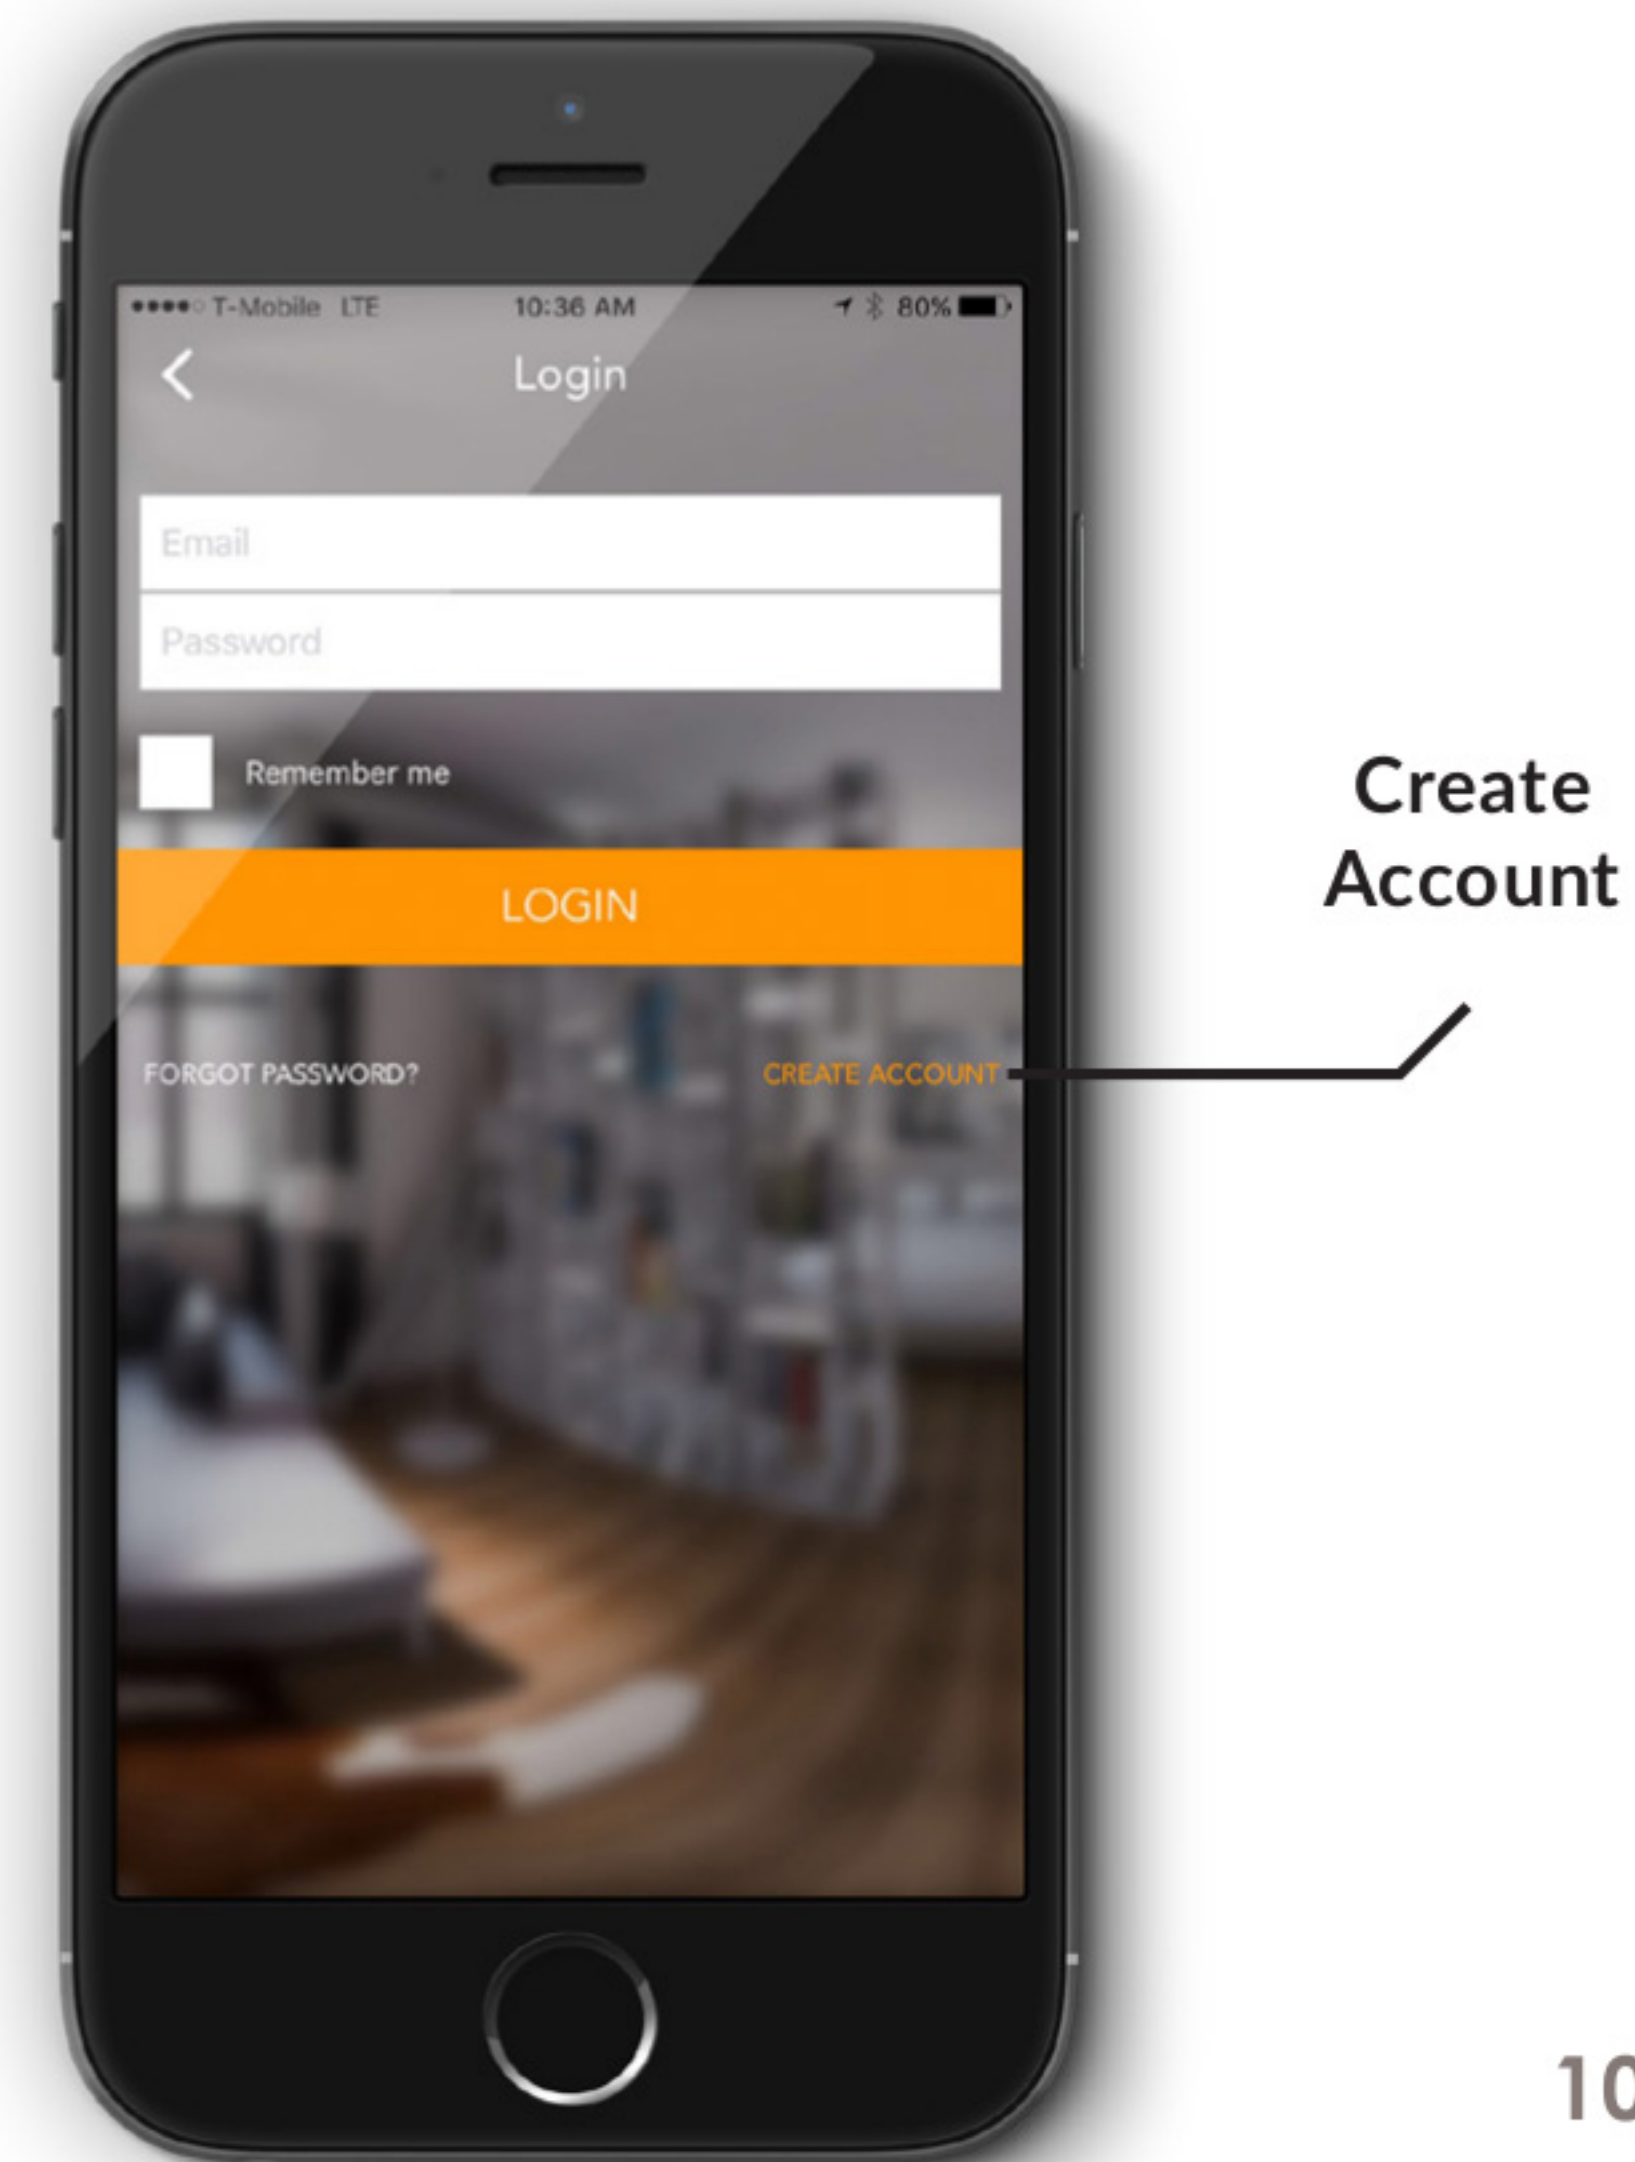

## Welcome to the ALLie App

Once you have downloaded the ALLie app you will be welcomed with a 360°x360° interactive image with **LOGIN** and **DEMO** buttons located at the bottom of the screen.

## Create an Account (a.)

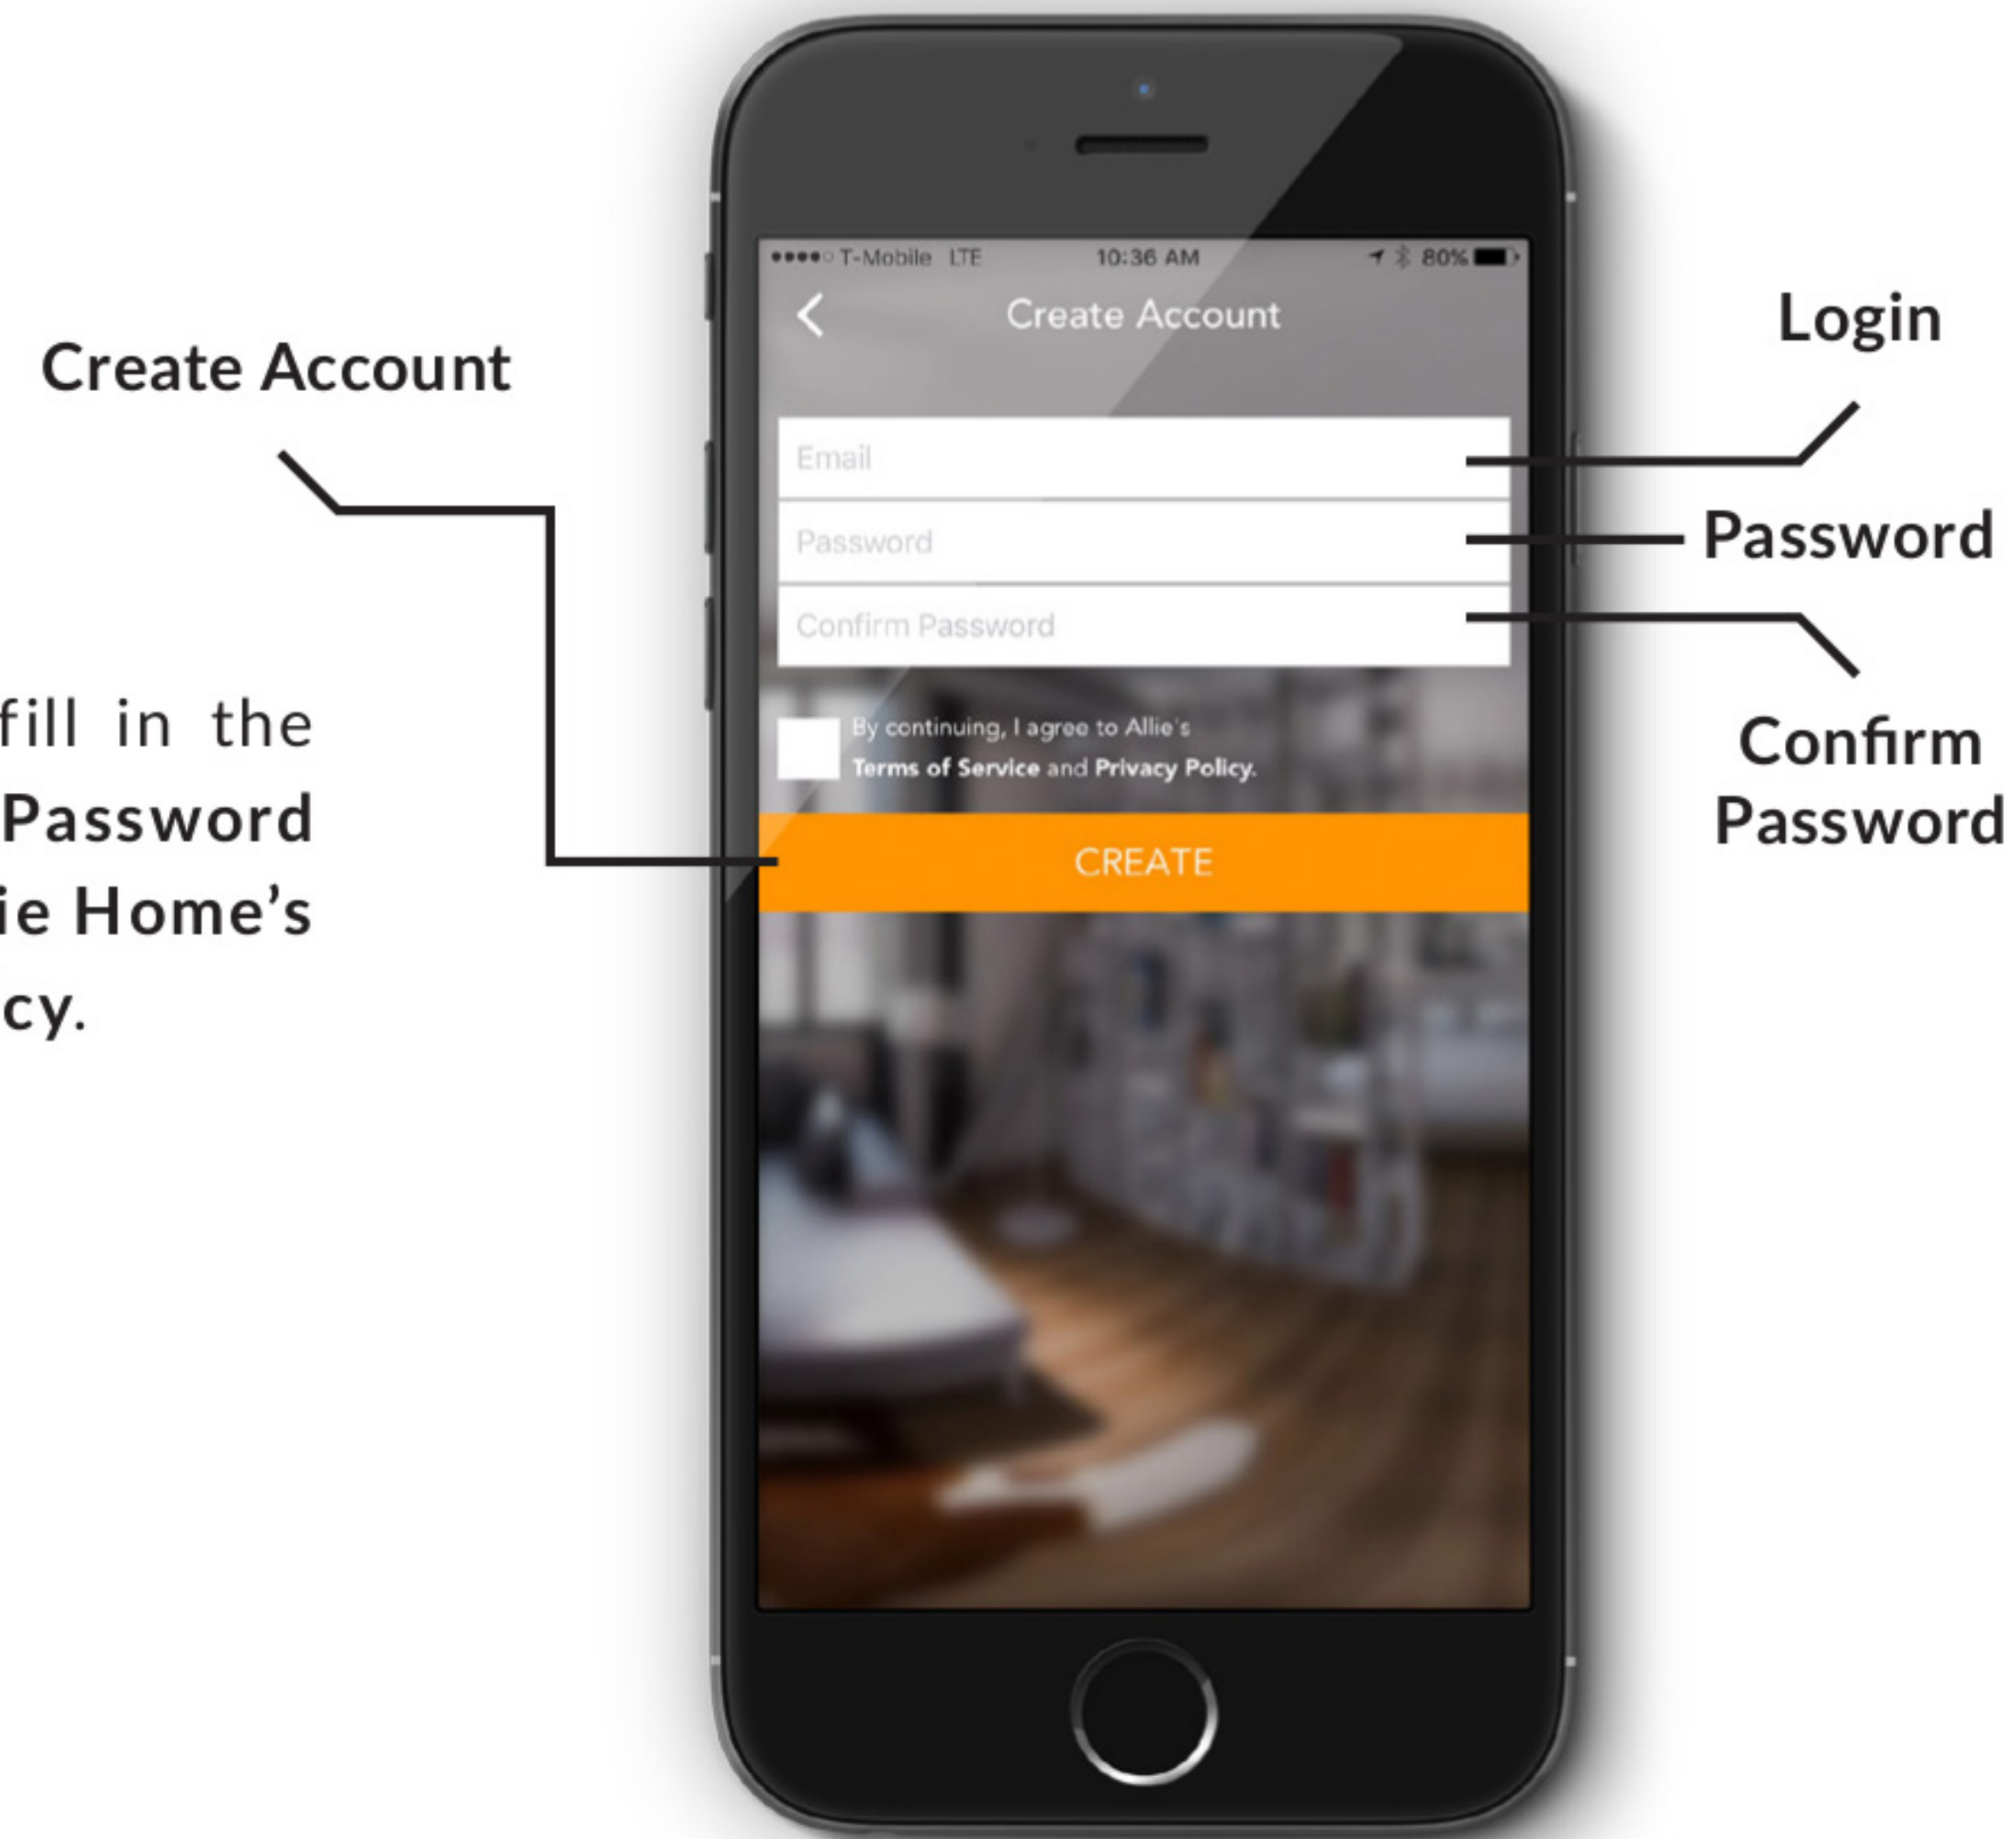

After tapping on the Login icon you will be taken to the **Login** screen where you can create a new account by tapping on the **CREATE ACCOUNT** link.

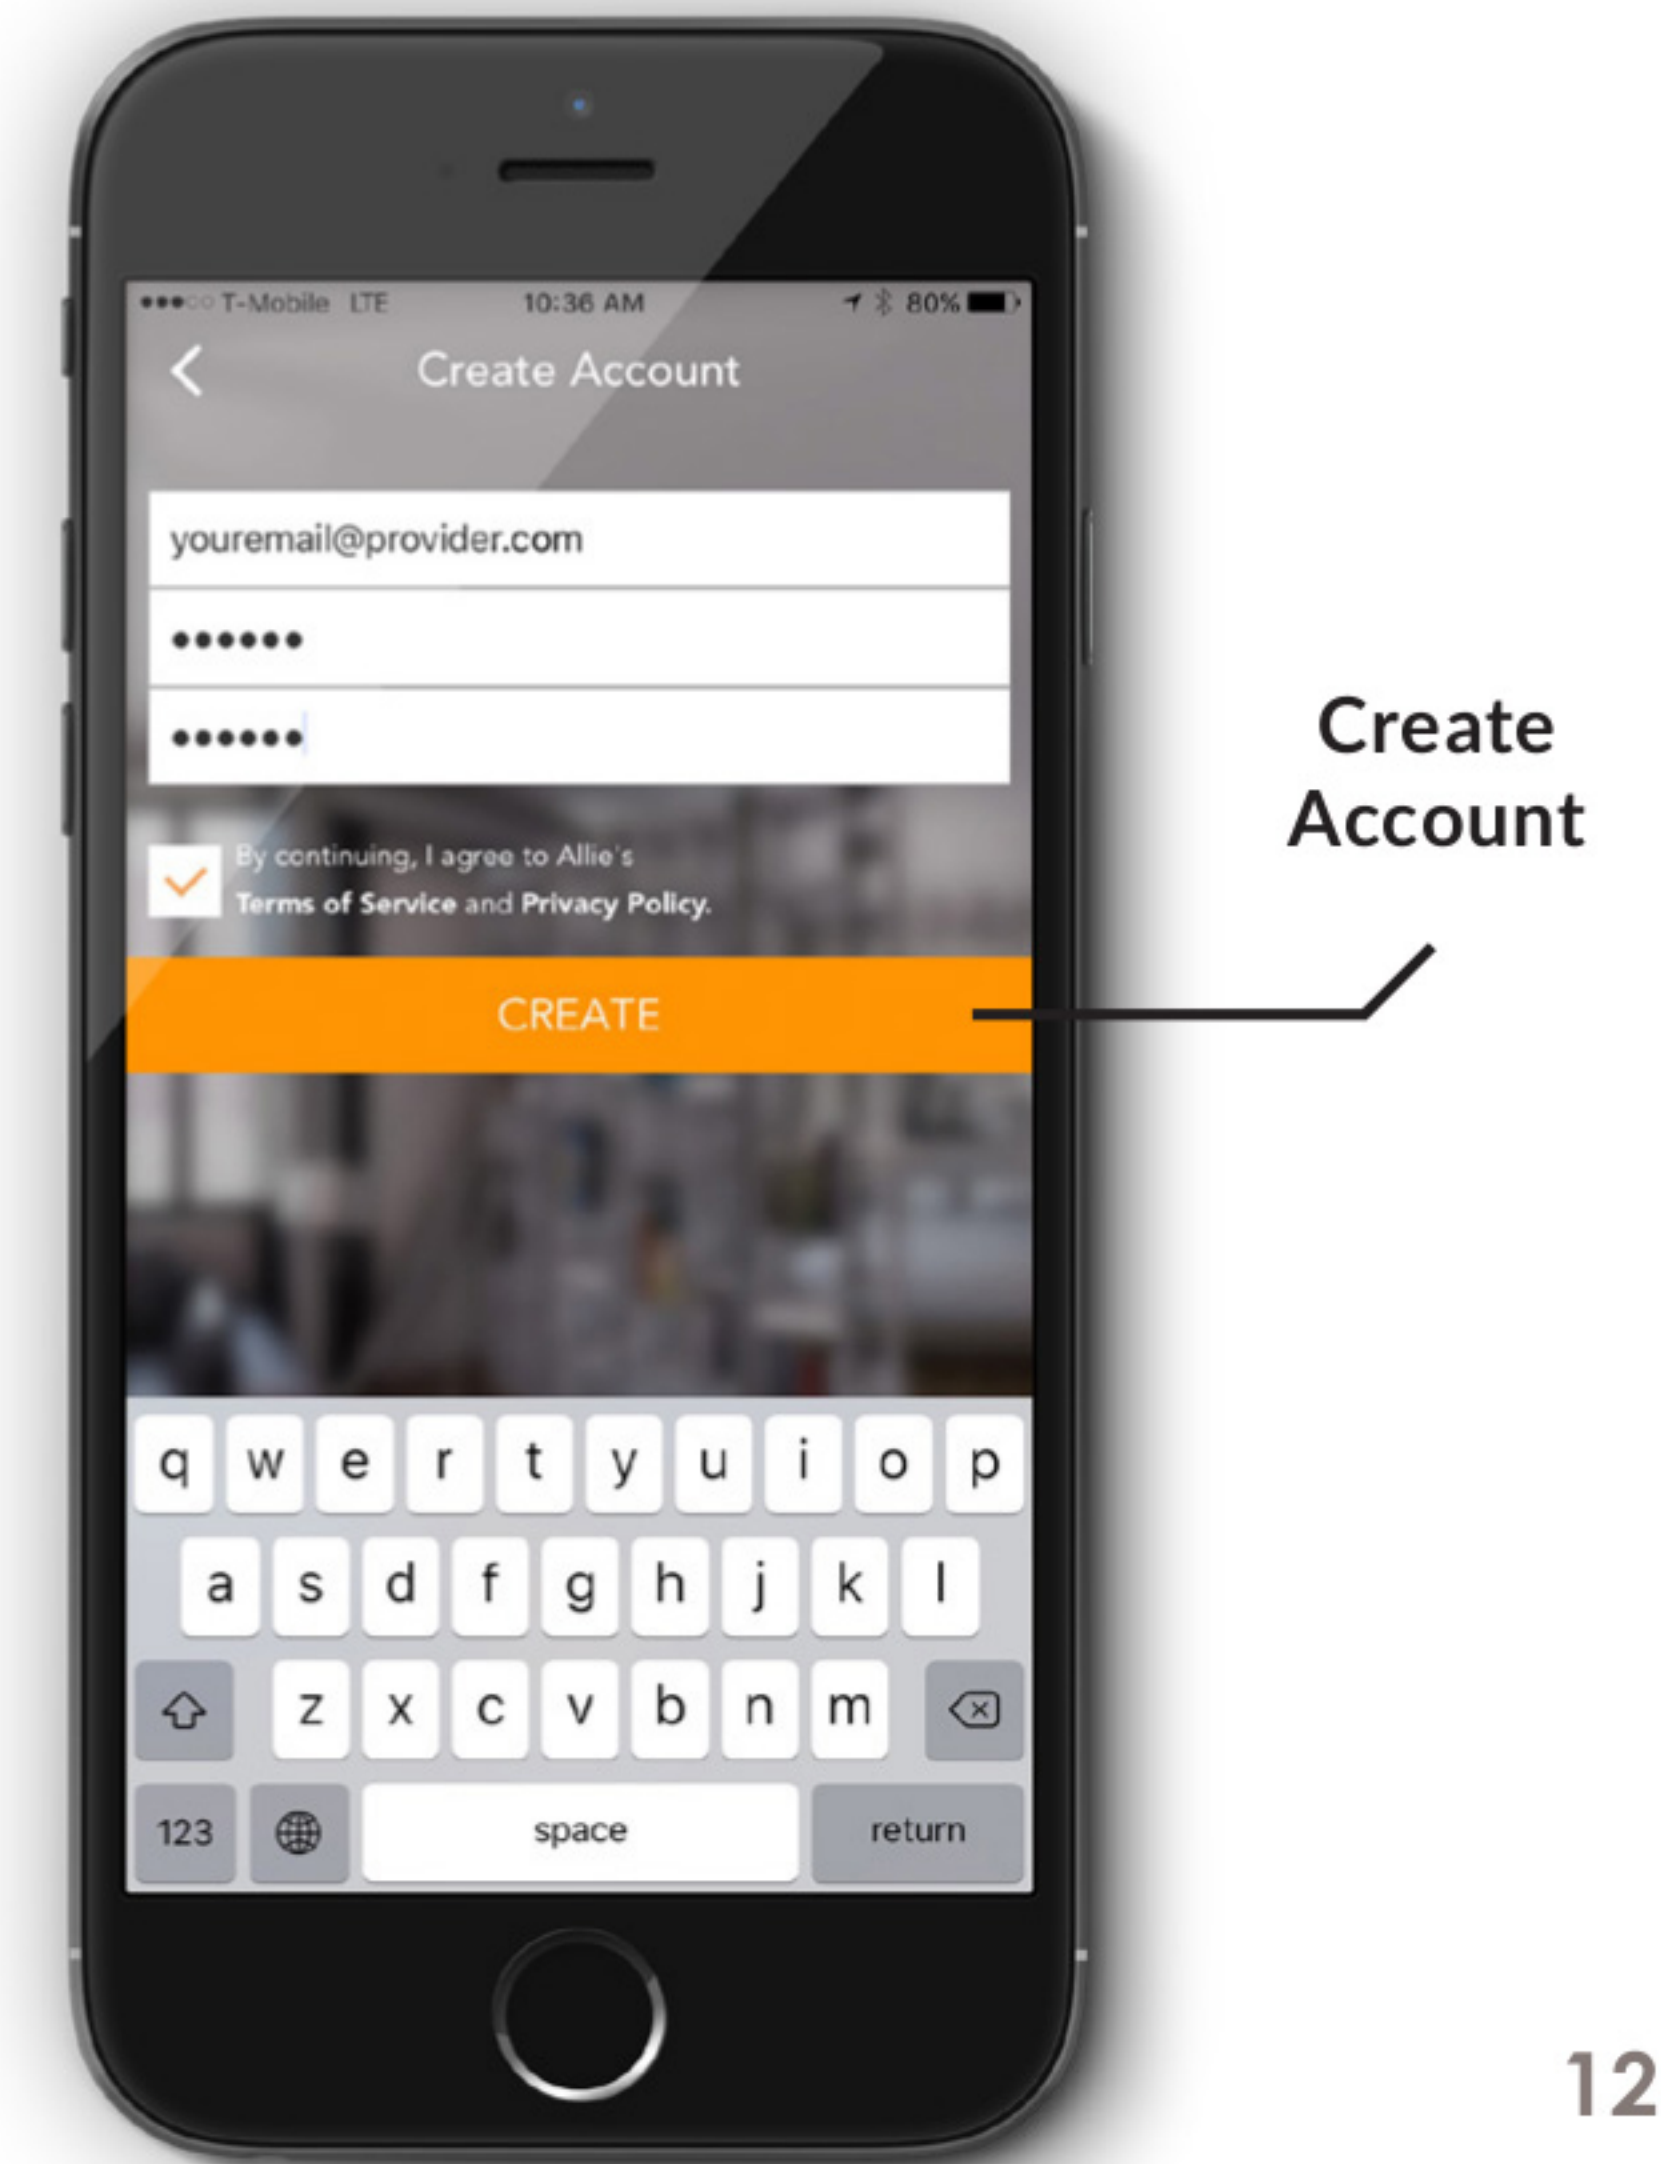

## Create an Account (b.)

On the **Create Account** Screen fill in the **Email**, **Password**, and **Confirm Password** fields, followed by reviewing **ALLie Home's Terms of Service and Privacy Policy**.

## Create an Account (c.)

After you have completed these steps tap on the white box to agree, and then tap on the **CREATE** button to finish creating your account.

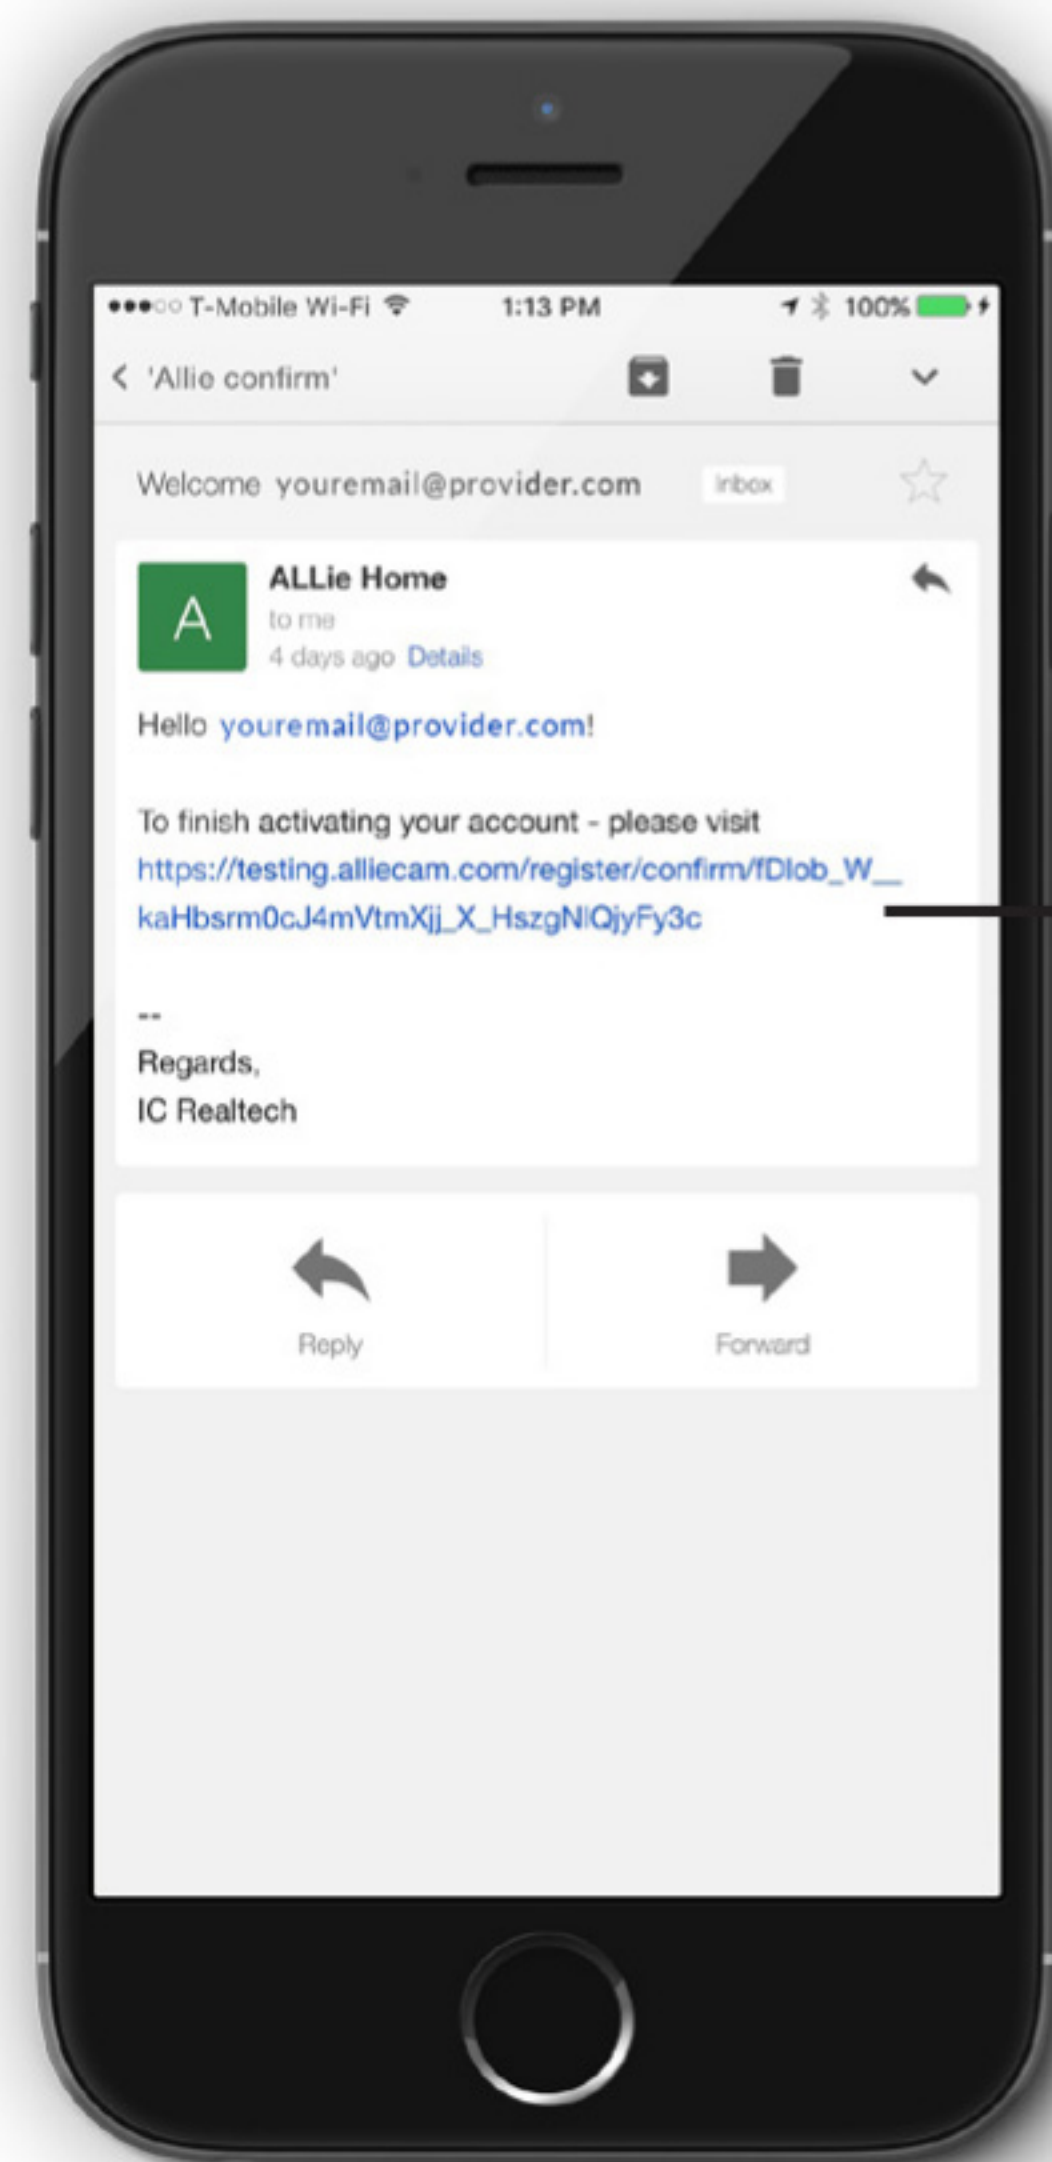

## Confirmation Email

Once you have created your account you will receive a confirmation email containing a link to confirm the creation of your account.

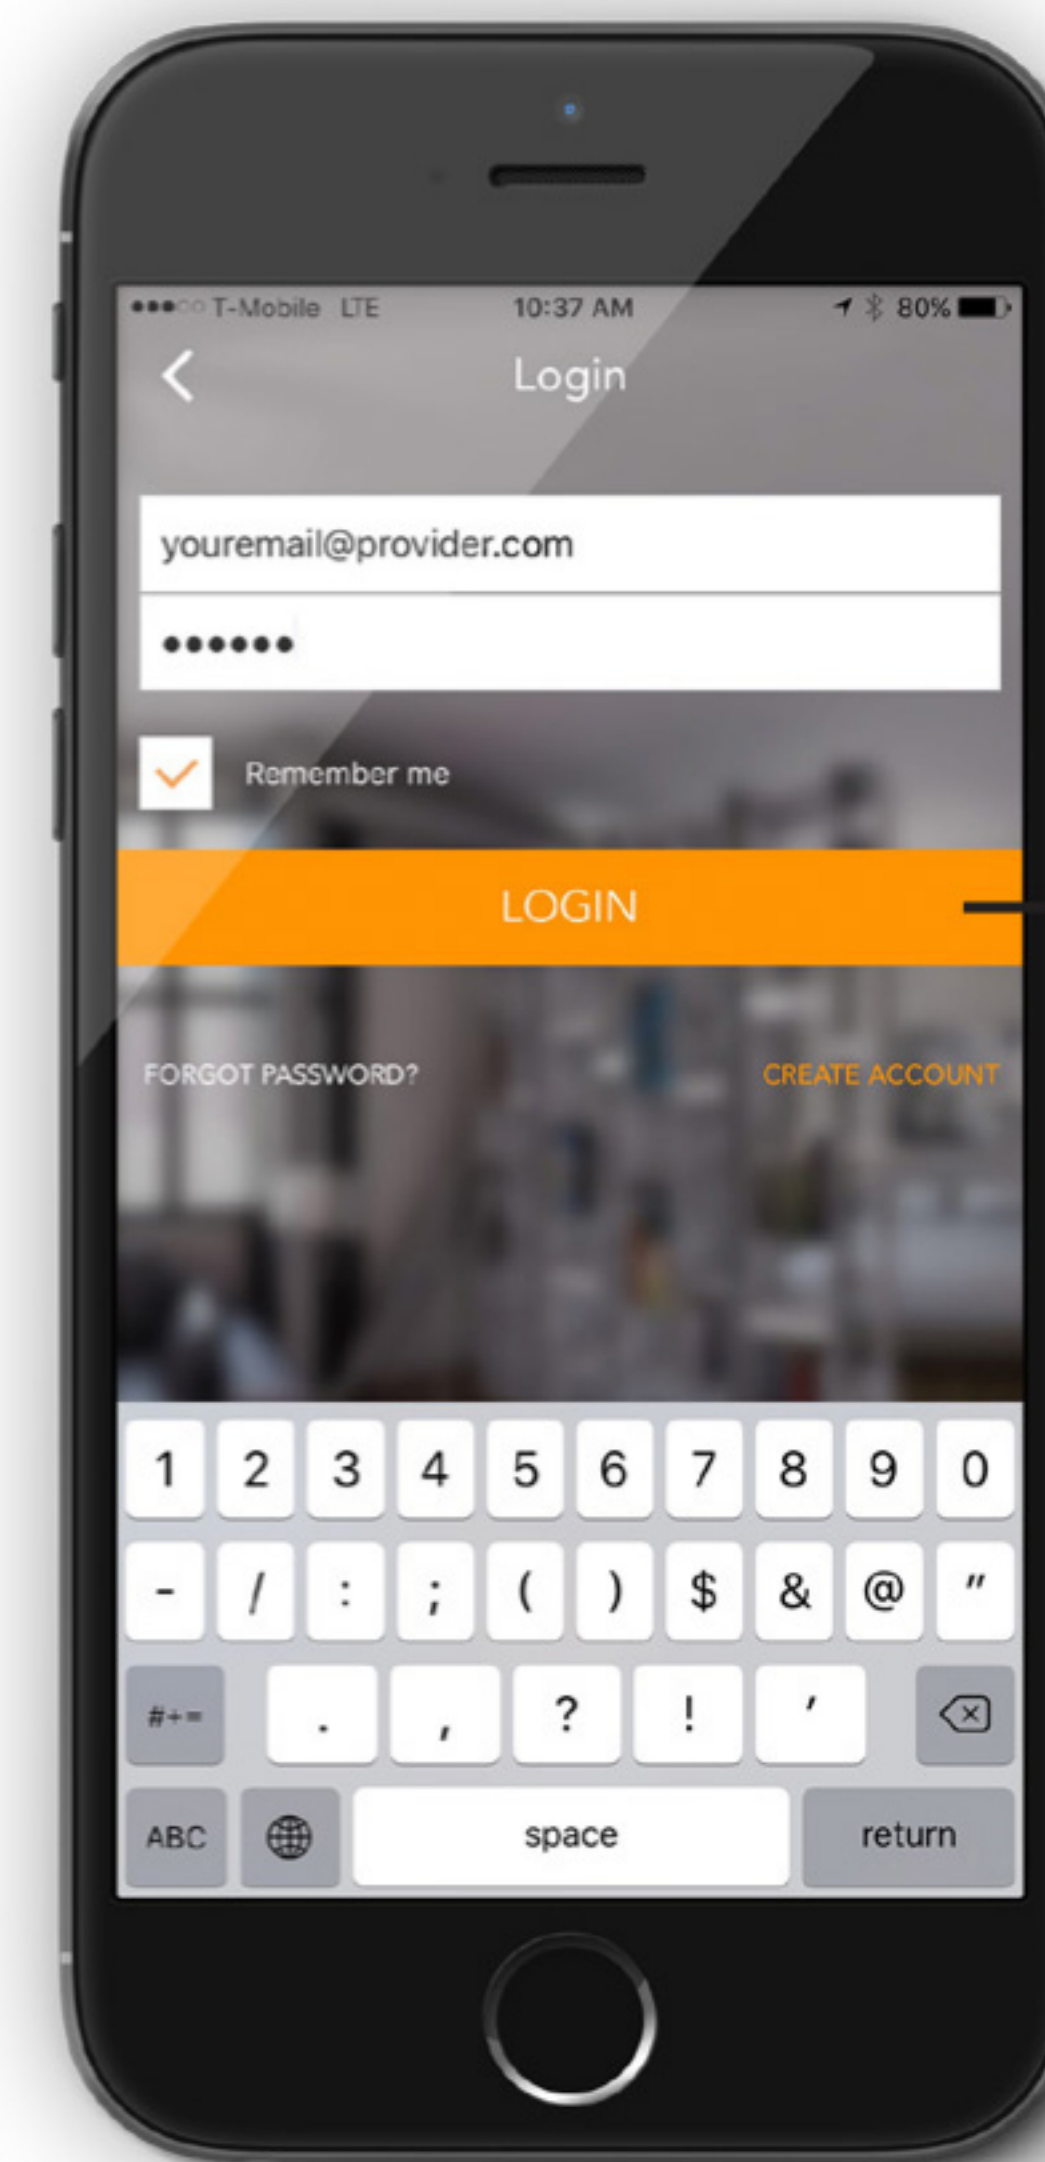

Click on the link, now your are ready to login the app and setup your ALLie Home.

Confirmation  
Link

## Login

Once you are back in the app enter your login credentials and tap on the orange **LOGIN** button. *(It is recommended to select the Remember me box to speed up future logins.)*

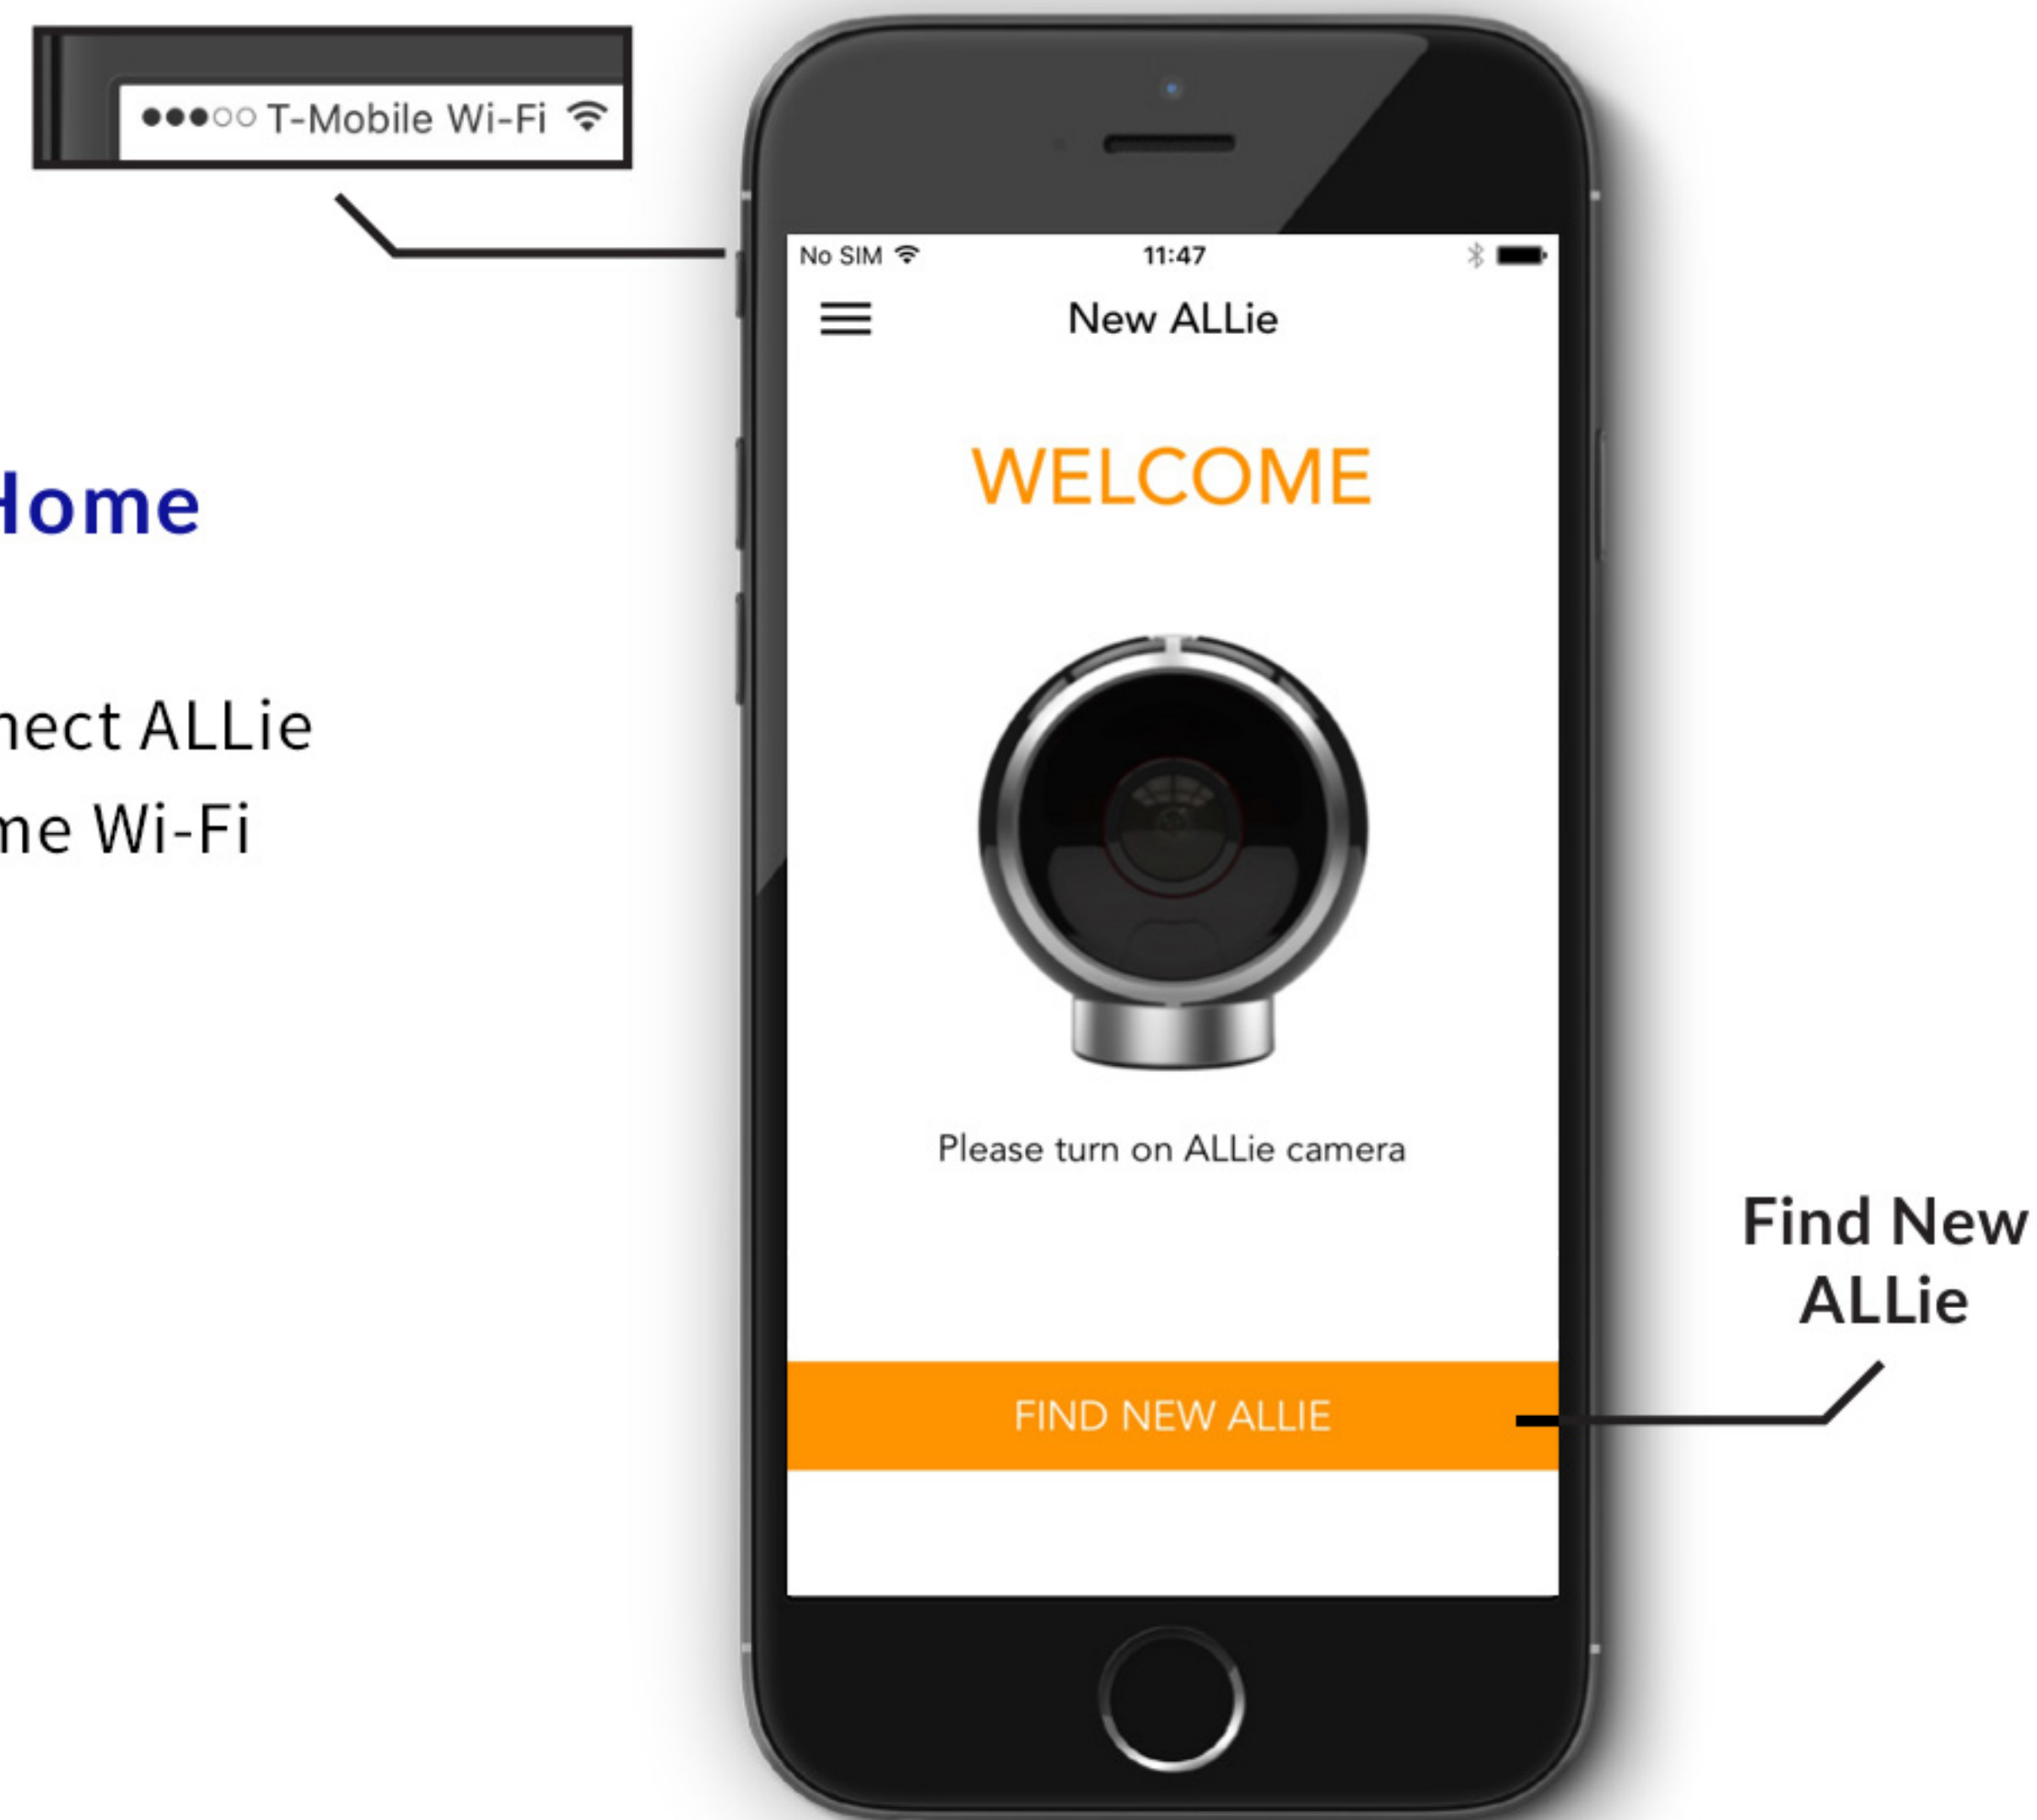

Login

## Adding Your First ALLie Home

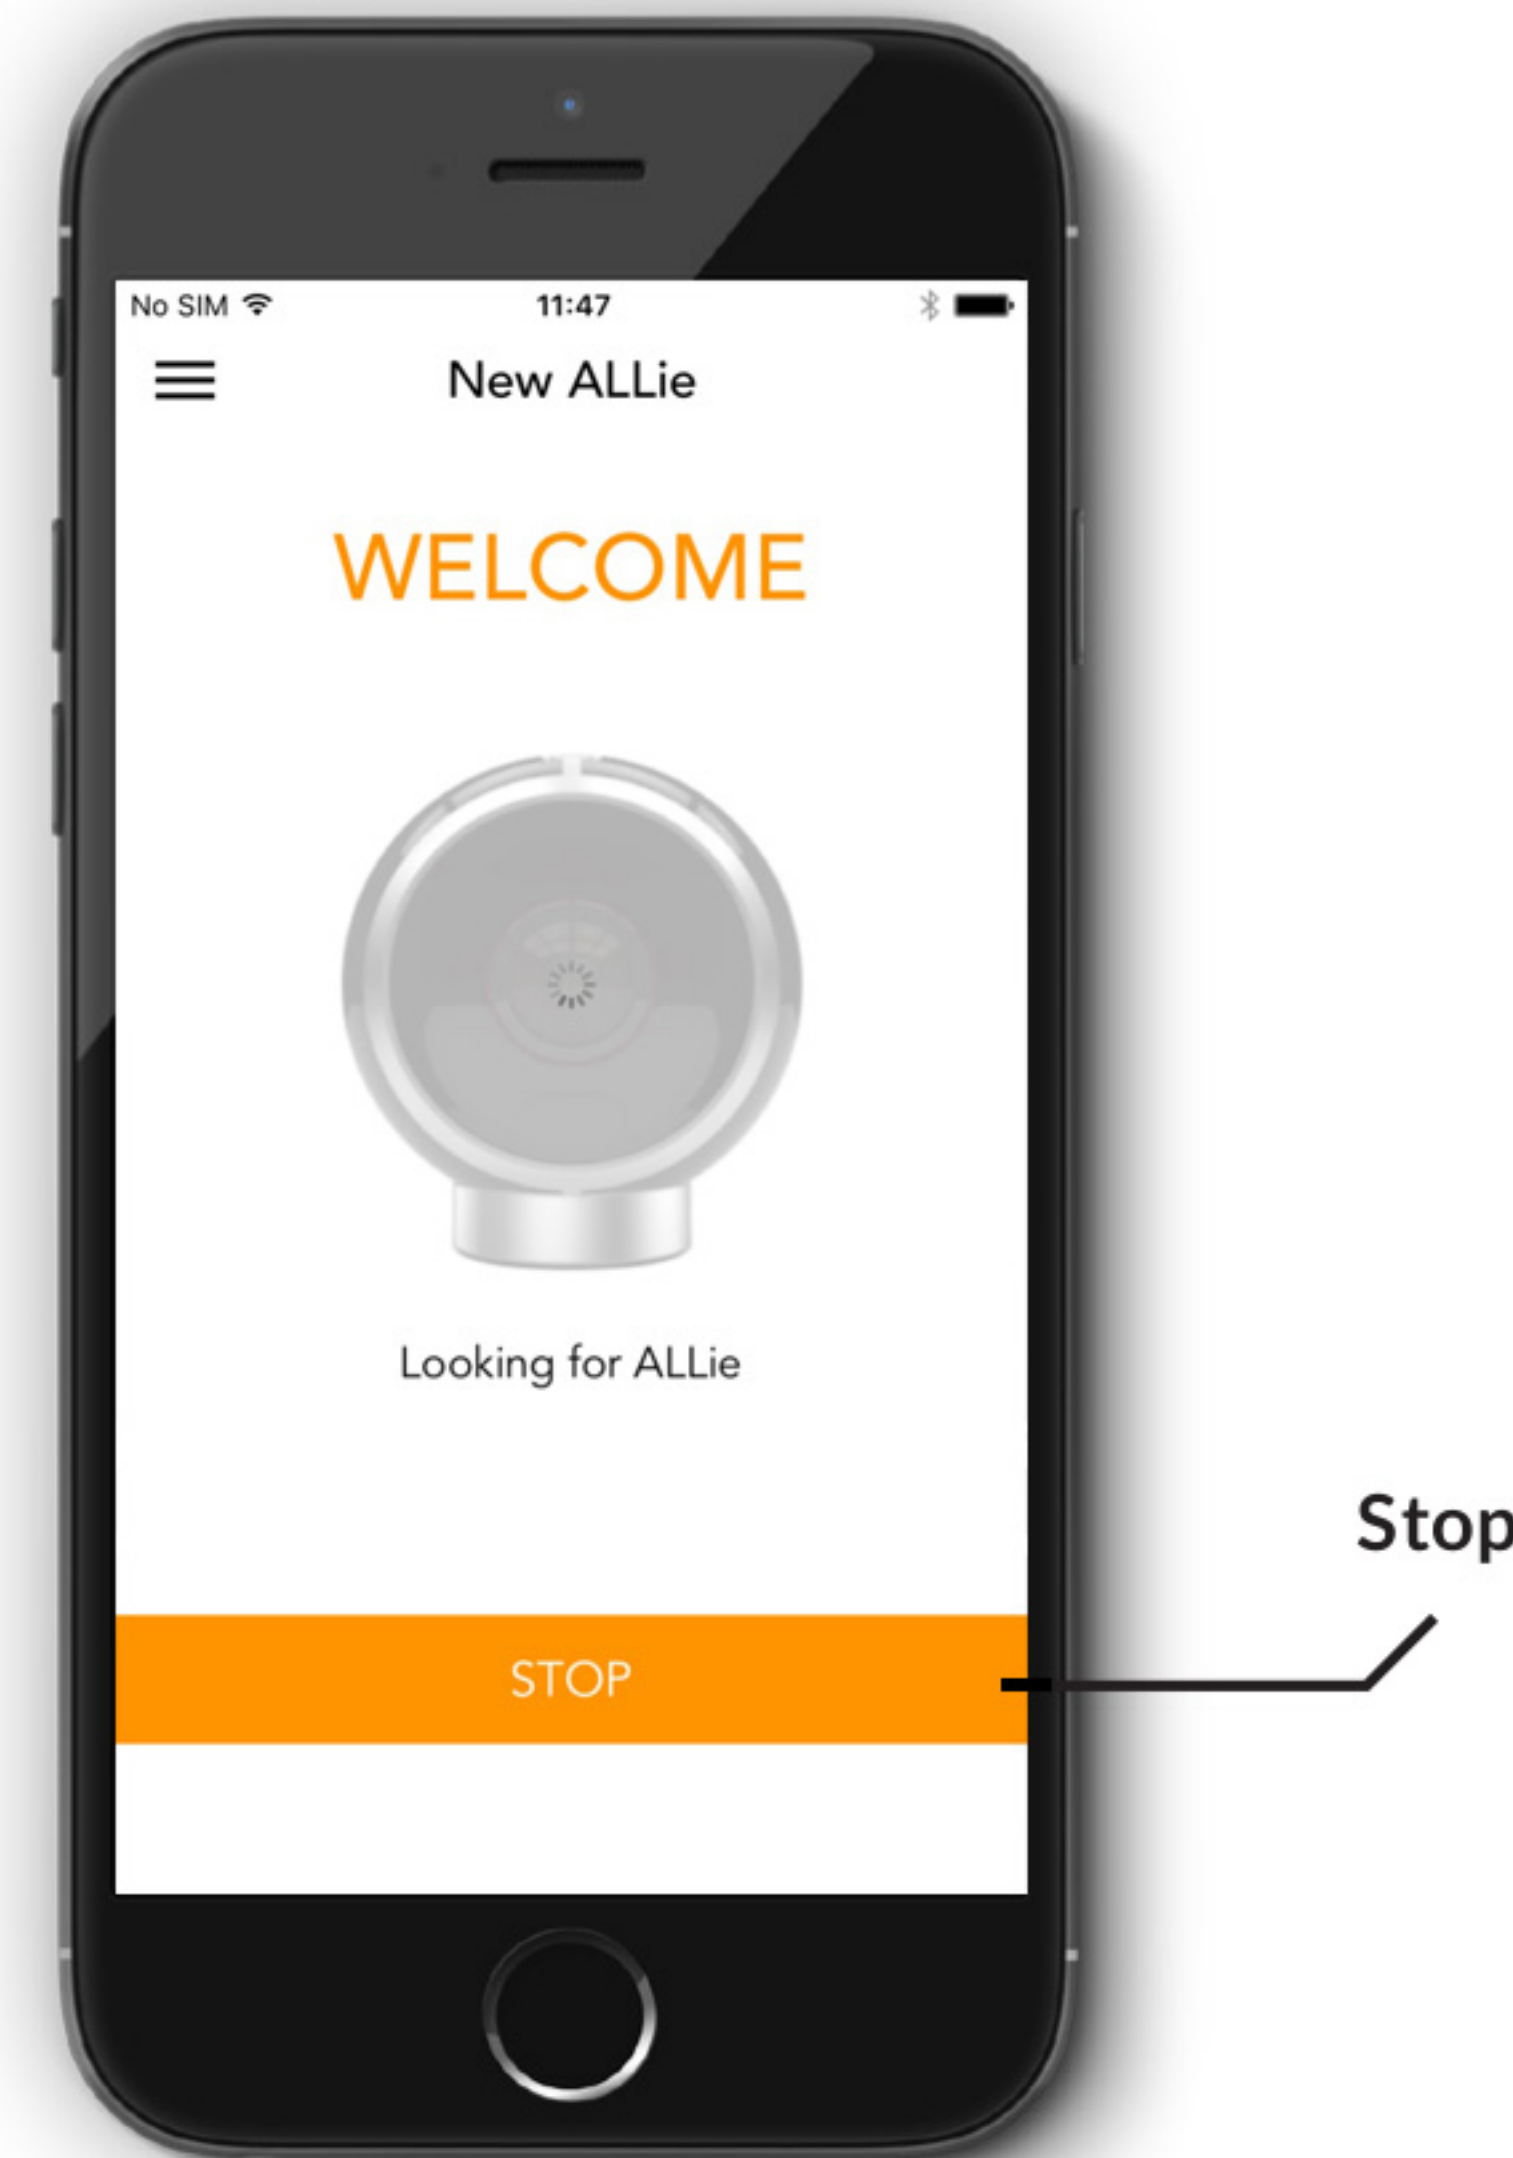

Turn on your Bluetooth and connect ALLie Home and your device to the same Wi-Fi network.

Click **FIND NEW ALLie**.

## Looking for ALLie Home

The app will begin searching for an ALLie Home to pair with your device. If you need to stop the setup process simply tap on the **STOP** button and you will be taken to the previous screen.

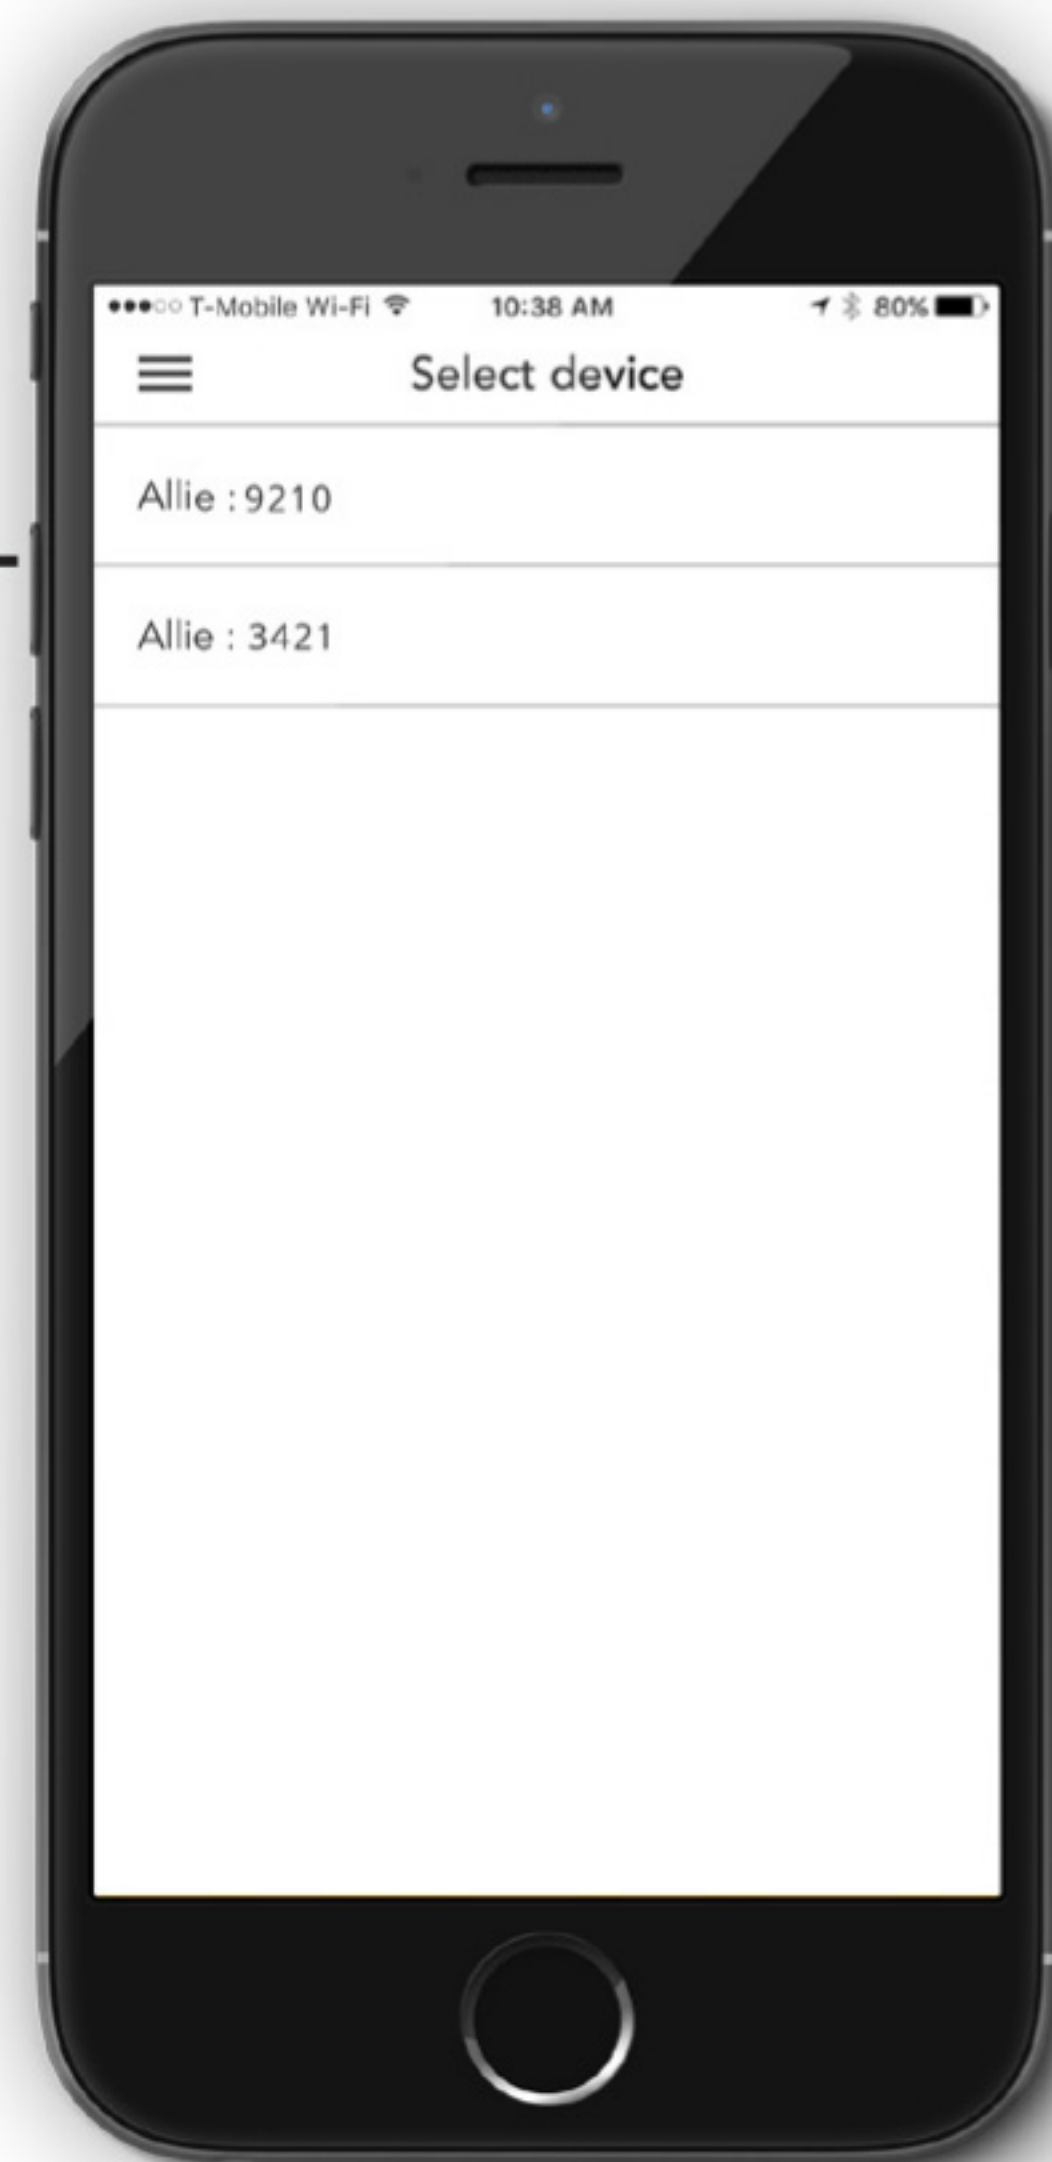

## Select Your ALLie Home

Once the app has located an ALLie Home or ALLie Homes it will list them with ALLie as the title followed by the last four digits of the ALLie Homes serial number. At this point you can select which ALLie Home you would

\*ALLie App updates are subject to change the naming procedure of your ALLie during this step. Please refer to [www.ALLiecam.com/updates](http://www.ALLiecam.com/updates) for more information on latest software releases.

ALLie Homes Available\*

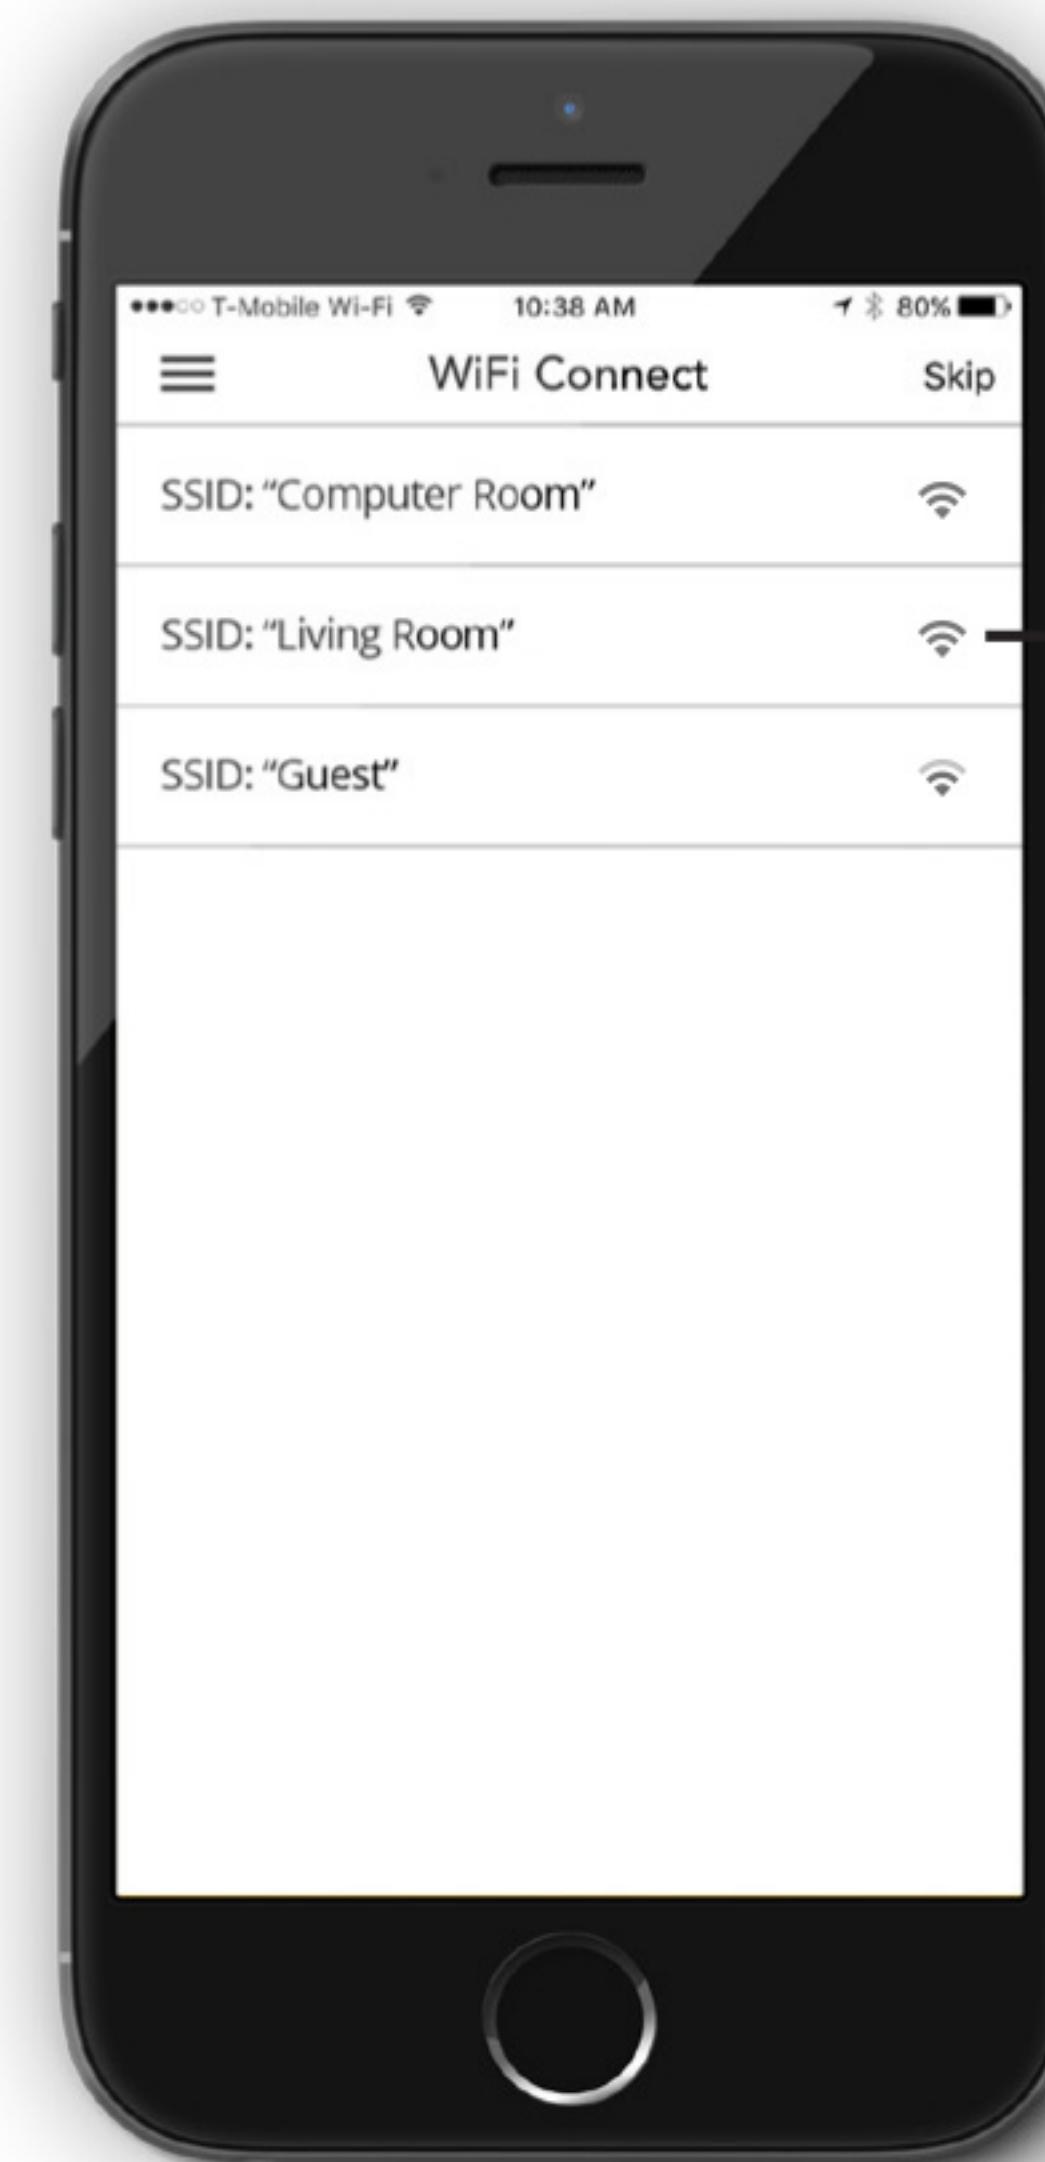

## Select Your Wi-Fi Network

After selecting which ALLie Home to setup you will be prompted to select a Wi-Fi network to connect to.

Select your desired Wi-Fi network and the app will connect to your ALLie Home.

If a password is required to use the network you will be prompted to enter it.

Select a Network

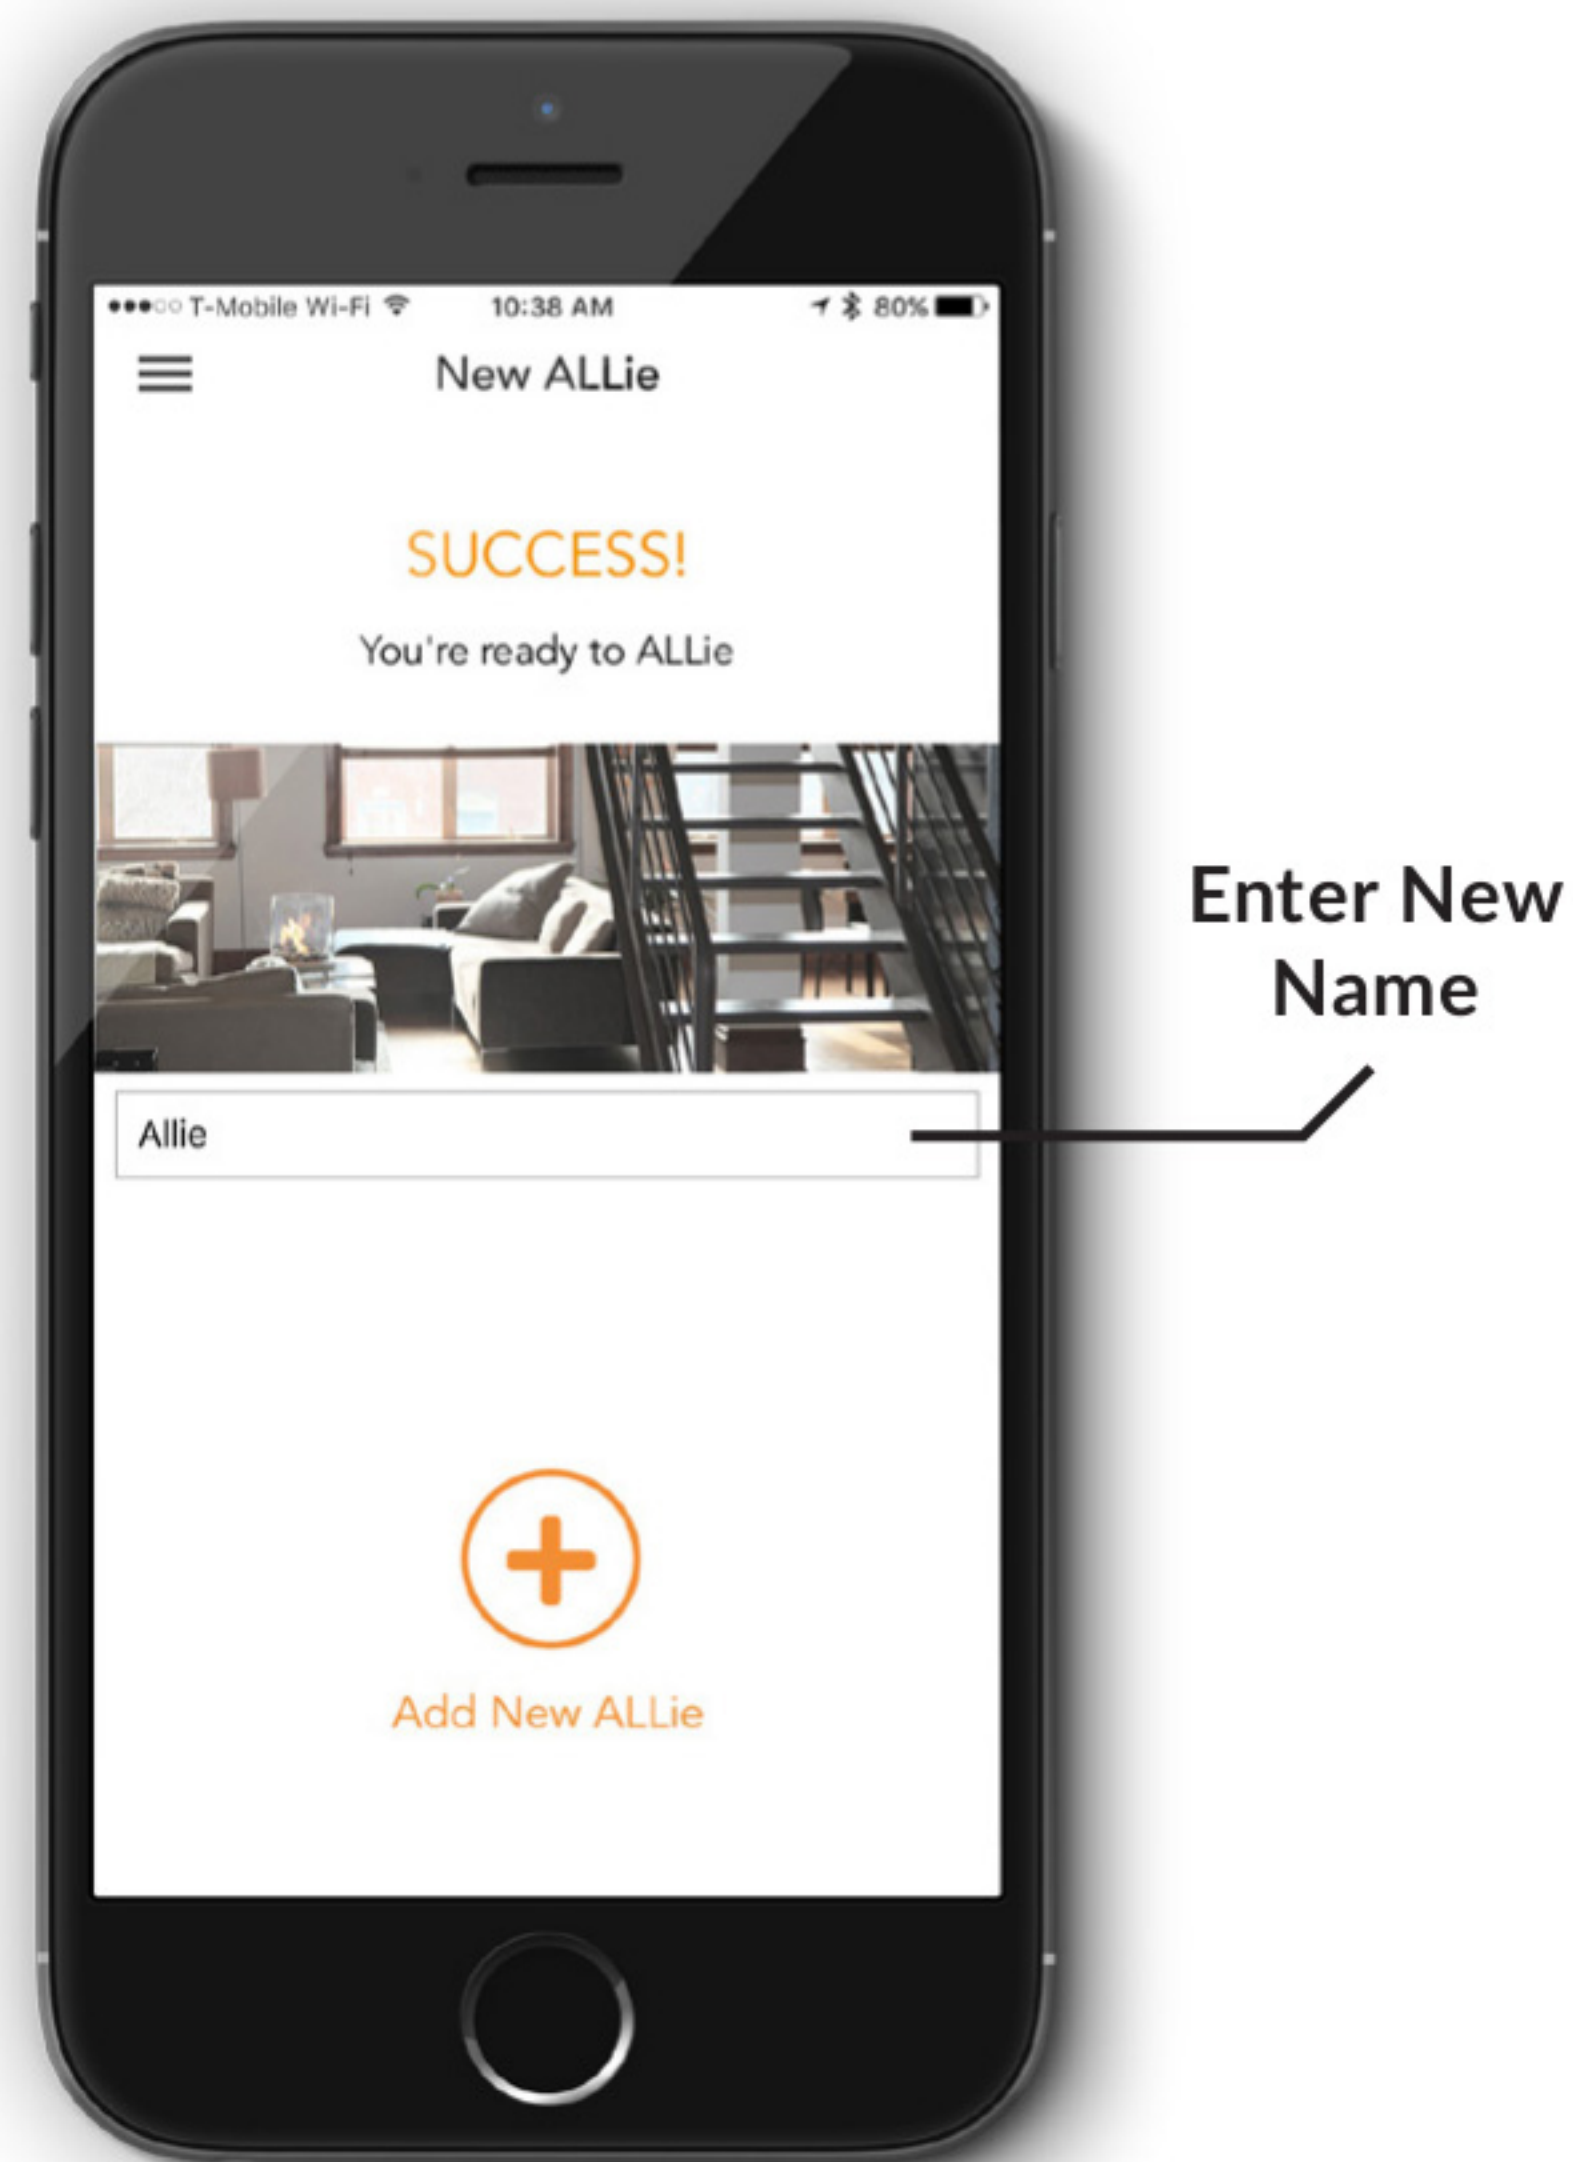

## Success!

Congratulations! You have successfully setup your ALLie Home. All that is left to do is name the ALLie Home by replacing the text in the field provided.

*If you have not reached this screen simply try again. Make sure that your smartphone's Bluetooth is enabled, you are near your ALLie Home, and you are connected to a local Wi-Fi network. If you require more assistance please visit [www.ALLiecam.com/Support](http://www.ALLiecam.com/Support).*

## My ALLies Dashboard

## ALLie Home Settings

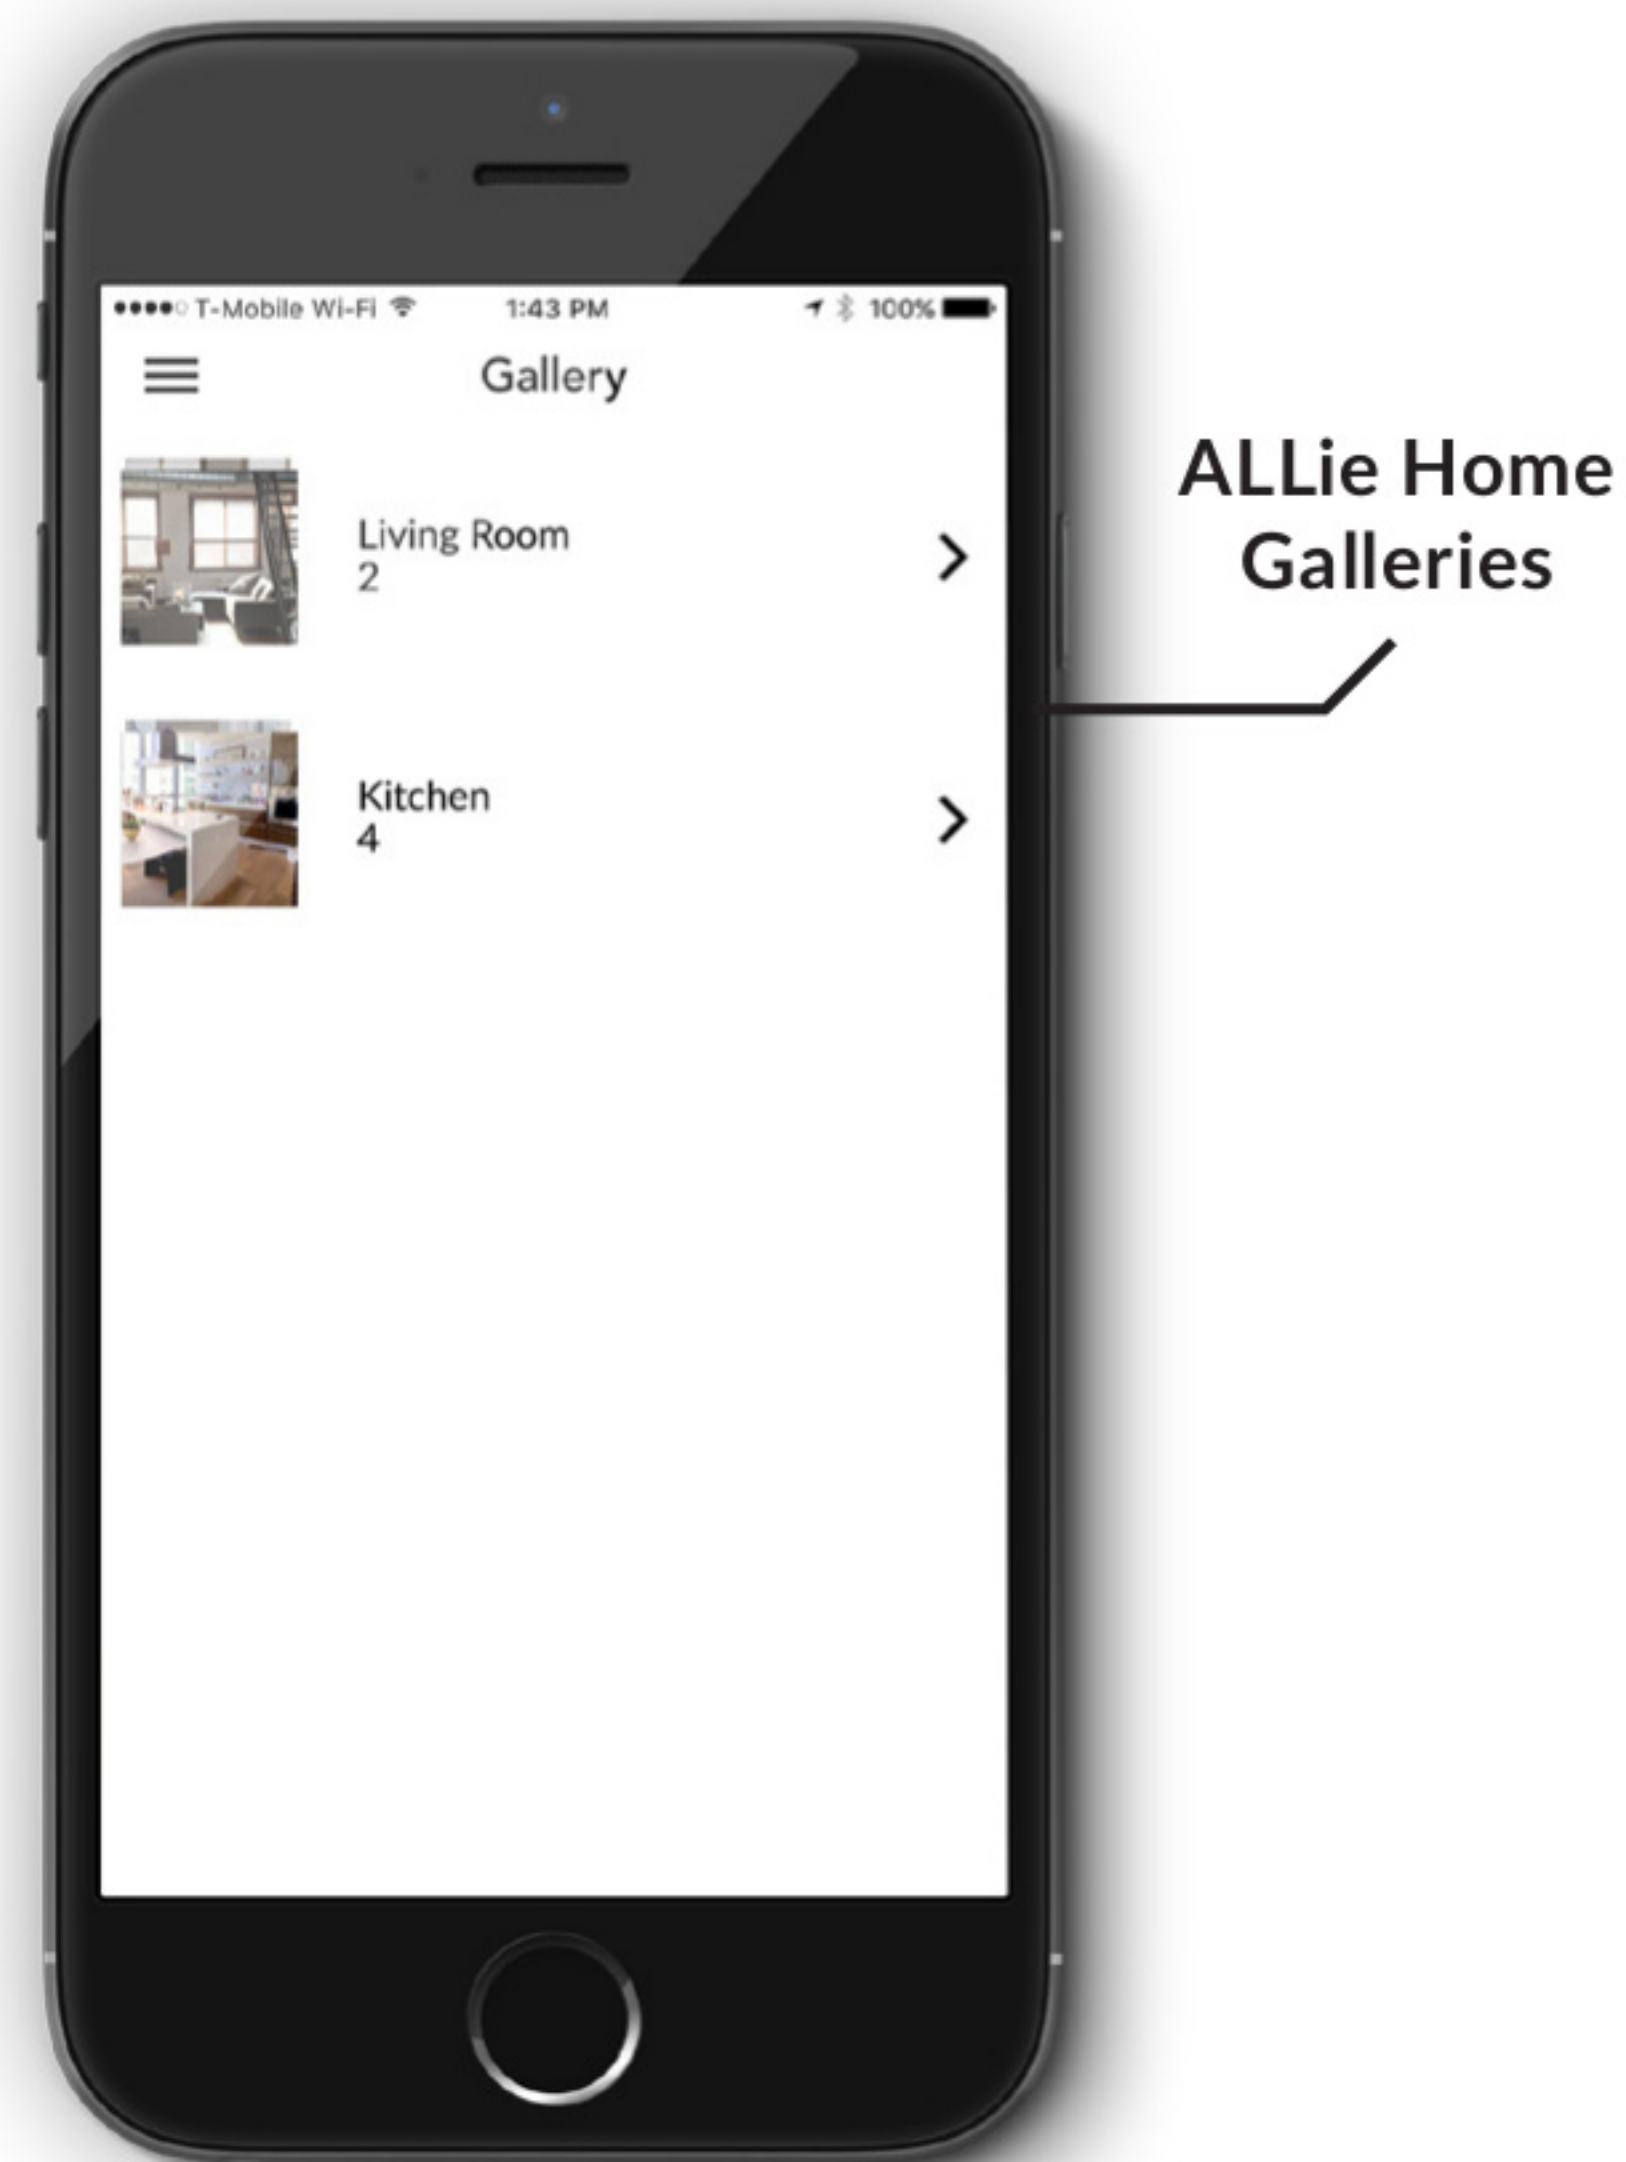

From the settings screen you can edit, change, and toggle names and modes.

## ALLie Home Gallery

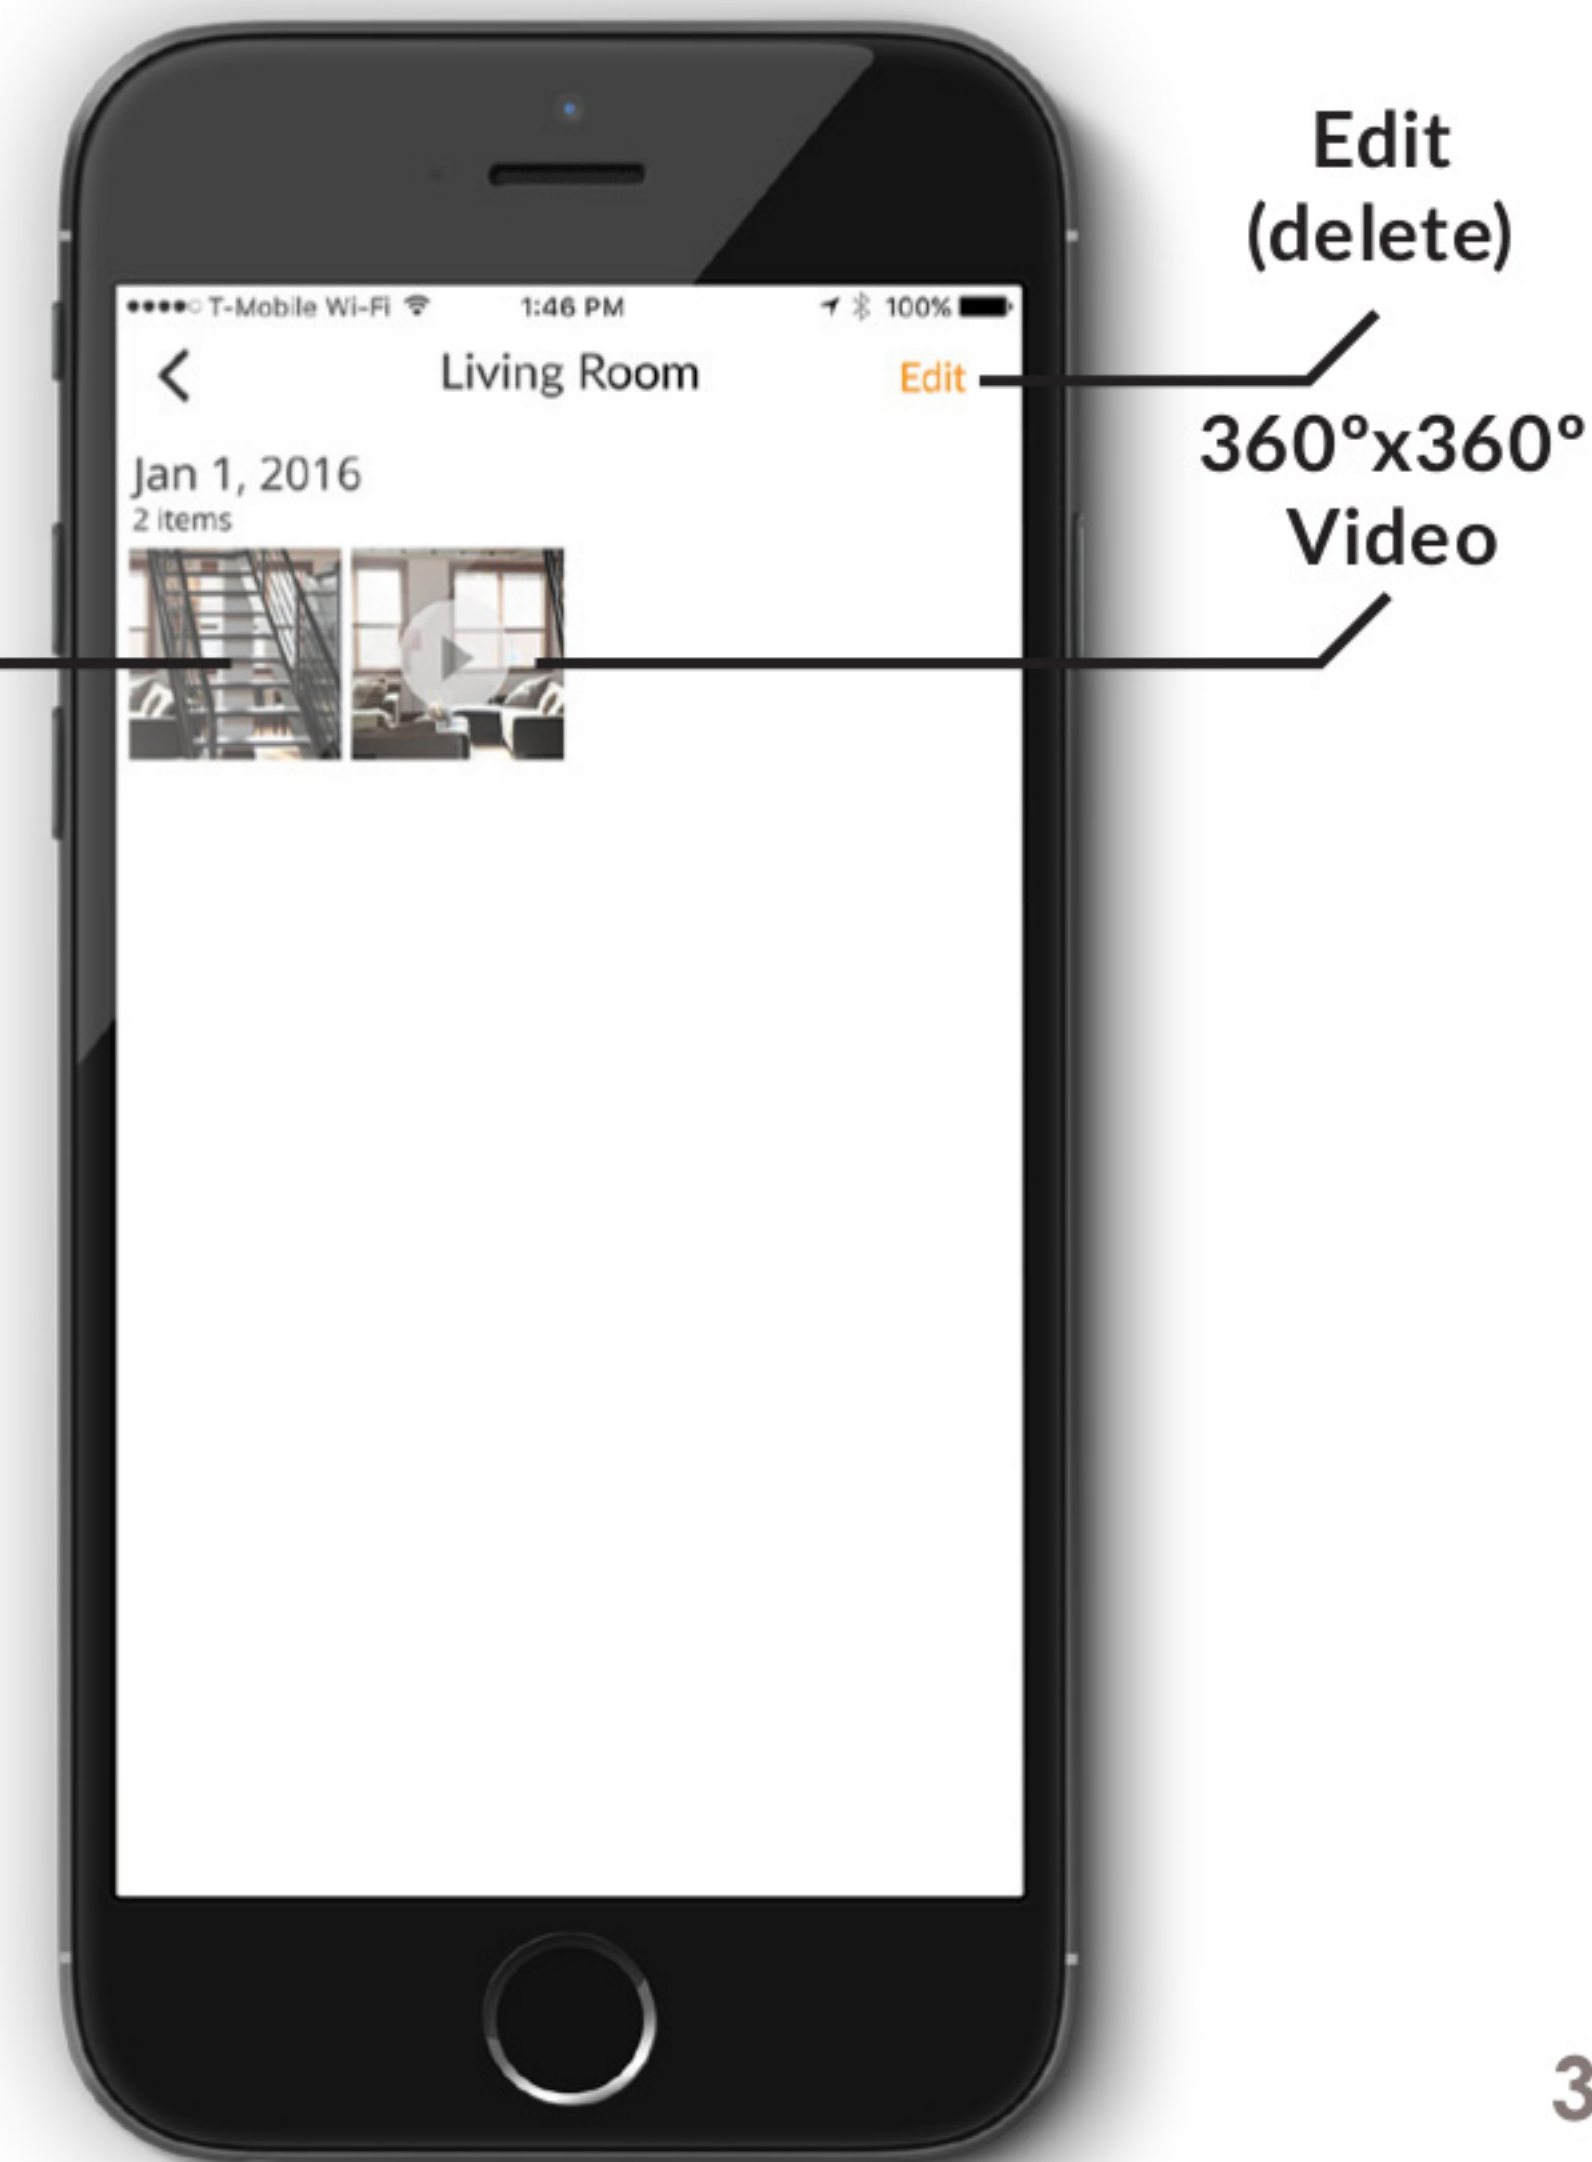

On the Gallery screen you will be able to view and access your ALLie Homes. By tapping on an album you can access that specific ALLie Home's saved images and videos.

## Gallery Images & Videos

Once inside a gallery you will see the title of that album's ALLie Home at the top of the screen, in this case the ALLie Home is named **Living Room**. You will also see a date stamp along with the number of images or videos taken on that date. To differentiate between images and videos all videos will contain a play button over the thumbnail image.

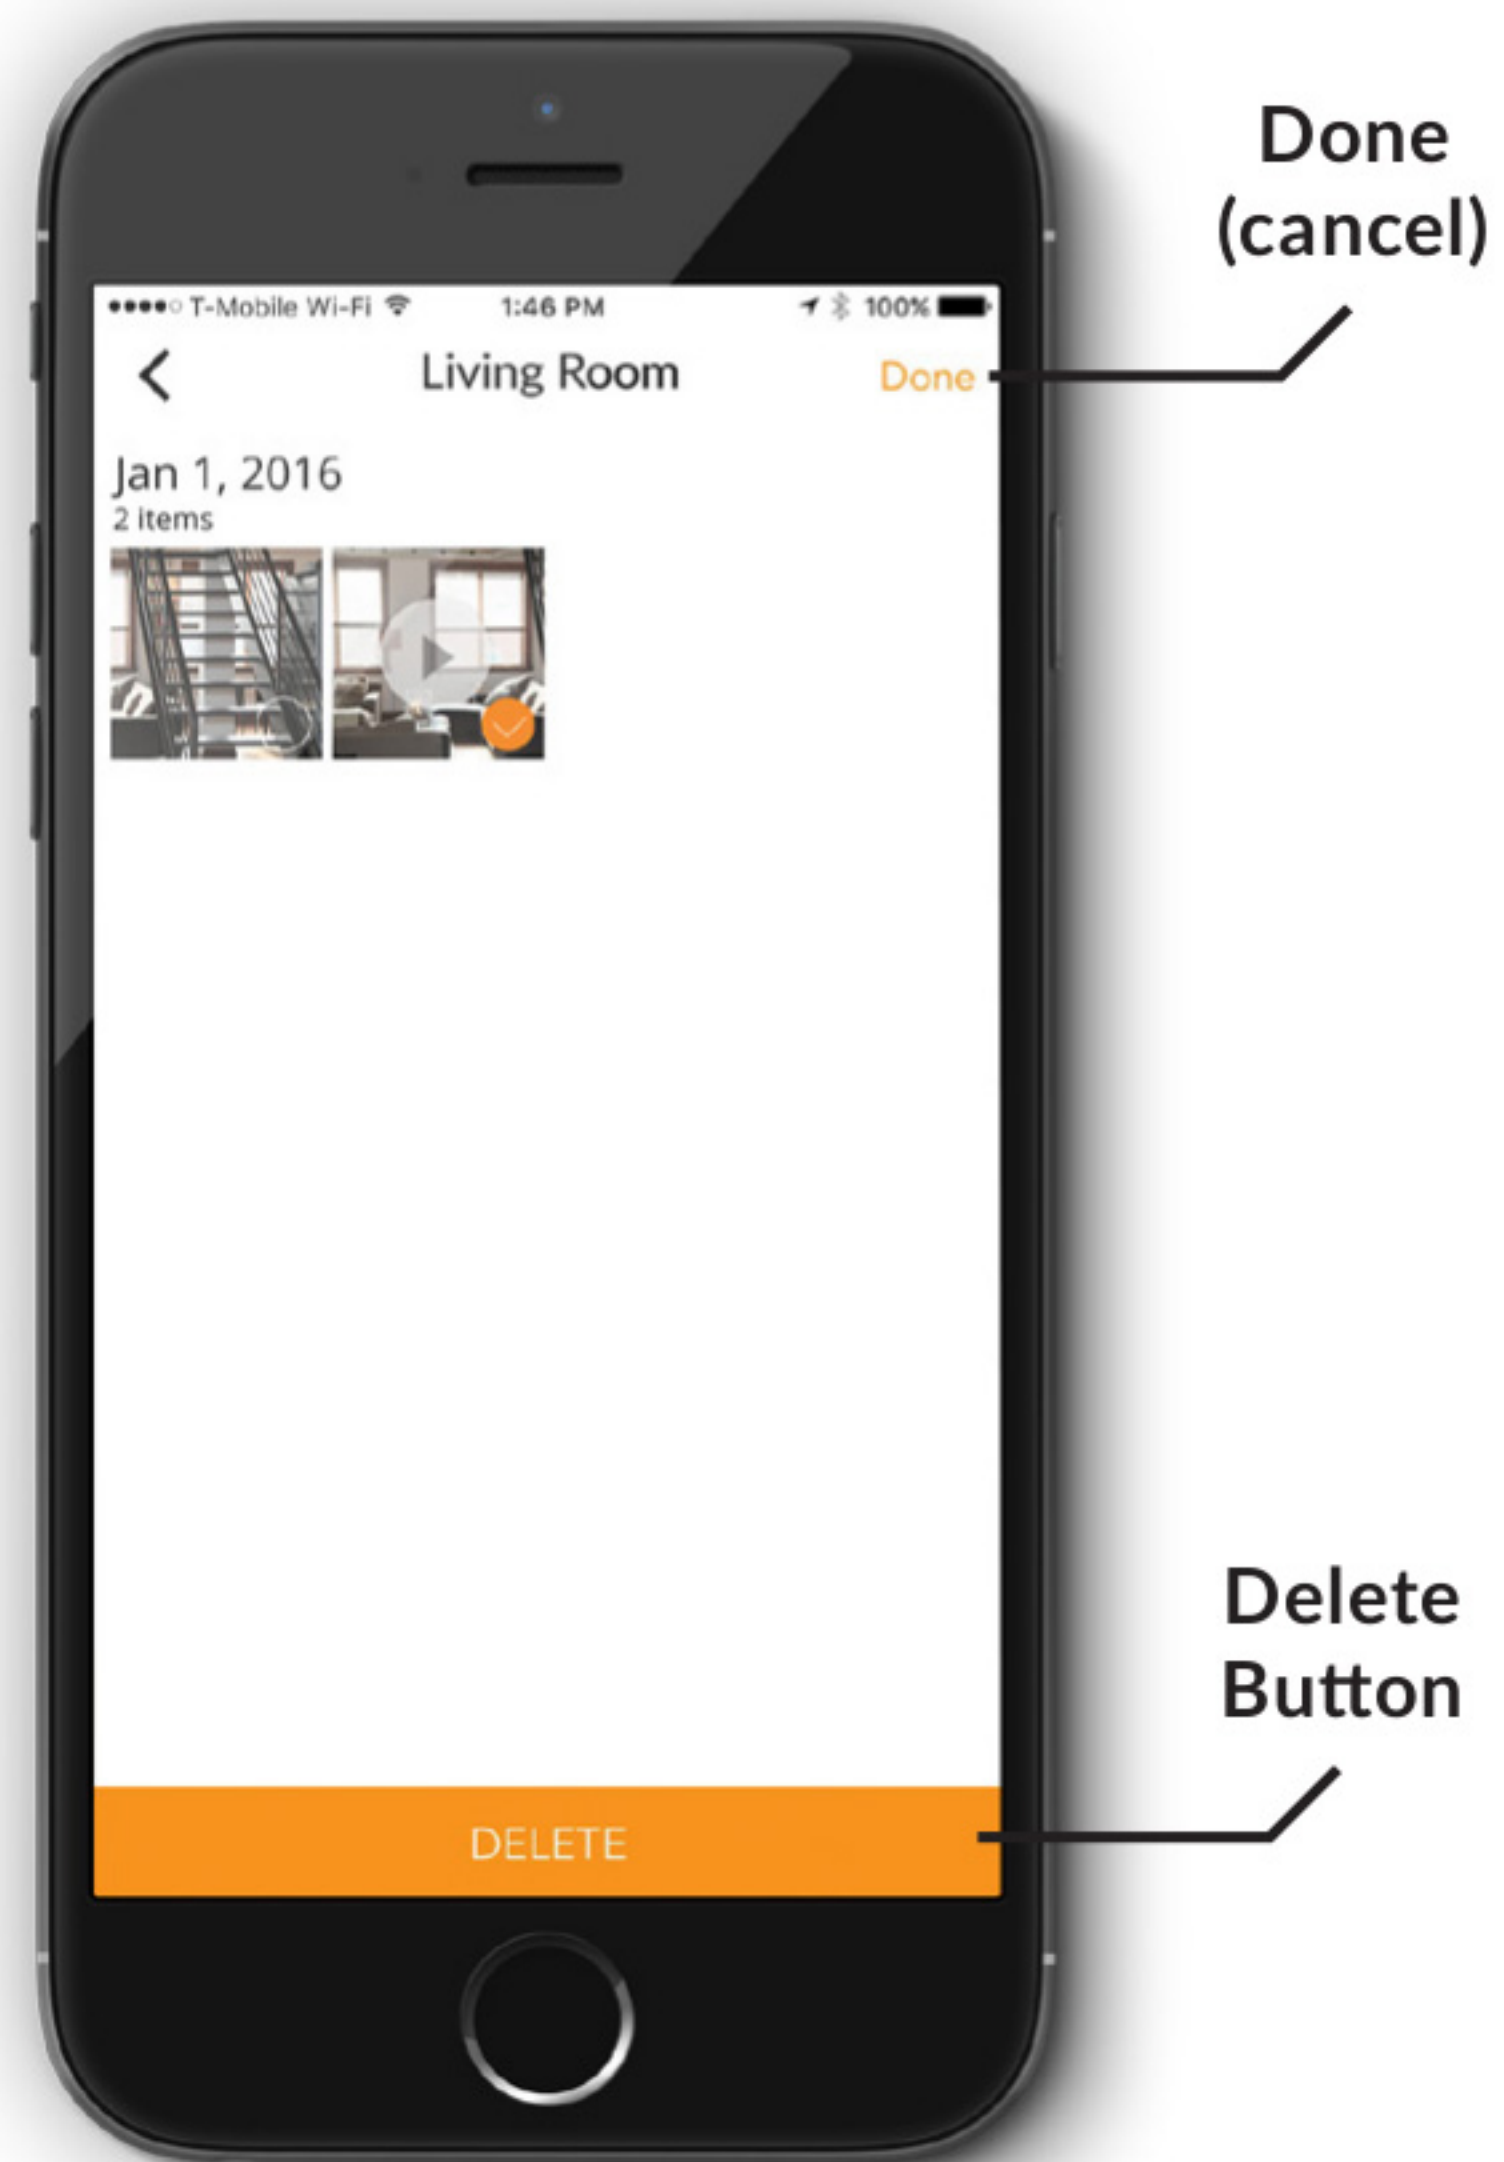

360°x360°  
Image

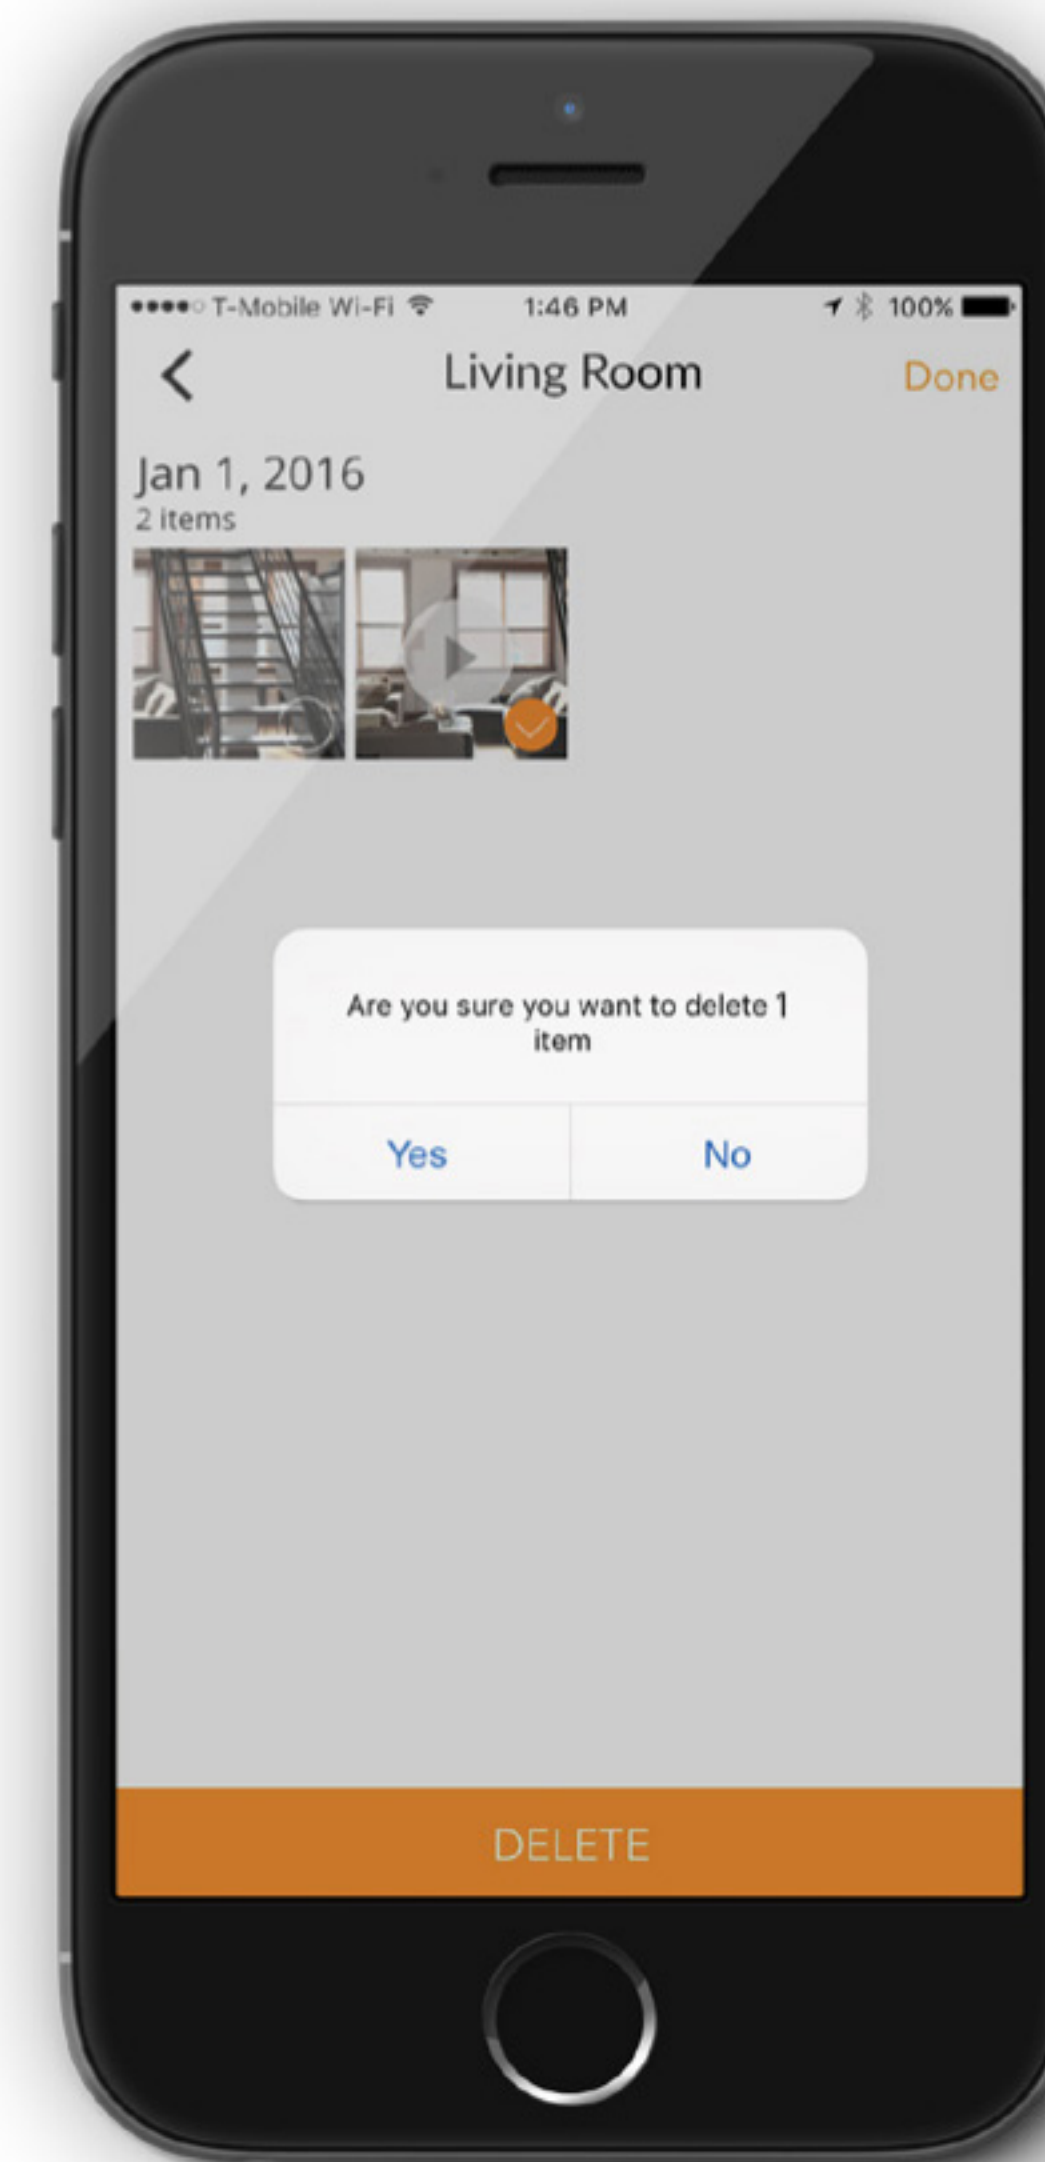

## Delete Images or Videos

To delete images or videos in an ALLie Home's gallery you can tap on the **Edit** button in the top right hand corner of the screen. A white outlined circle icon will appear at the bottom right hand corner of the thumbnails. To select an image or video you can tap on it, and the circle will highlight. To delete the selected images or videos you must tap the **DELETE** button at the bottom of the screen. To cancel and return to the gallery tap **Done**.

## Confirm Delete

Once you have tapped on the **DELETE** button at the bottom of the screen you will then be prompted to confirm your delete request. If you tap **Yes** the selected images and videos will be deleted.

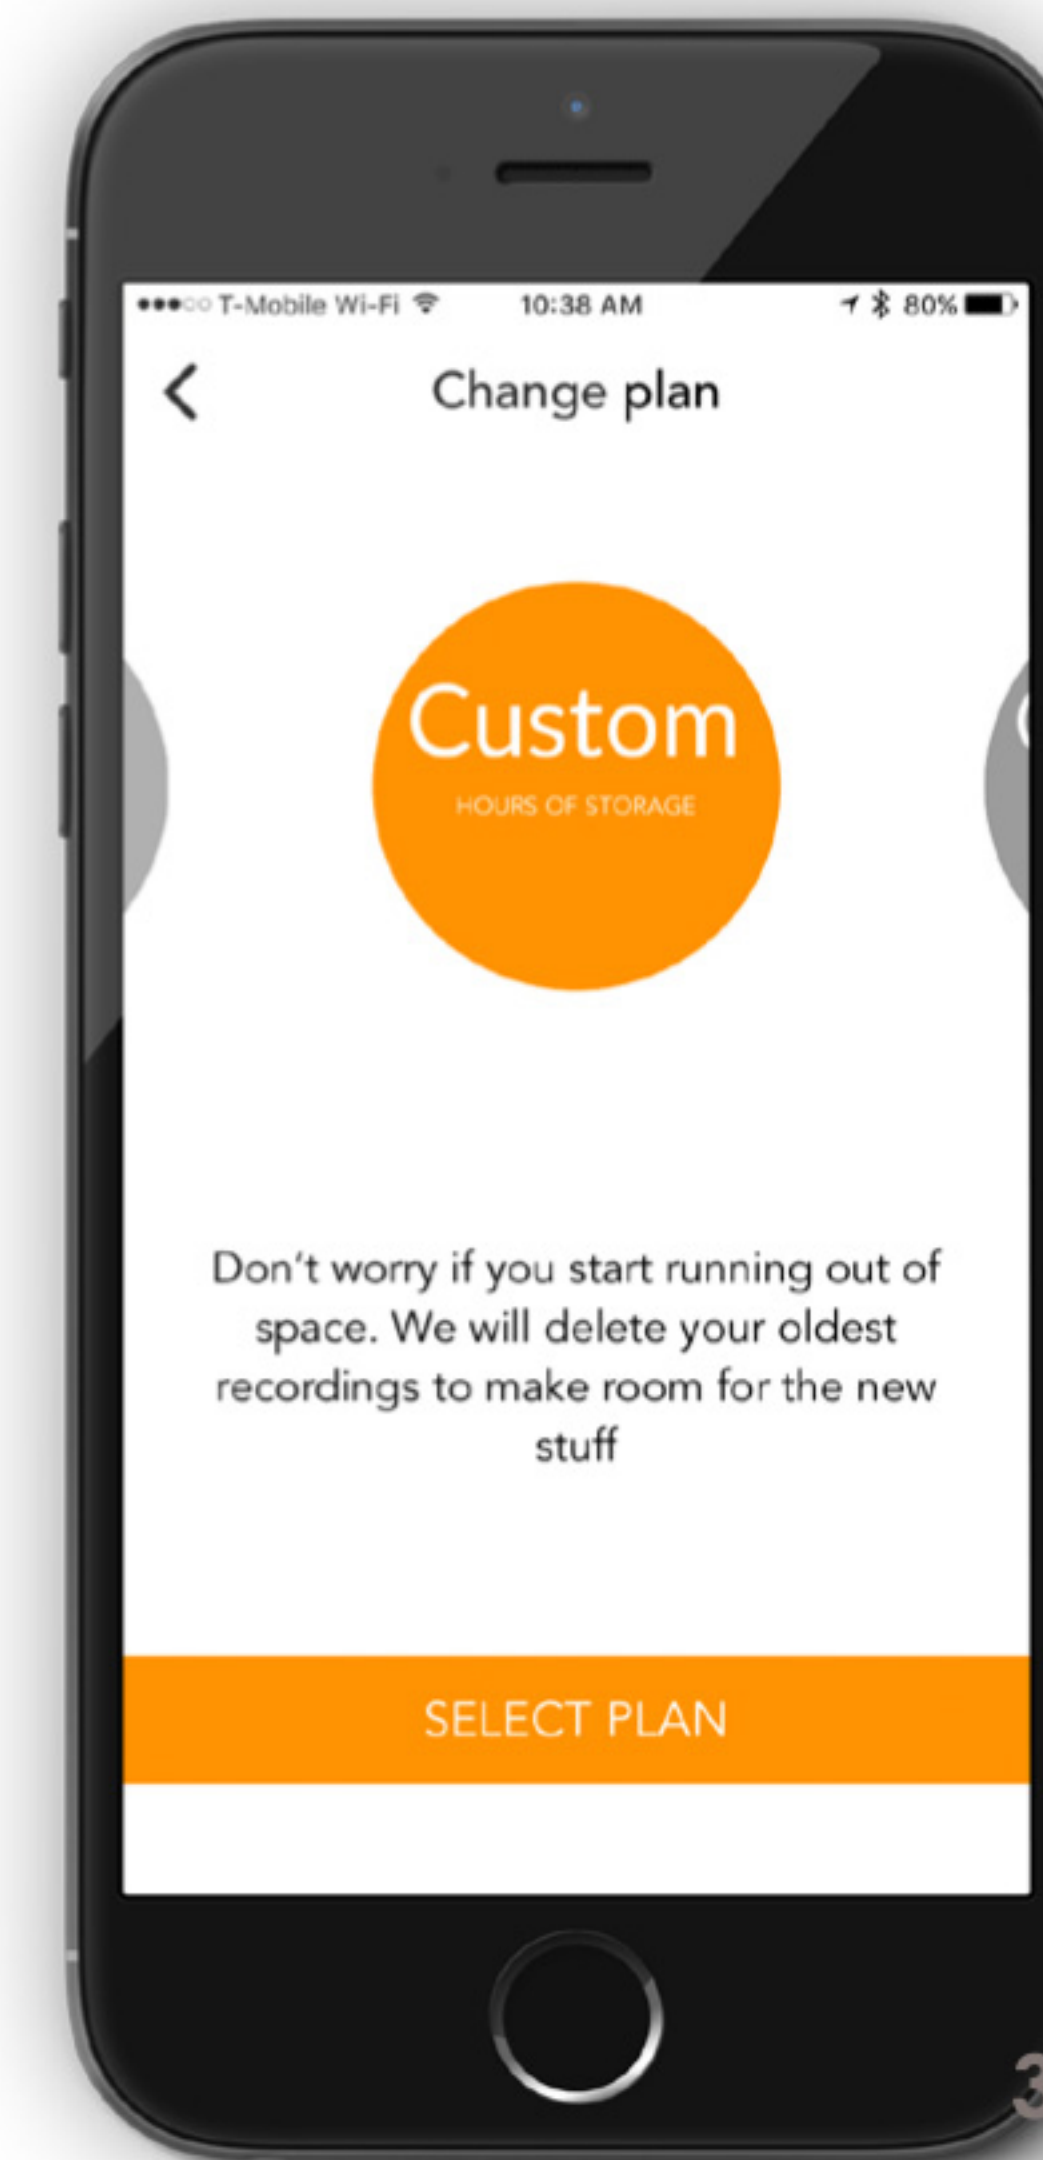

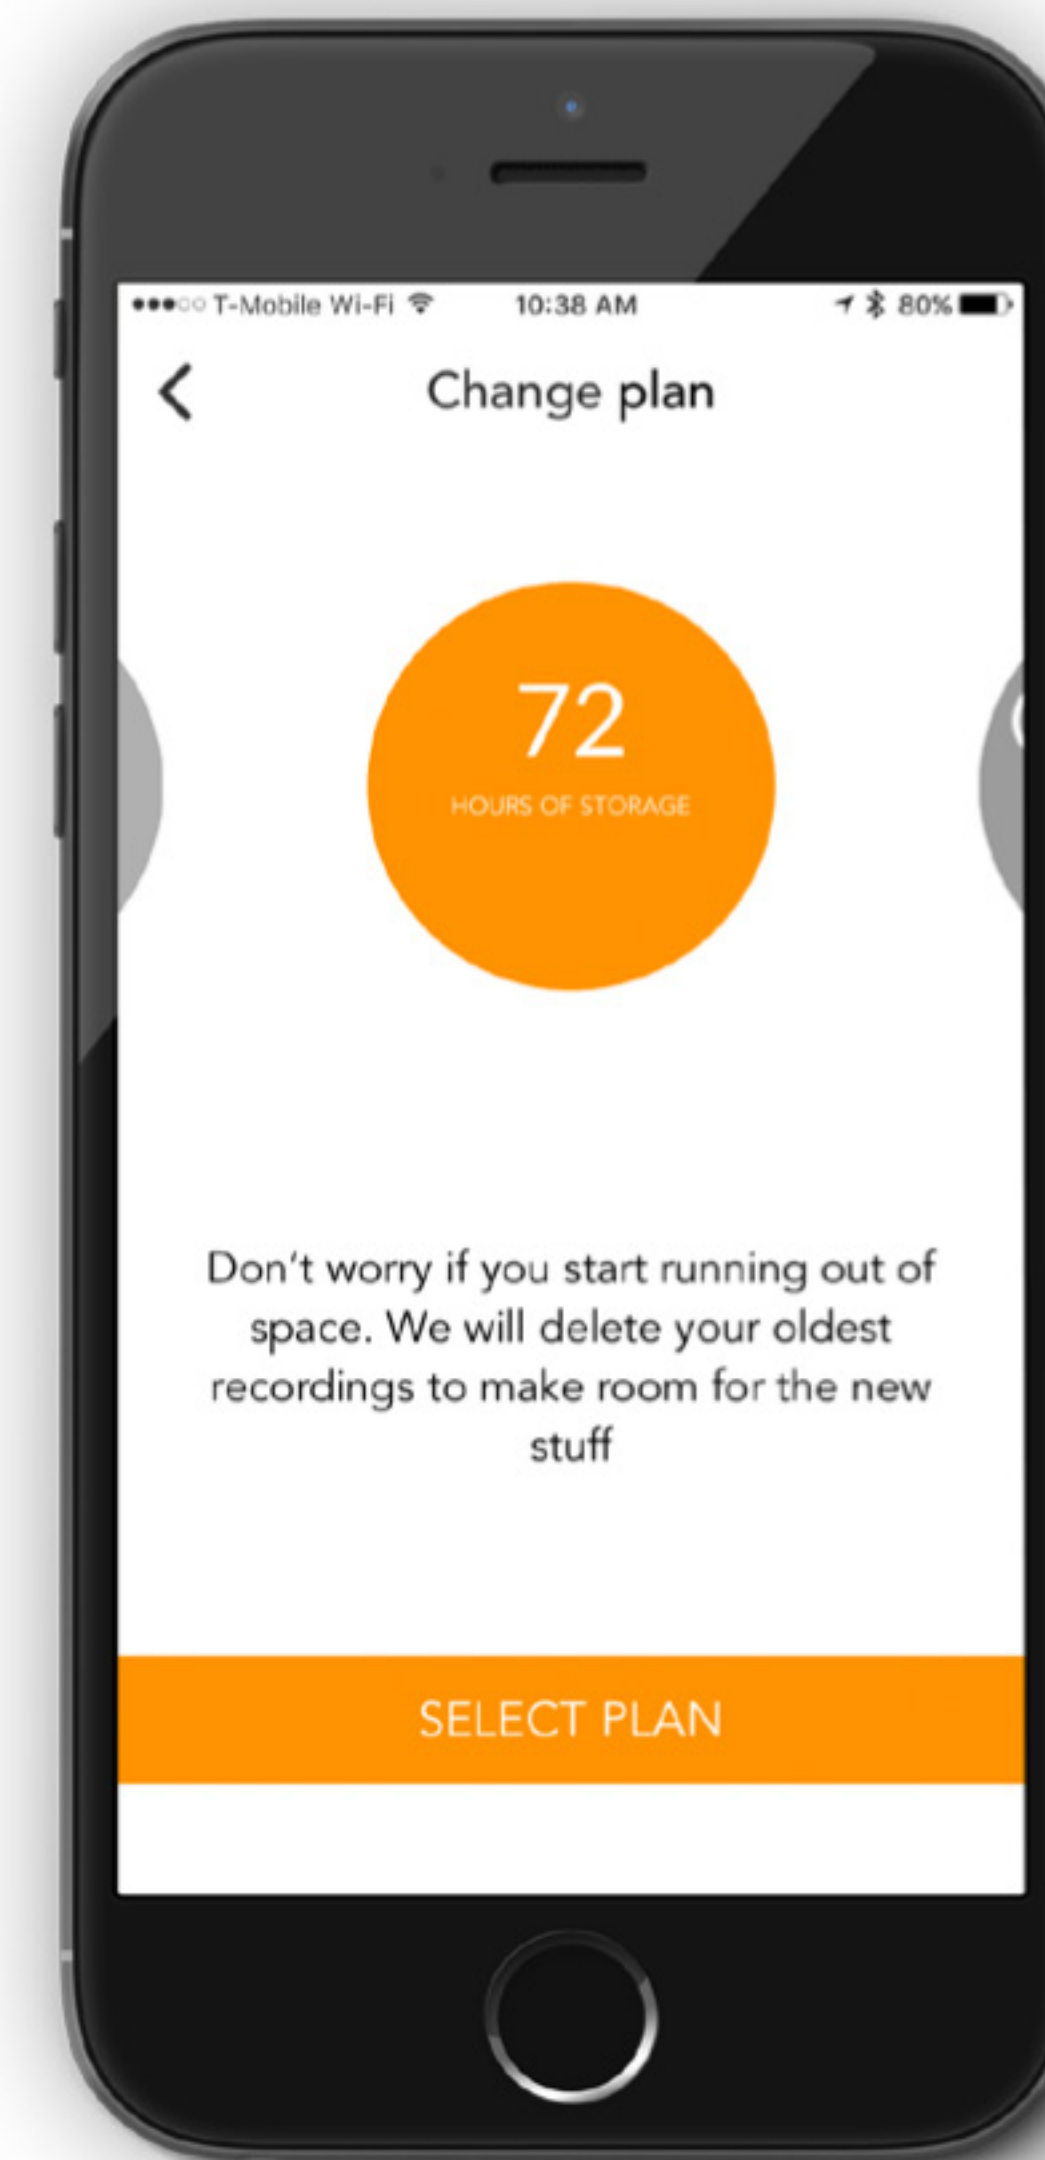

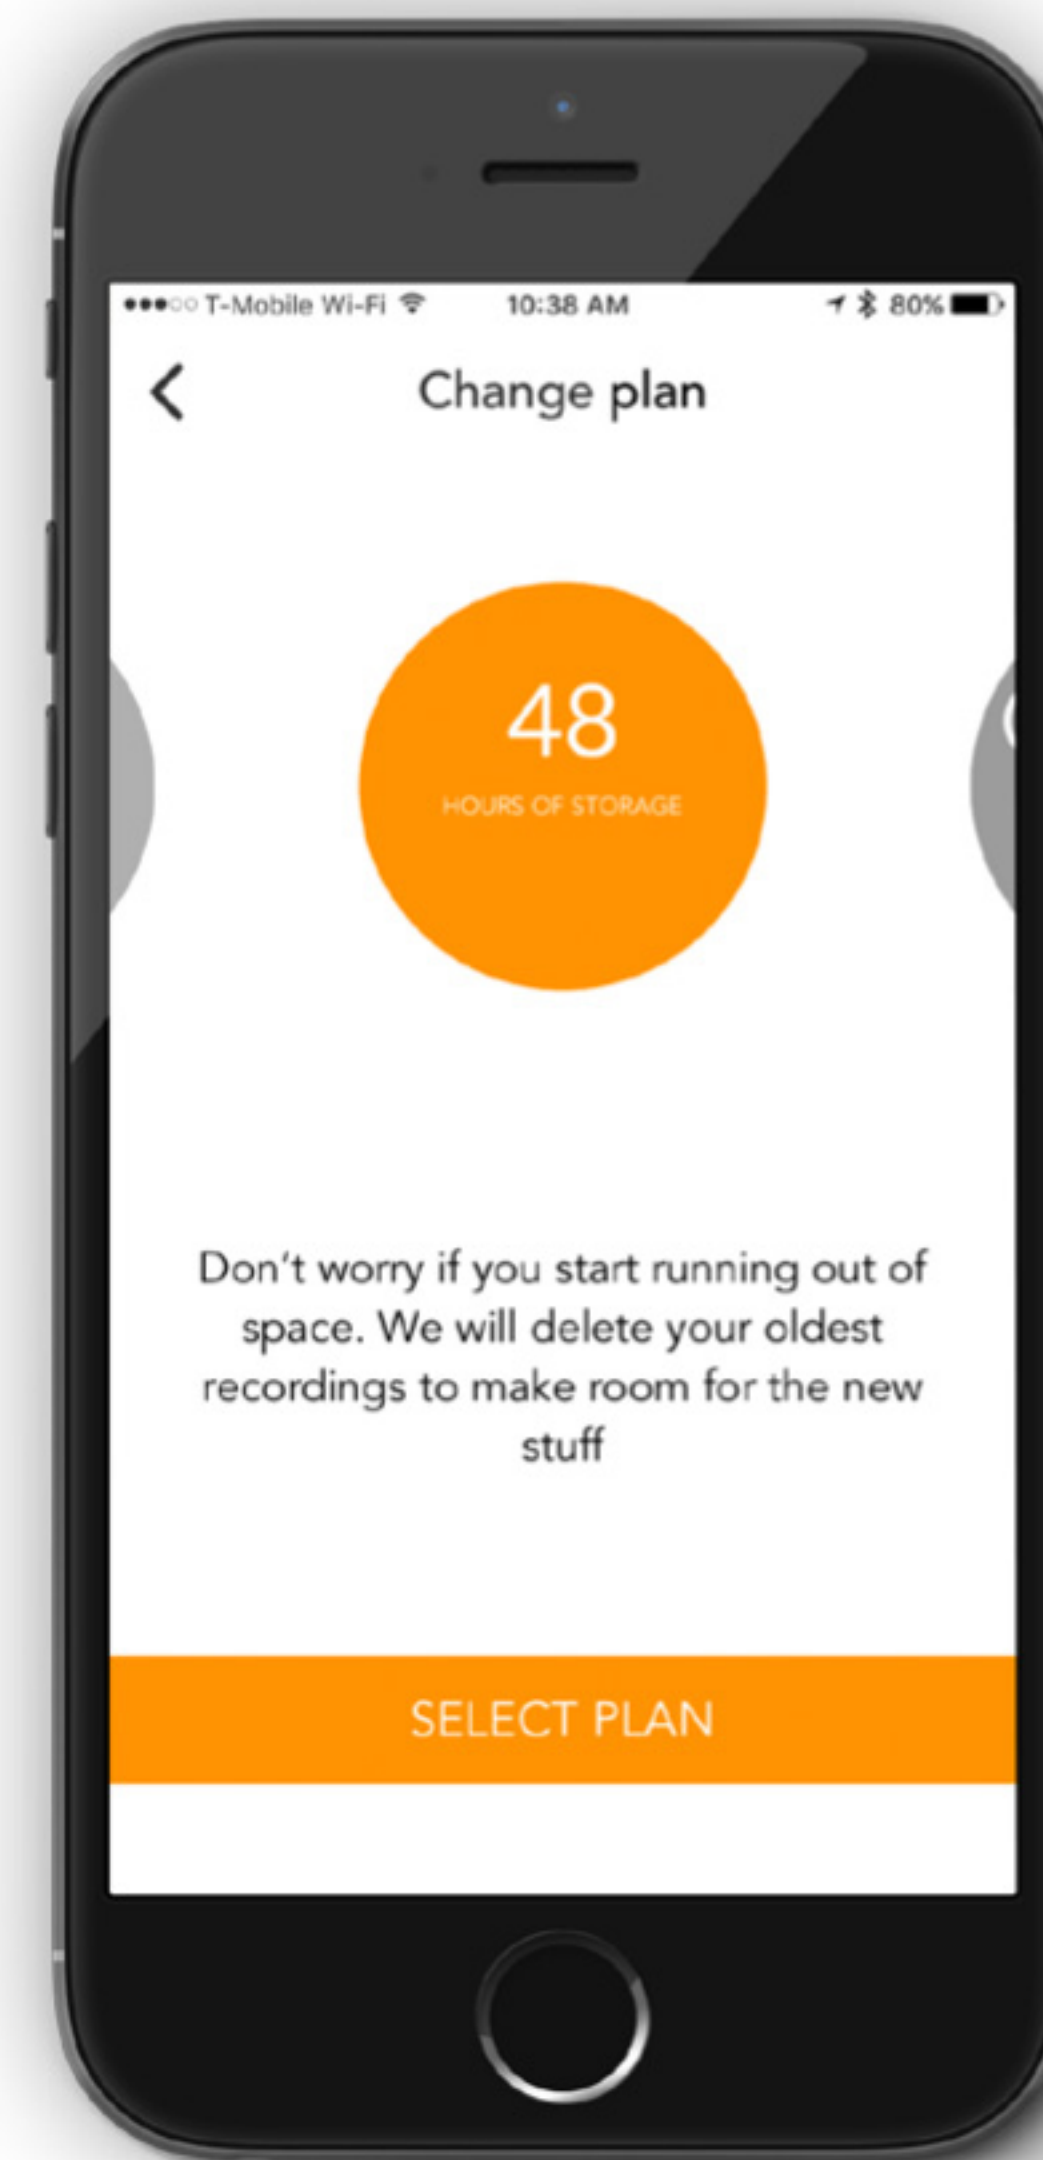

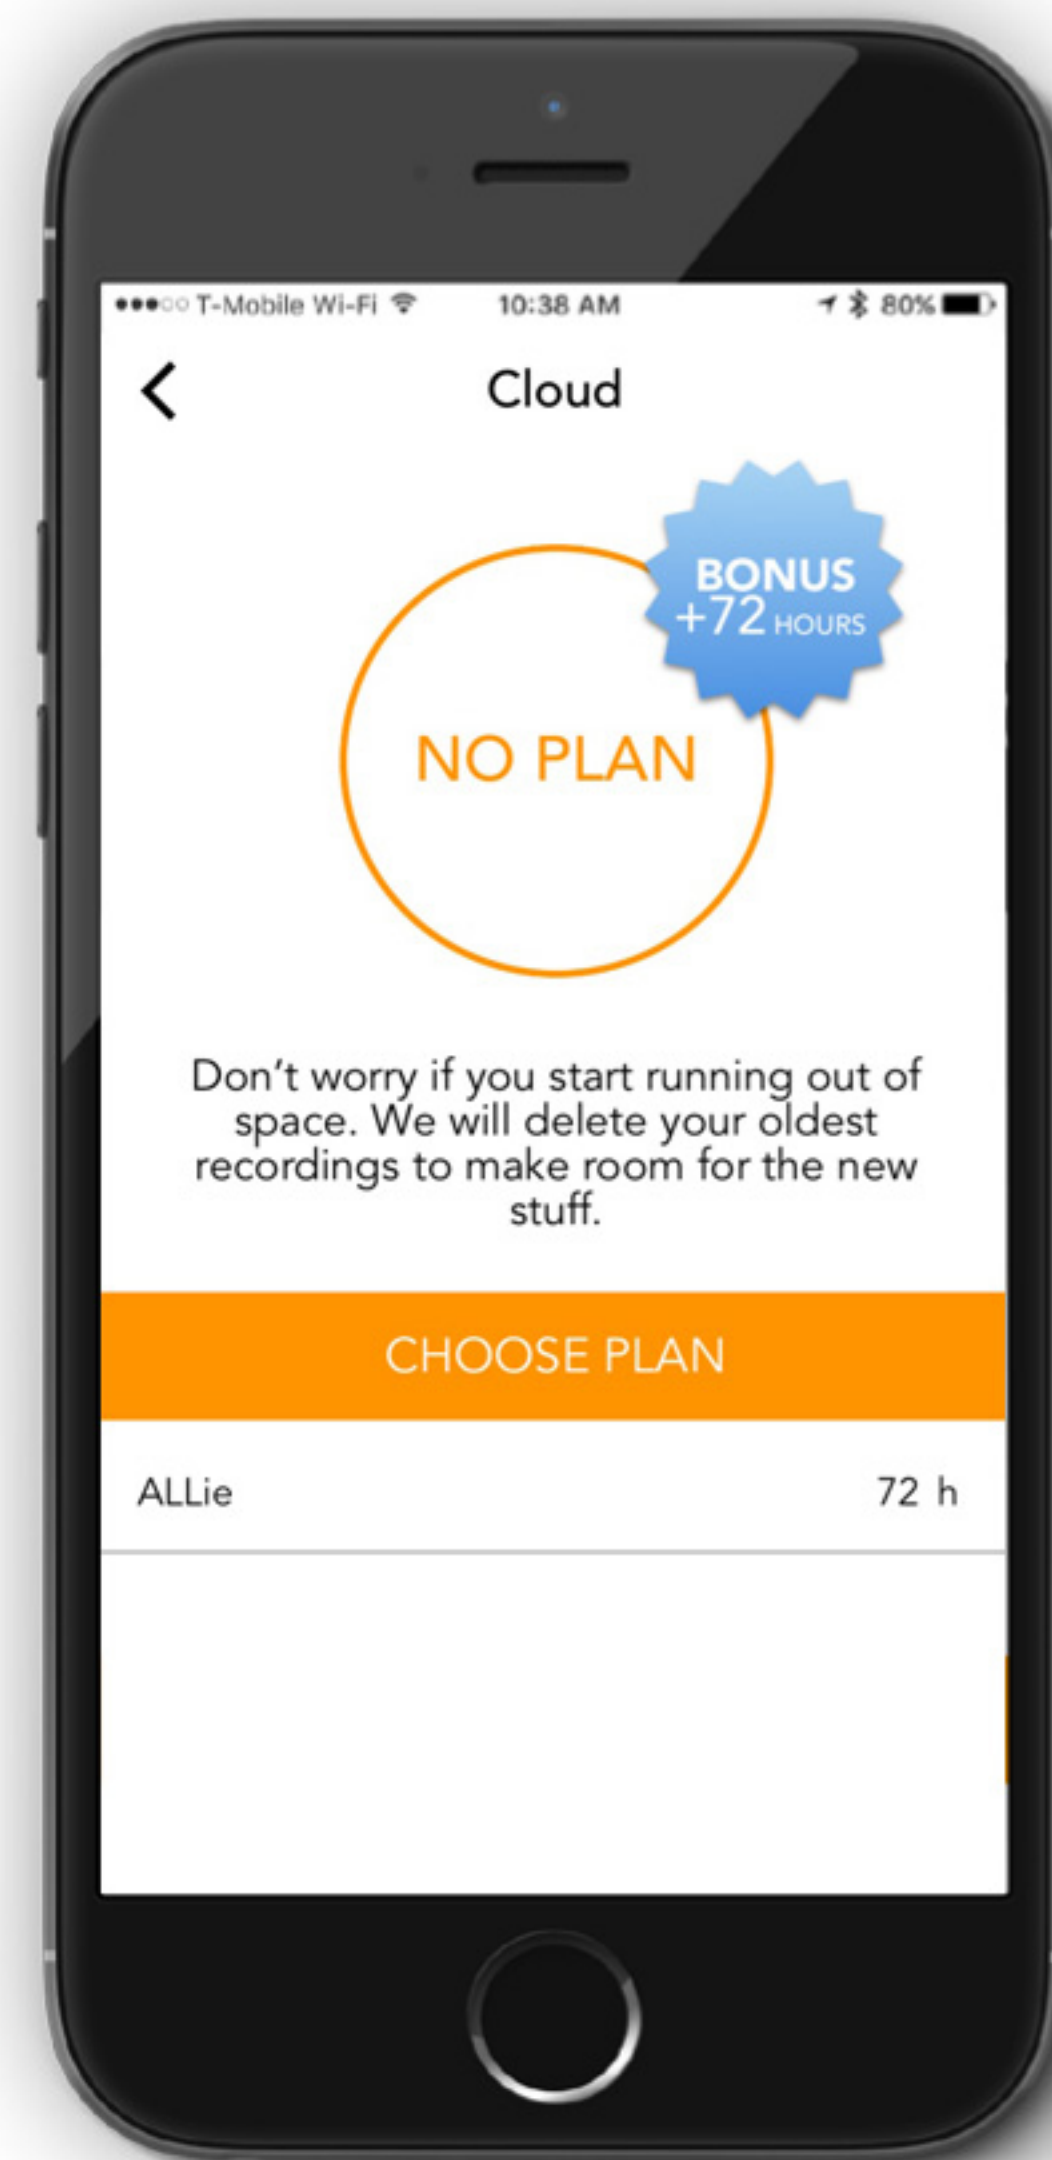

## ALLie Cloud Plans.

Keep latest 24 hours of video\*

Keep latest 48 hours of video\*

Keep latest 72 hours of video\*

*\*on a rolling basis*

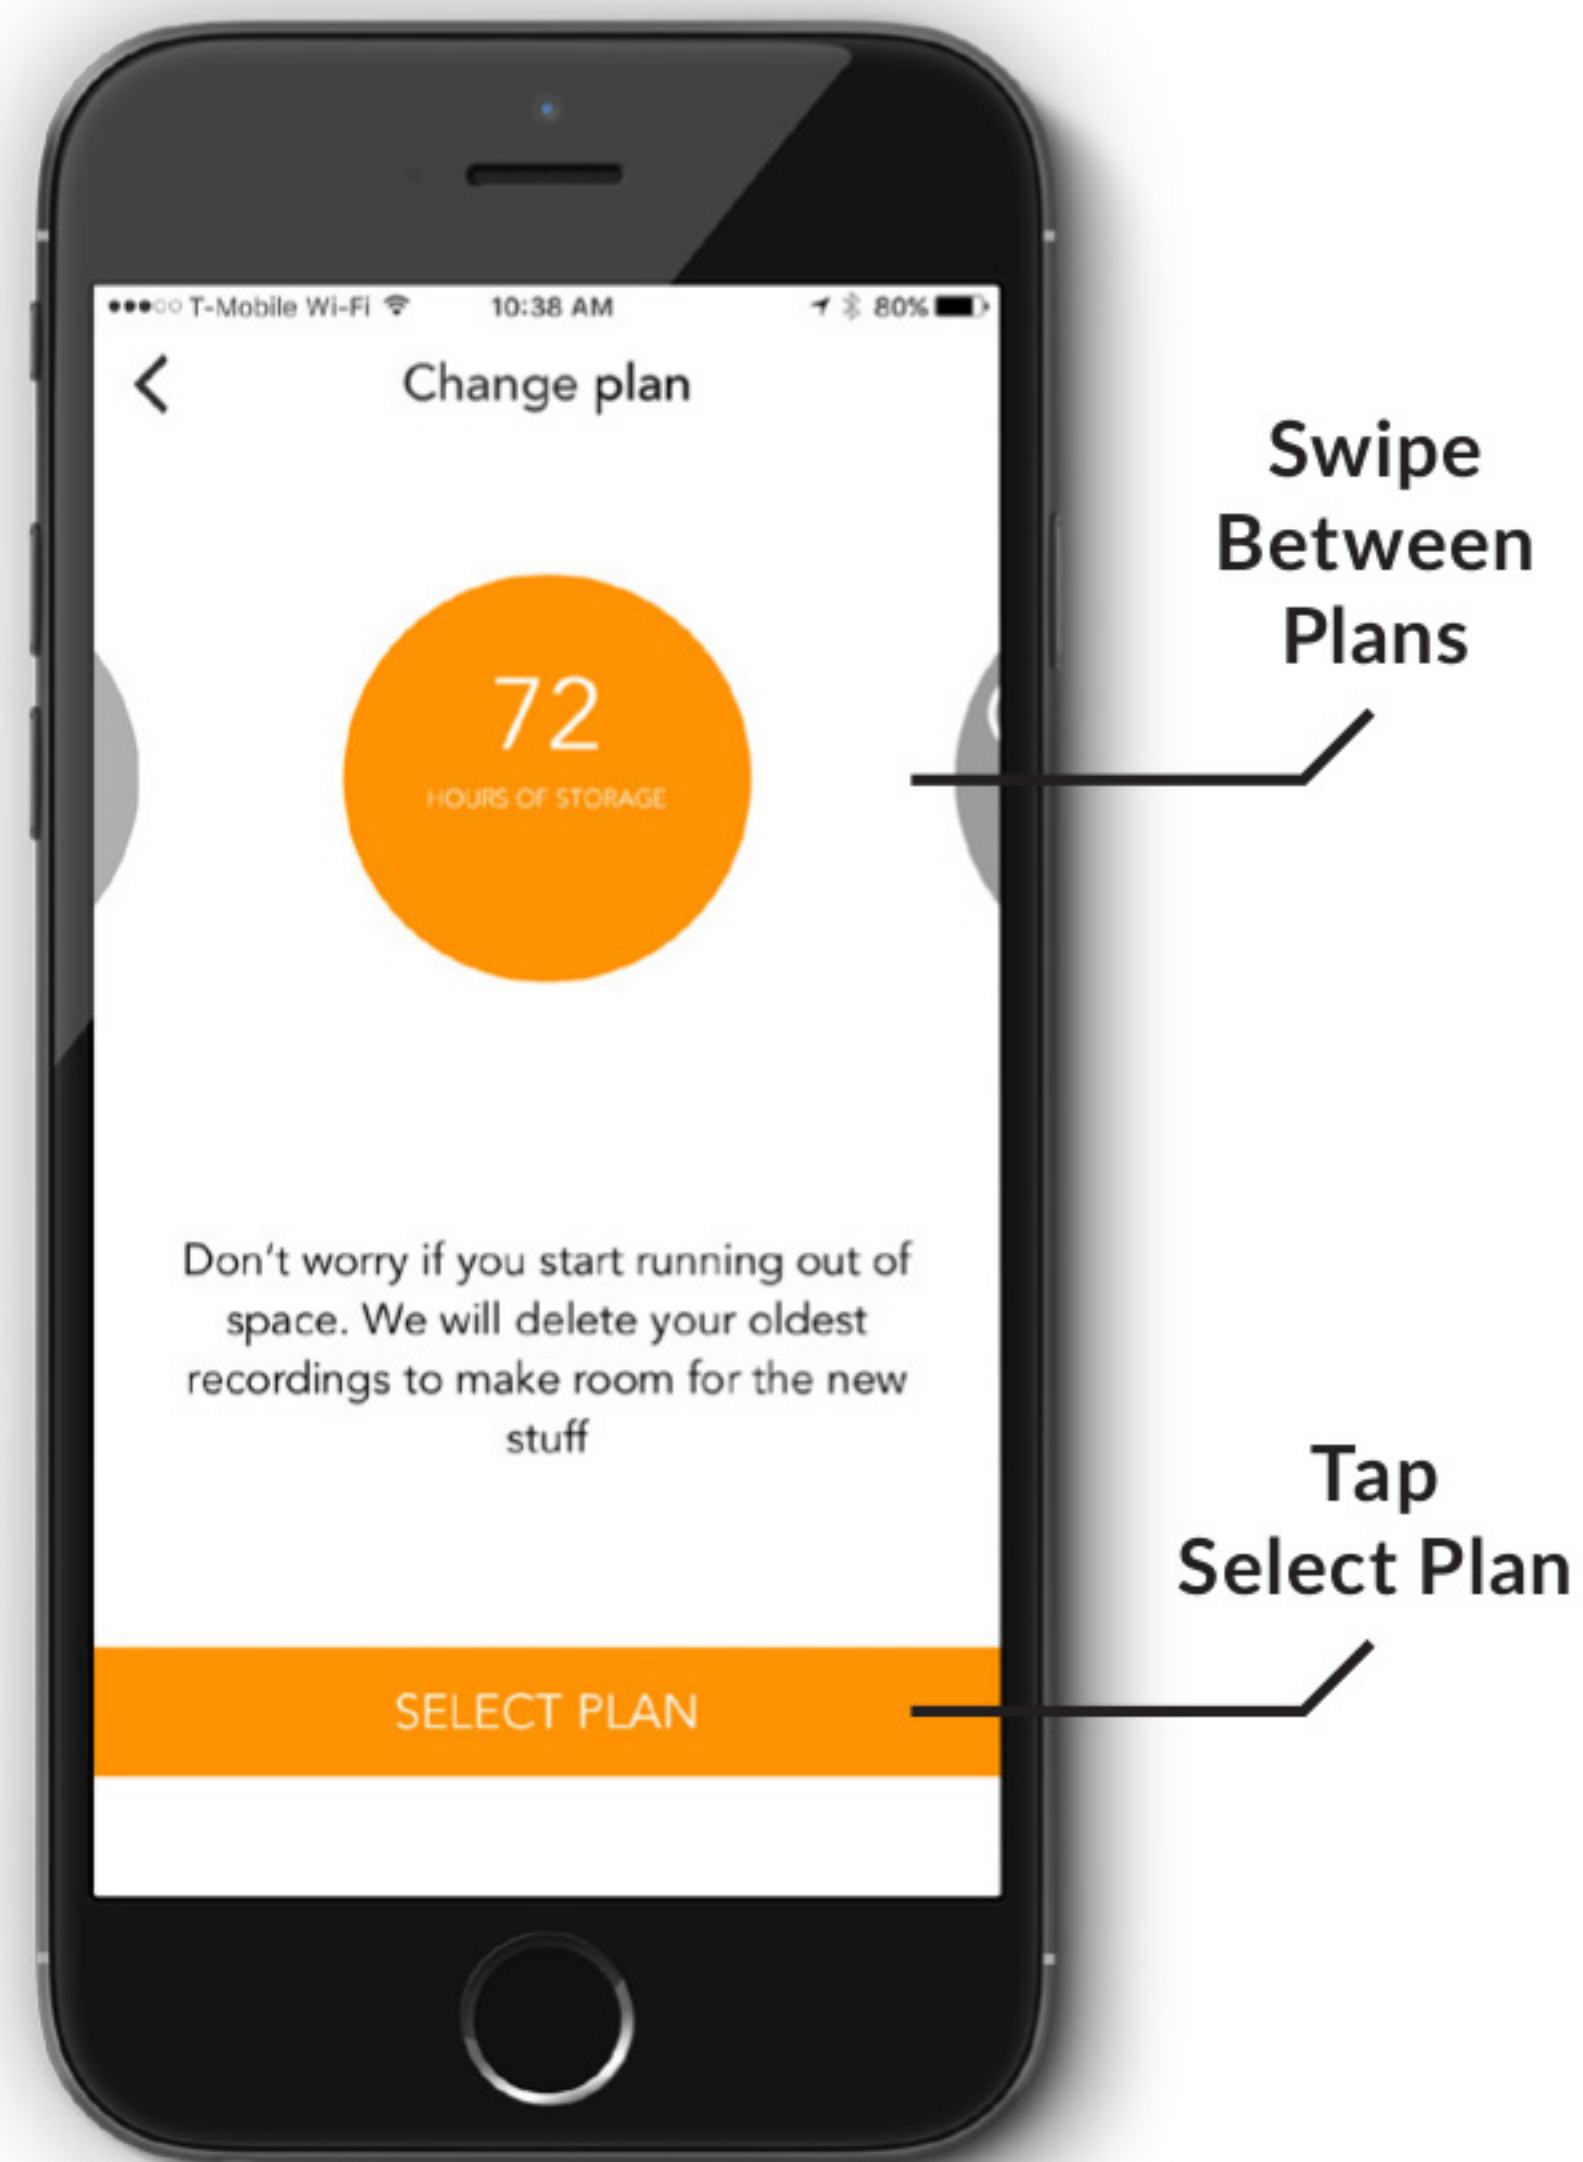

## Select Your Cloud Storage Plan (a.)

When you are ready to select a cloud storage plan you can visit the cloud storage screen by tapping on the **Options** icon, and then tap on the **Cloud Storage** icon for the desired **ALLie Home** from the **My ALLies** dashboard.

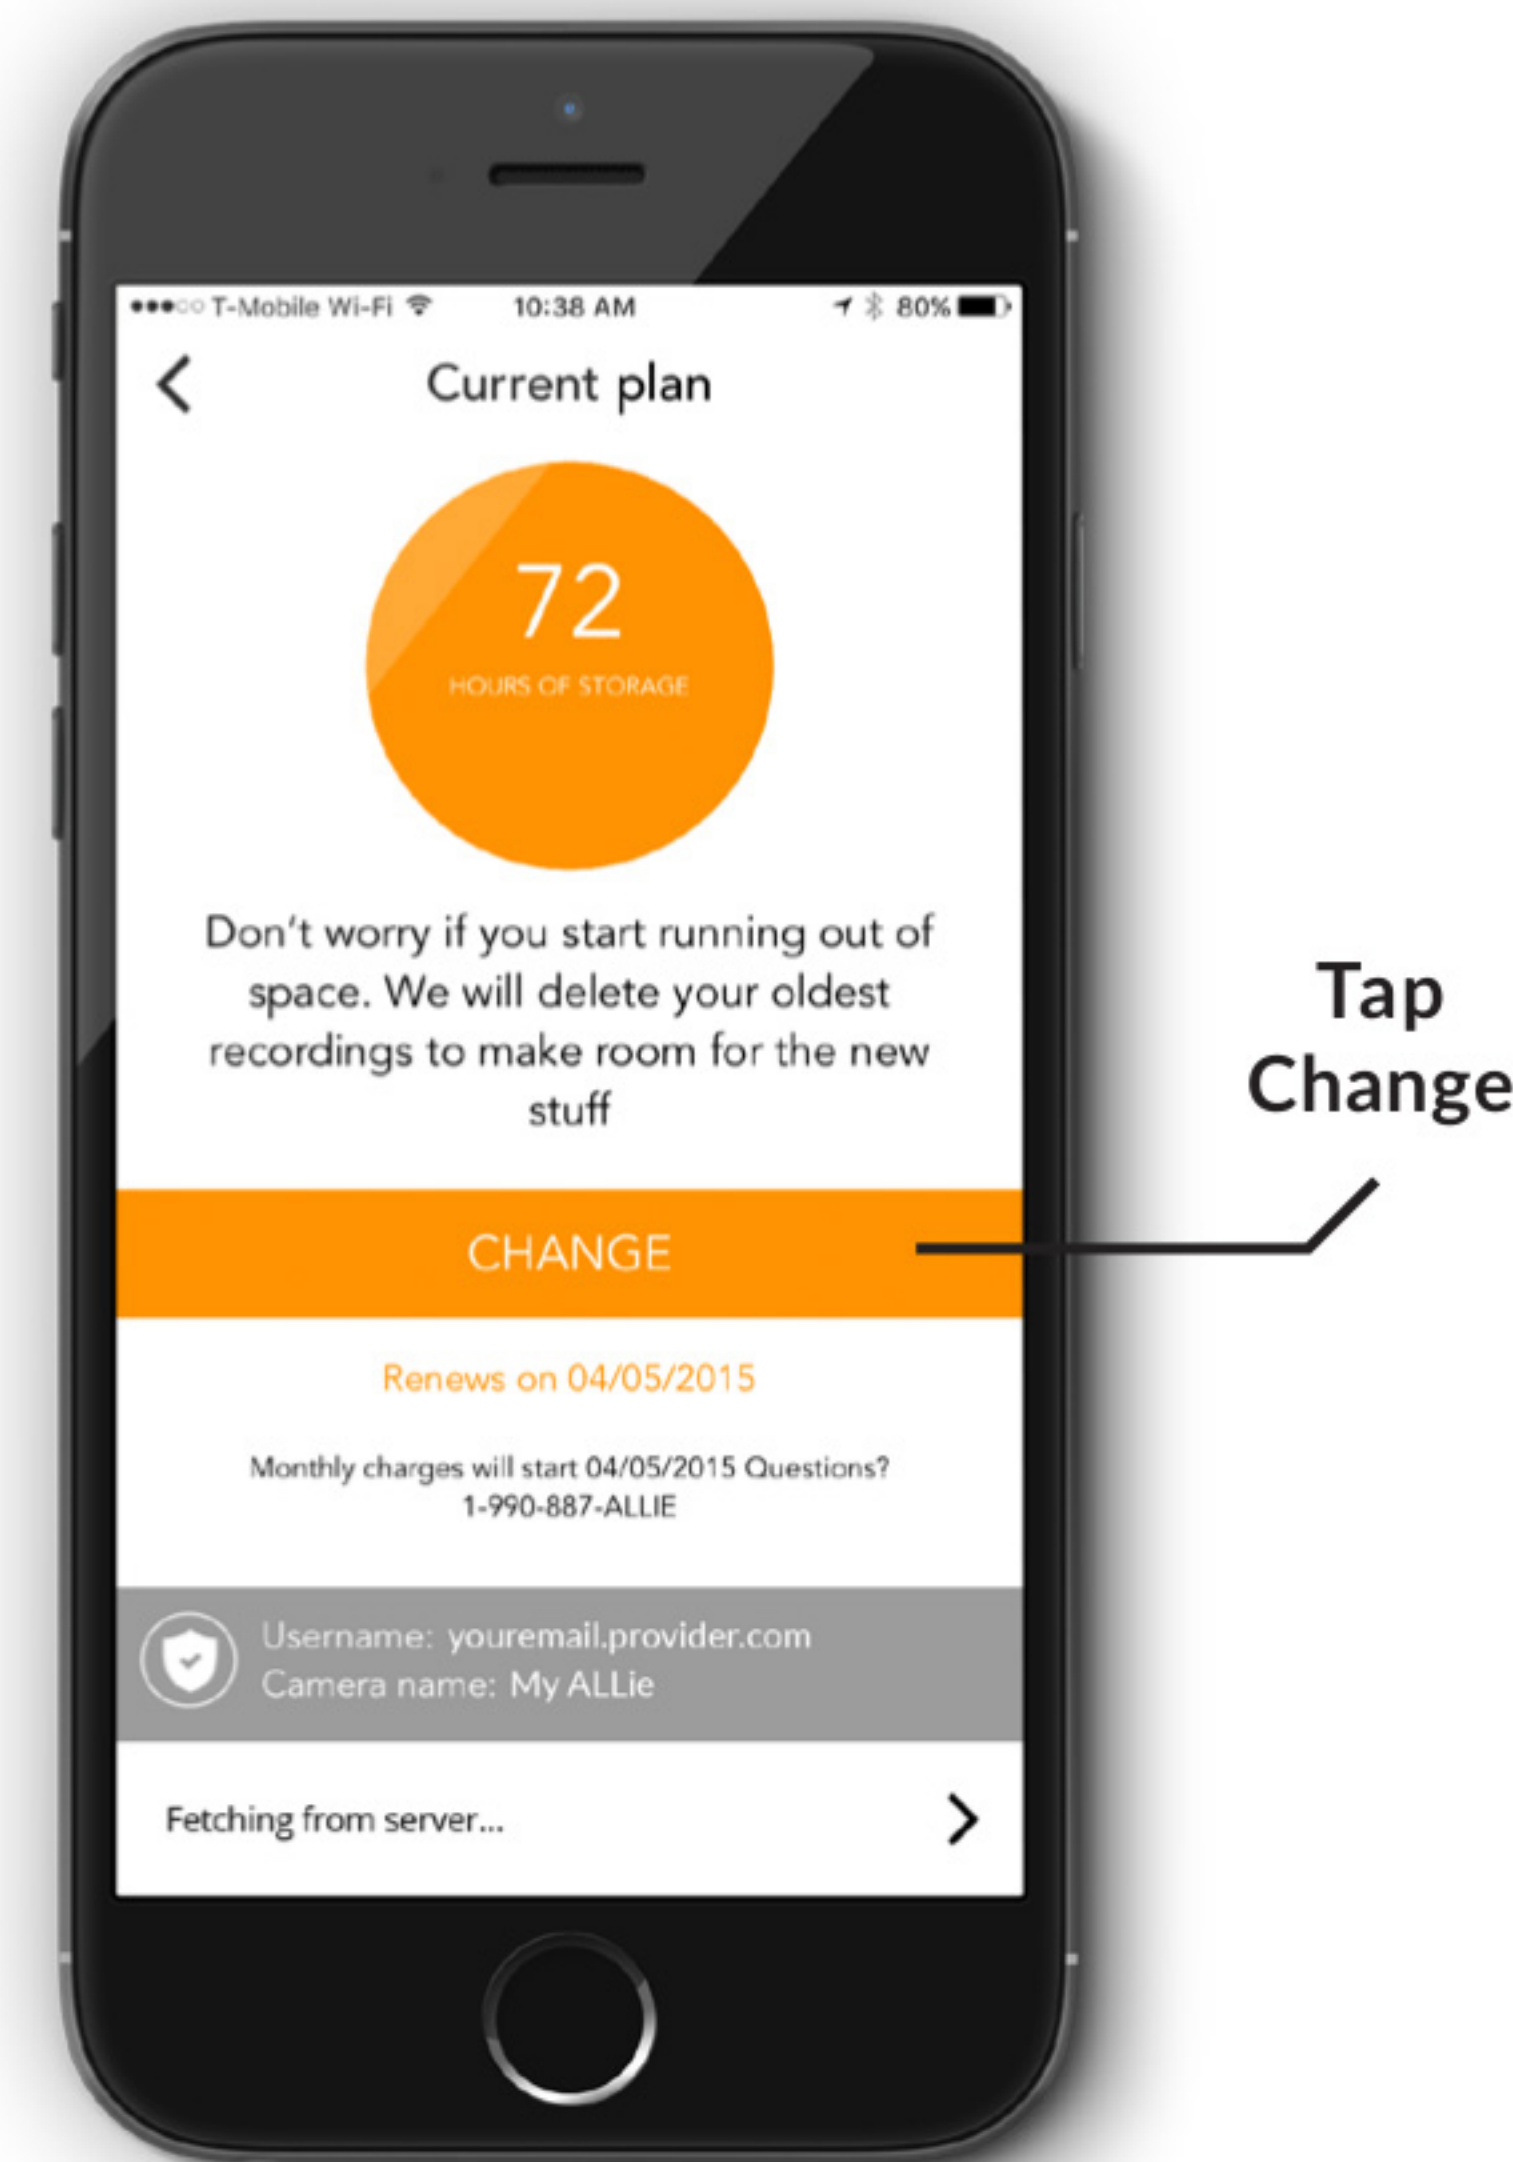

You can browse through plans by swiping left or right on the plans, and when you have decided on a plan you can tap on the **SELECT PLAN** button.

## Select Your Cloud Storage Plan (b.)

After selecting your plan you will be taken to this screen which will display when your selected plan will renew, a support number for any questions regarding your plan, and your account username and camera name.

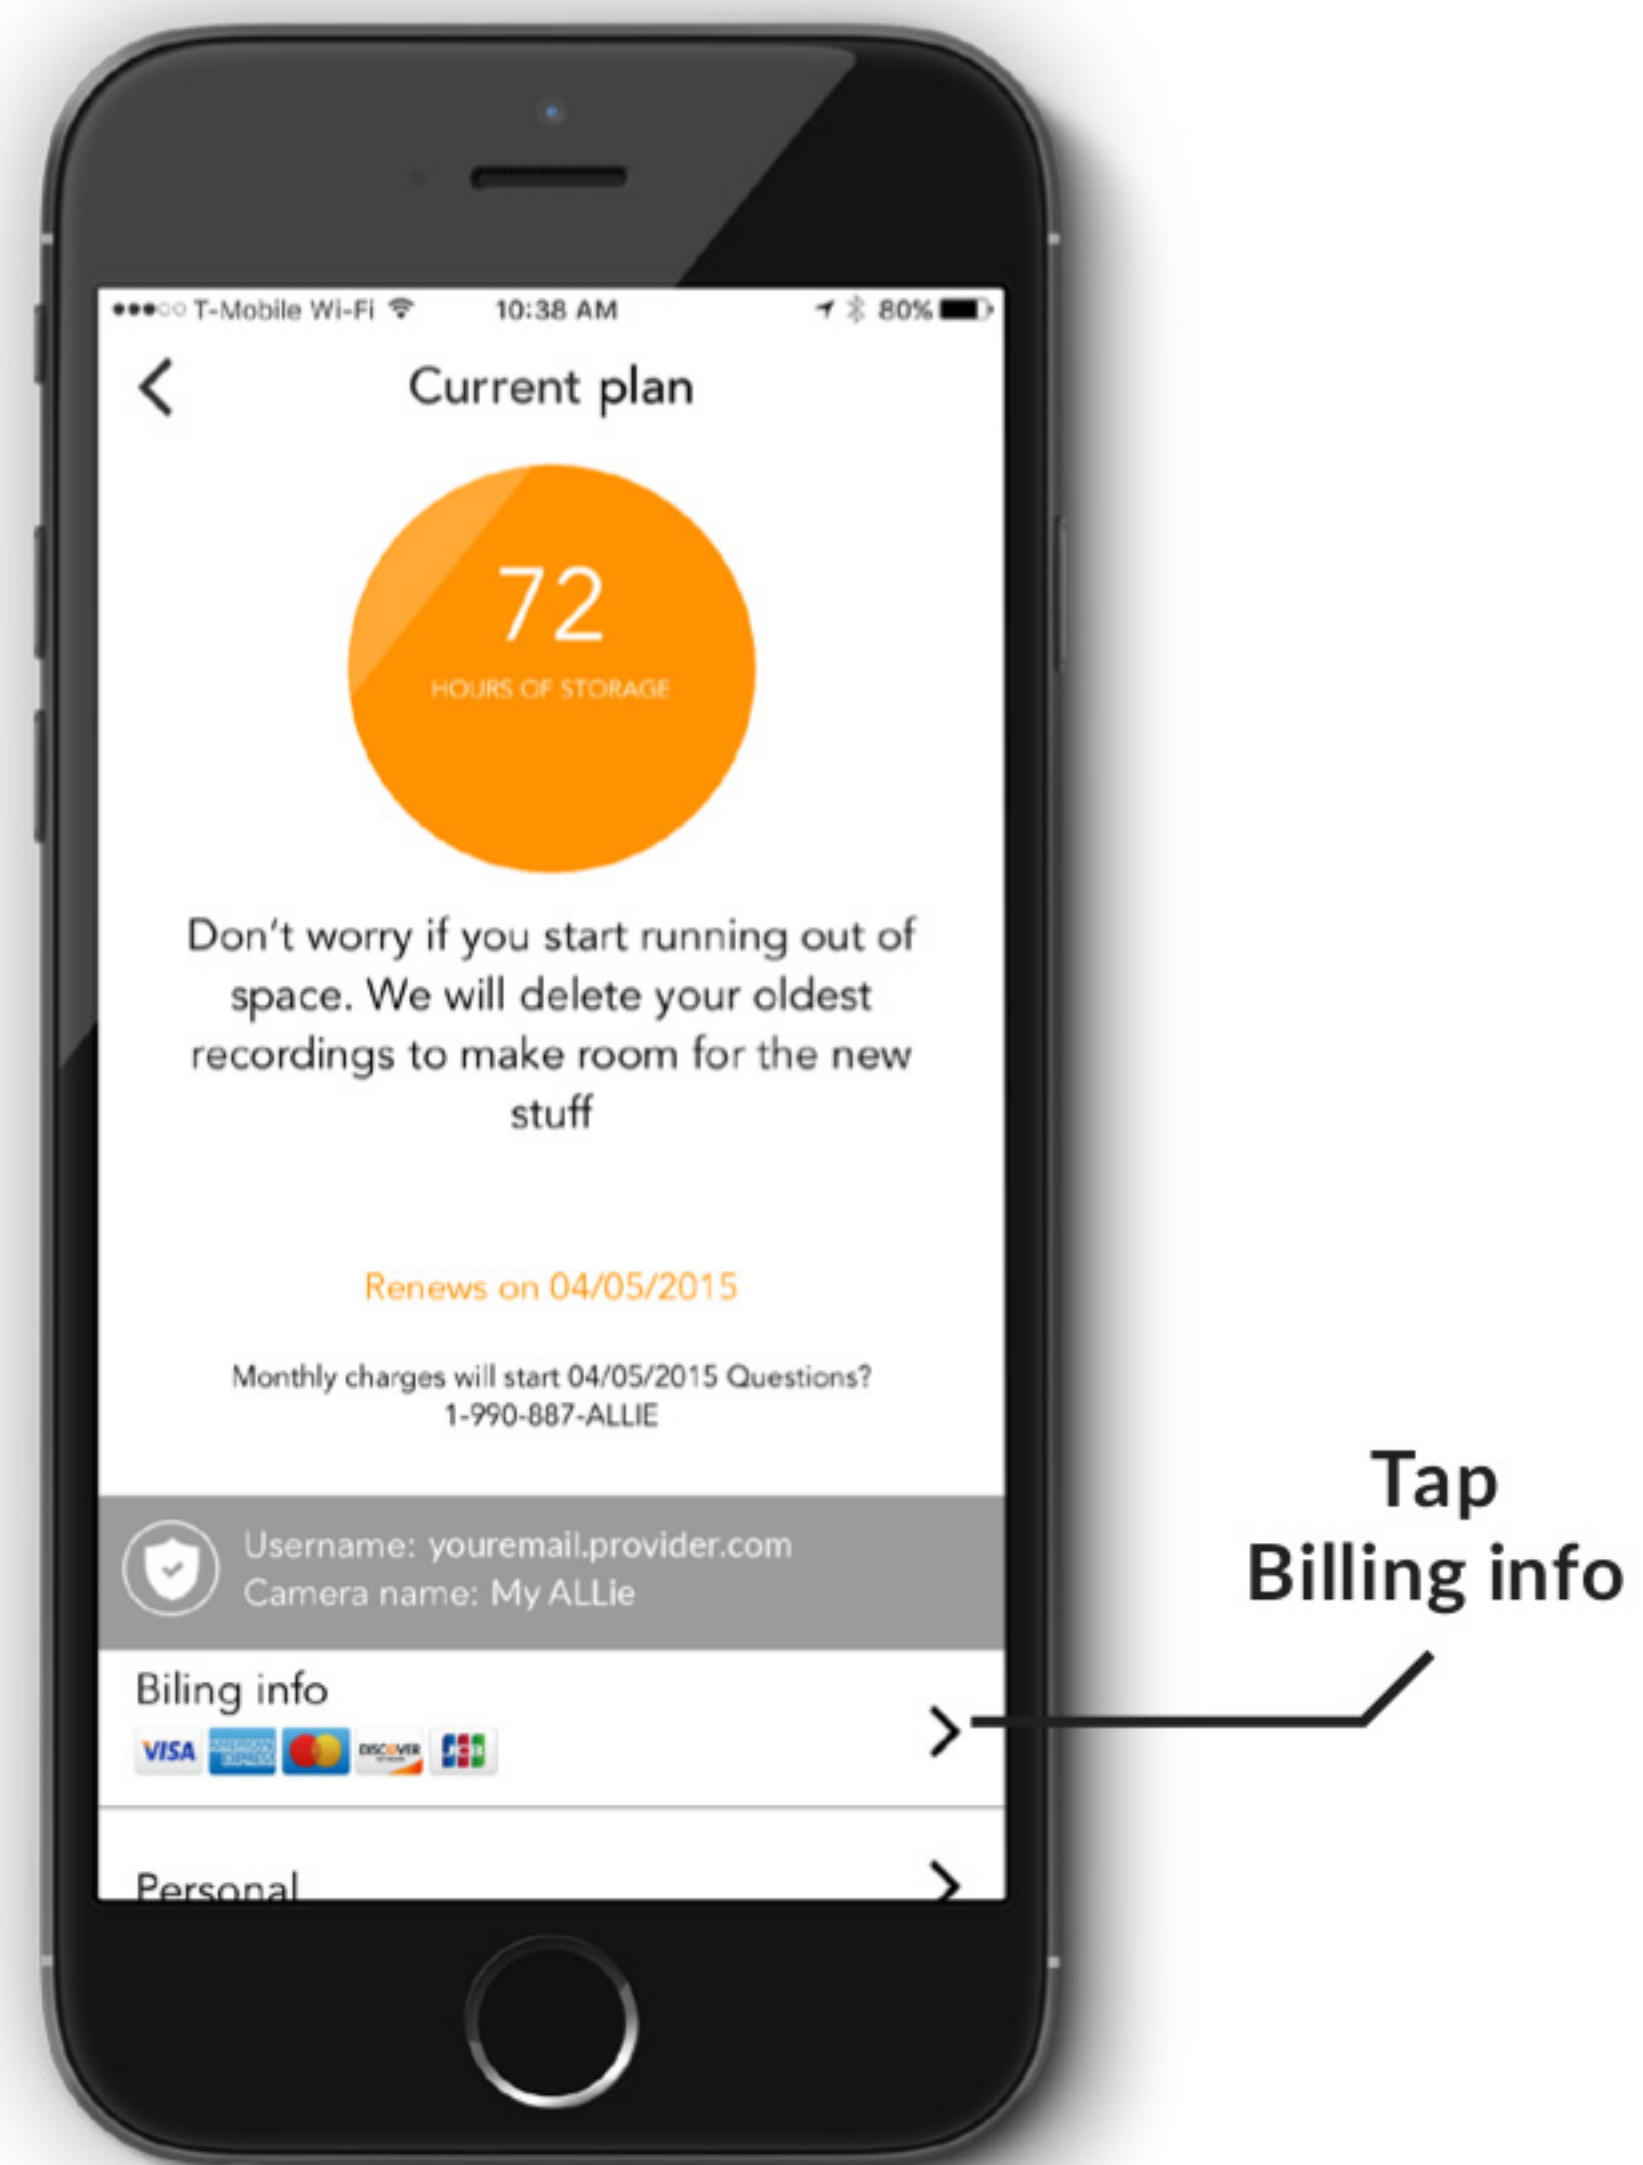

The next step will be to tap on the **CHANGE** button in orange to continue to billing.

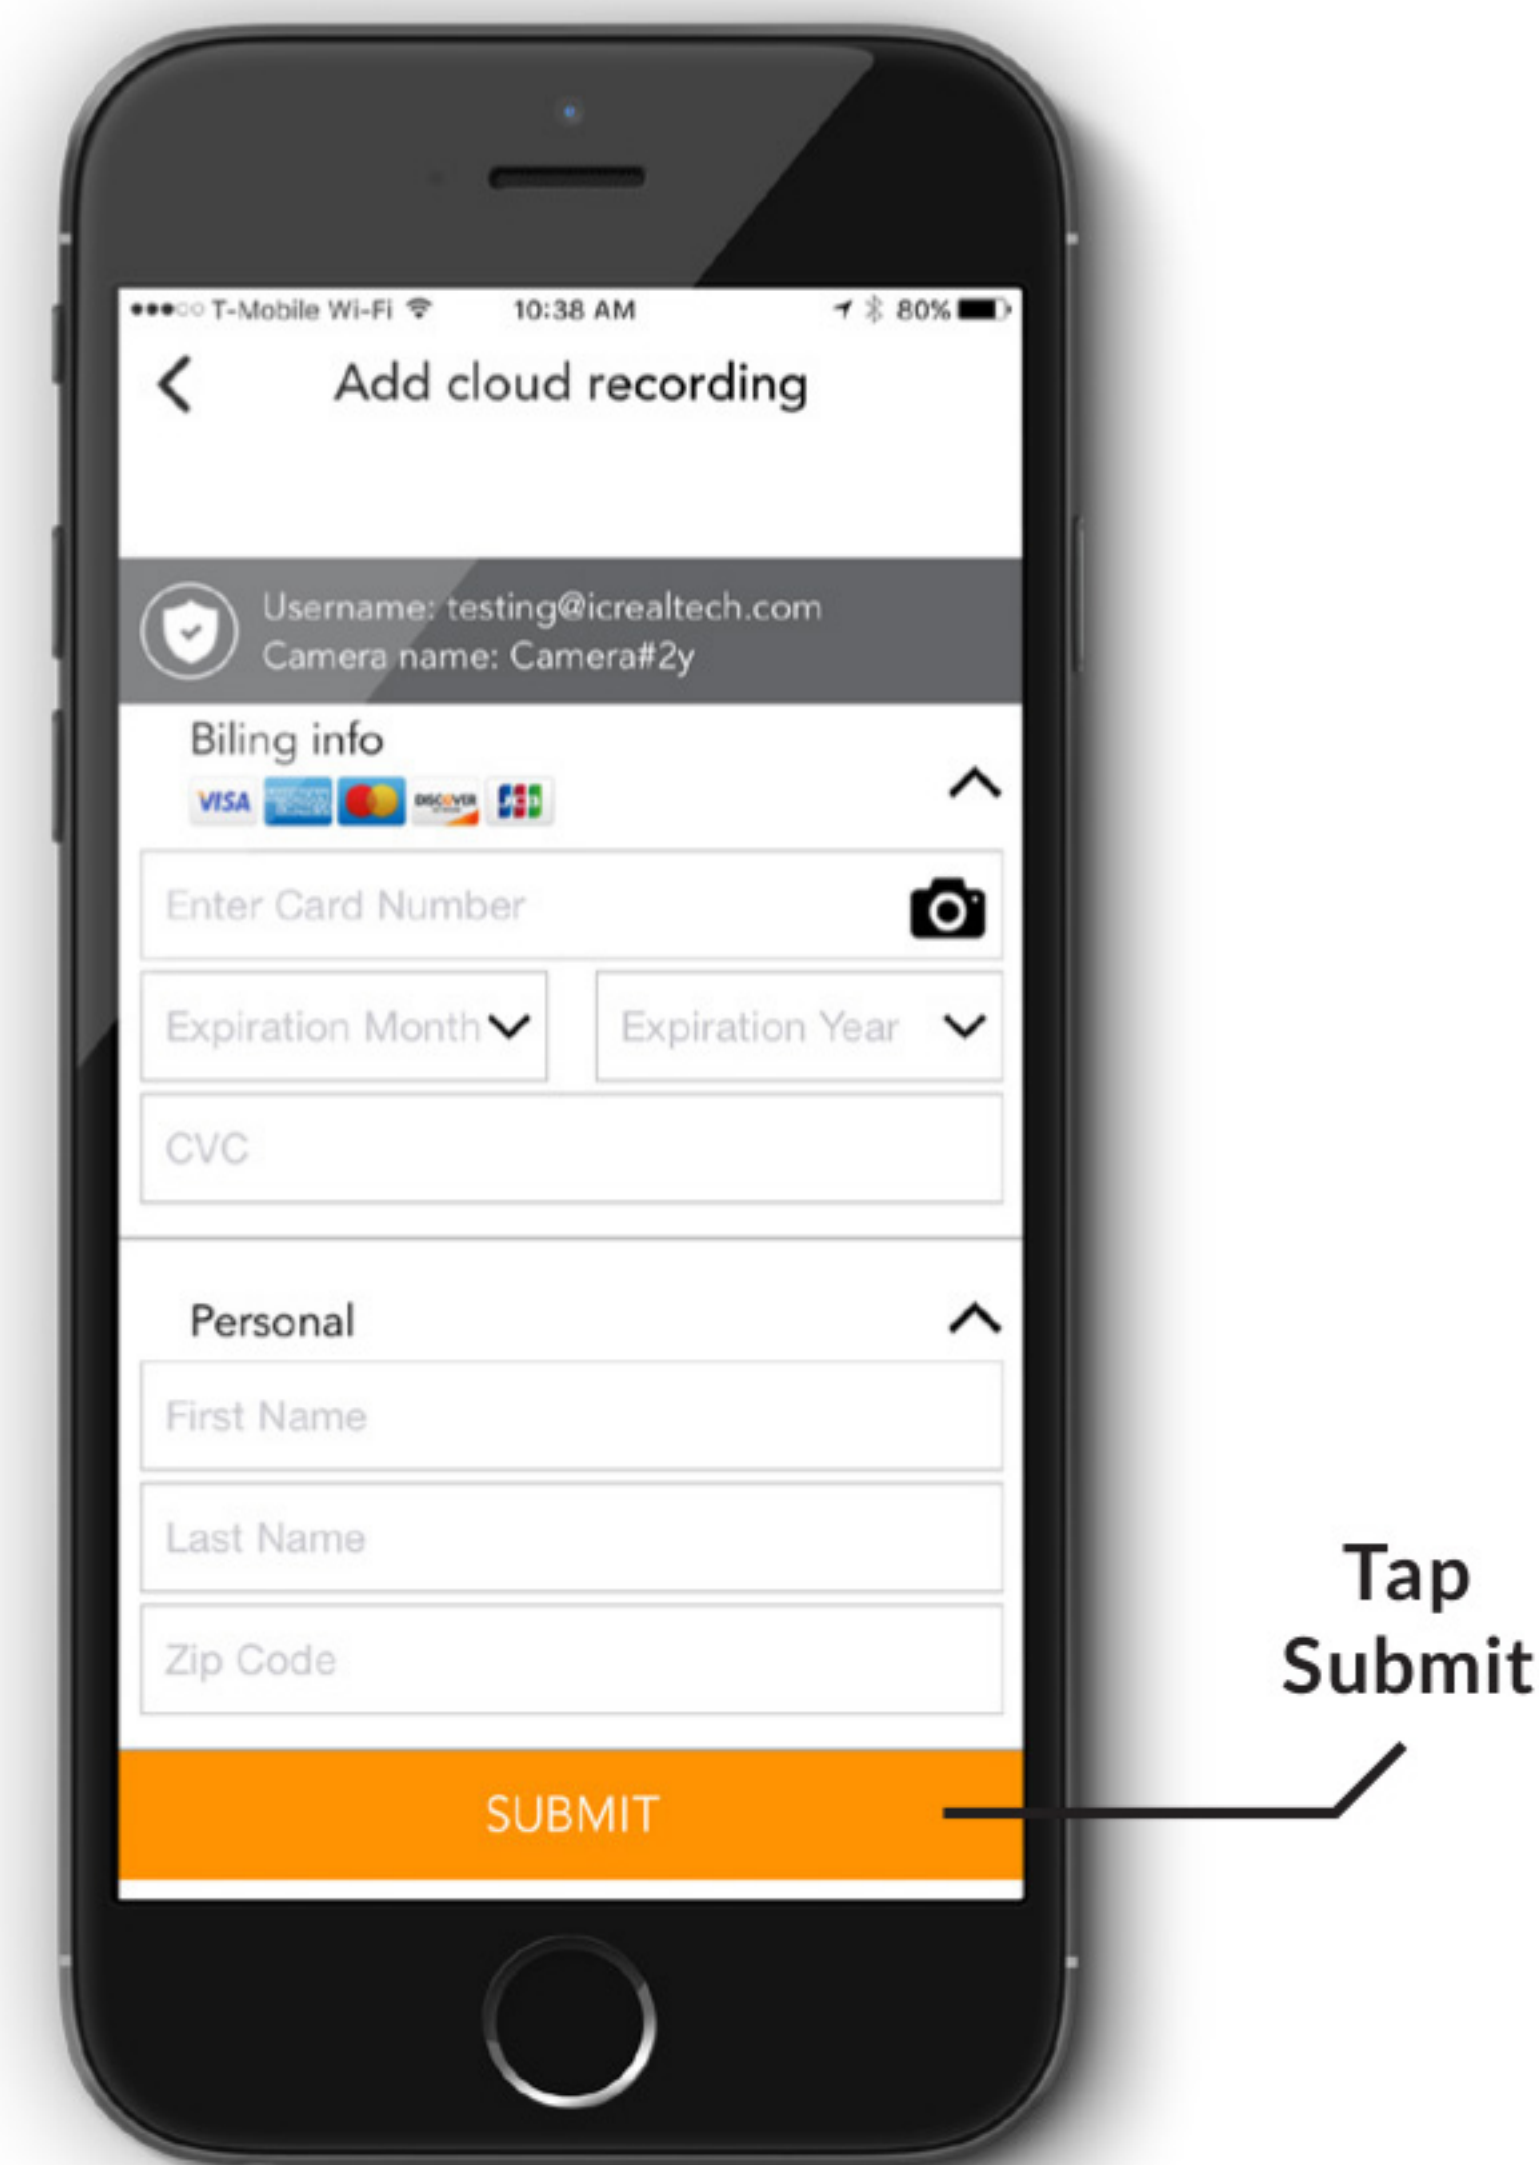

## Entering Your Billing Info (a.)

From this screen you will be able to enter your billing information by tapping on the billing info arrow.

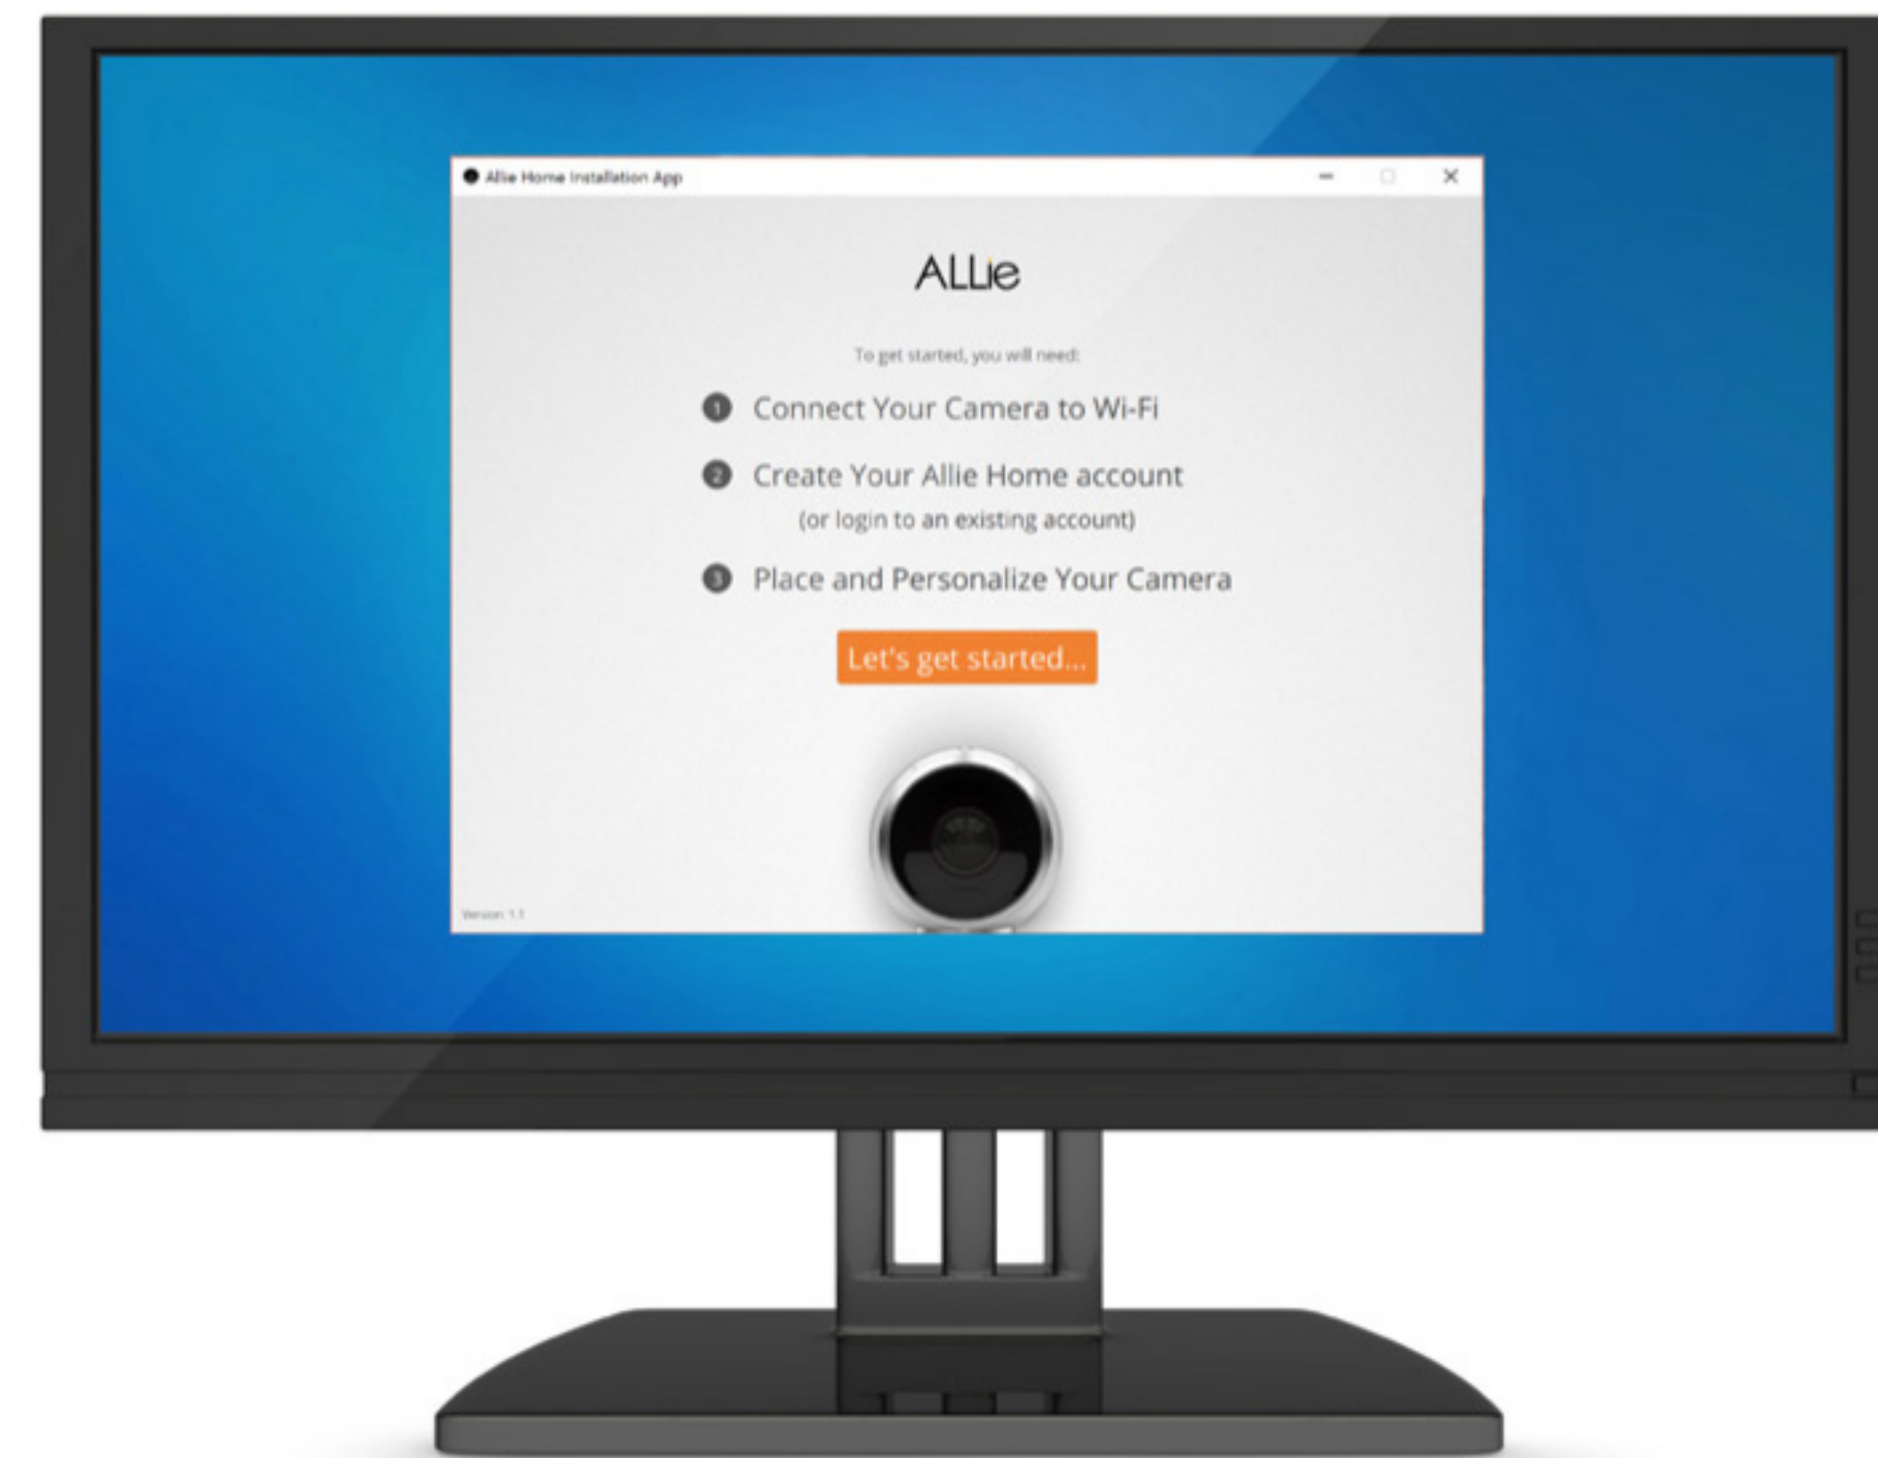

## Entering Your Billing Info (b.)

Once you have entered all of your billing and personal credentials in all of the required fields you can tap on the **SUBMIT** button to confirm the purchase of your cloud storage.

# COMPUTER SETUP

## ALLie Home Support

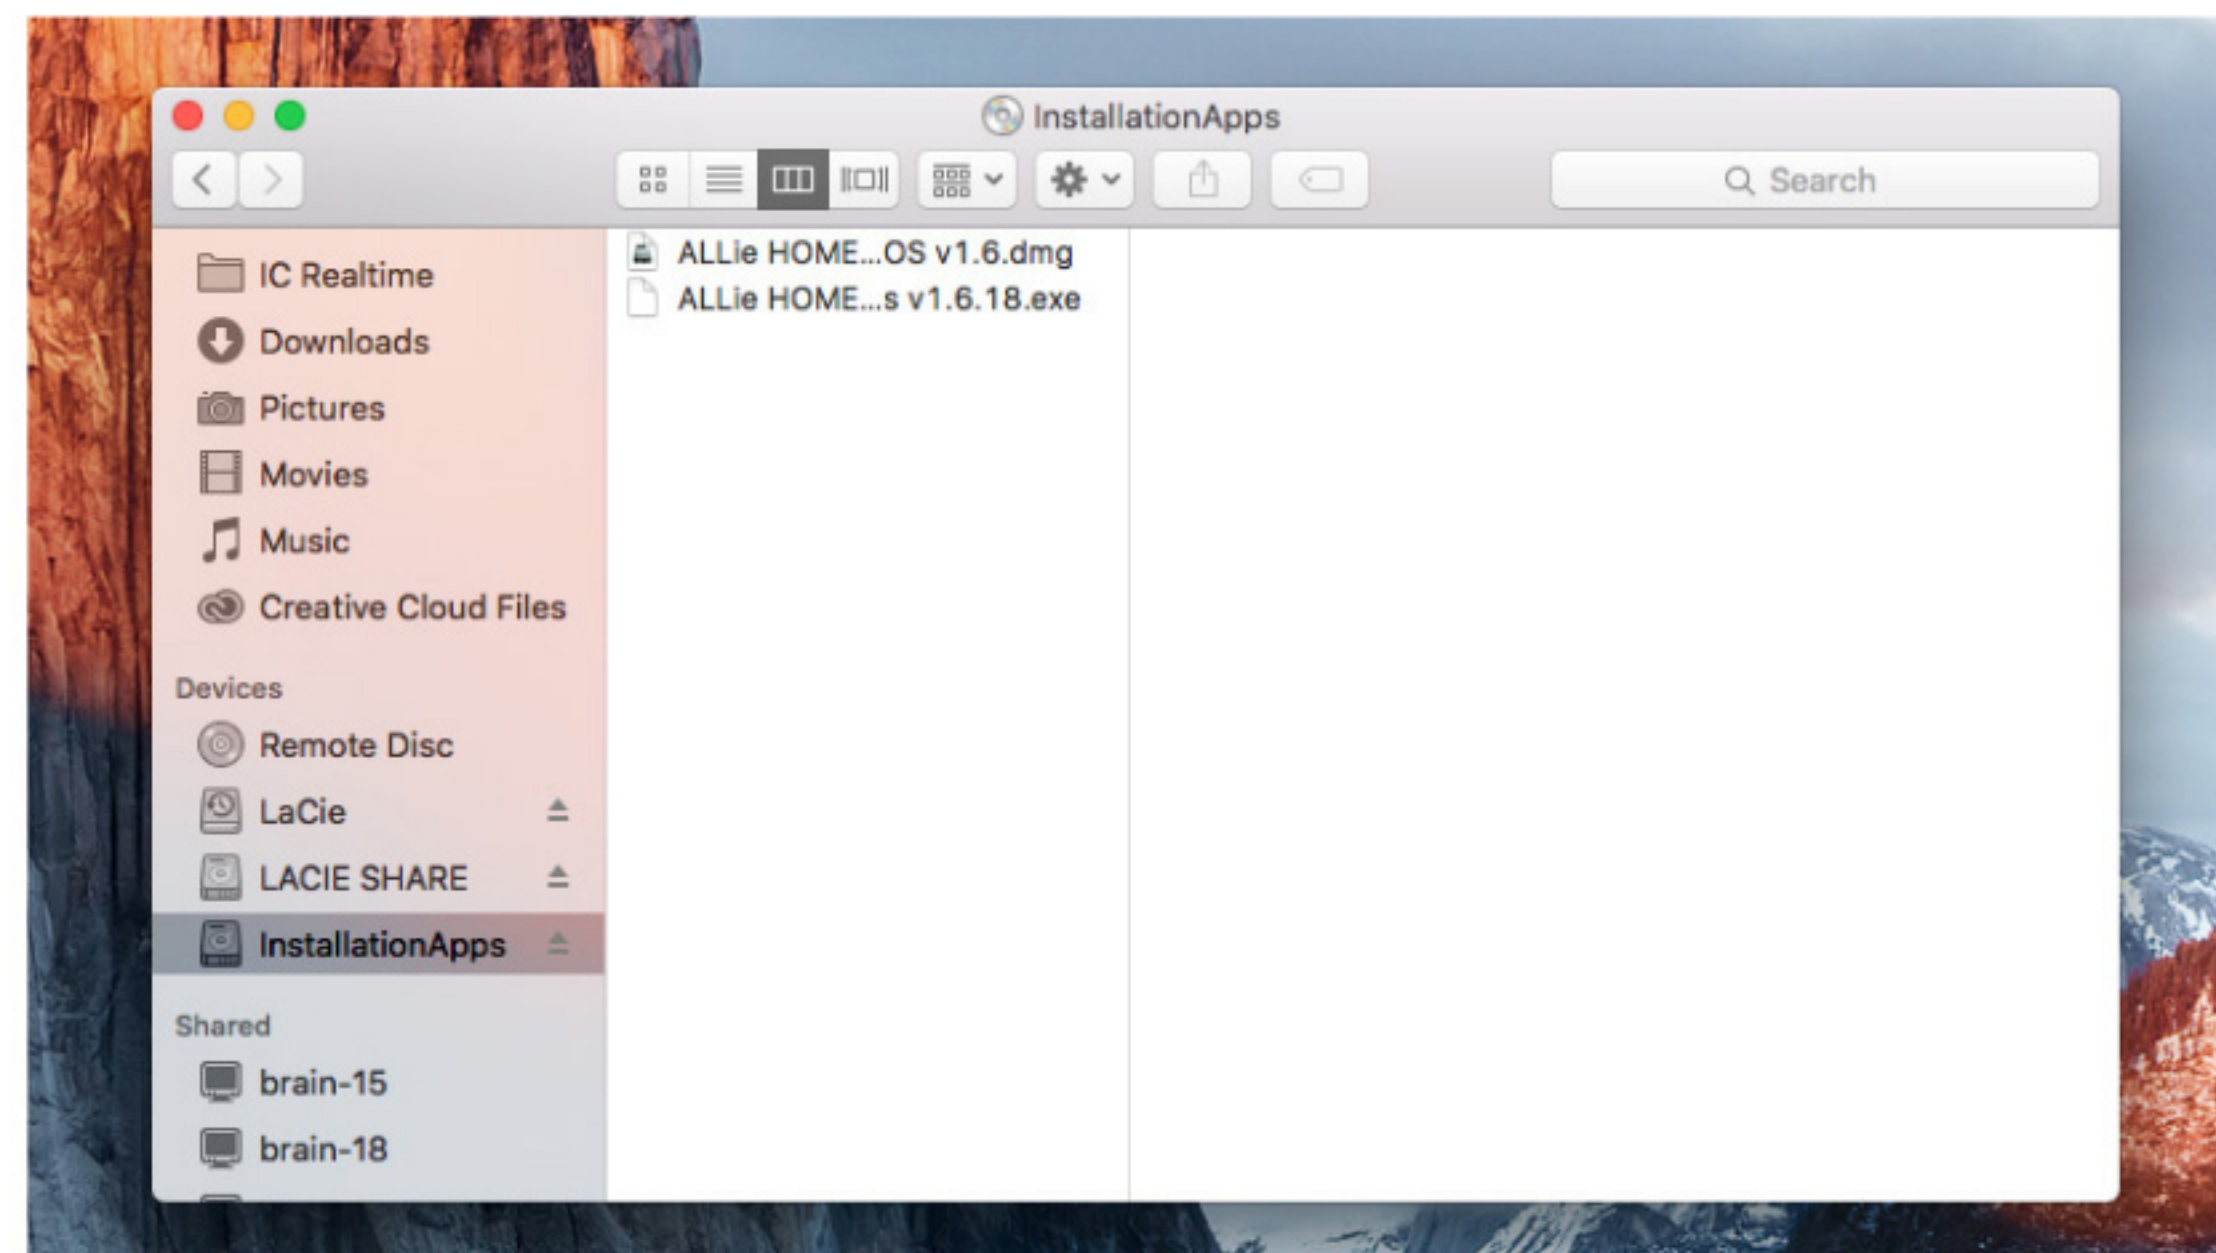

Place the ALLie Home in the foam mold for support during setup.

## Plug in and Launch Installer Application (Mac)

Once you have powered on the ALLie Home and the green light on the front of the camera is steady, plug the USB from the ALLie Home into your computer. Once plugged in open up a finder window, and click on the **Installation Apps** option under your Devices. Then launch the . file by clicking on it.

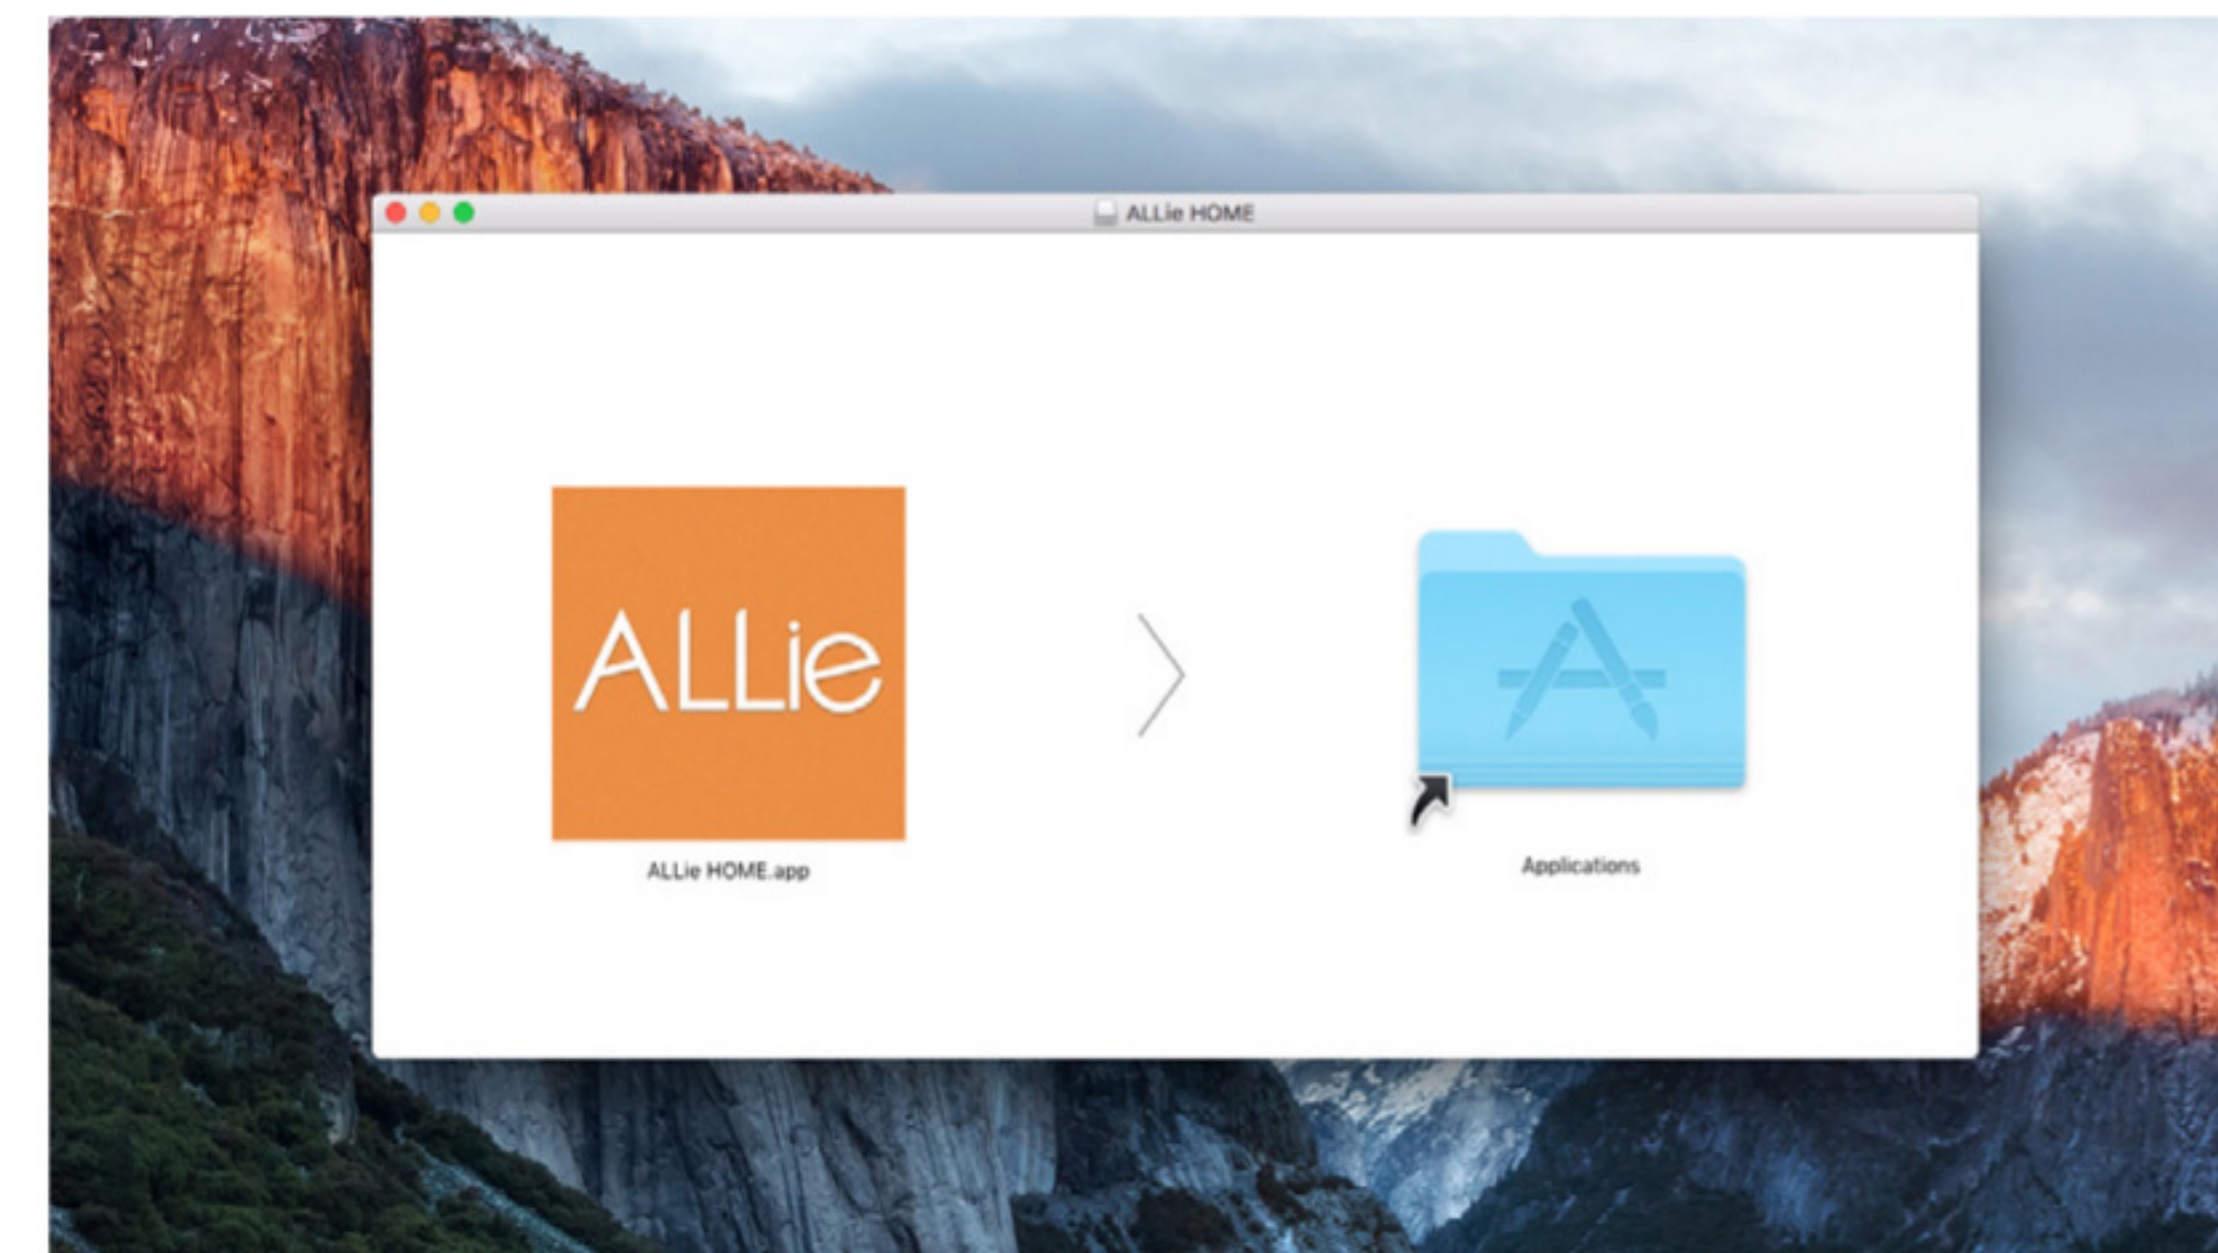

## Install the App (Mac)

Drag the ALLie app icon on the left into the applications folder on the right.

Afterwards locate the ALLie application in your Applications Folder, and launch it to begin.

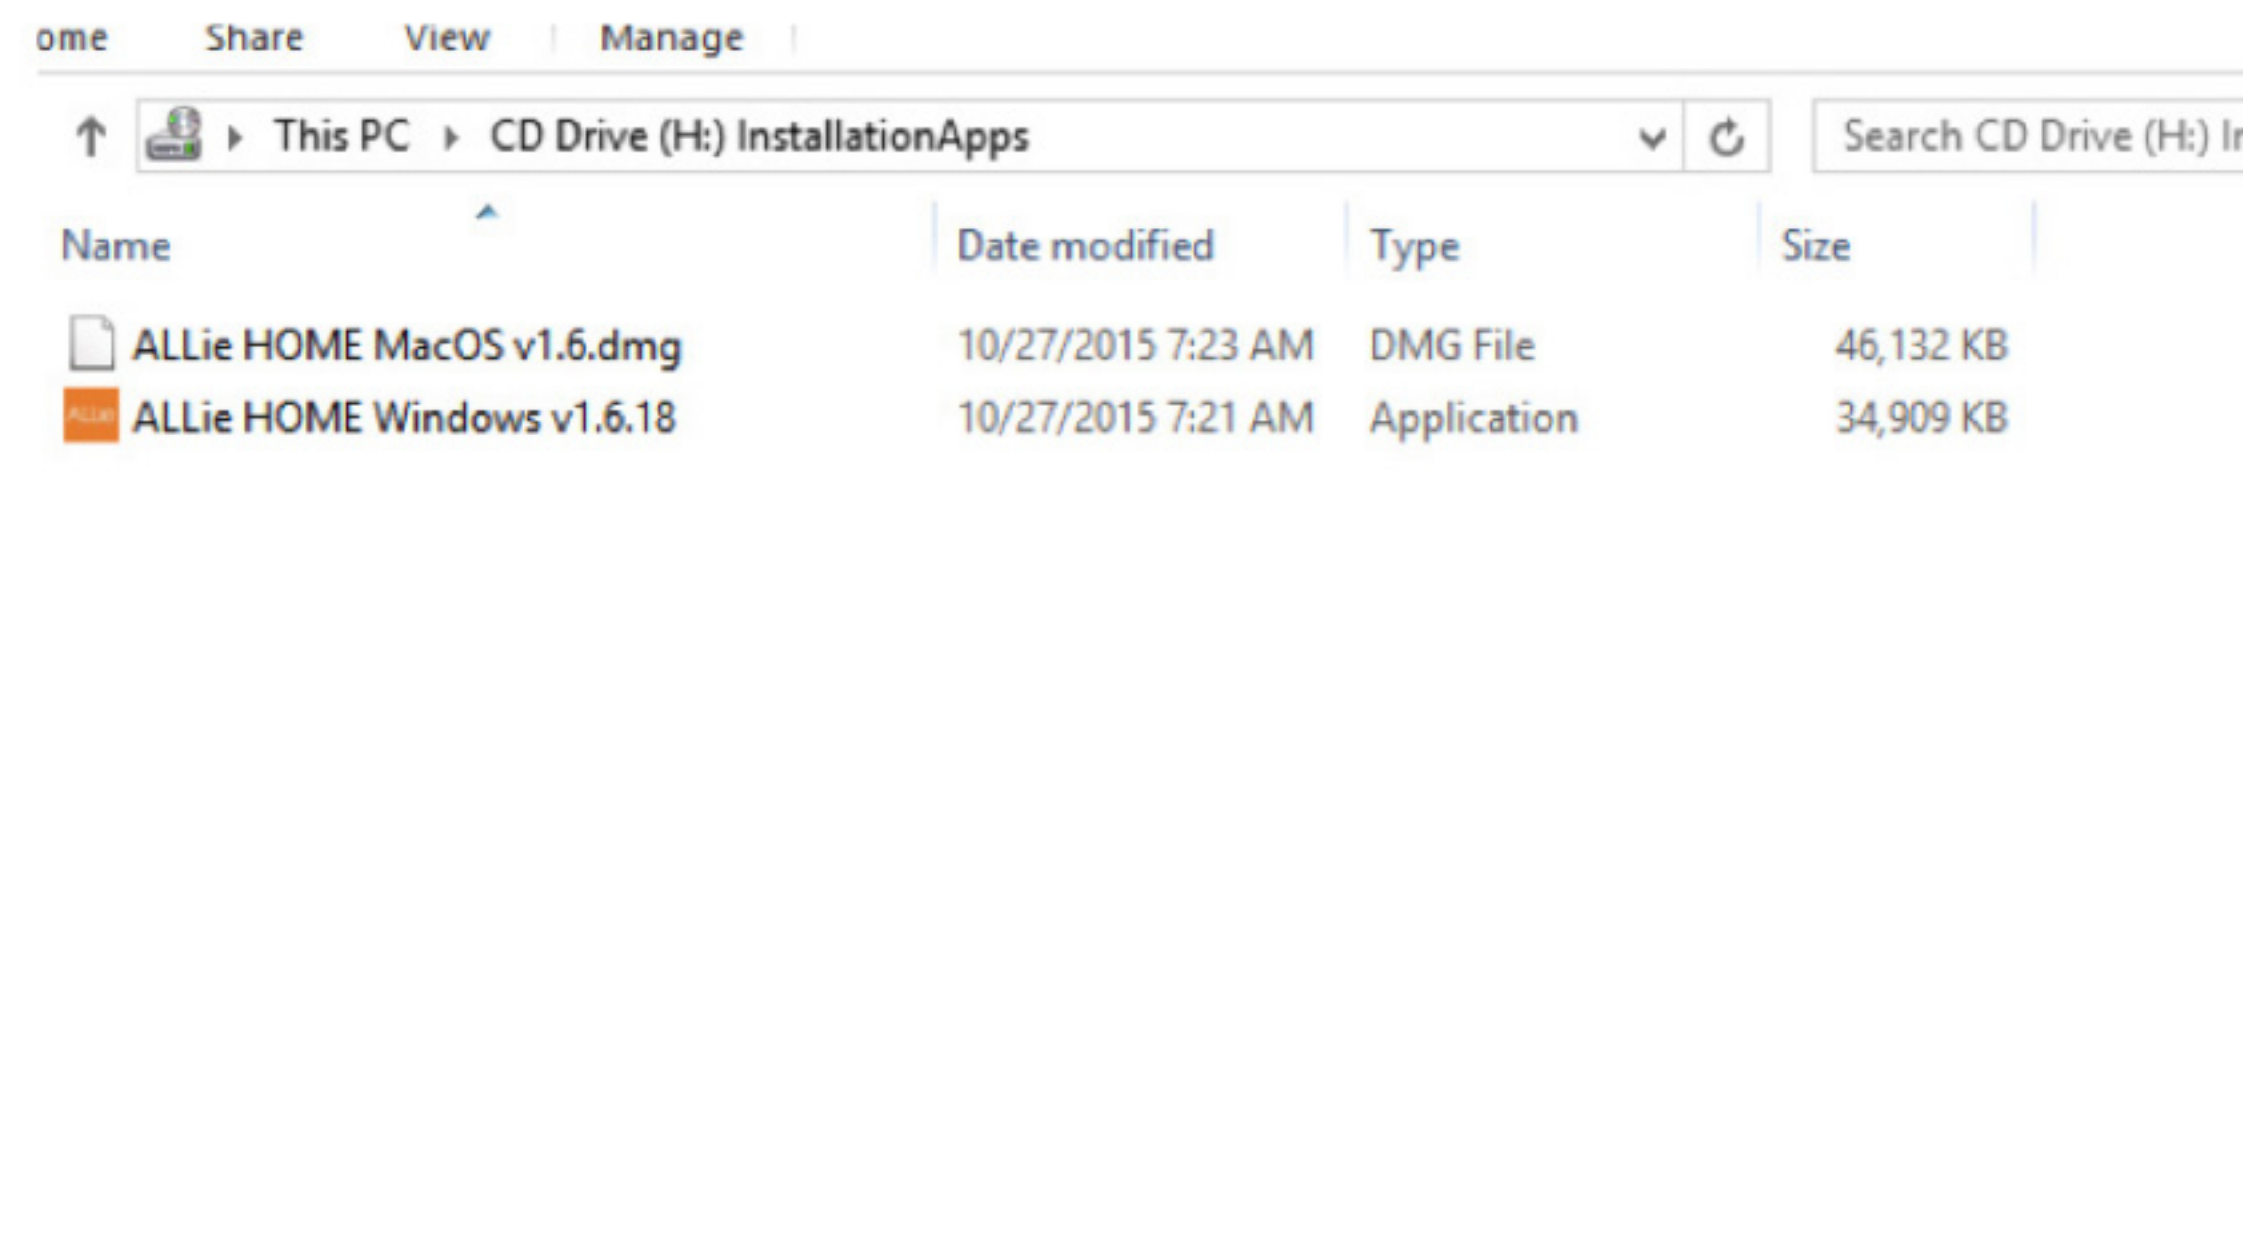

(Continue Installation on Pg.

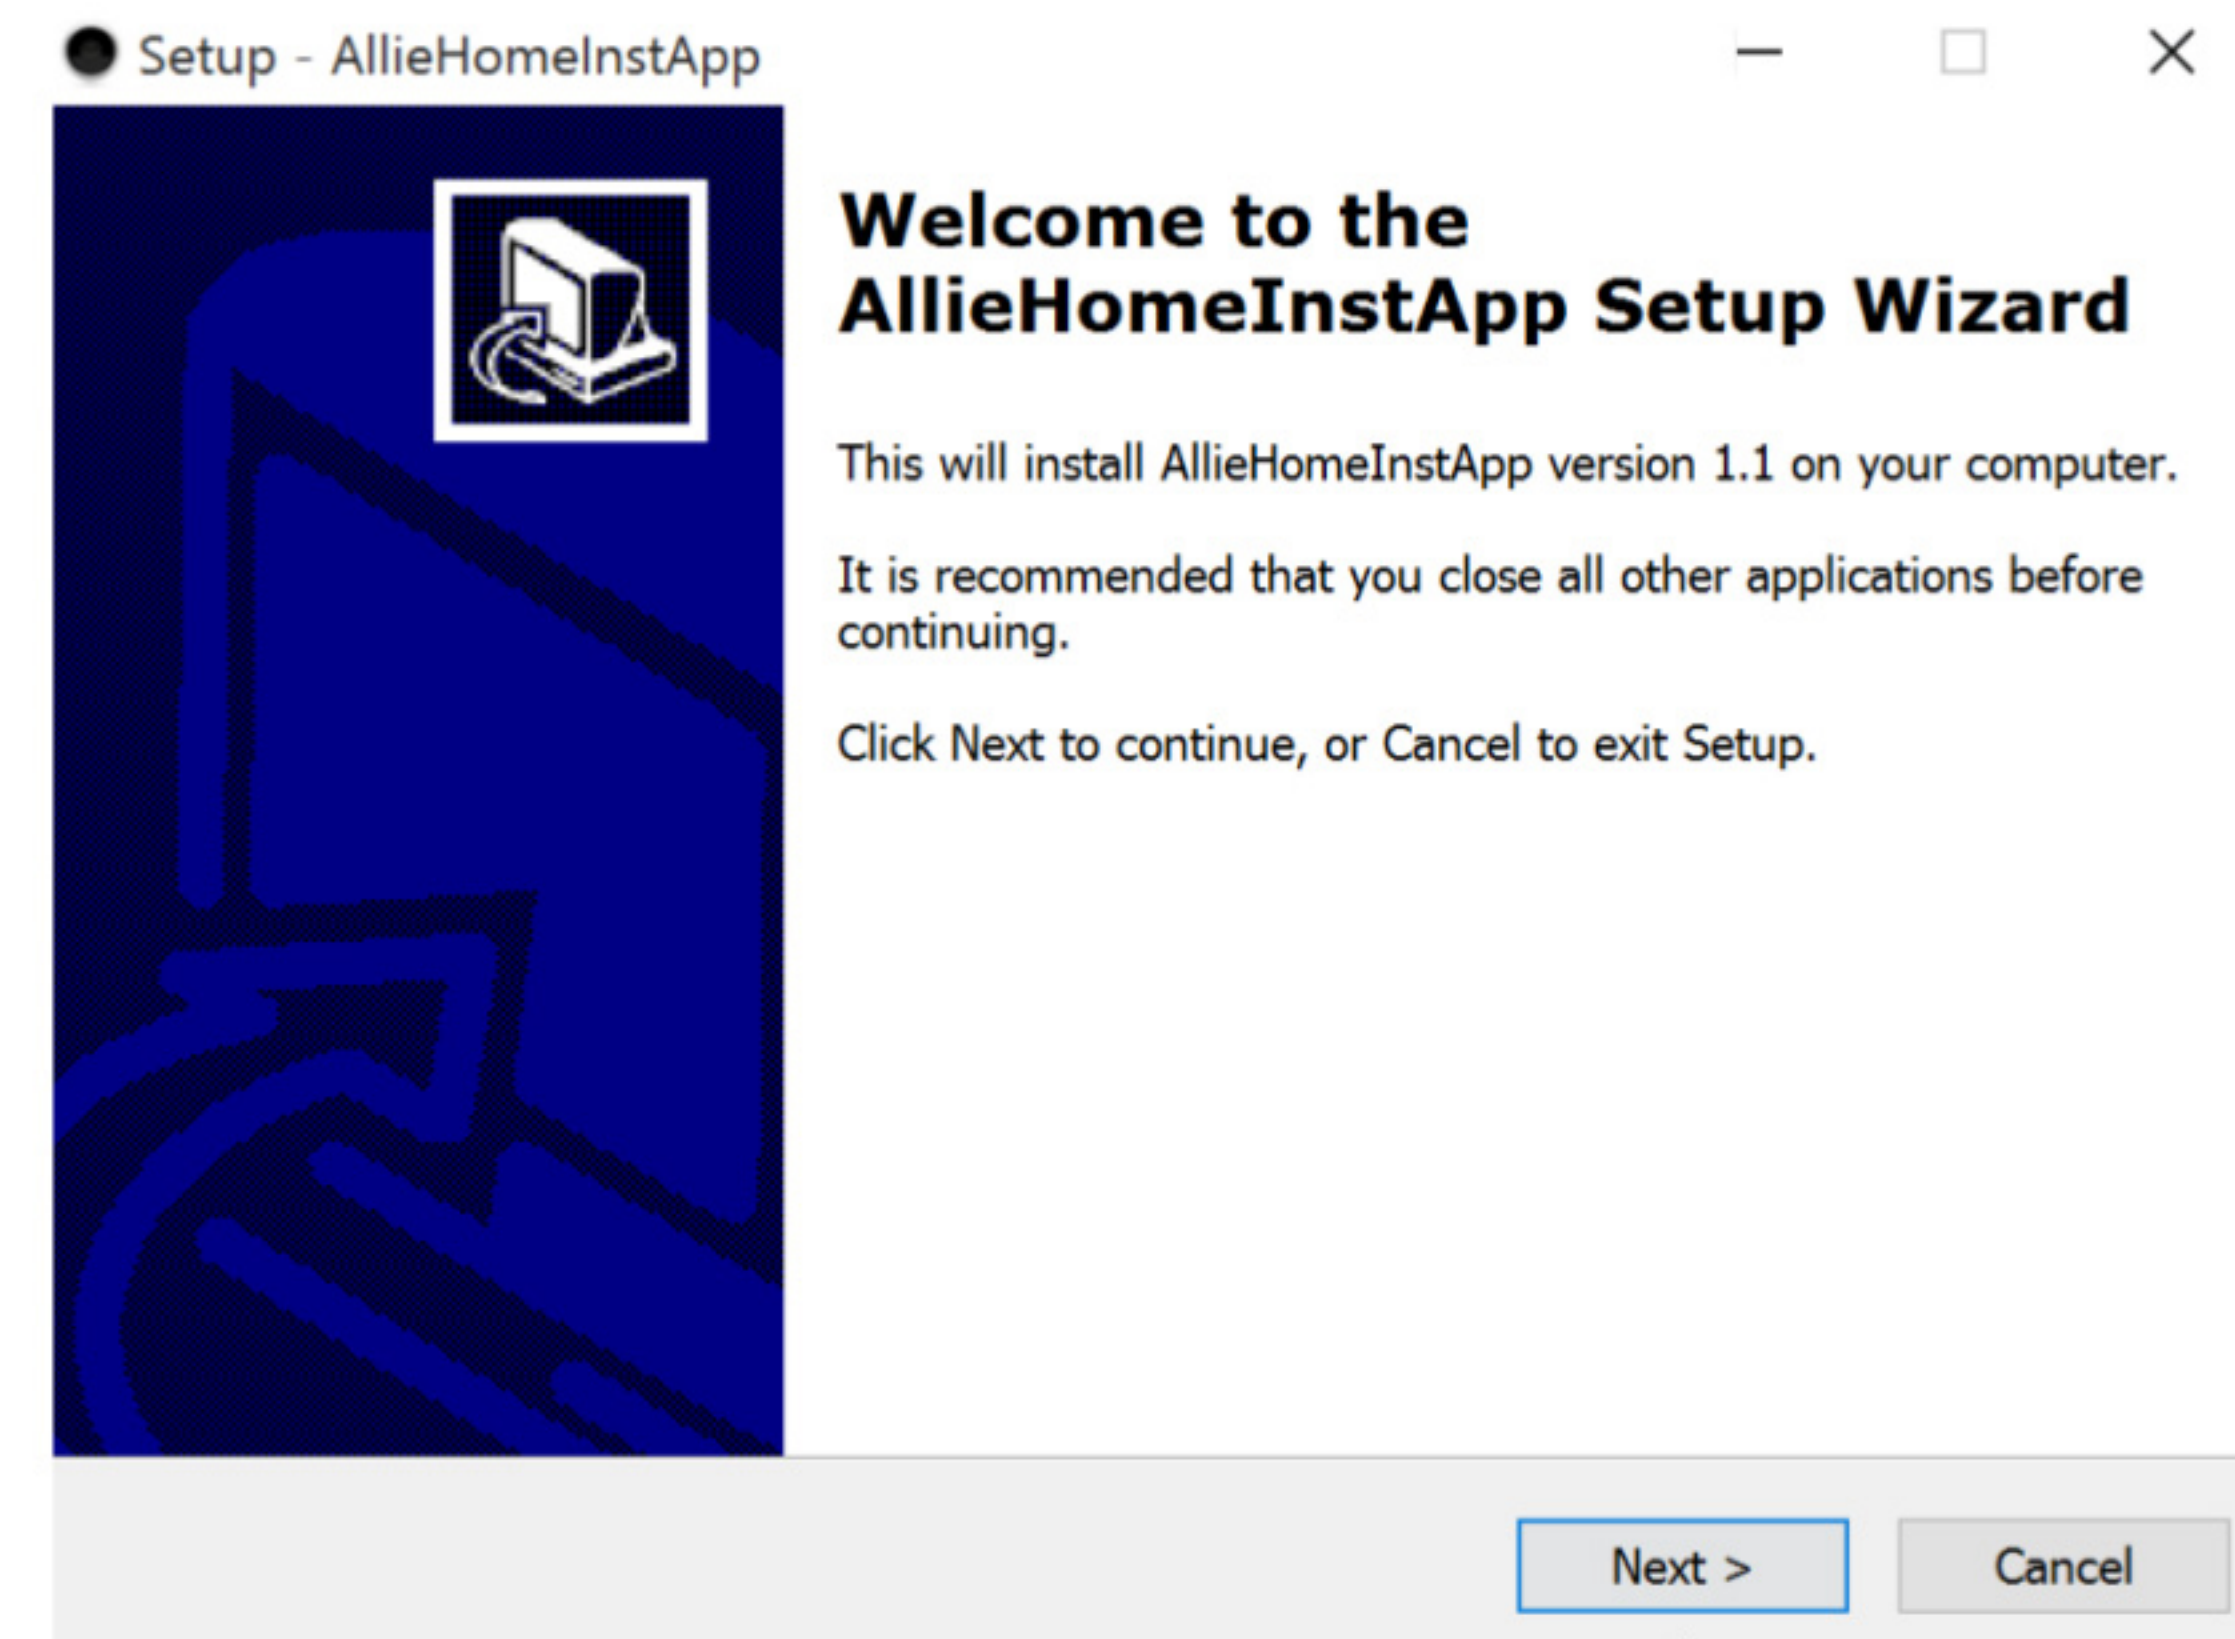

## Plug in and Launch Installer Application

Once you have powered on the ALLie Home and the green light on the front of the camera is steady, plug the USB from the ALLie Home into a USB port on your computer. A folder will automatically open where you can click on the Installer.

## Setup Wizard

The Setup Wizard will launch after clicking on the installer. To begin the setup process click on the **Next >** button located at the bottom right hand corner of the Setup Wizard window.

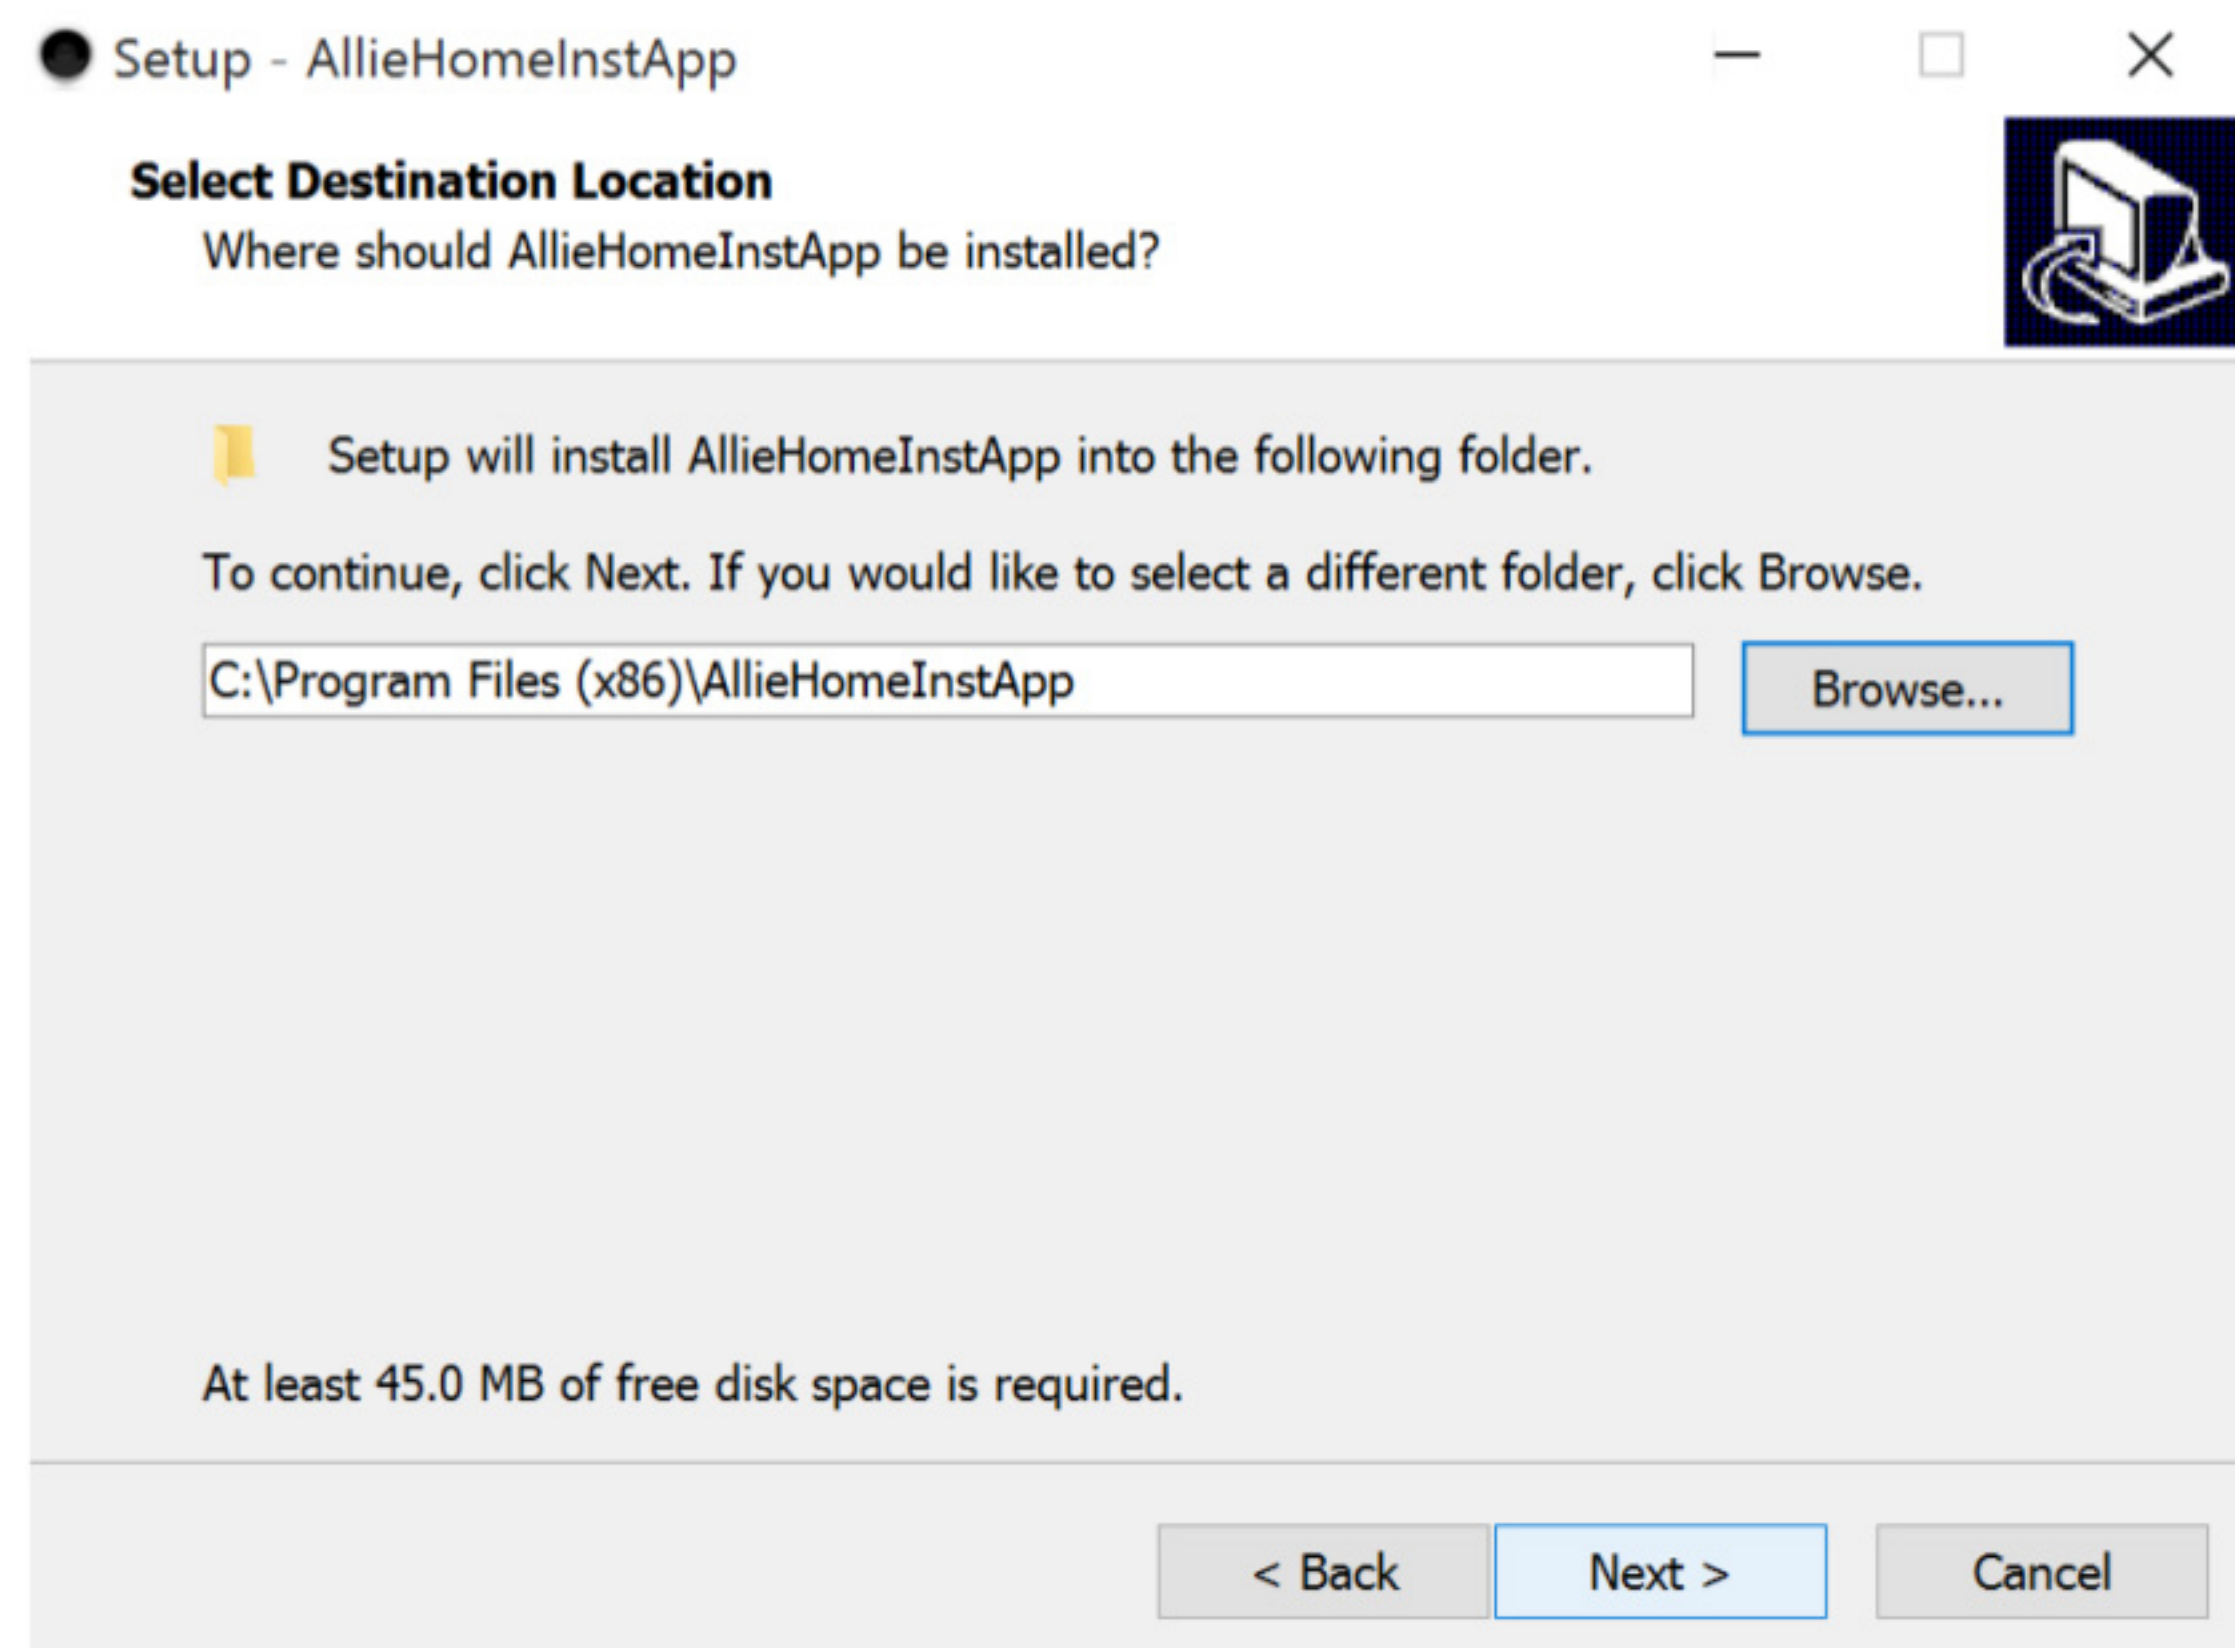

Click Next >

## Select a Destination

The next step is to select a destination for the application. Your computer will recommend you to install the application in your Program Files by default; however, you can install it where you would like.

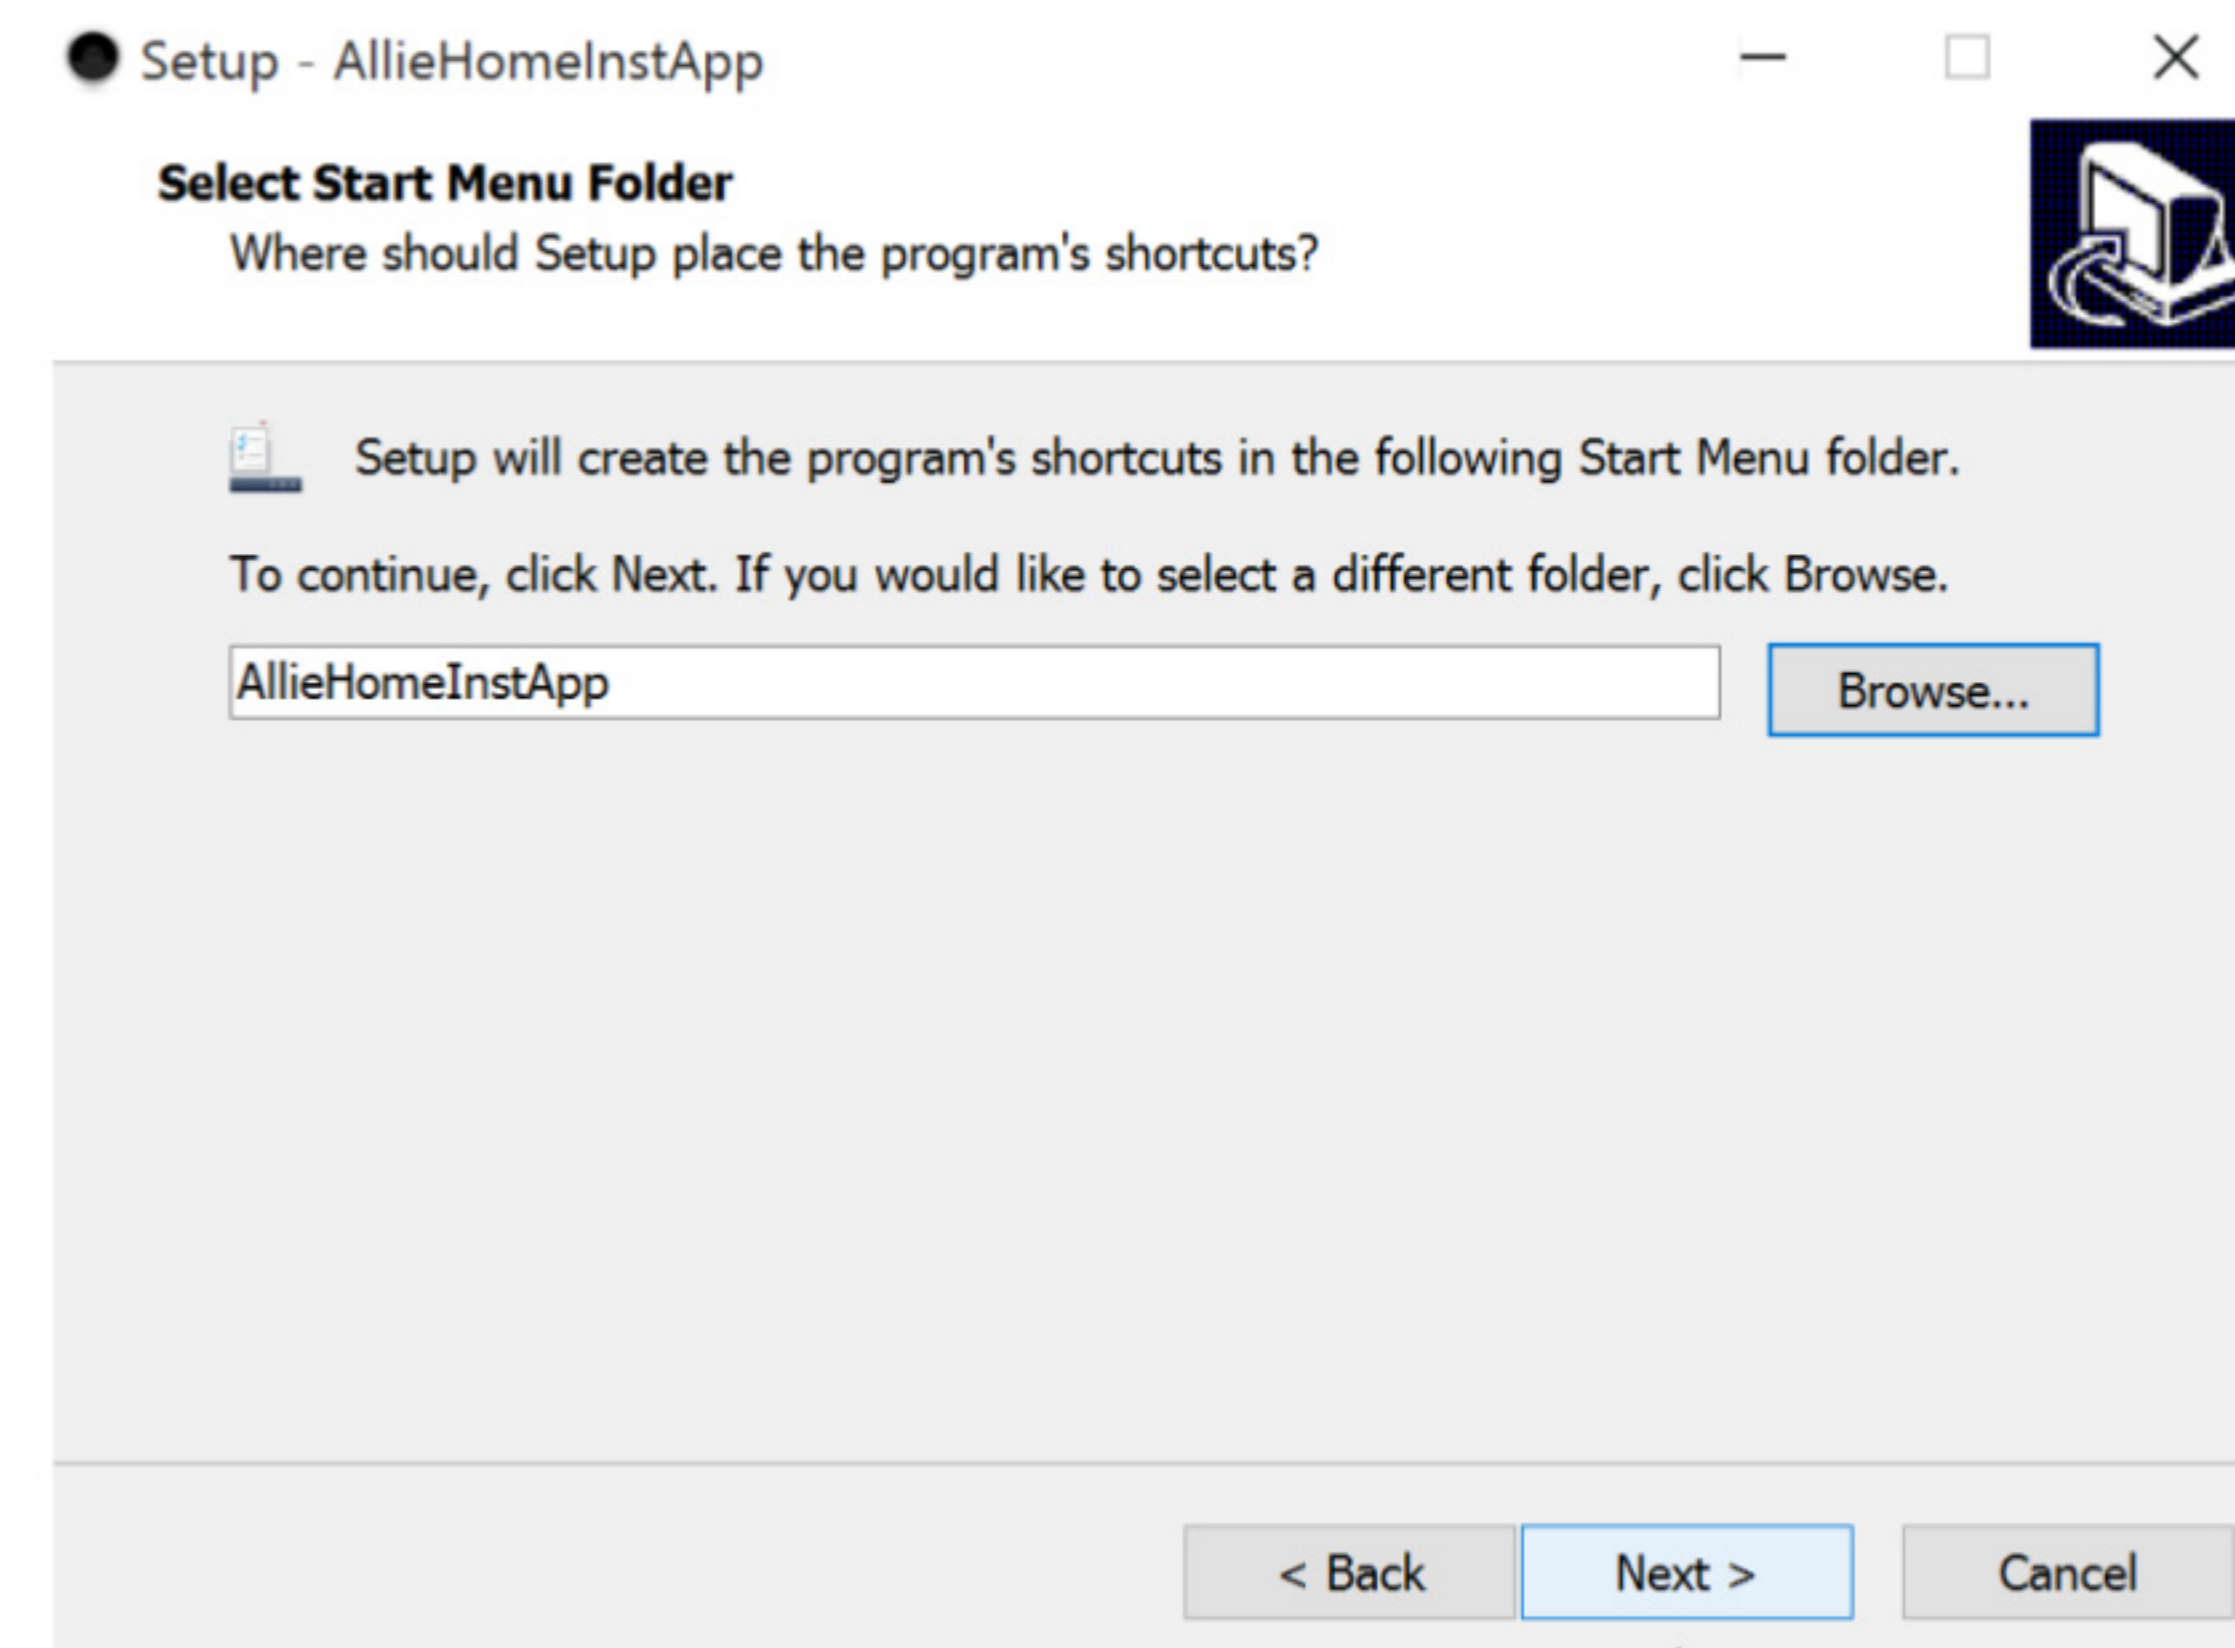

Click the **Next >** button to continue.

Click Next >

## Select Start Menu Folder

Following the selection of a destination location you will be offered the option to select a destination folder for your shortcut. It is recommended to leave the current setting as is and click **Next >** to continue.

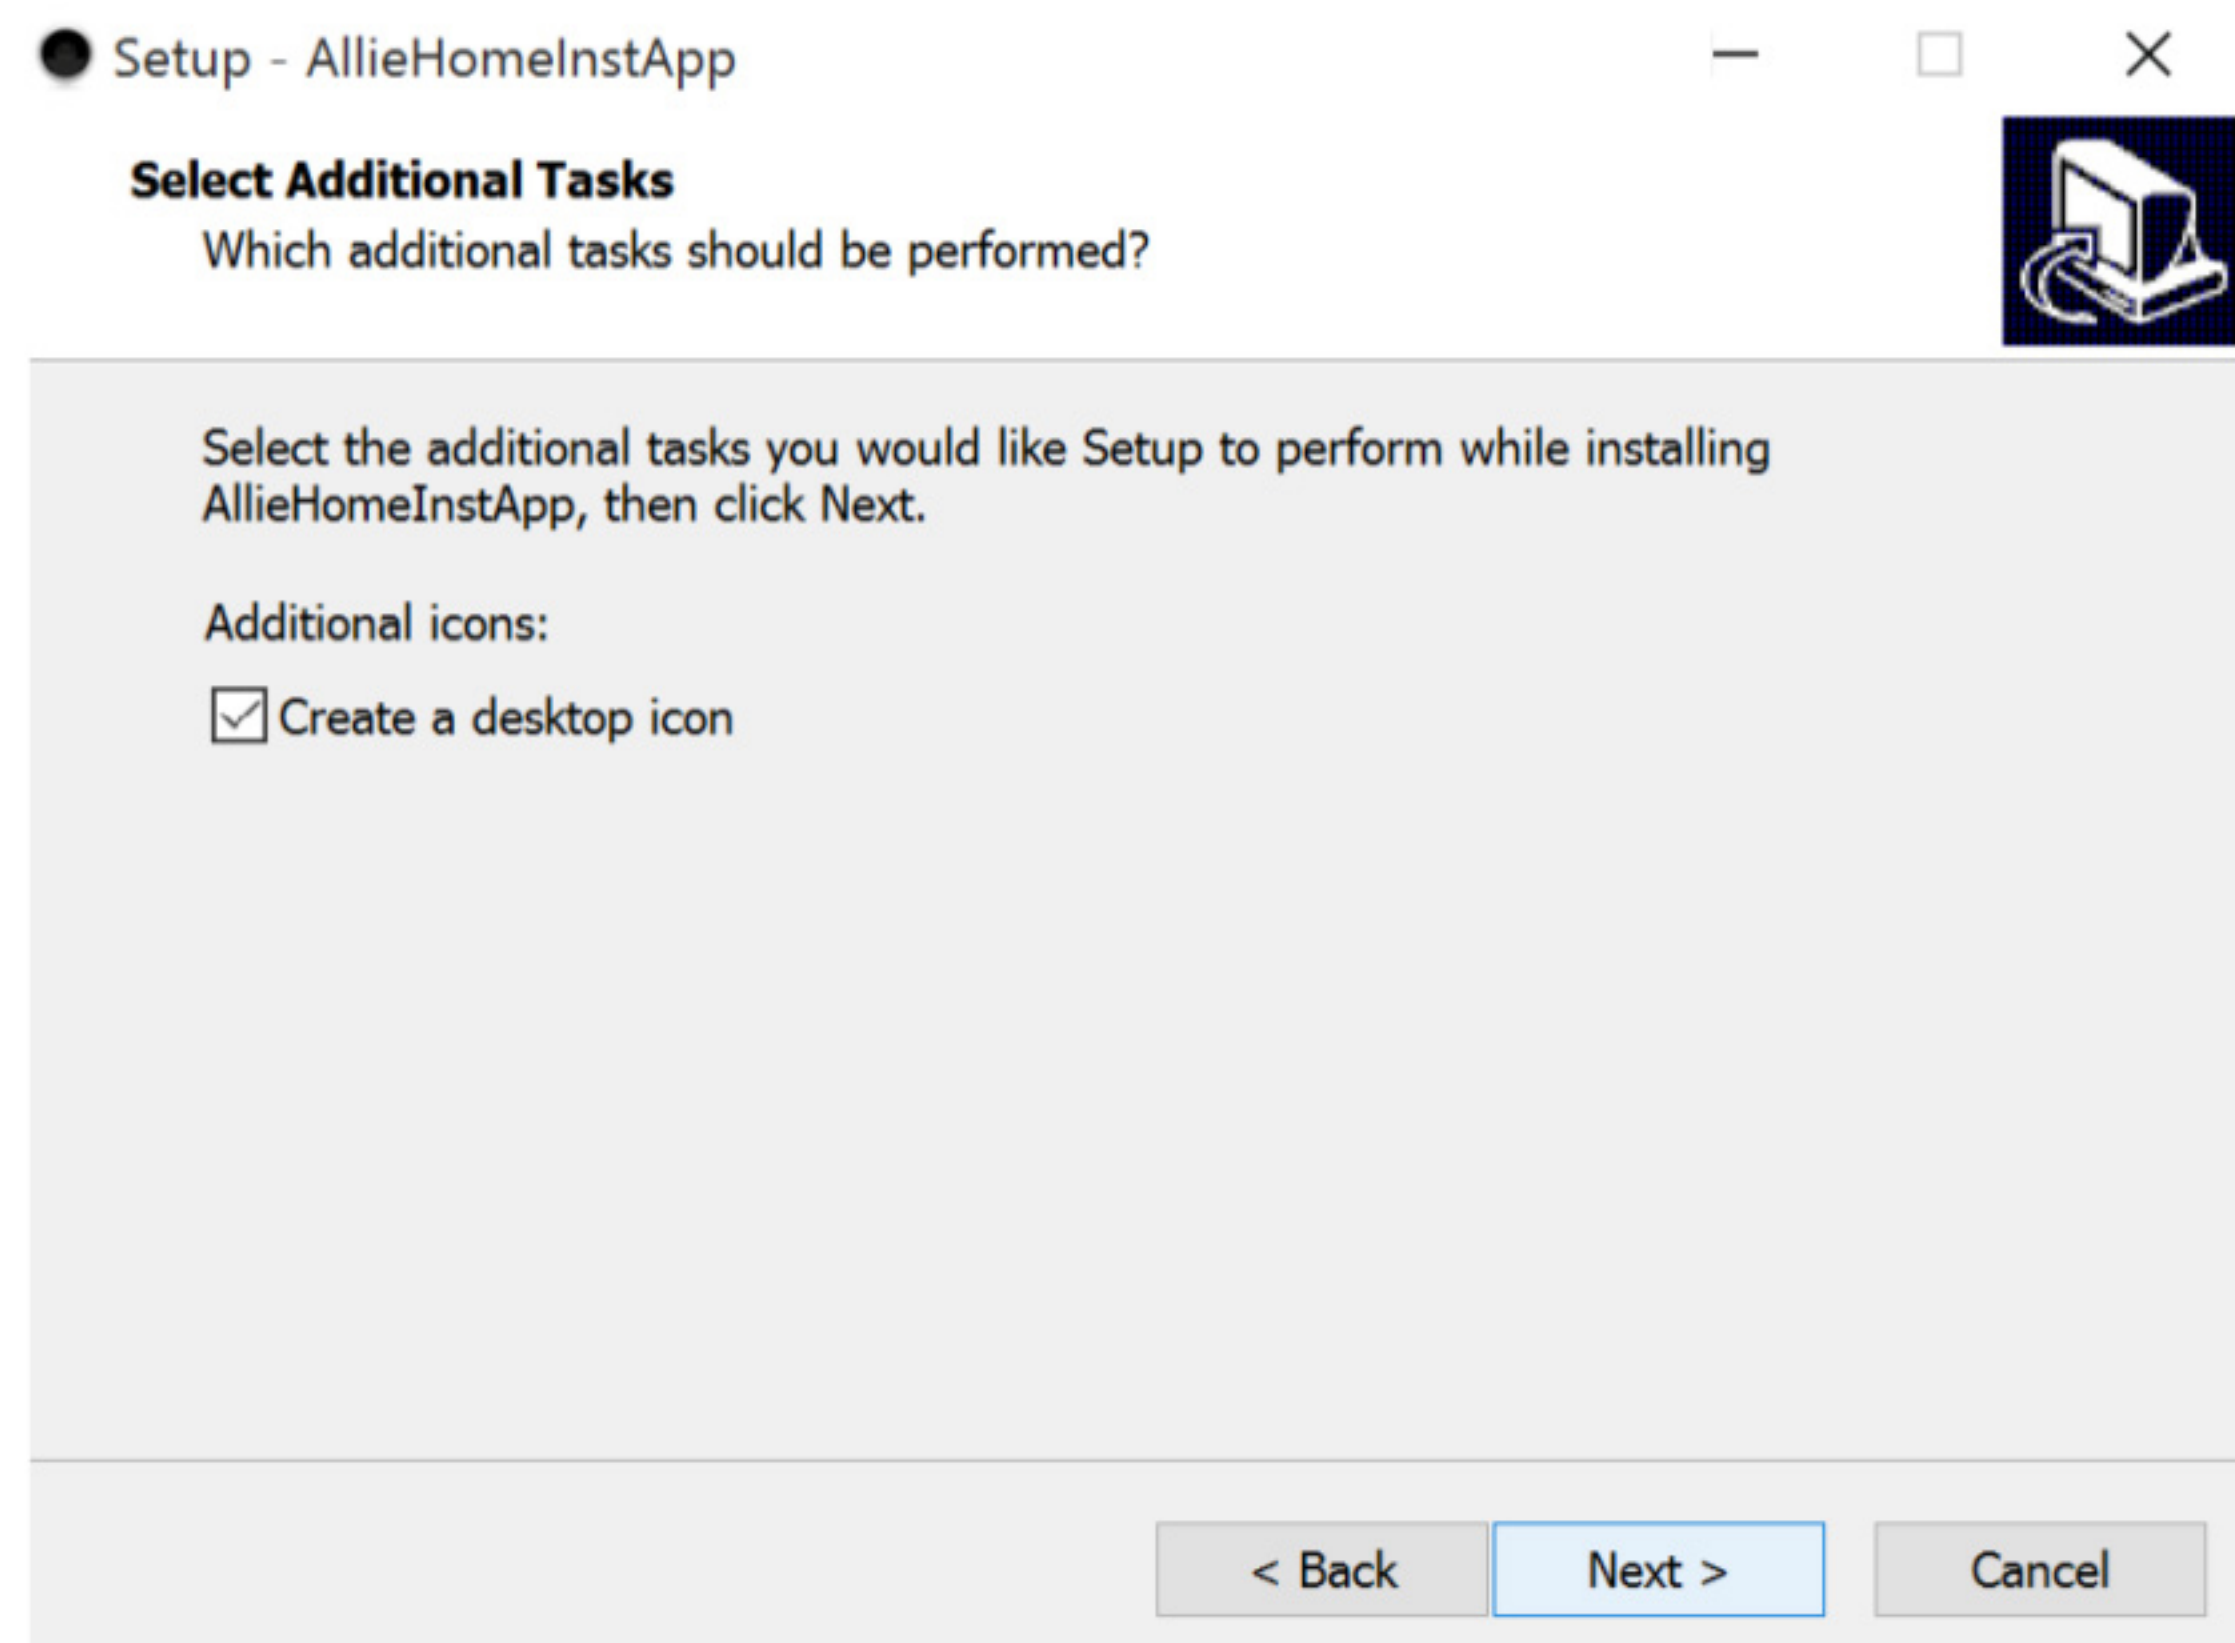

Click Next >

## Create Desktop Icon

If you would like to add the application to your desktop for easy access you can check off the box **Create a desktop icon** as seen in this example.

To continue click **Next >**.

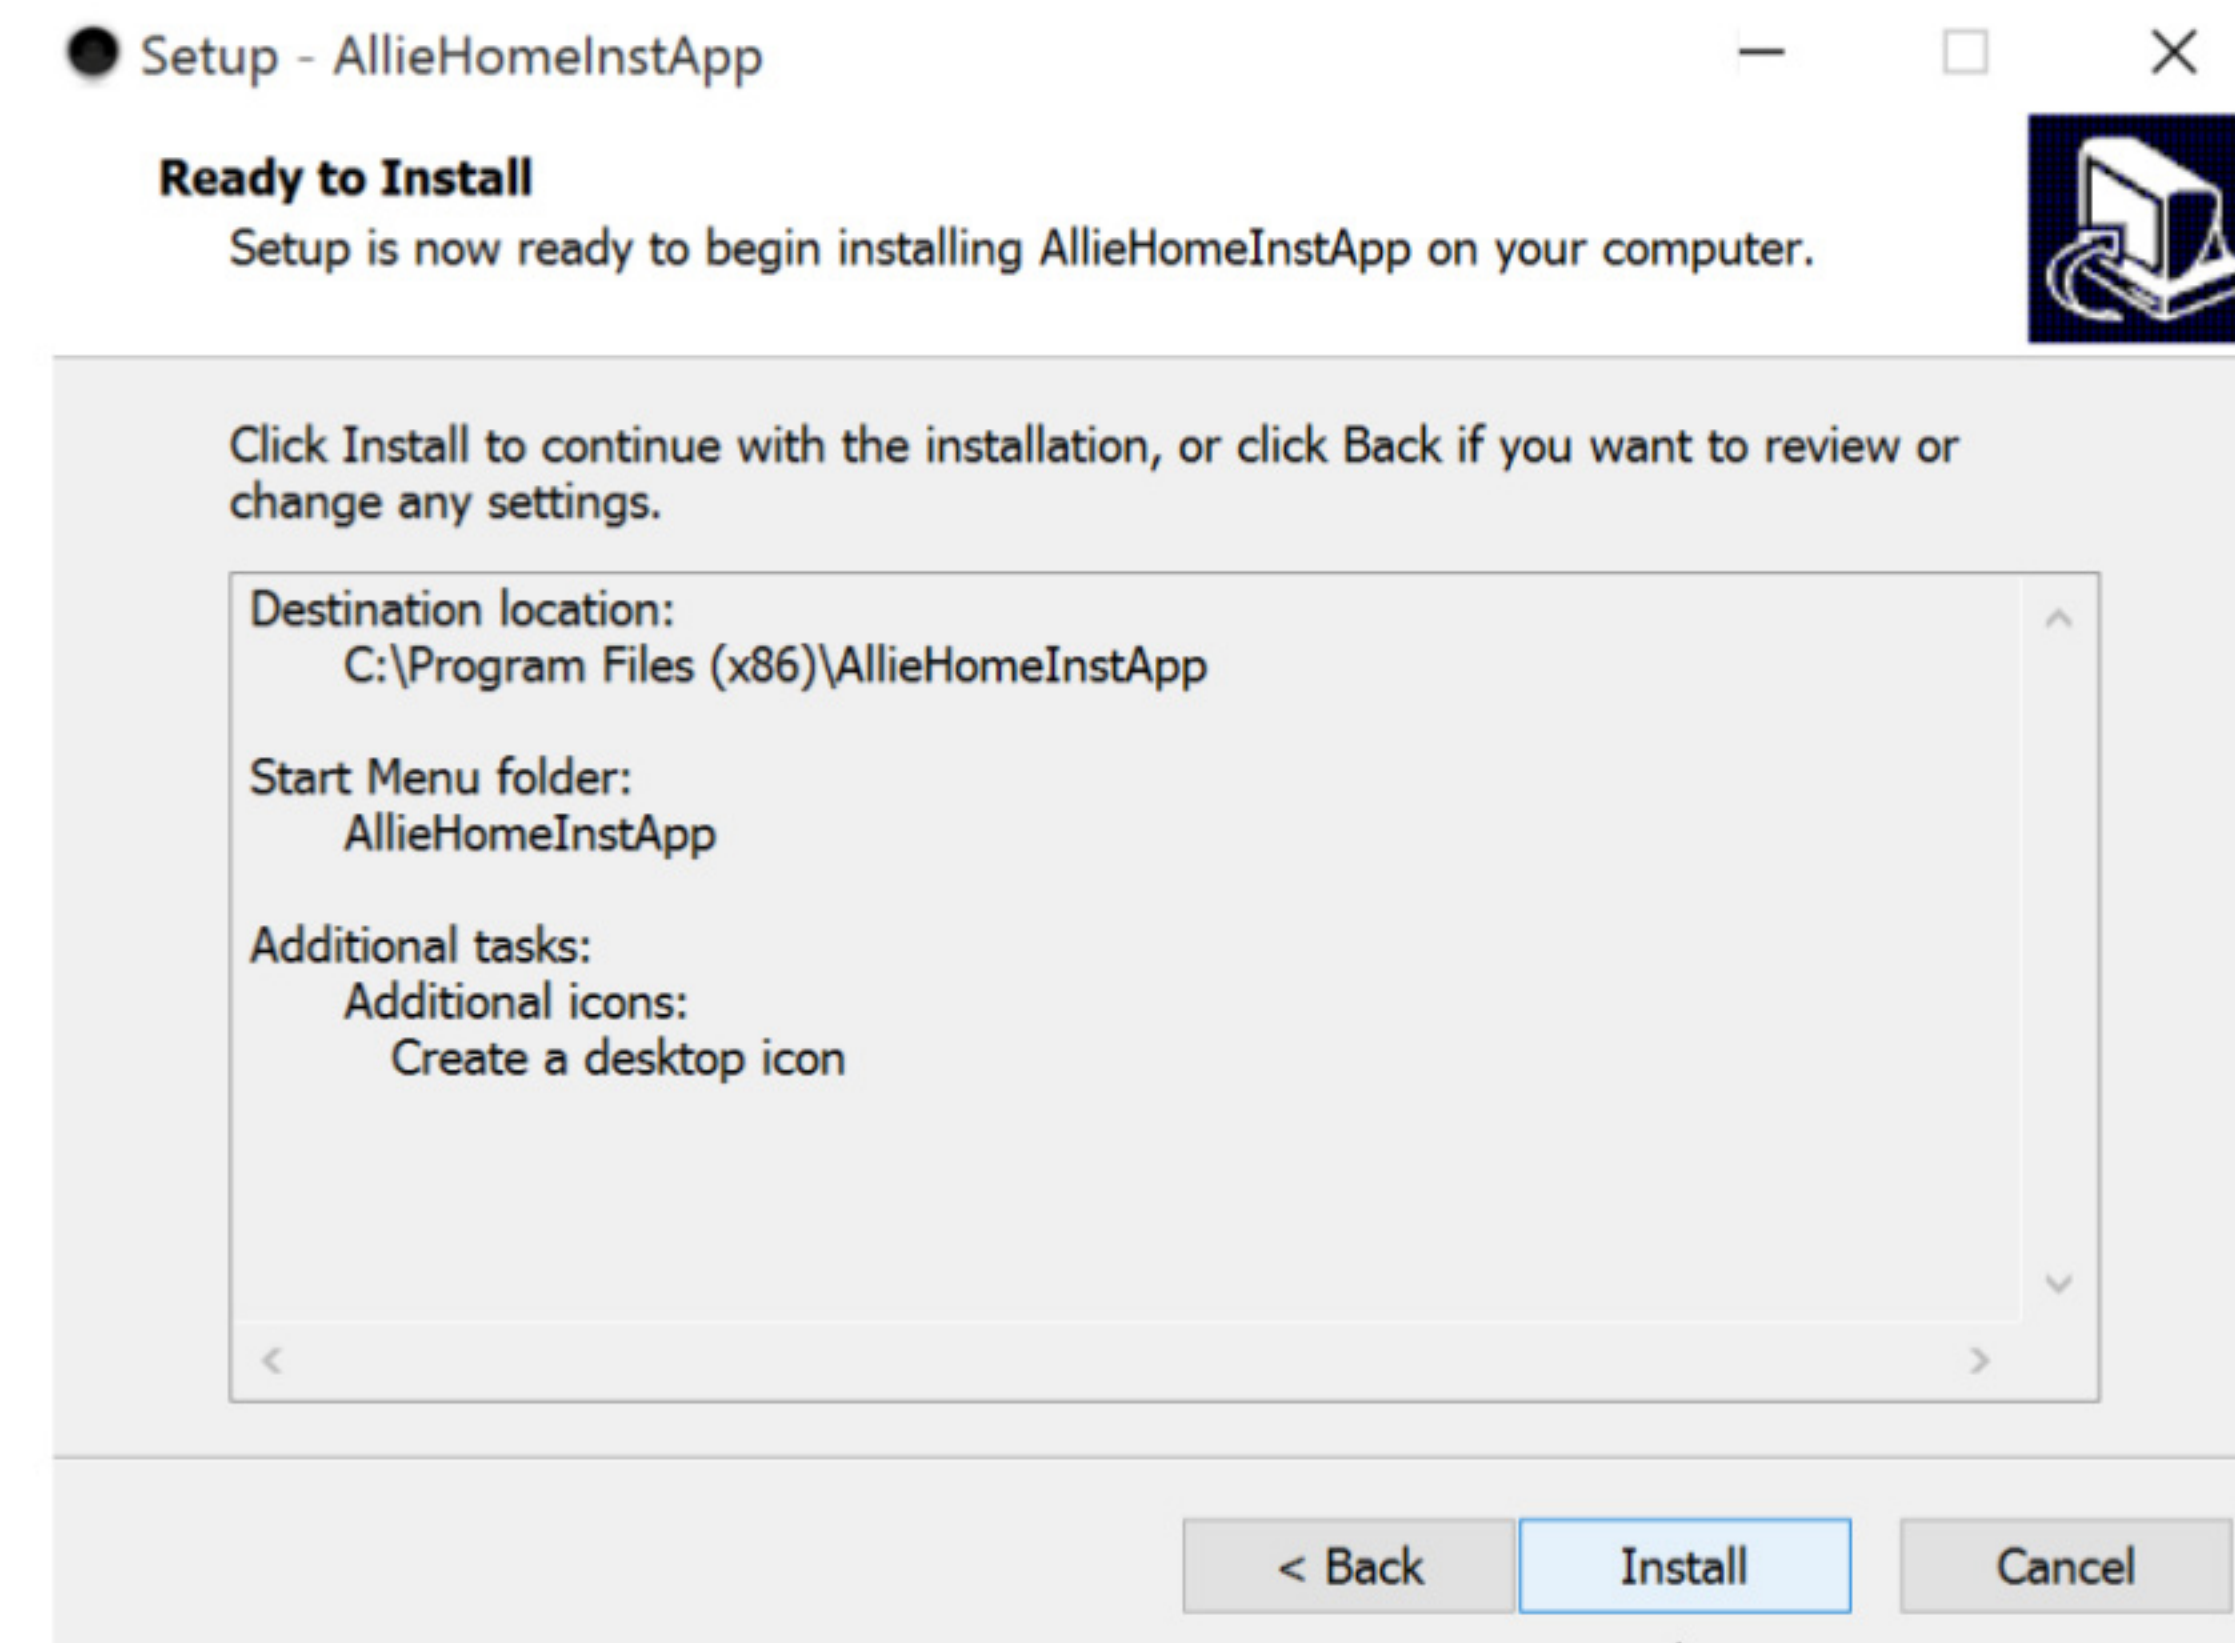

Click Next >

## Install Application

This window displays the options you have selected in previous steps. If any of the information displayed in this window is incorrect you can click on the back button to visit previous steps.

To continue click **Install**.

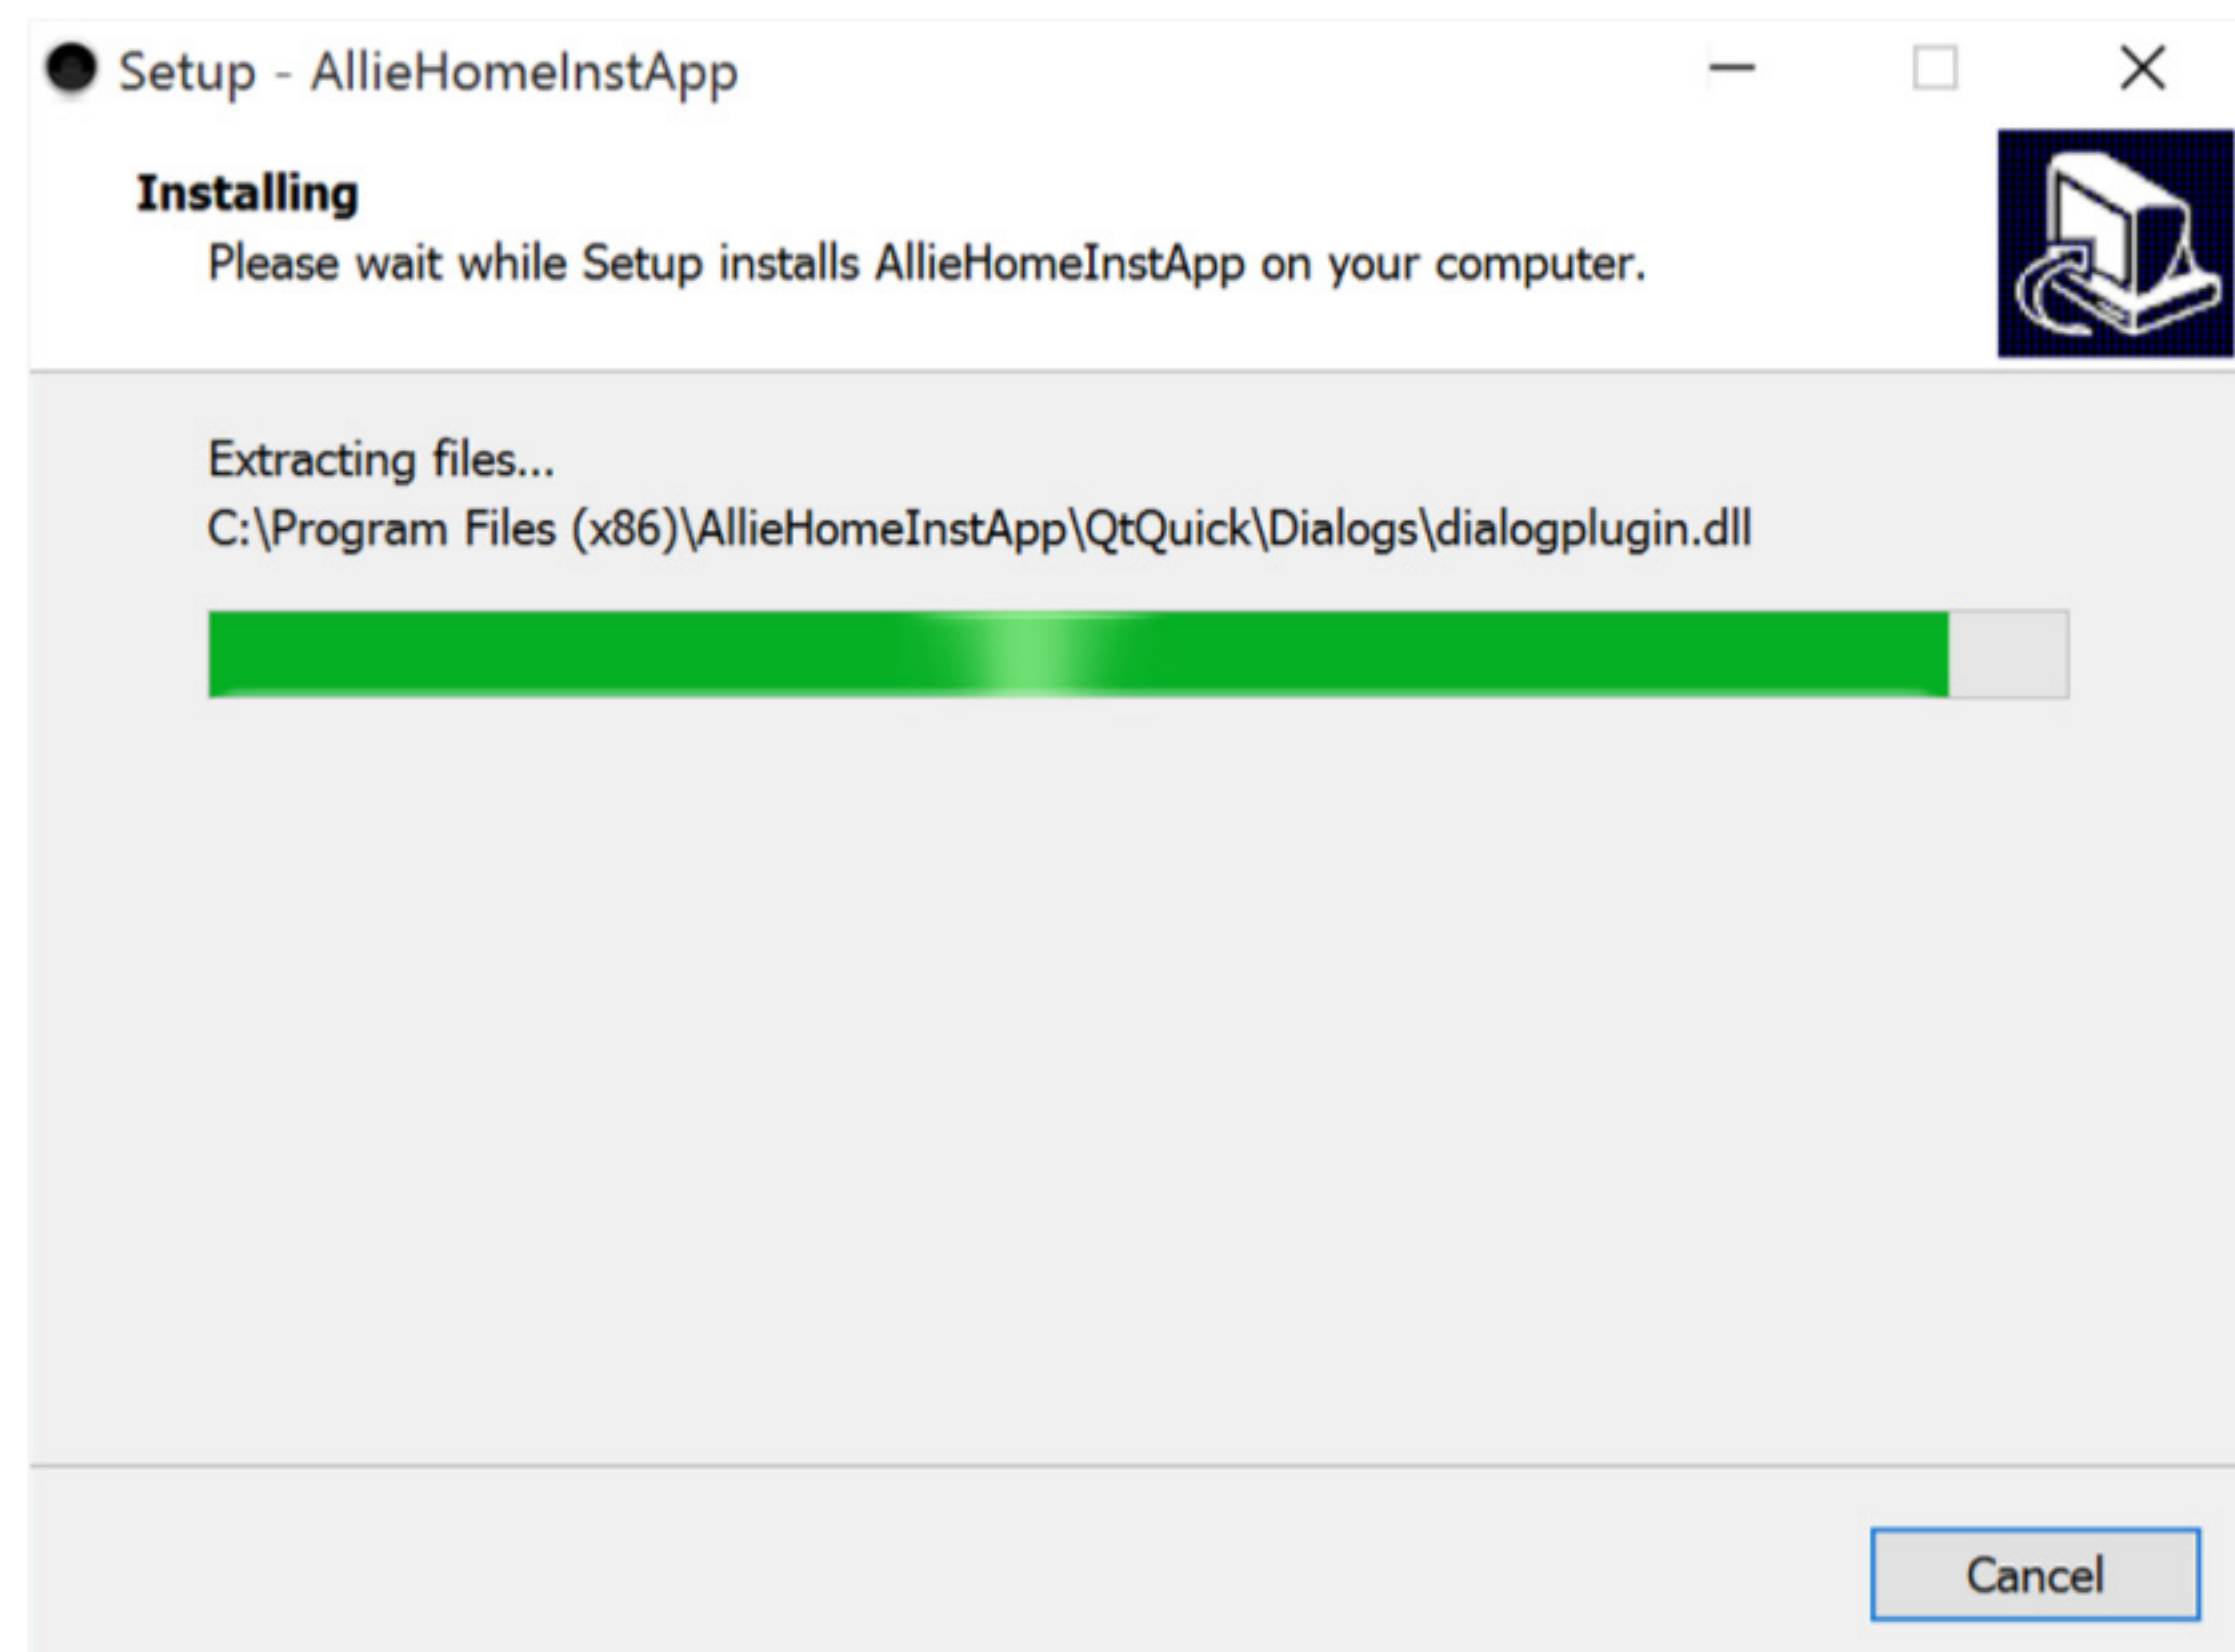

Click Install

## Installing Window

After verifying the information in the previous window and clicking **Install** the program will begin to install as seen here.

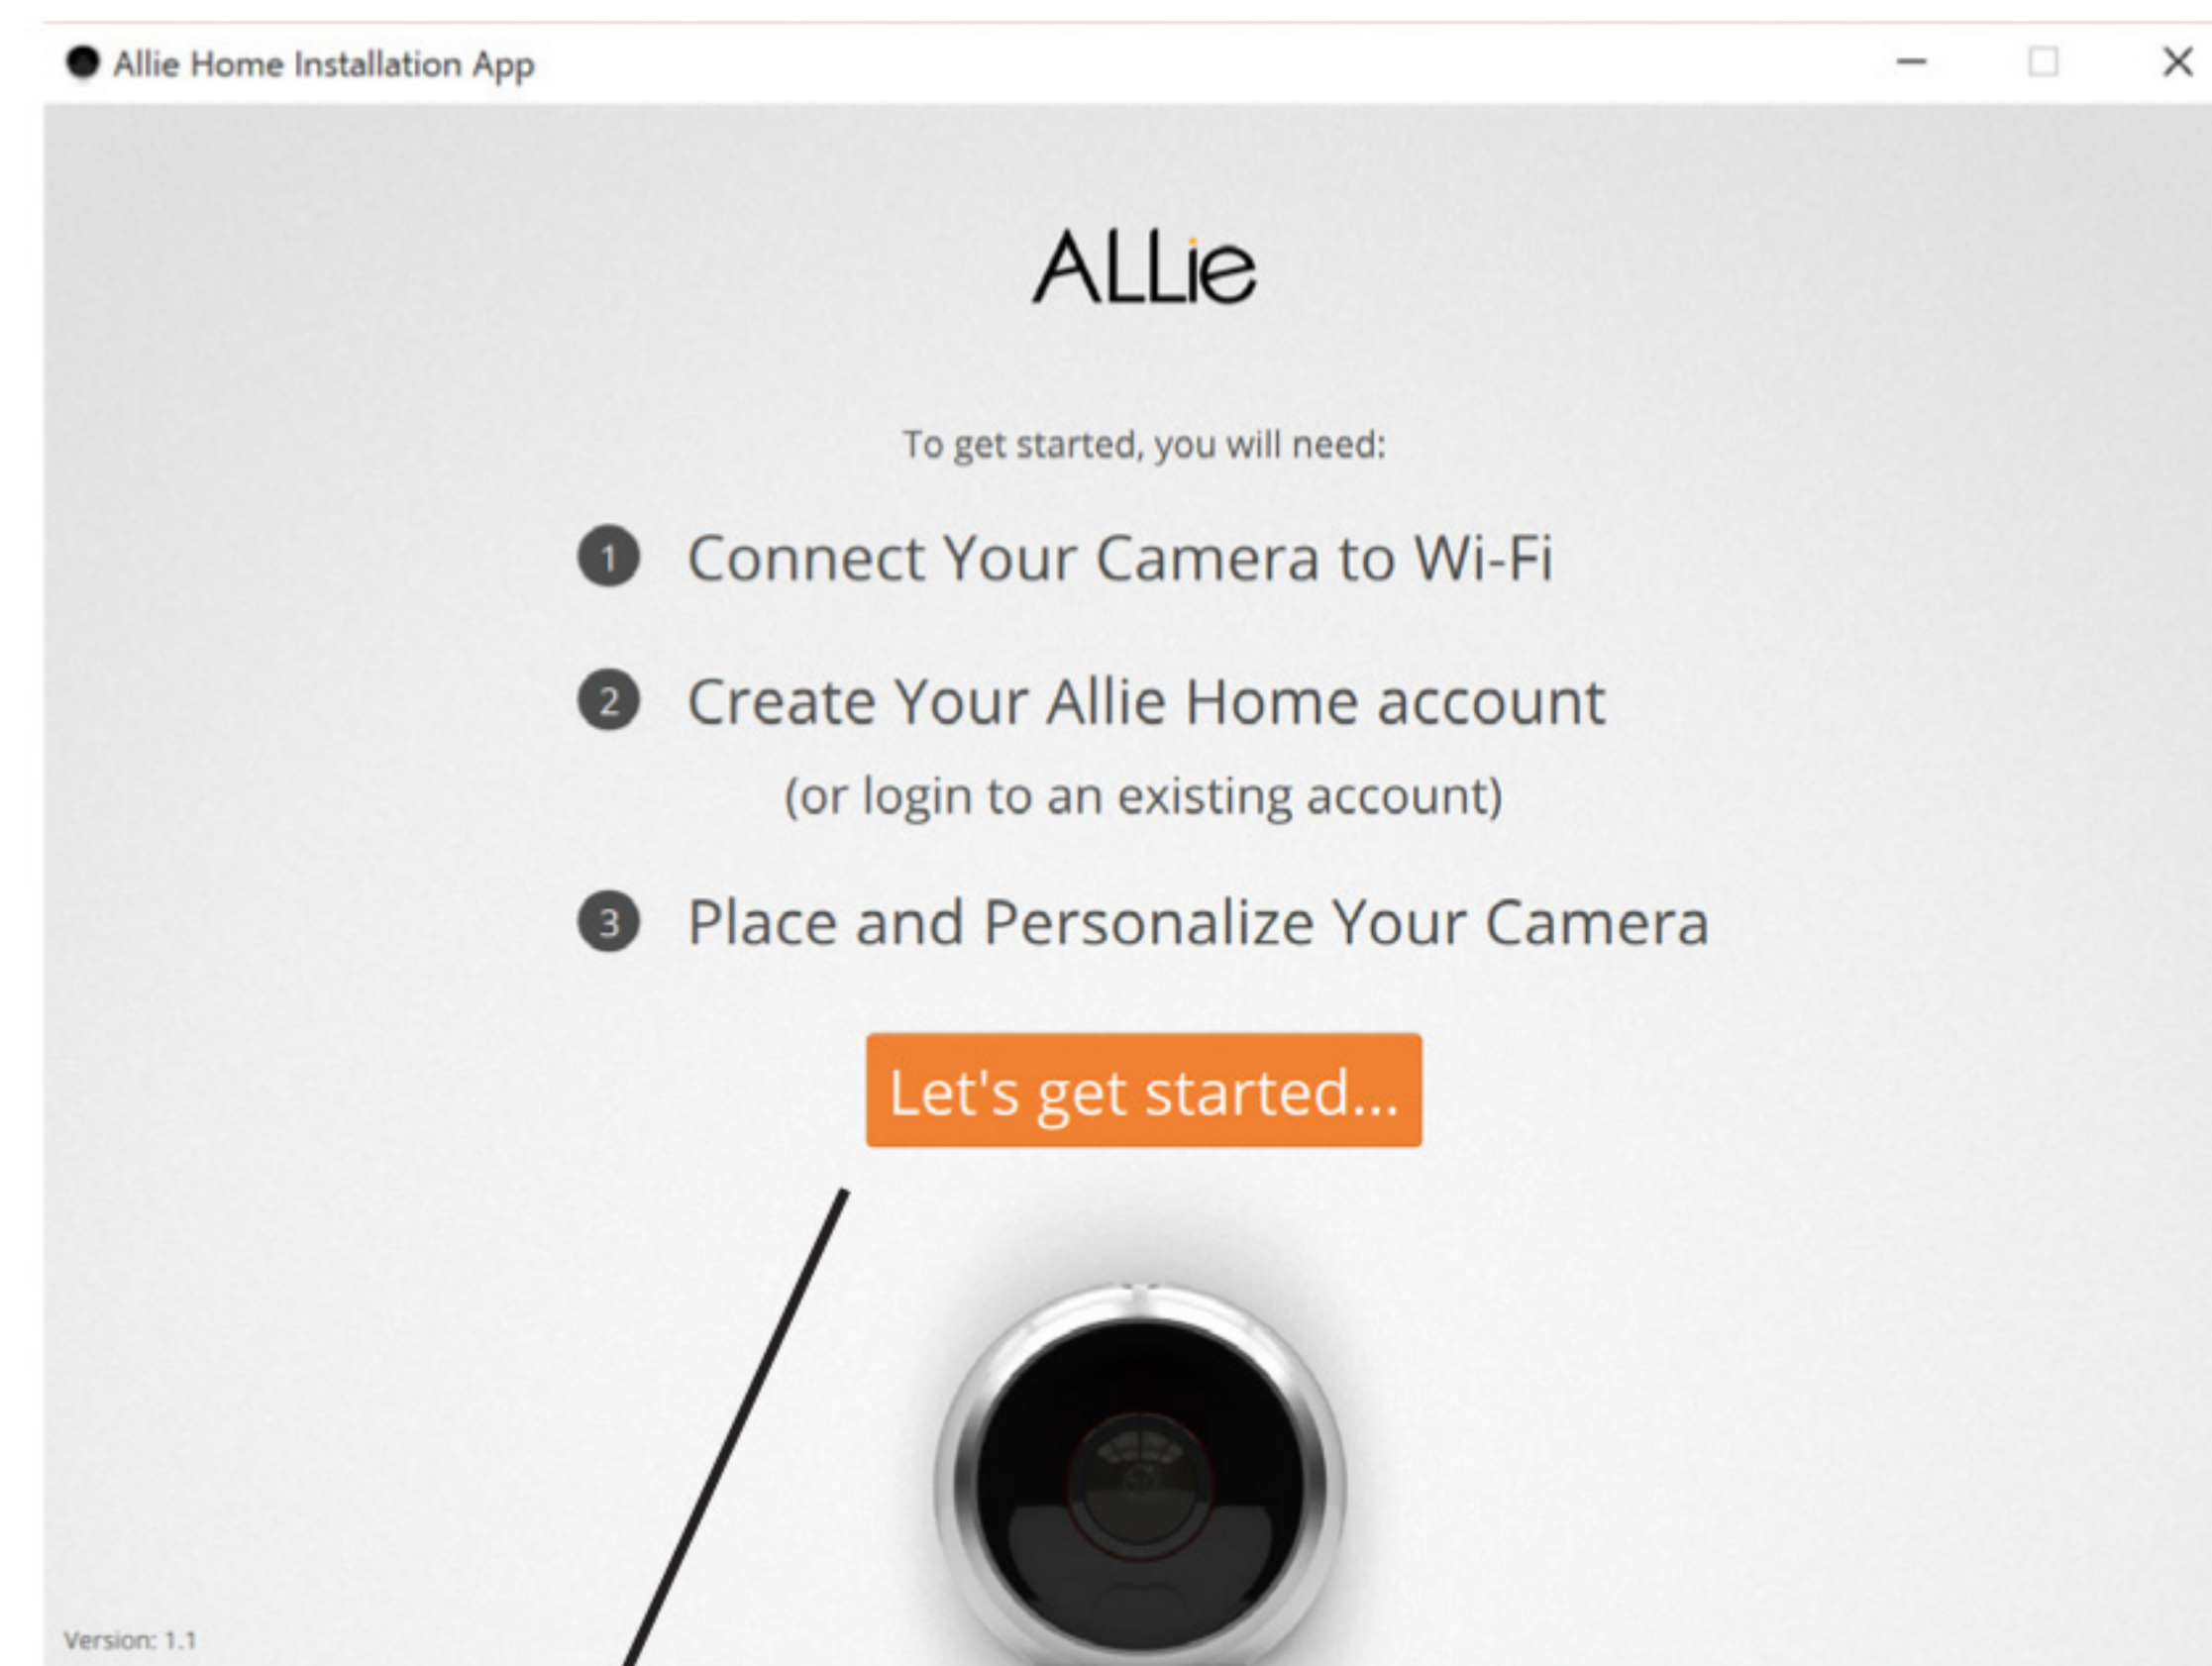

## ALLie Home Application

Once the installation has completed the application will launch automatically.

Now you are ready to setup your ALLie Home!

Click on **Let's get started...**

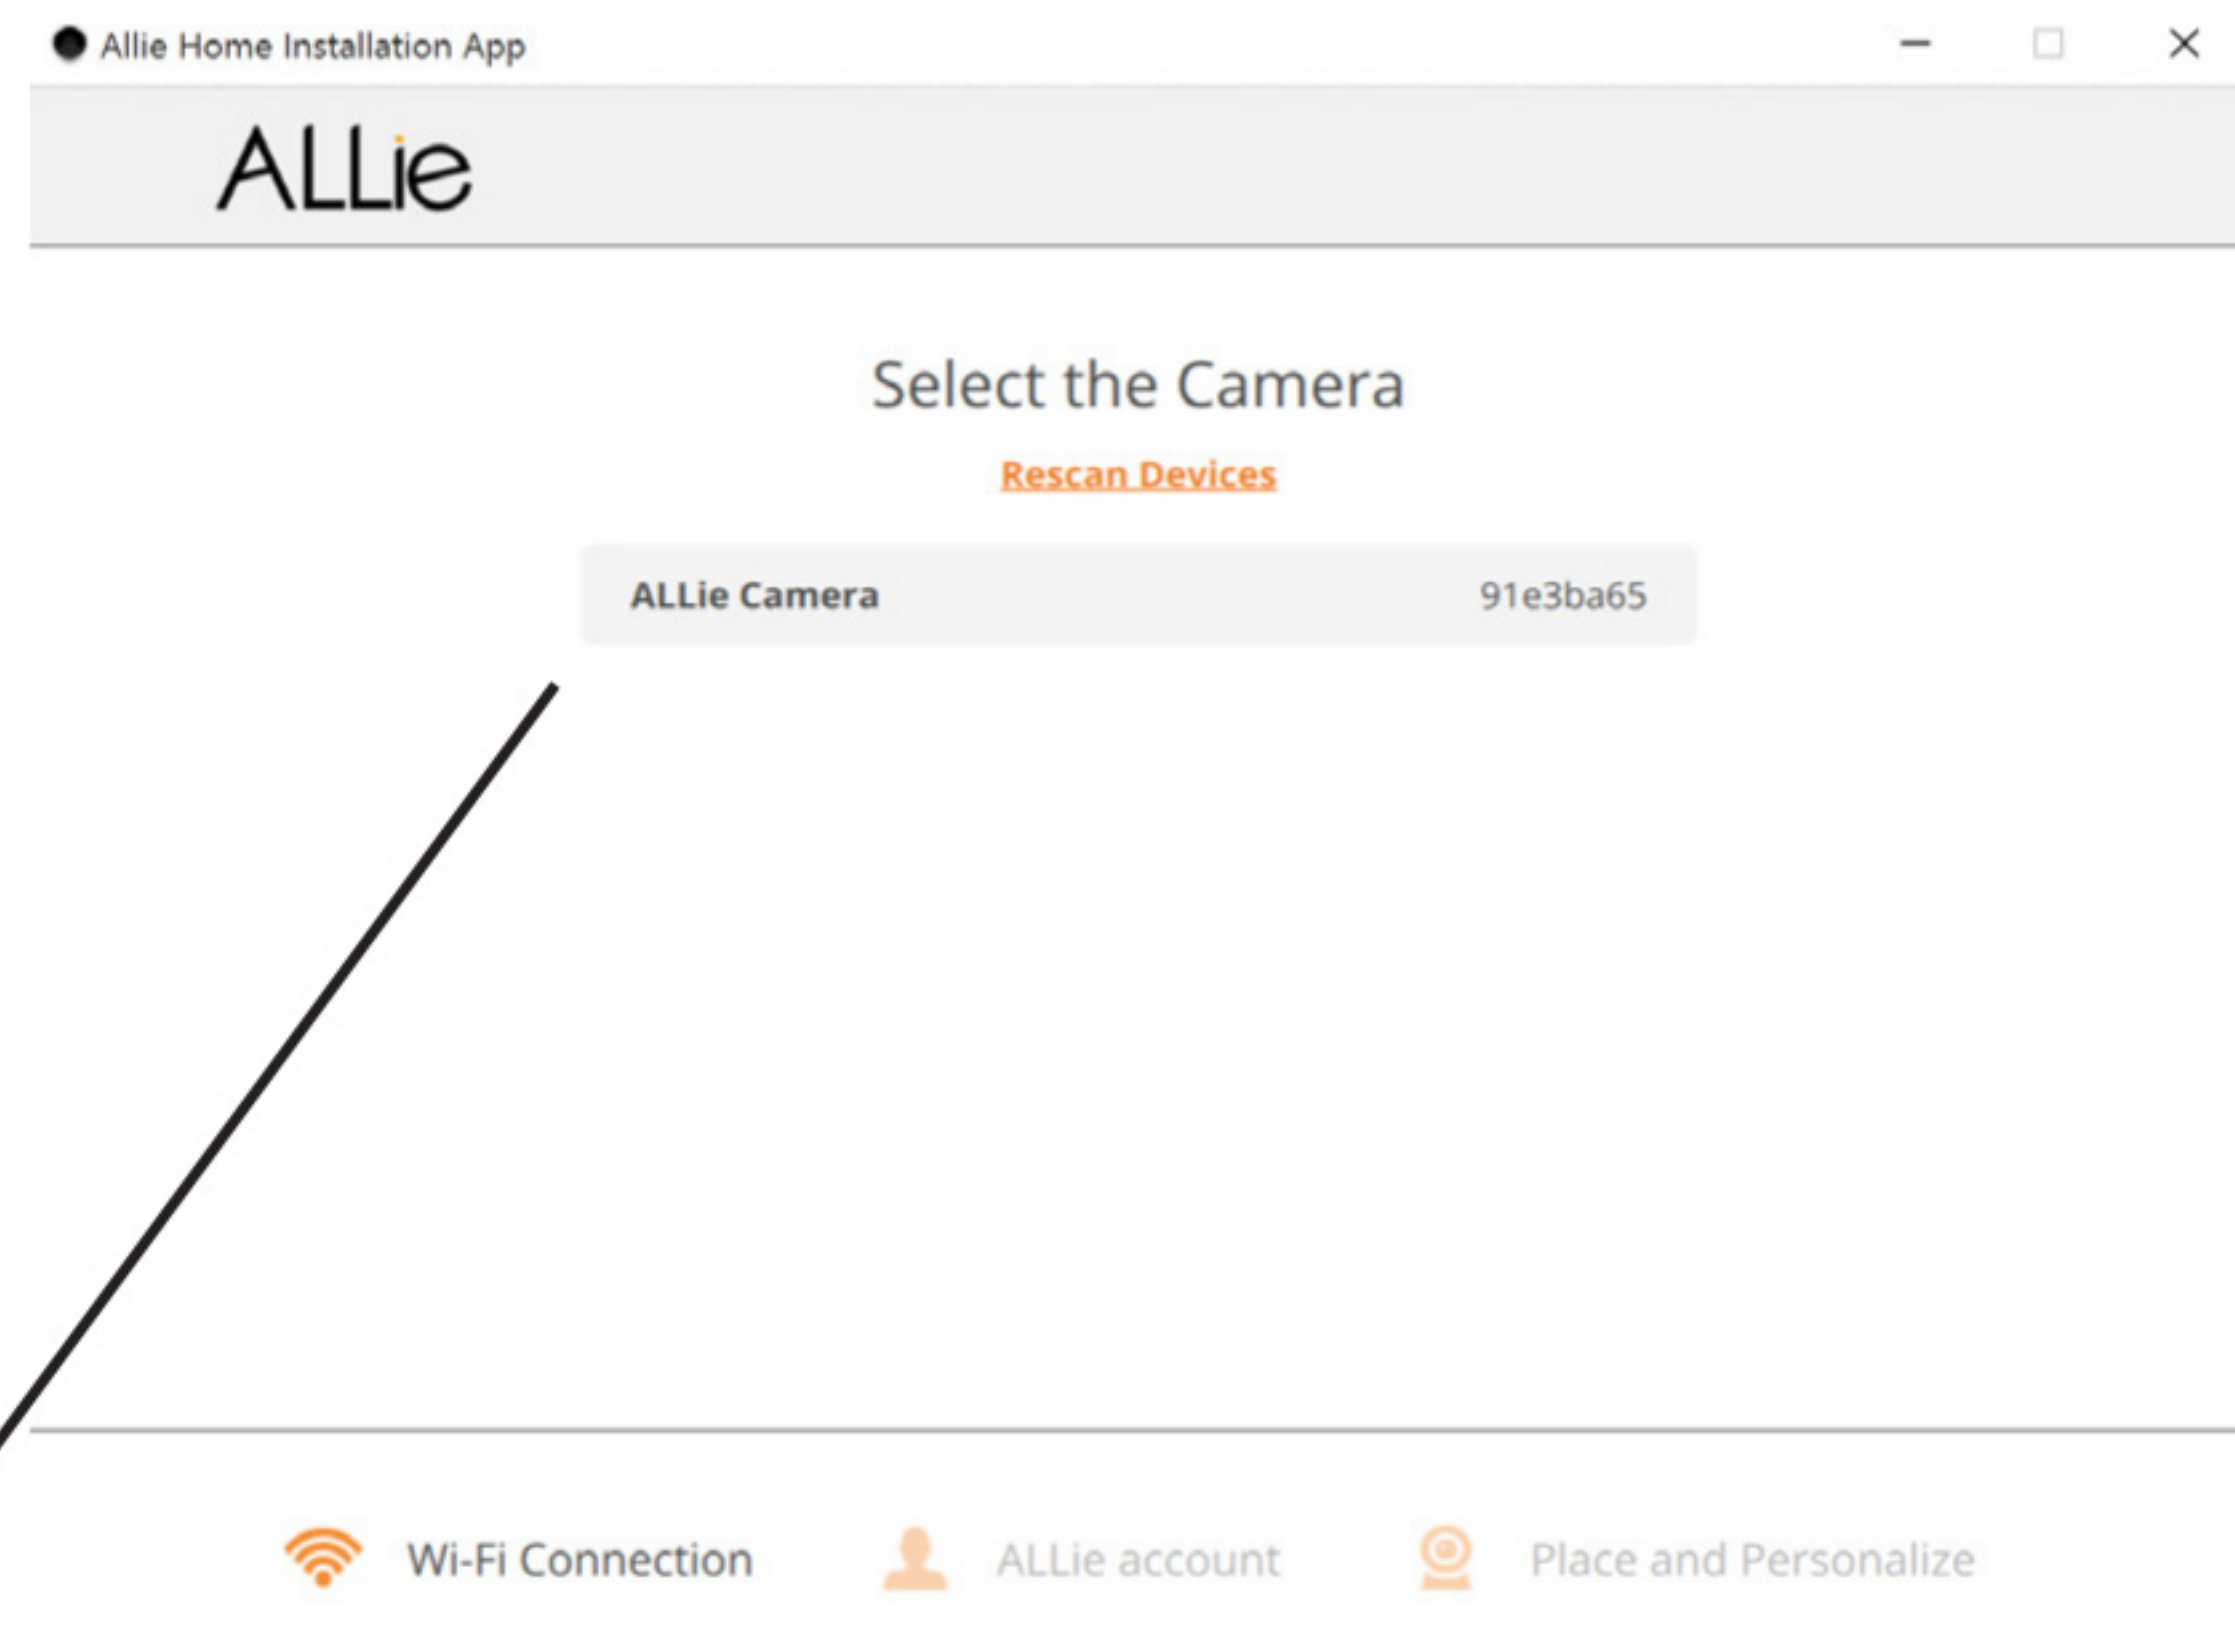

Click Let's get started...

## Select Your Camera

Your computer will scan for ALLie Homes connected via USB and populate a list of ALLie Homes available when done scanning. Select your ALLie Home from the list by clicking on it. If no devices appear click on **Rescan Devices**.

Click Next >

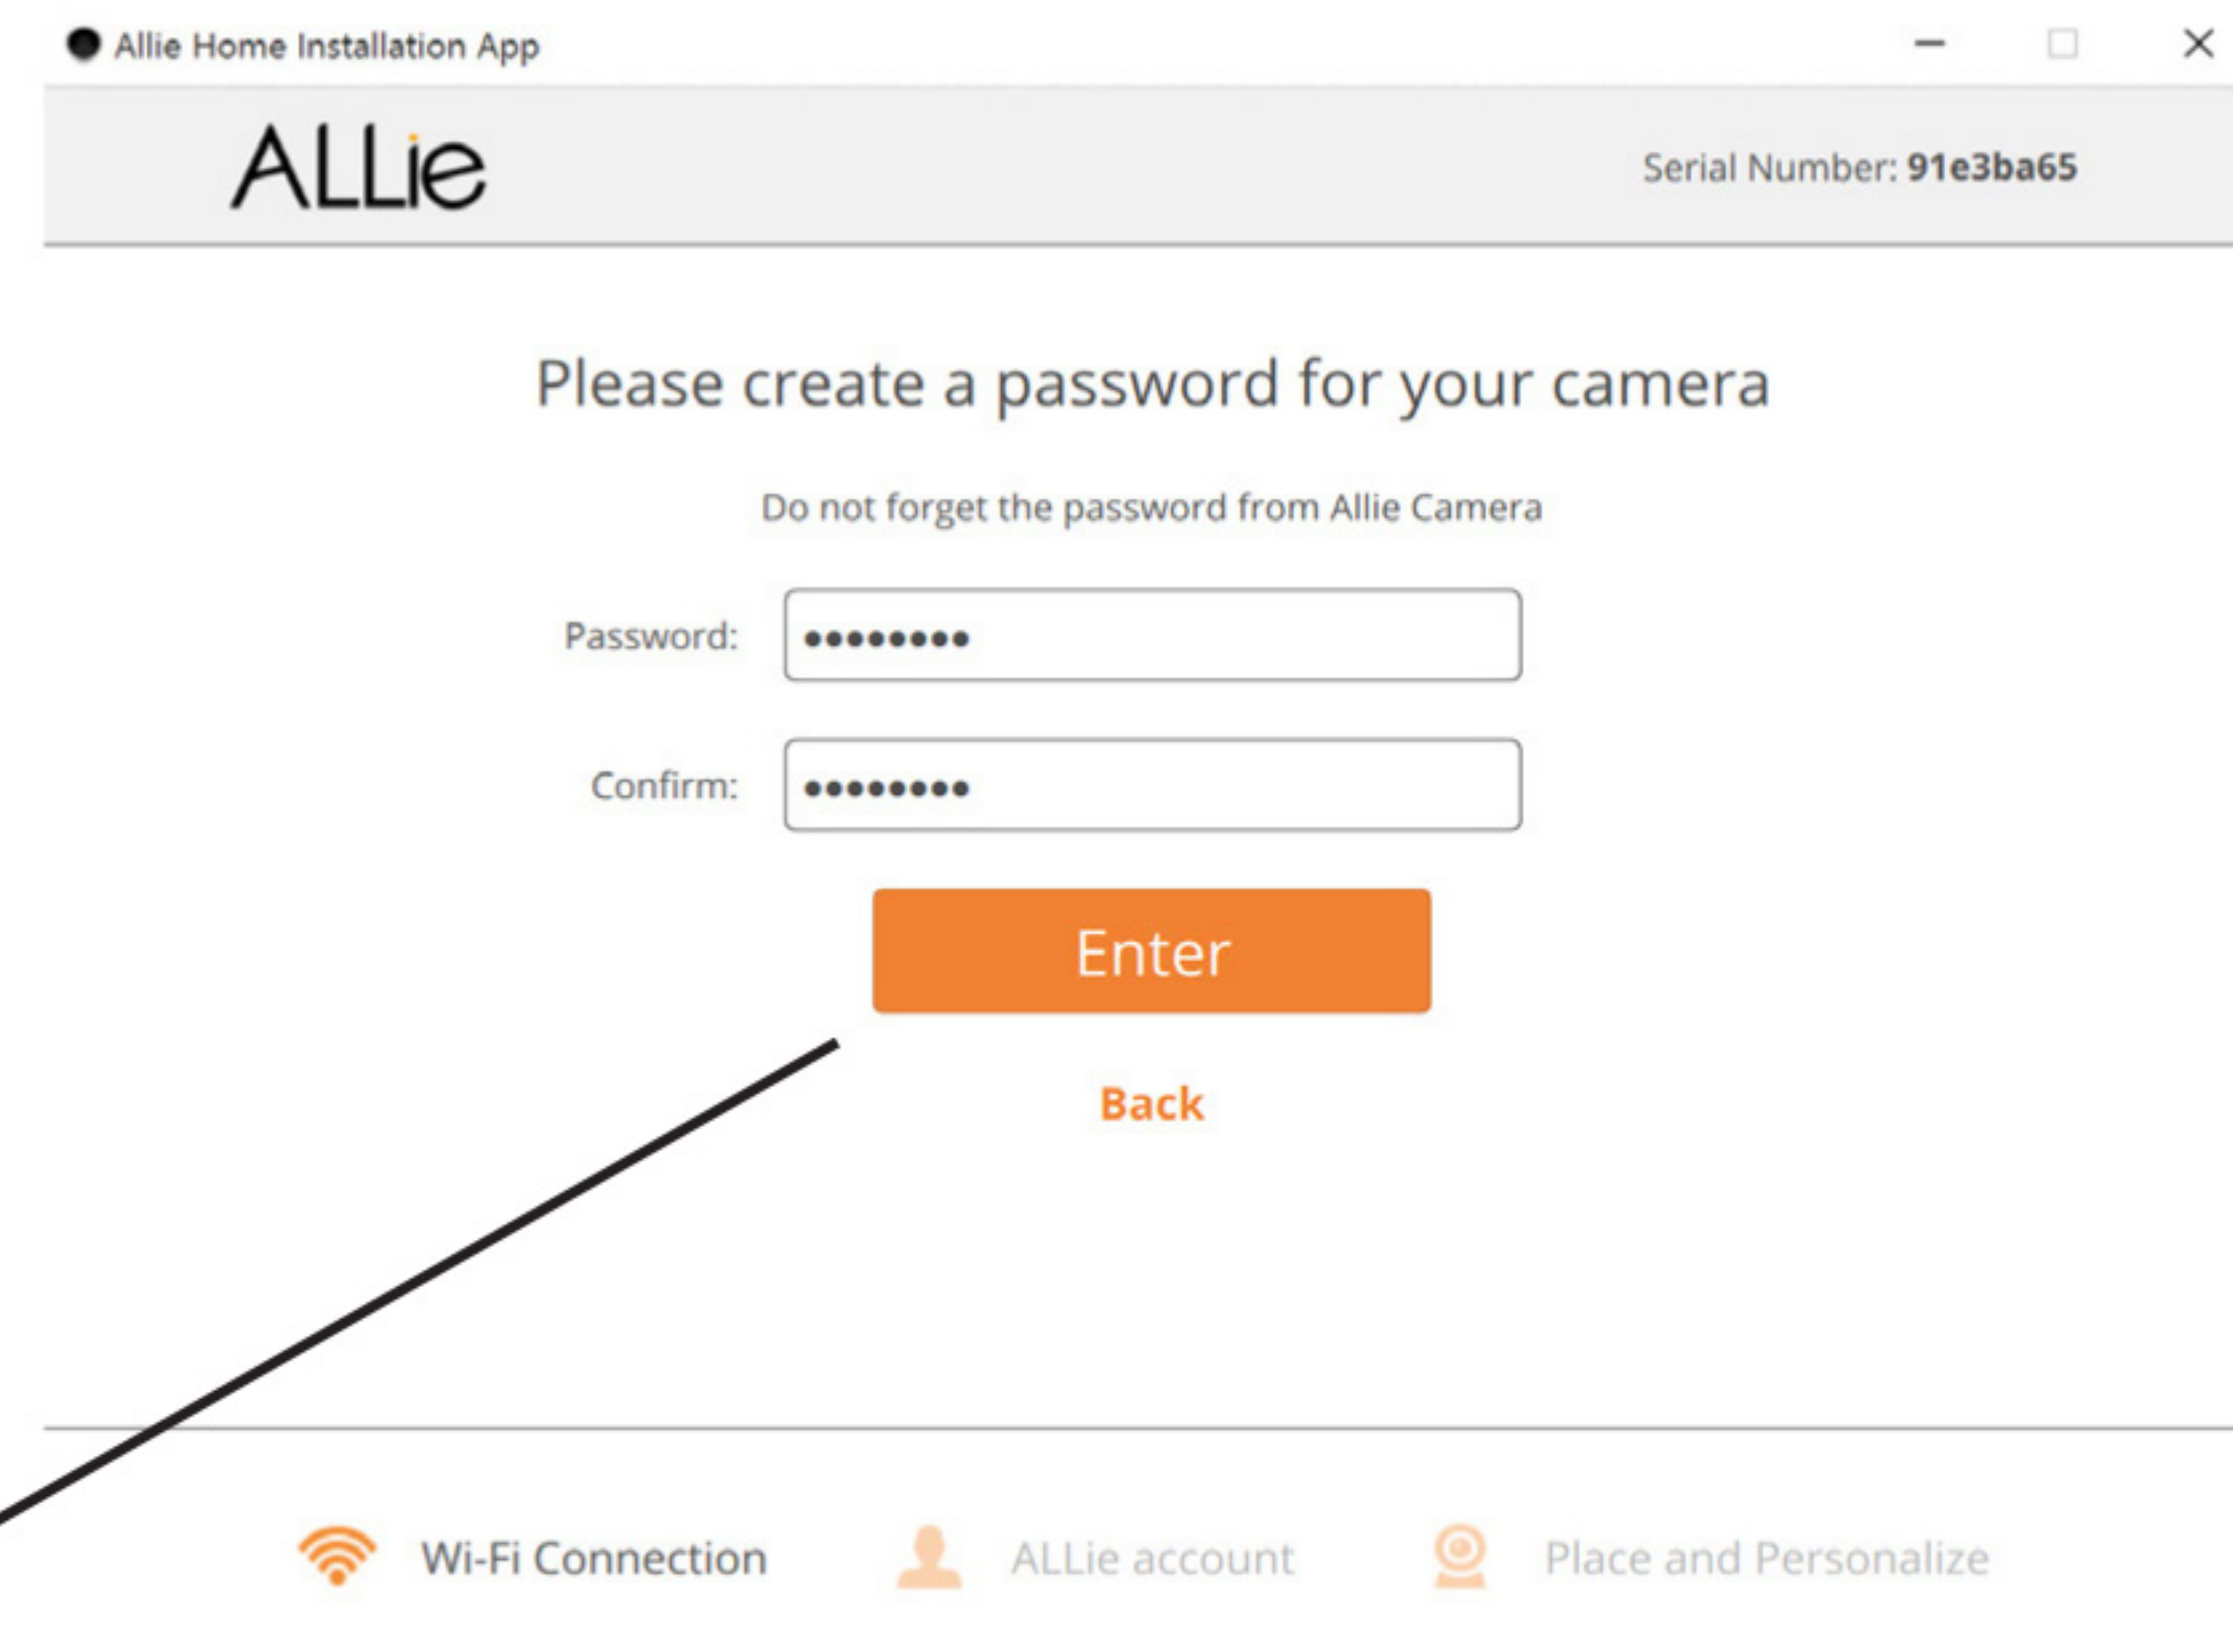

## Create a Password

Enter a password for your ALLie Home in the **Password** field, and then retype your password in the **Confirm** field below it.

Click on the **Enter** button to continue.

Click Enter

## Select a Wi-Fi Network

Select a Wi-Fi network you would like to use for your ALLie Home by clicking on it.

Click on your Wi-Fi

## Enter Network Password

If a password is required for the selected Wi-Fi network you will be prompted to enter it in the **Password** field.

Click on the **Connect to Wi-Fi** button to continue

Click Connect to Wi-Fi

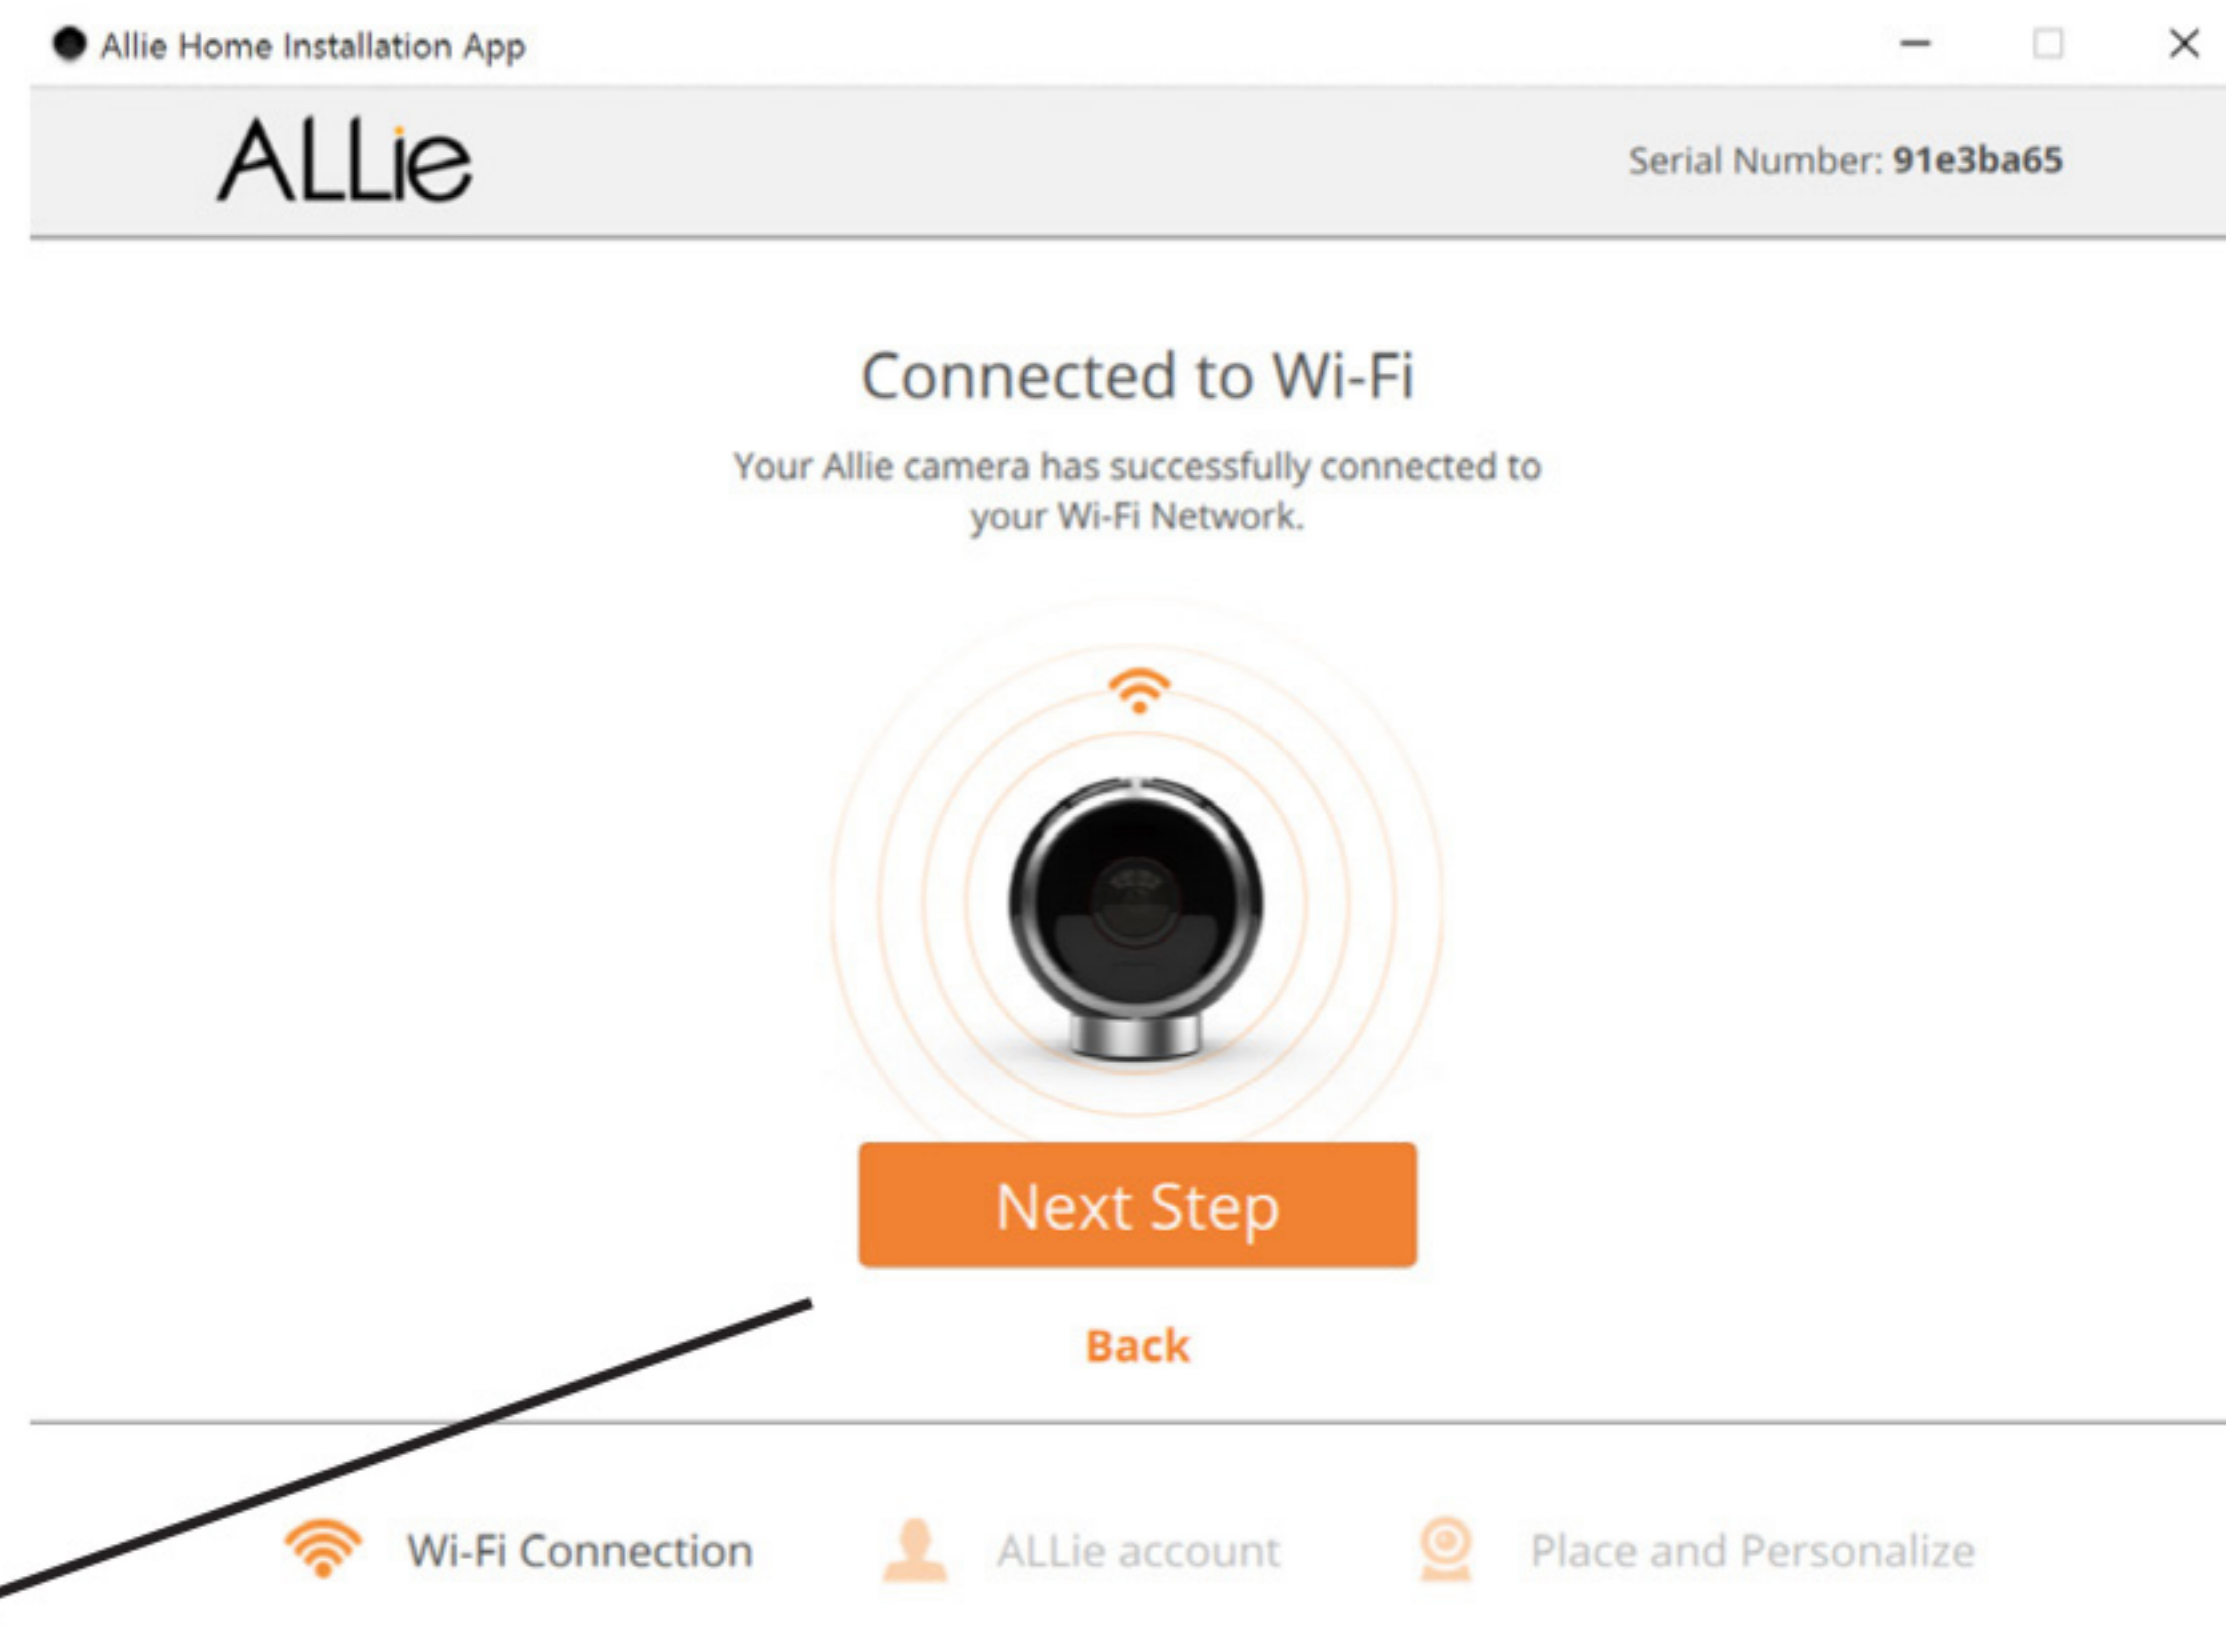

## Connected to Wi-Fi

You have successfully connected to your Wi-Fi network.

Click on the **Next Step** button to continue.

Click Next Step

## Create an Account

Enter in your email address, password, and then retype your password in the **Confirm** field. If you already have an account you can click on the **Log in** link above the **Create Account** button.

Click the **Create Account** button to continue.

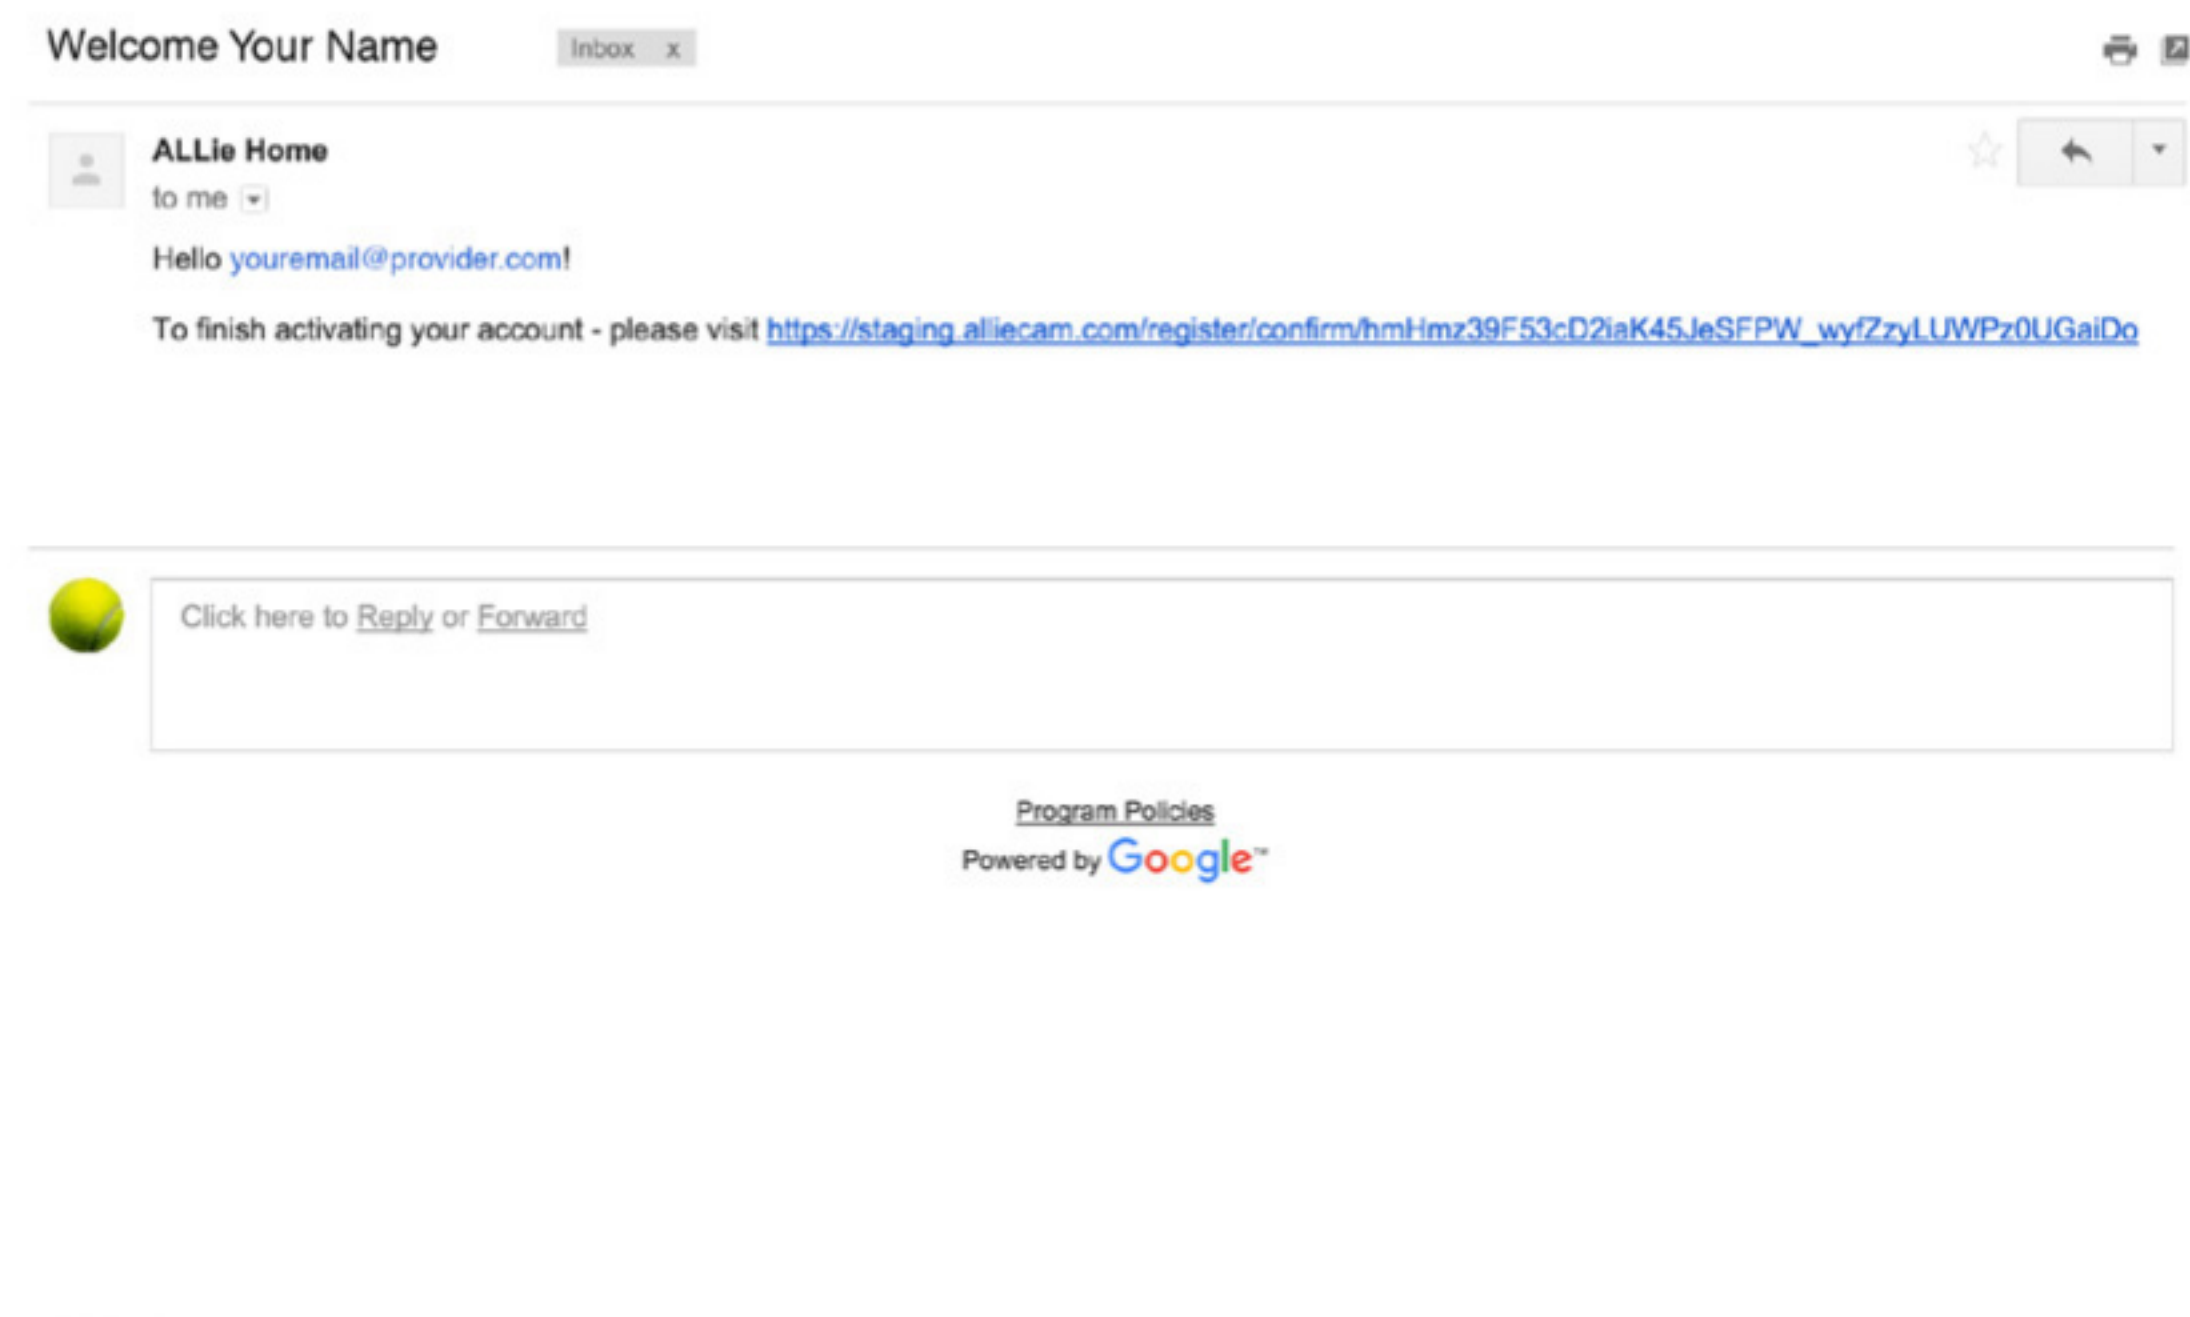

Click Create Account

## Email Confirmation

After you create your account you will receive an email with a confirmation link. Click on the link to continue in the verification process.

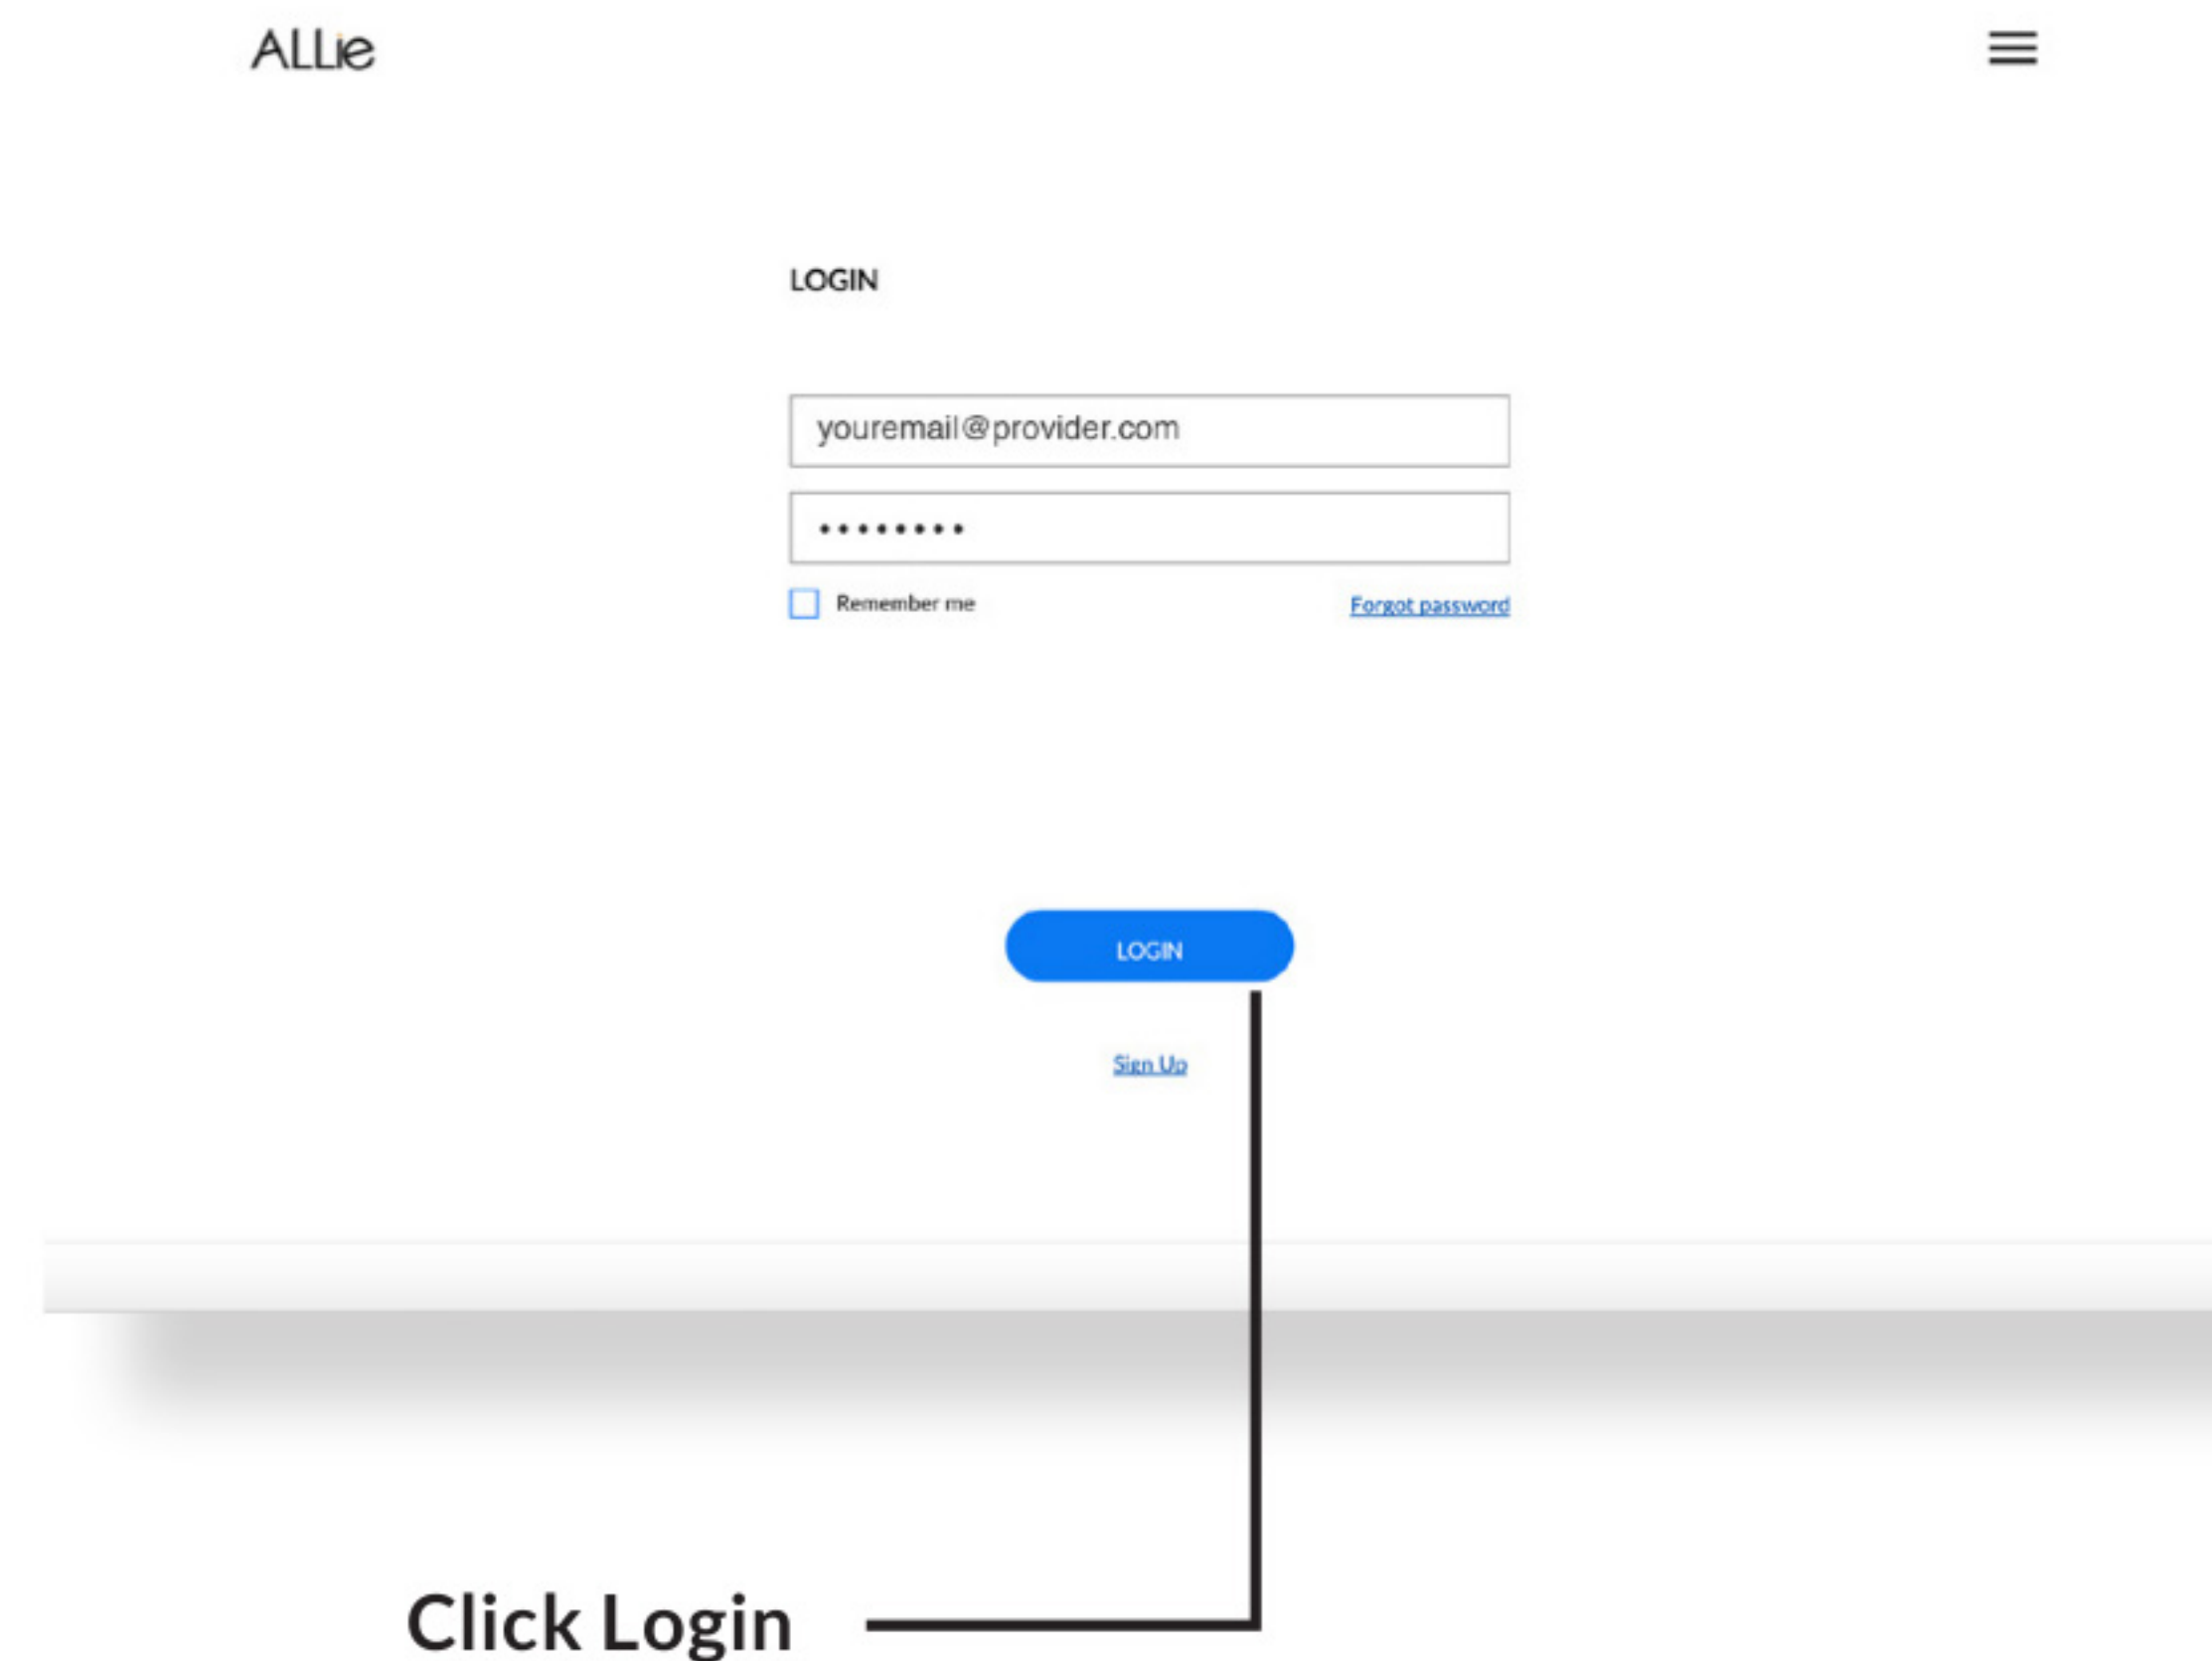

Hello [you@email@provider.com](mailto:you@email@provider.com)!

To finish activating your account - please visit [https://staging.alliecam.com/register/confirm/hmHmz39F53cD2iaK45JeSFPW\\_wyfZzyLUWPz0UGaiDo](https://staging.alliecam.com/register/confirm/hmHmz39F53cD2iaK45JeSFPW_wyfZzyLUWPz0UGaiDo)

## Login & Confirm

Once you click on the Confirmation Link your browser will load the Login screen at ALLiecam.com. Enter the your login credentials and then click on the **LOGIN** button in blue.

Once you are logged in you will receive a message notifying you that your account has been confirmed.

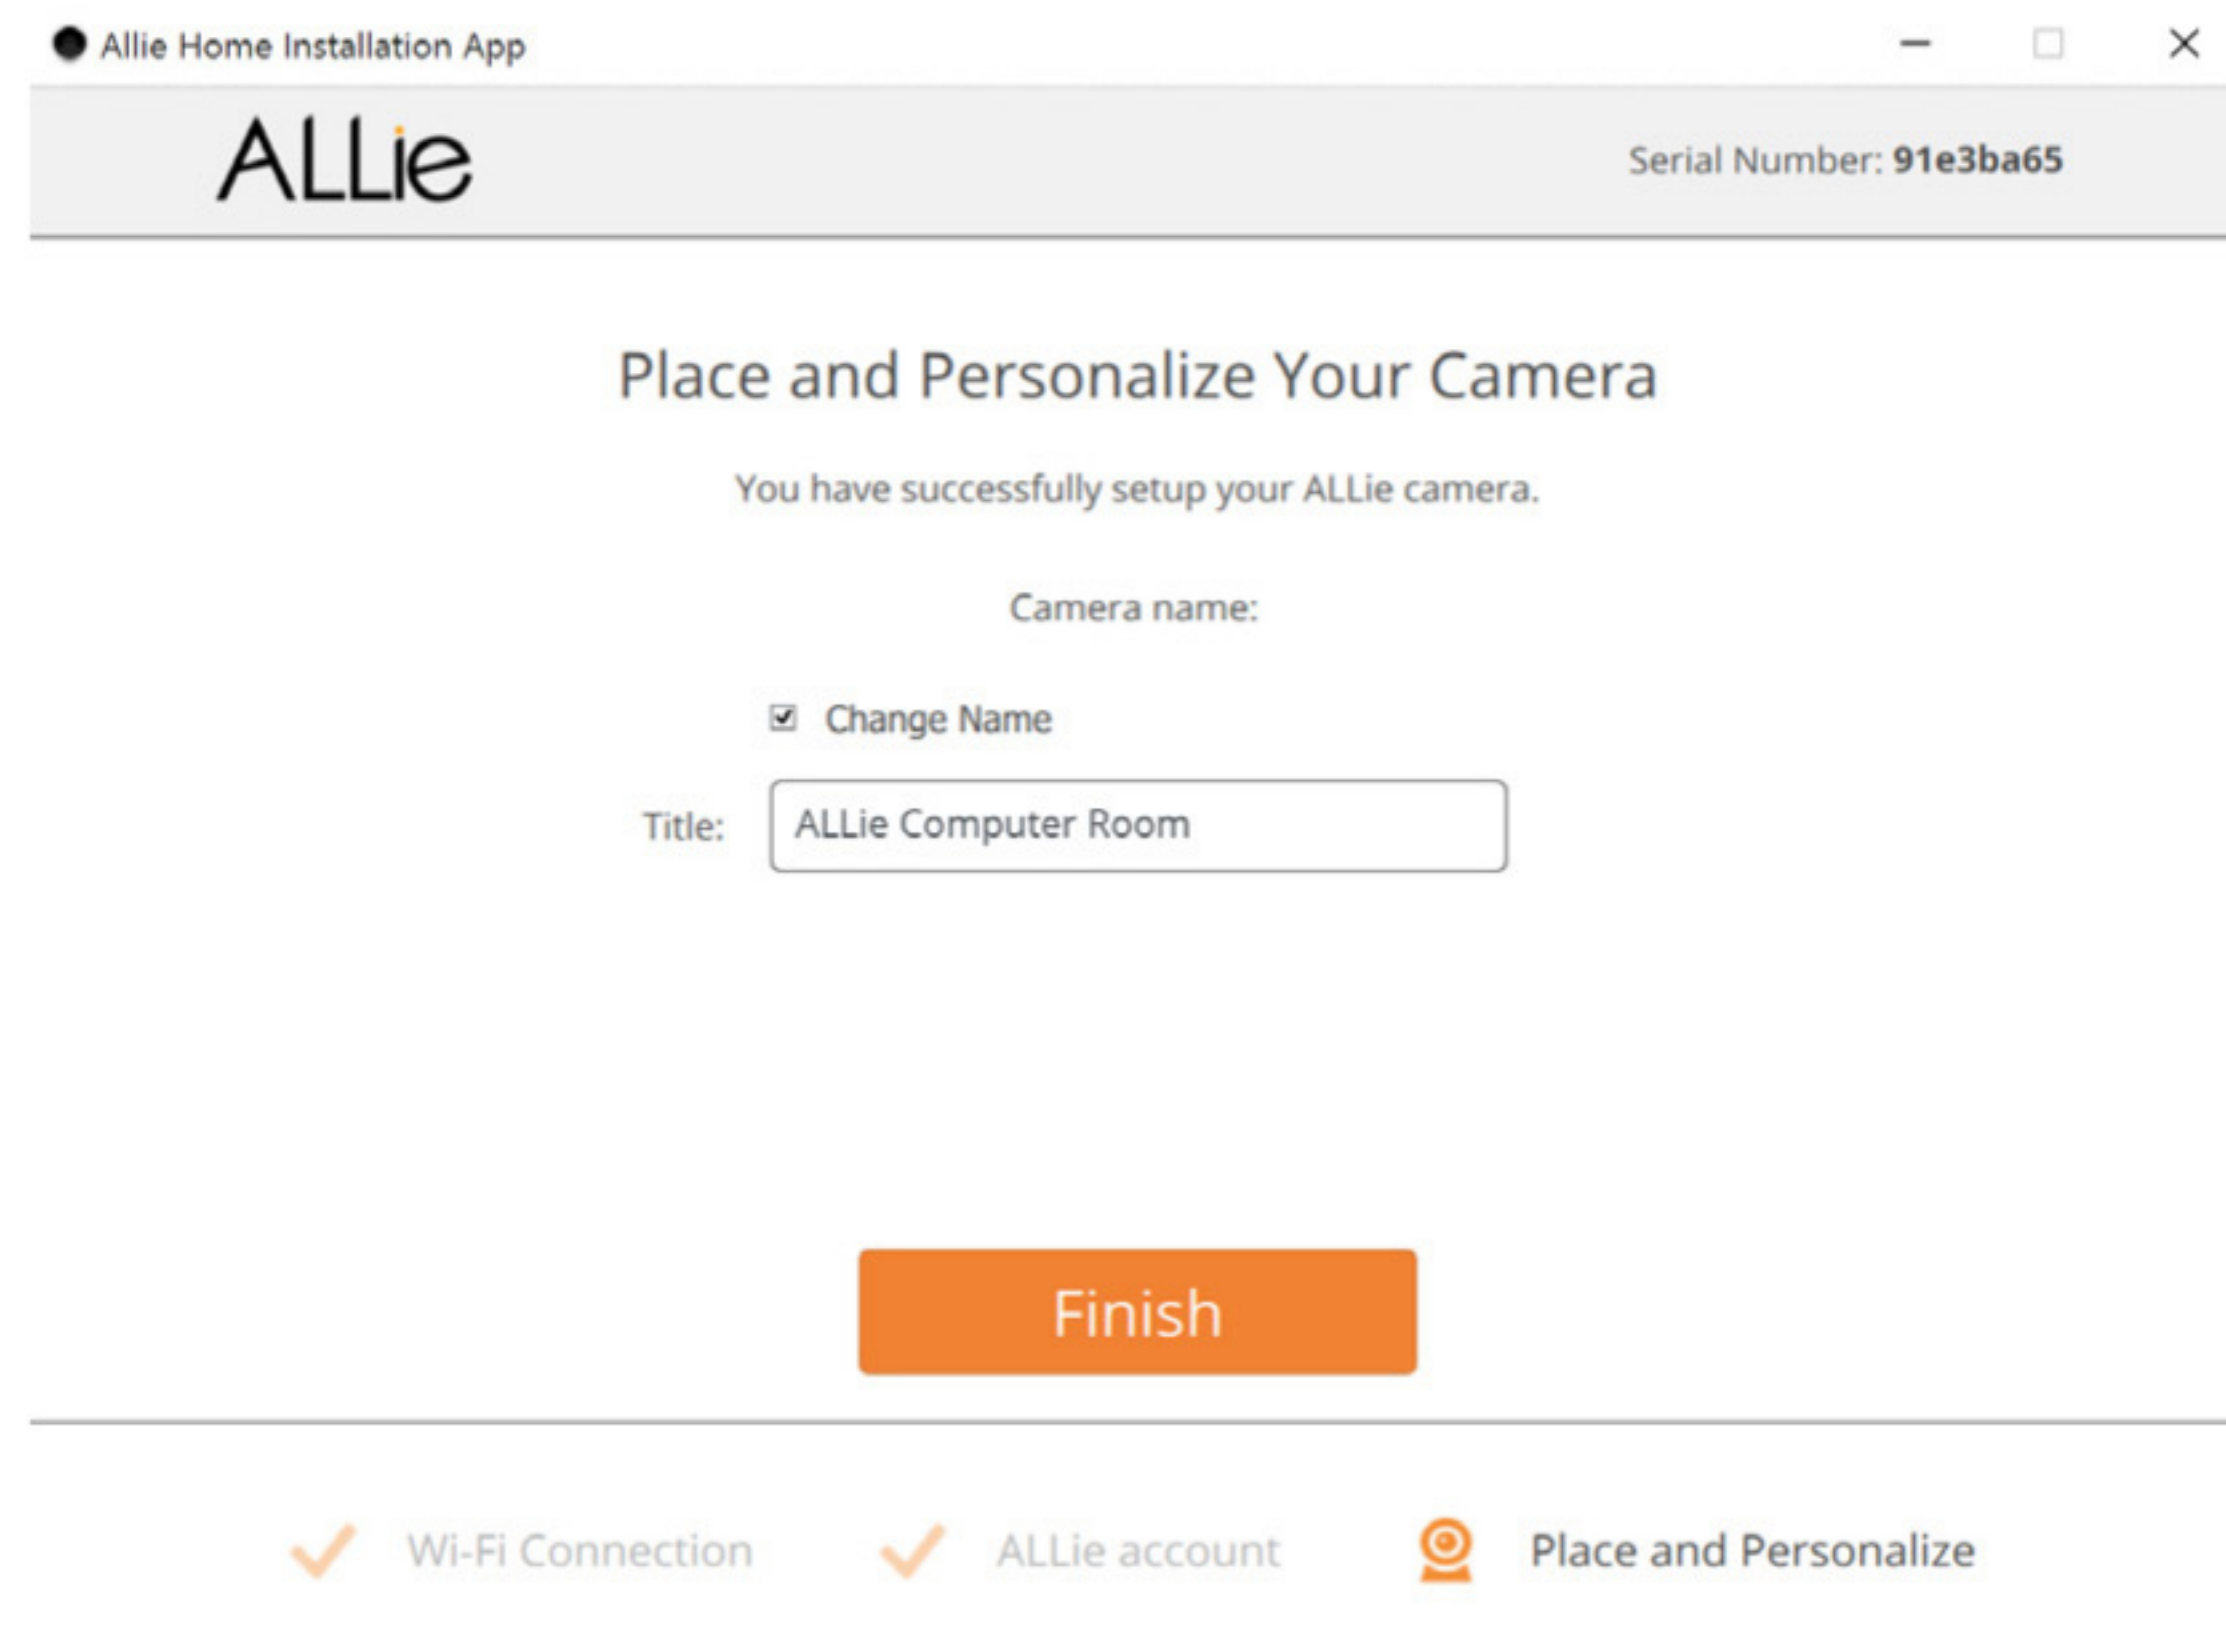

## Name Your ALLie Home

Go back to the ALLie Home Application window now and continue the installation process.

Check off the **Change Name** box and then enter your new ALLie Home name in the field below it.

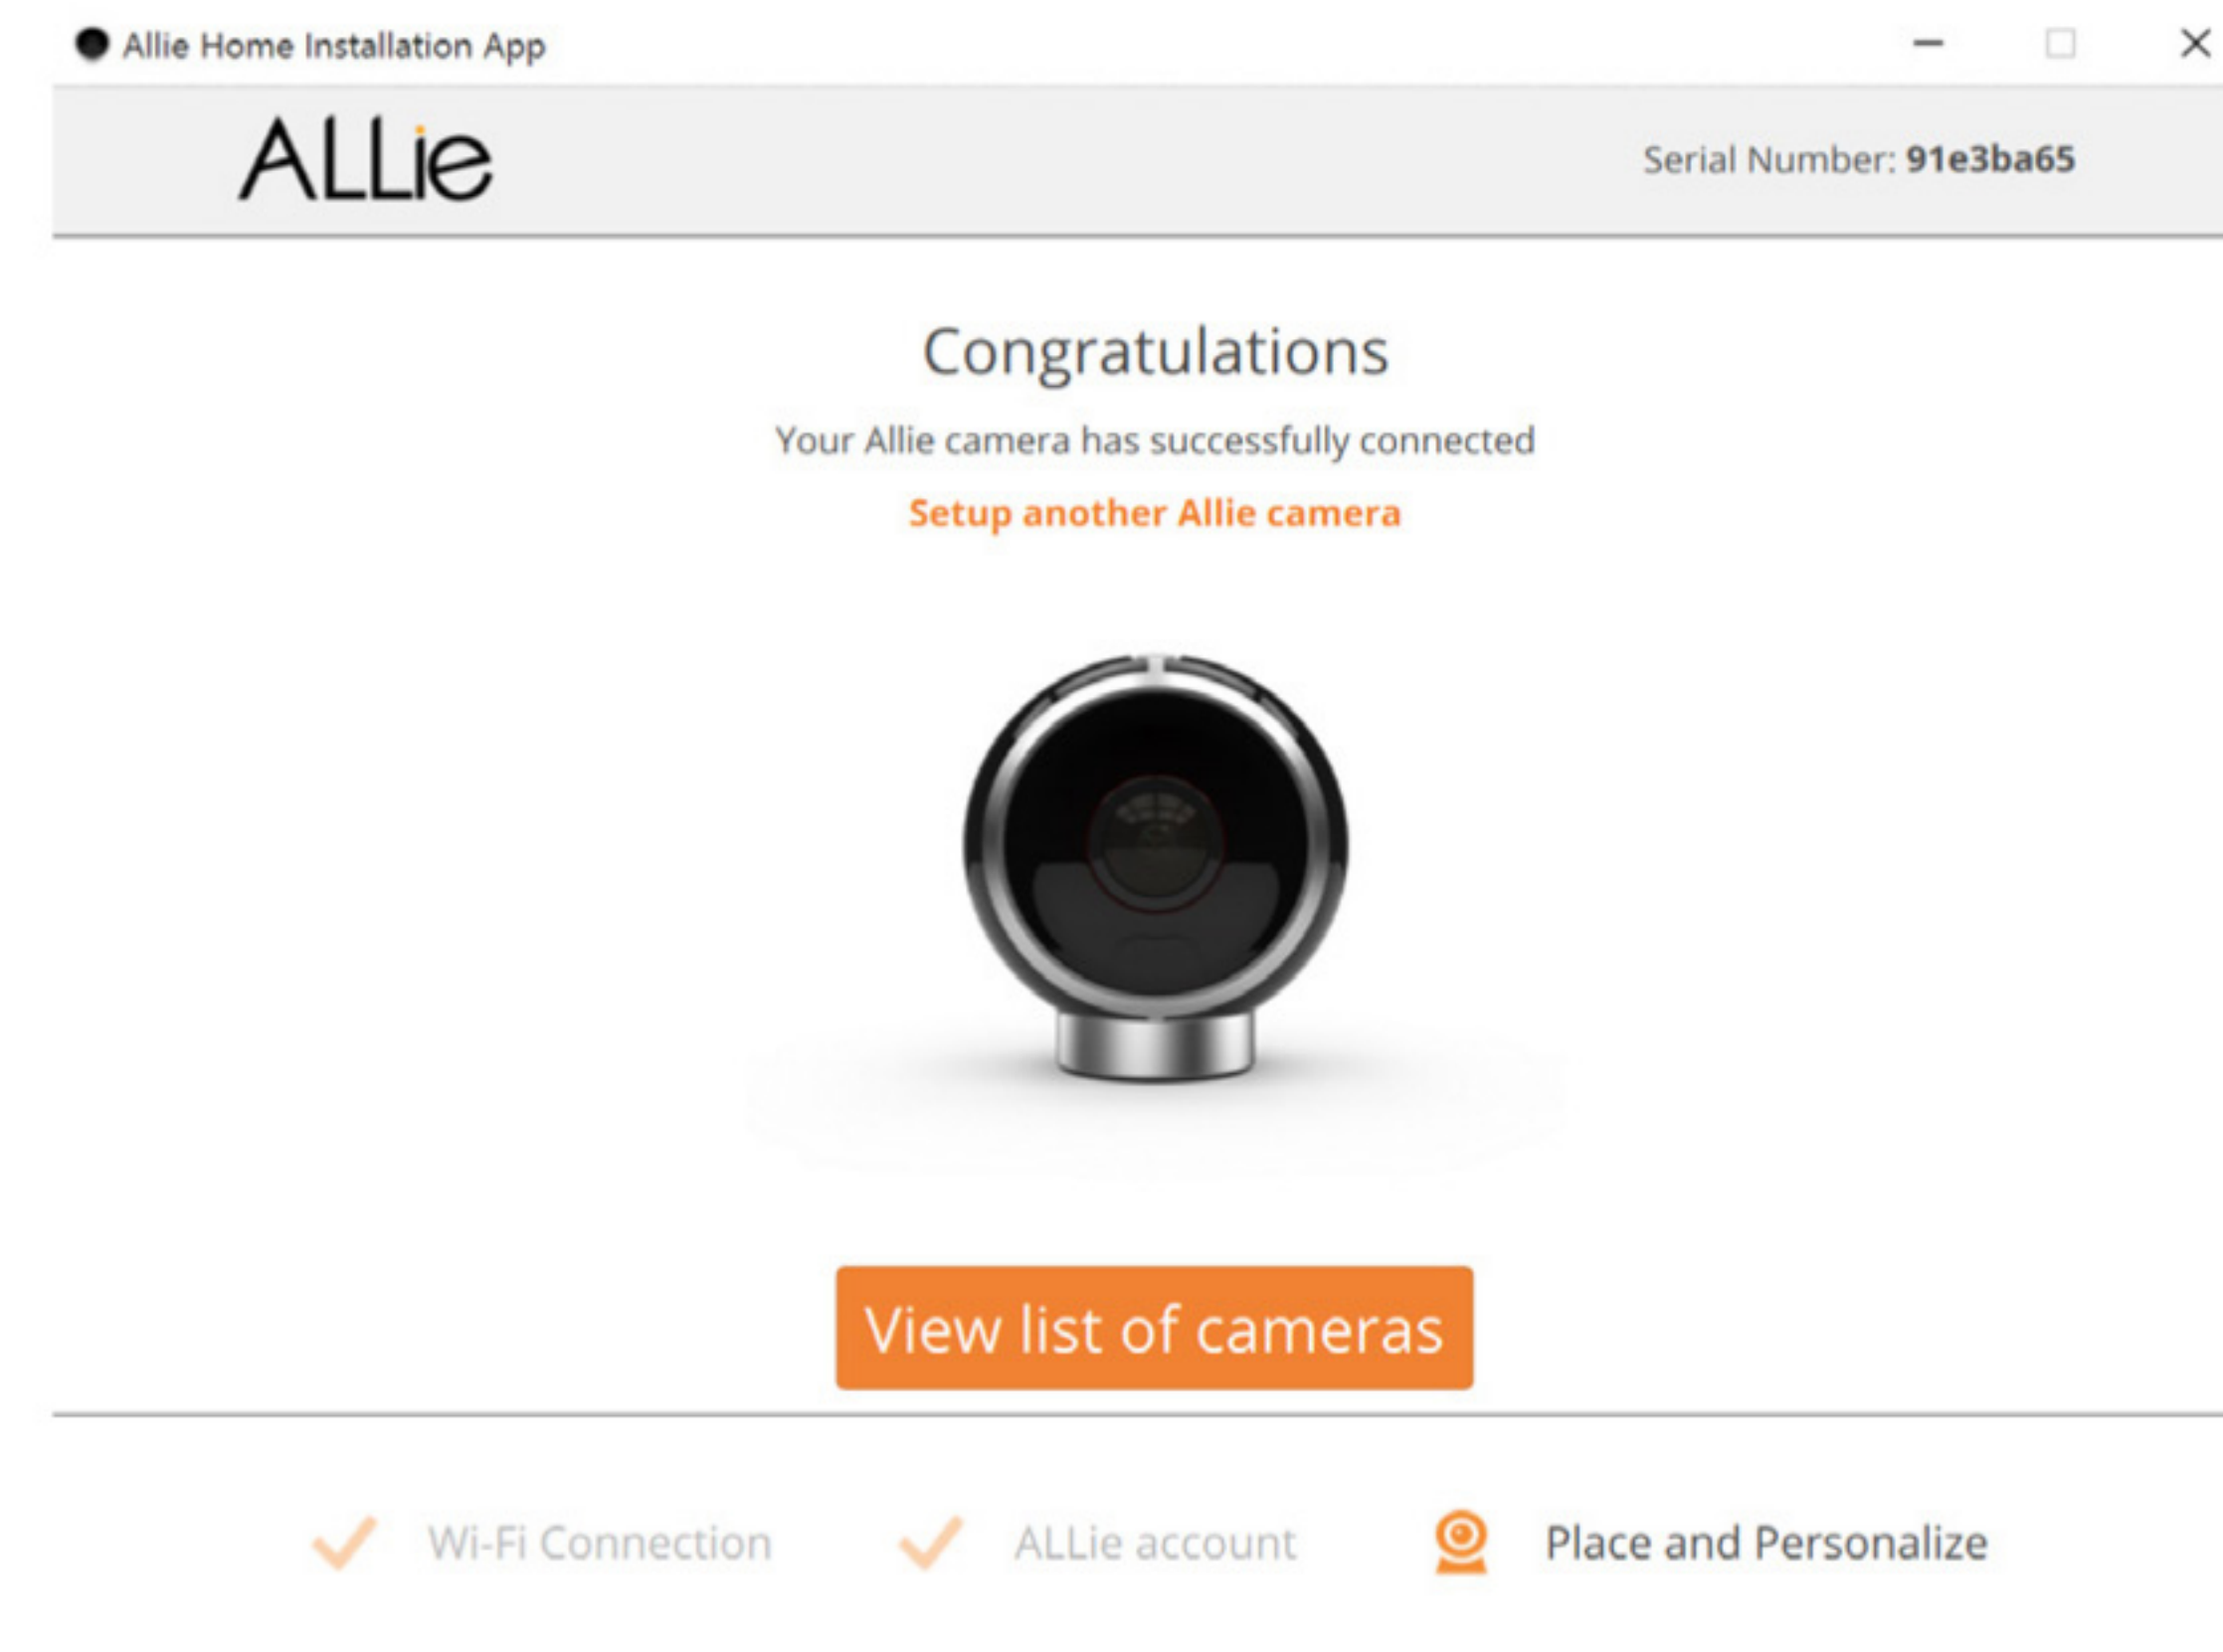

Click on **Finish** to complete the setup.

The screenshot shows the 'Place and Personalize Your Camera' screen in the ALLie Home Installation App. The window title is 'ALLie Home Installation App' and the serial number is '91e3ba65'. The main heading is 'Place and Personalize Your Camera' with a sub-message: 'You have successfully setup your ALLie camera.' Below this, there is a 'Camera name:' label, a checked 'Change Name' checkbox, and a text input field containing 'ALLie Computer Room'. An orange 'Finish' button is centered at the bottom. A progress bar at the very bottom shows three steps: 'Wi-Fi Connection' (checked), 'ALLie account' (checked), and 'Place and Personalize' (active, indicated by a target icon).

## Congratulations!

You have successfully setup your ALLie Home!

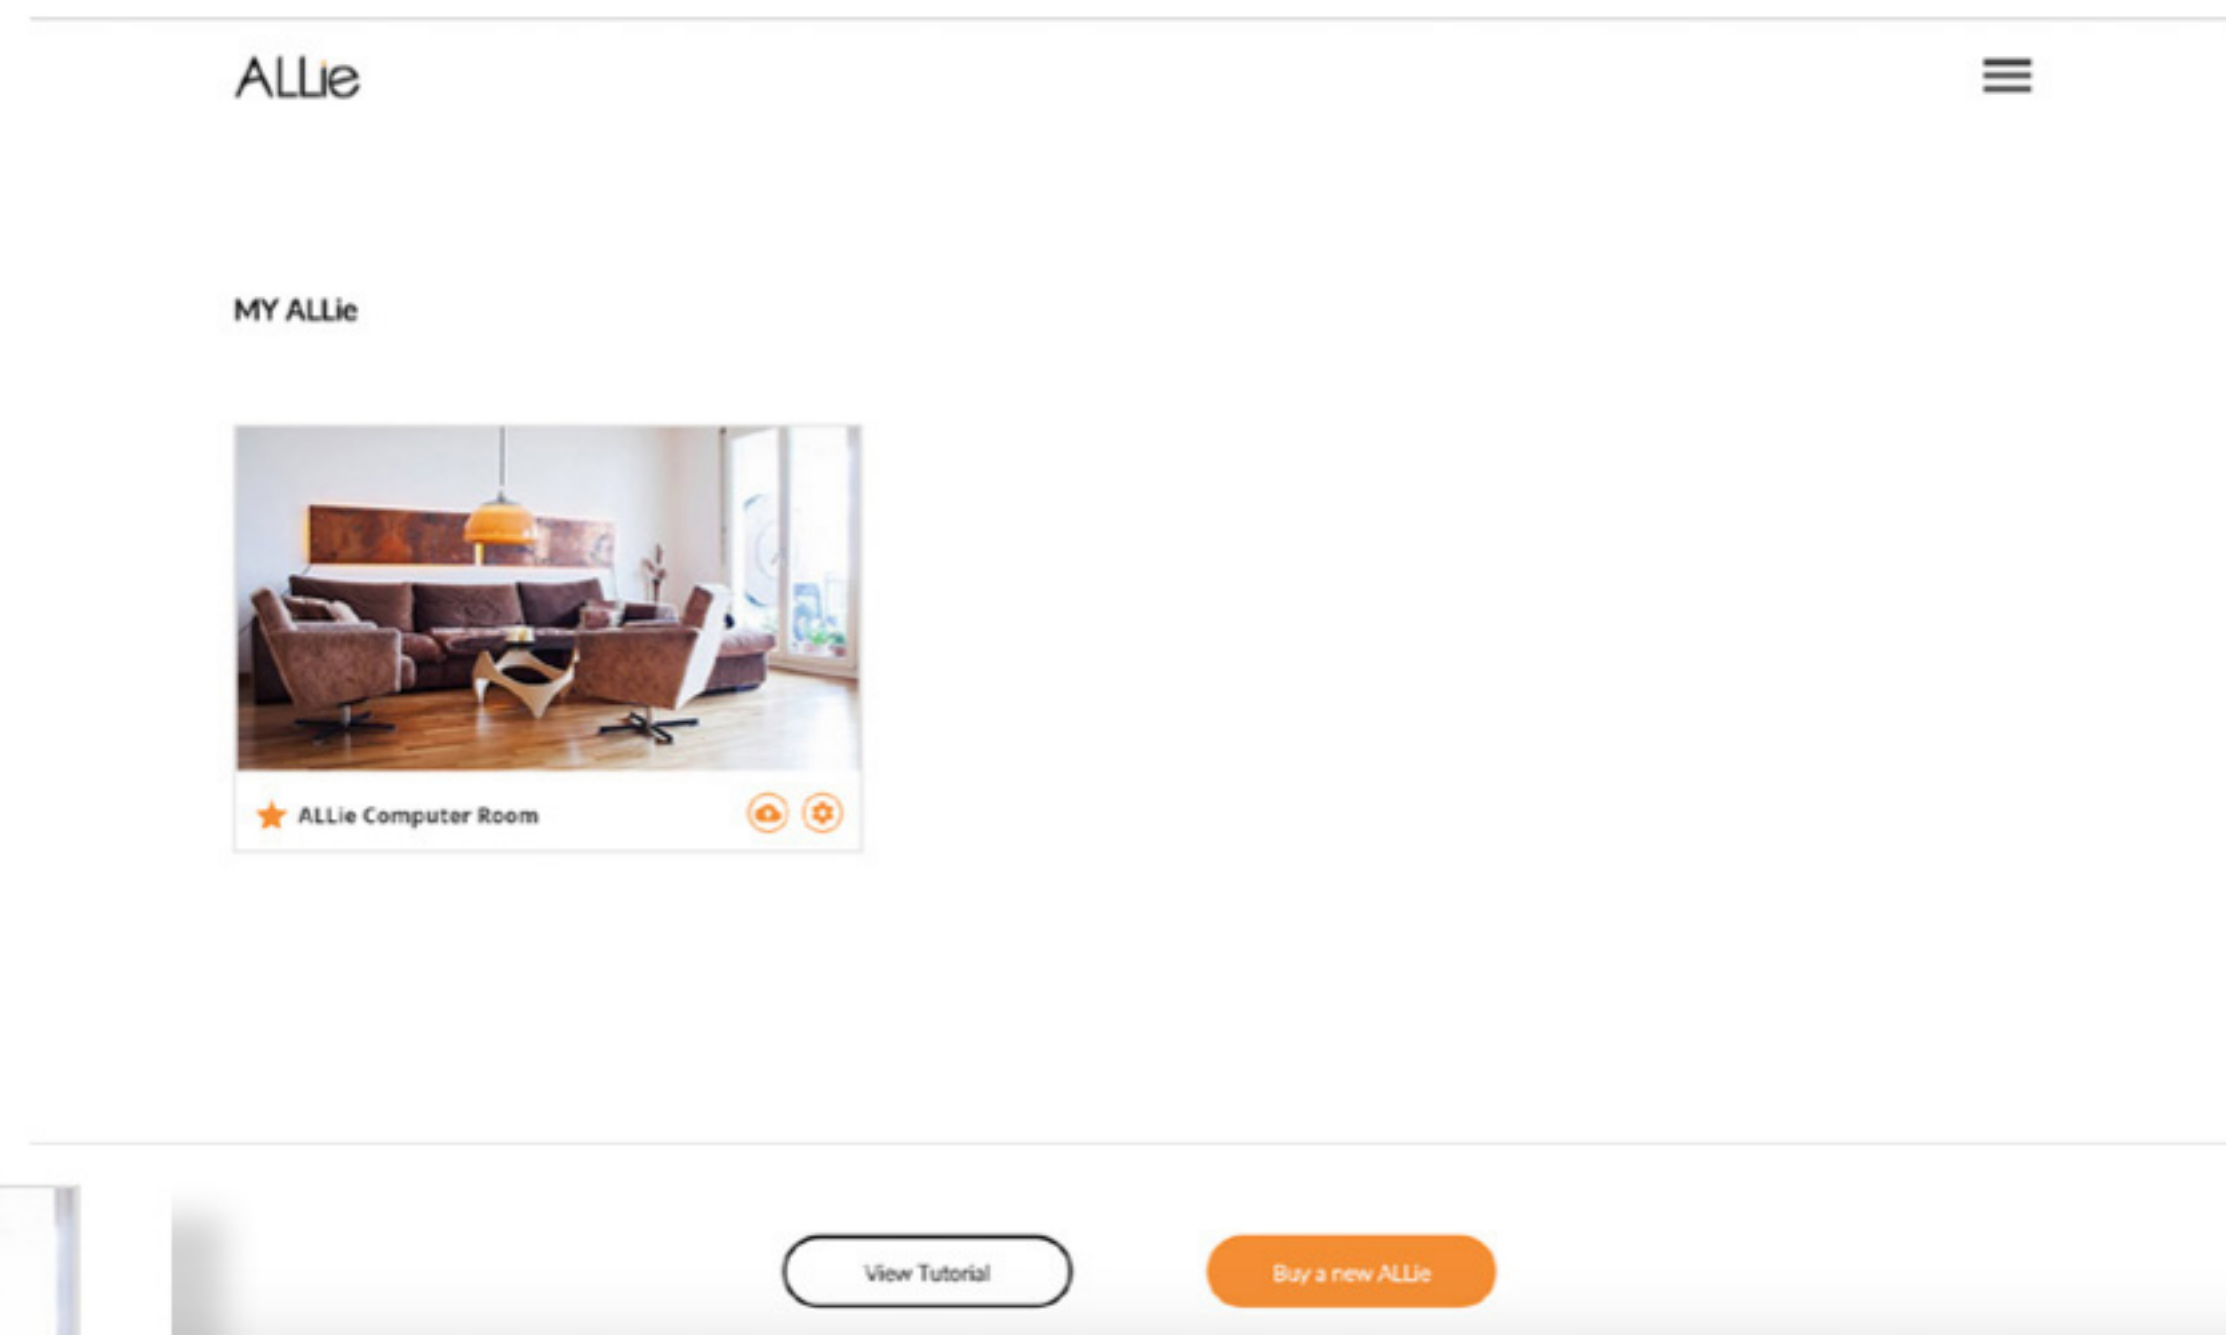

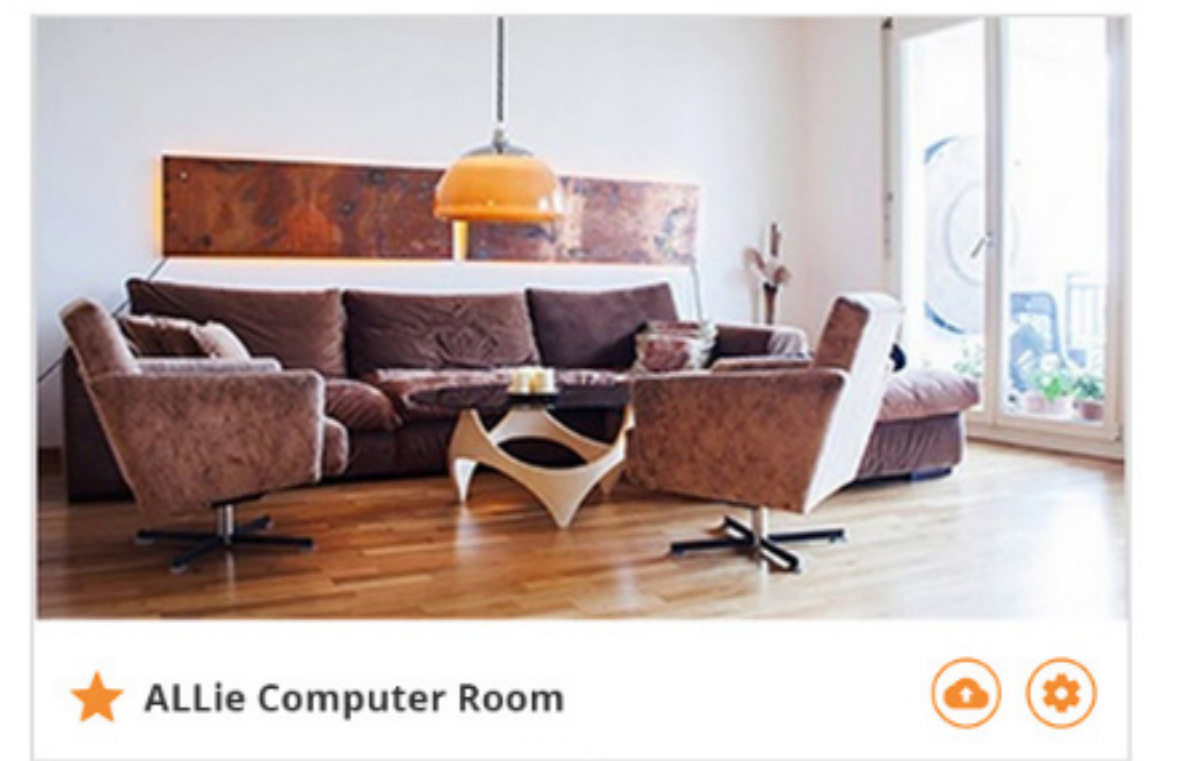

The screenshot shows the 'Congratulations' screen in the ALLie Home Installation App. The window title is 'ALLie Home Installation App' and the serial number is '91e3ba65'. The main heading is 'Congratulations' with a sub-message: 'Your Allie camera has successfully connected'. Below this, there is a link 'Setup another Allie camera' and a large image of the ALLie camera. An orange button labeled 'View list of cameras' is positioned below the camera image. A progress bar at the bottom shows three steps: 'Wi-Fi Connection' (checked), 'ALLie account' (checked), and 'Place and Personalize' (active, indicated by a target icon).

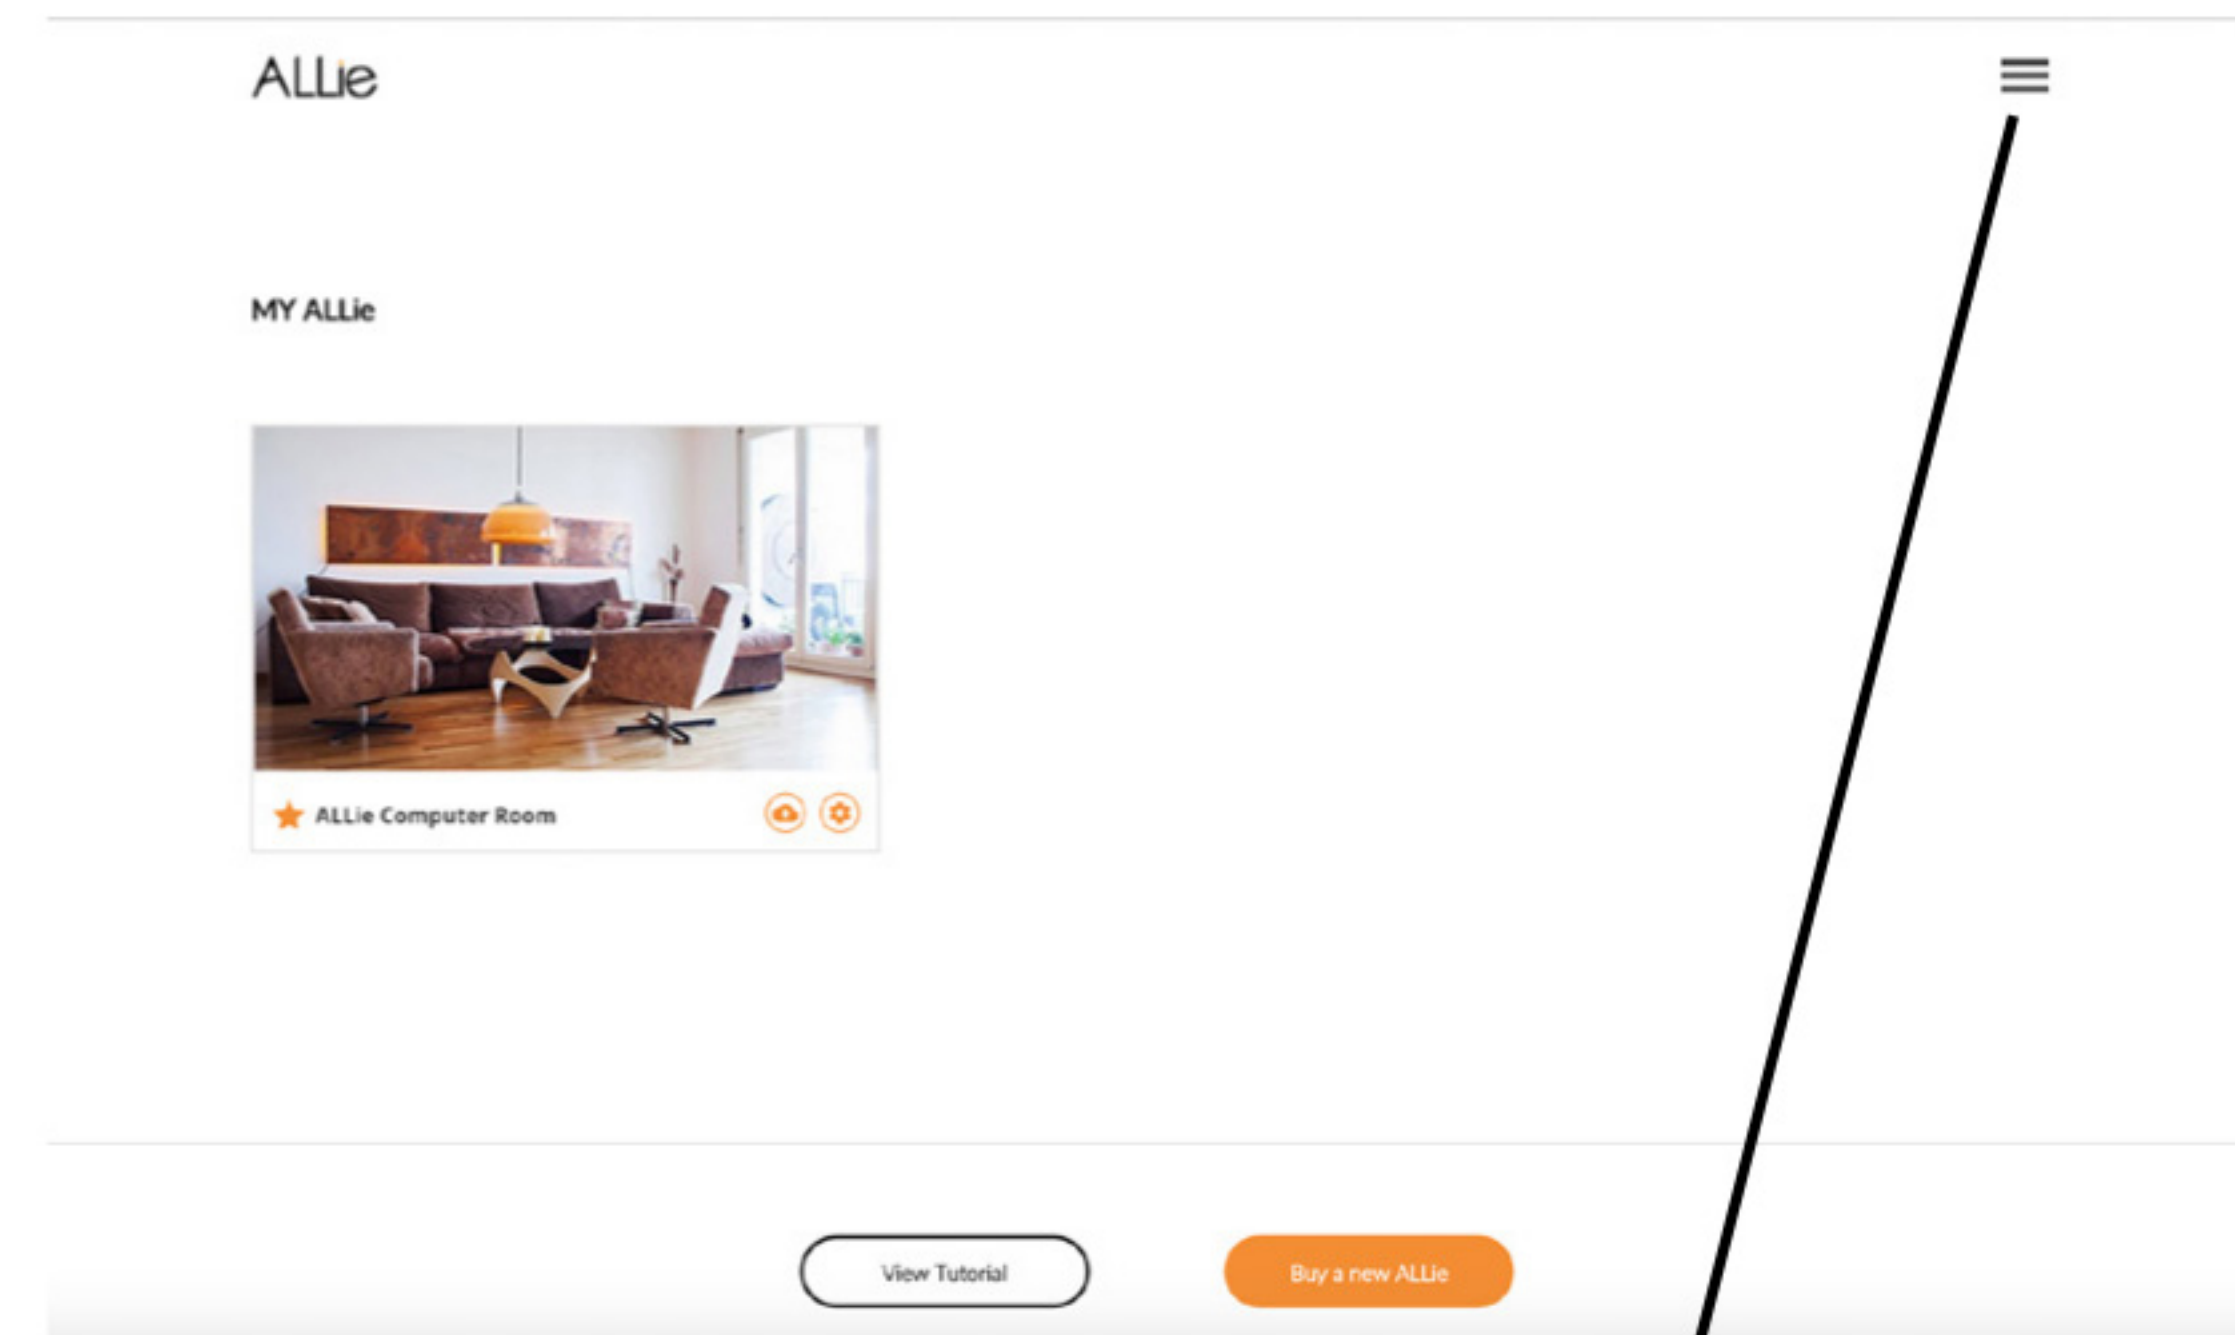

## My ALLie Web Interface

This is your My ALLie dashboard in a web browser. From here you can double click on the thumbnail image to launch the Live View of the ALLie Home feed.

## My ALLies Menu

From the navigation menu you will be able to access the **MY ALLie**, **ACCOUNT**, and **HELP** pages.

Record every 48 hours of footage  
Record every 72 hours of footage  
Customize your plan to your needs

## SO YOU WANT TO **MOUNT THE ALLie Home?**

If desired, the base of the ALLie Home can be adapted for your wall or ceiling.

### **Tools Required:**

You will need a Power Drill, 5/16" Drill Bit & a Phillips-Head Screw Driver (small).

- Begin by locating an optimal viewing position for the camera.
- Be sure that a wall socket is within reach of the power brick.

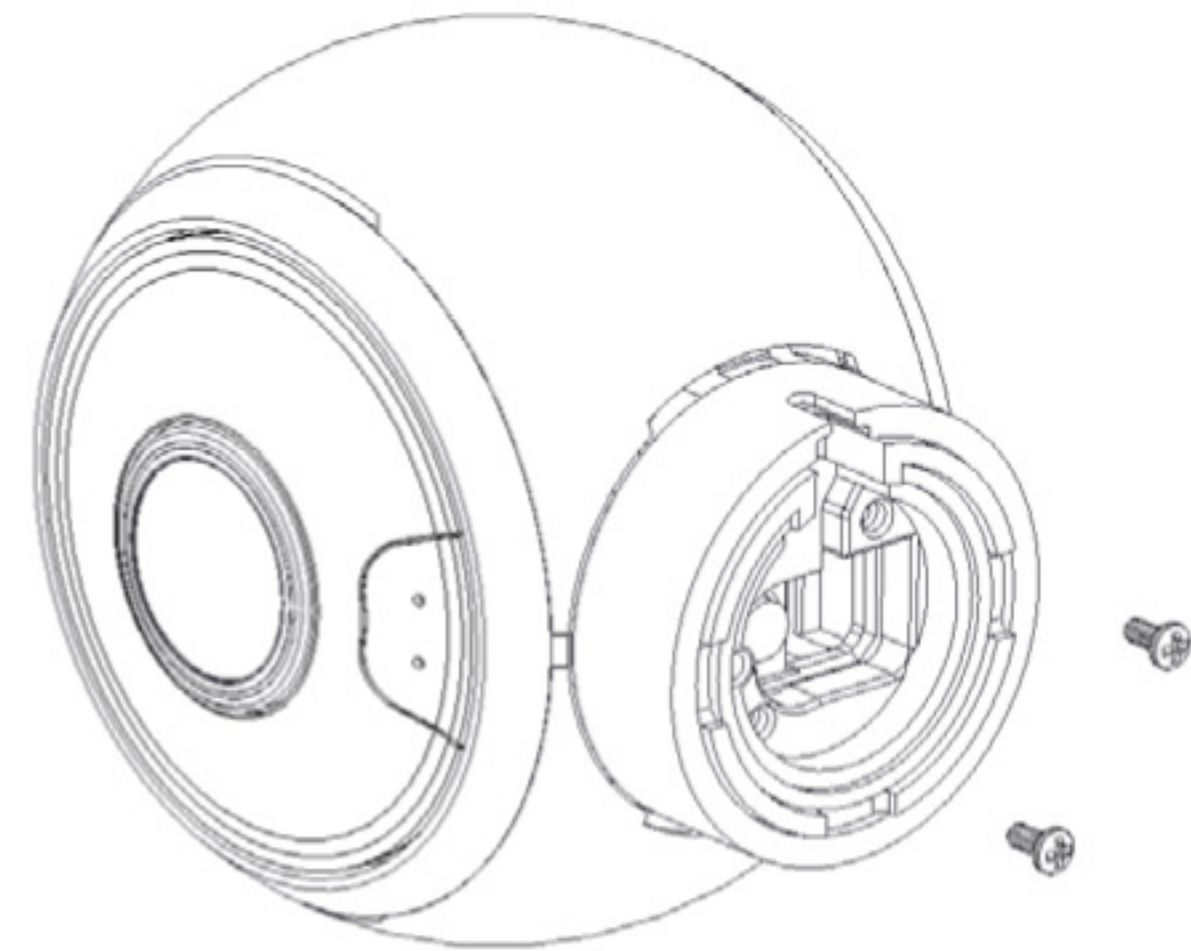

*Note: If mounting the ALLie Home with lenses pointing towards the ceiling and the ground be sure to have the side with the microphone pointing towards the ground.*

# FIND A WALL!

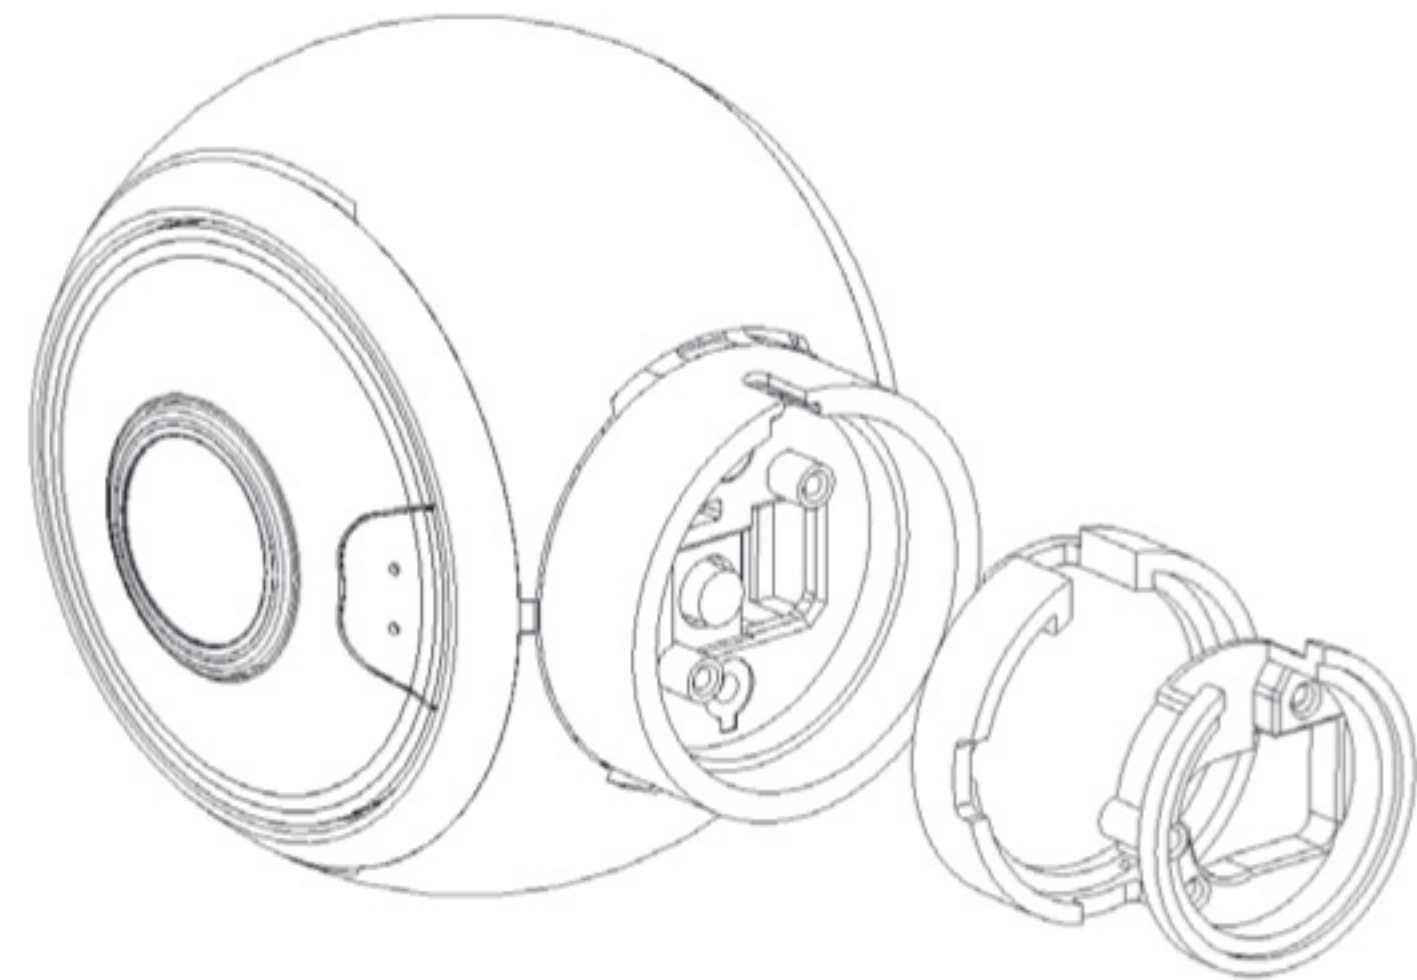

## STEP 1:

Remove screws from the bottom of the camera with a small phillips screw driver.

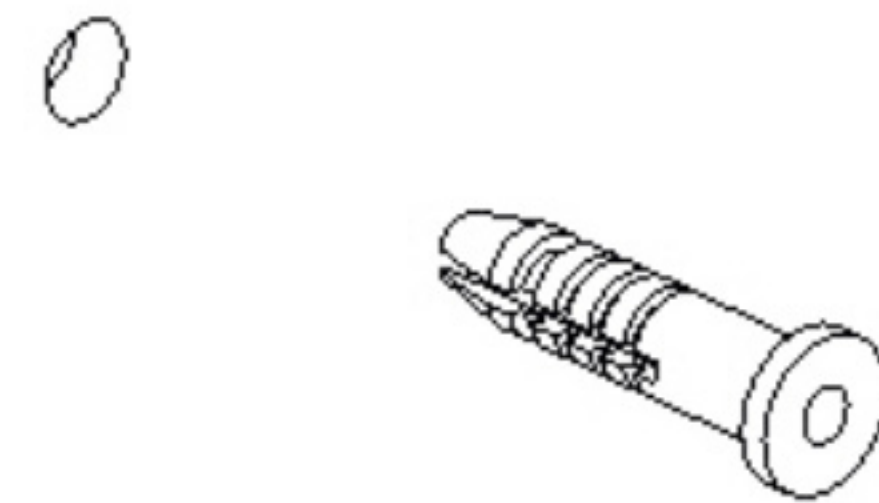

## STEP 2:

Remove Rubber Foot and Retainer and save for Table Mounting.

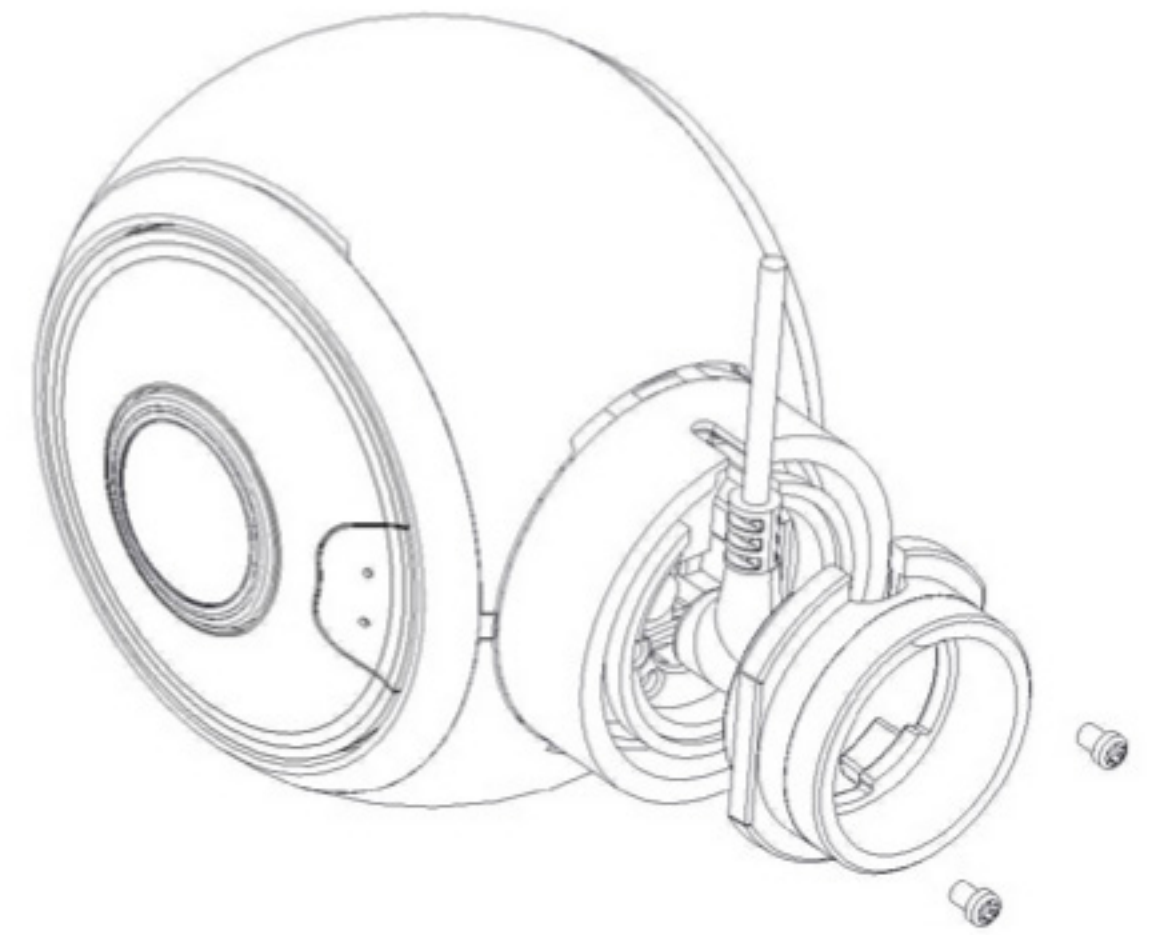

## STEP 3:

Drill a 5/16 inch hole where camera is to be positioned. Insert wall Anchor.

## STEP 4:

Plug in power cord, and then use same screws to attach the Threaded Wall Mount Collar Base.

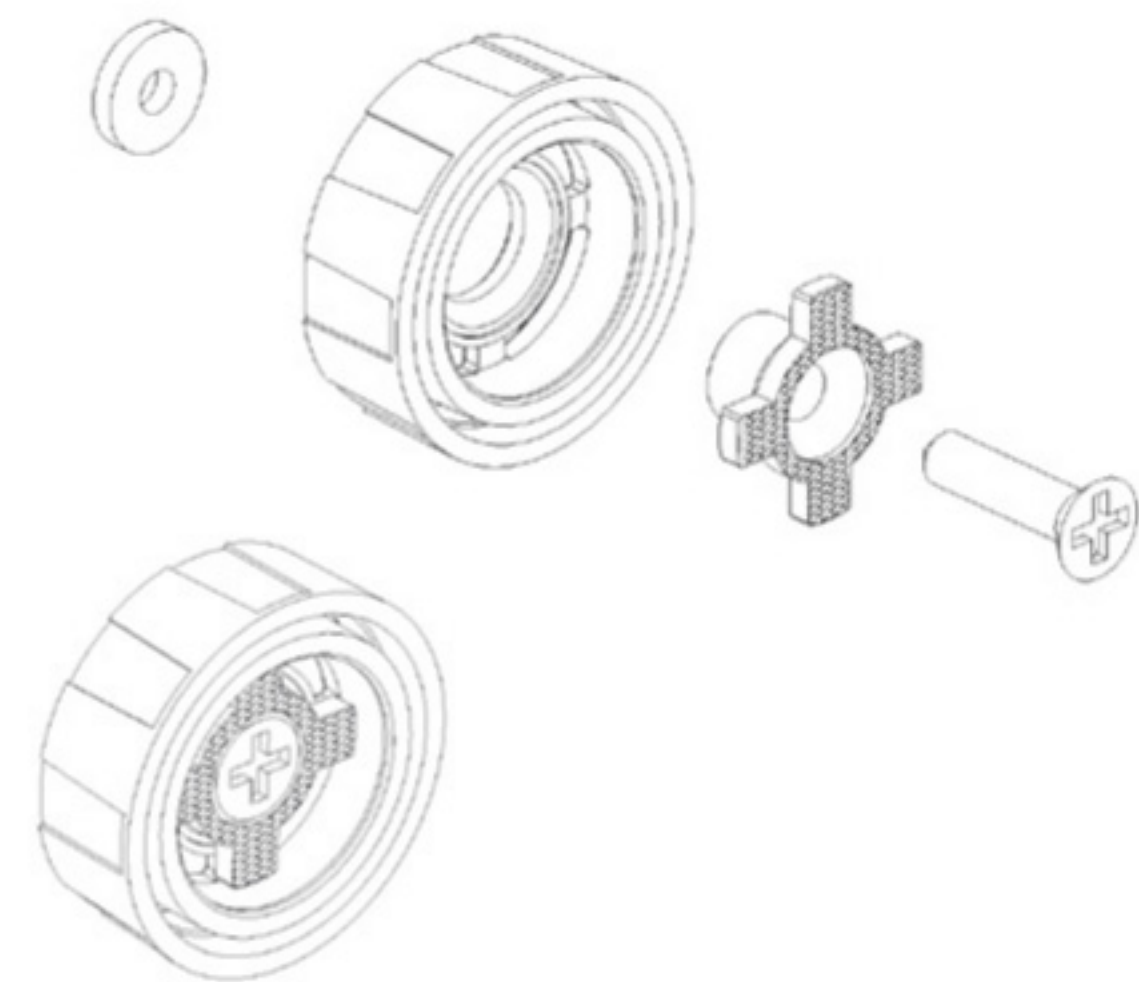

# ALMOST **DONE!**

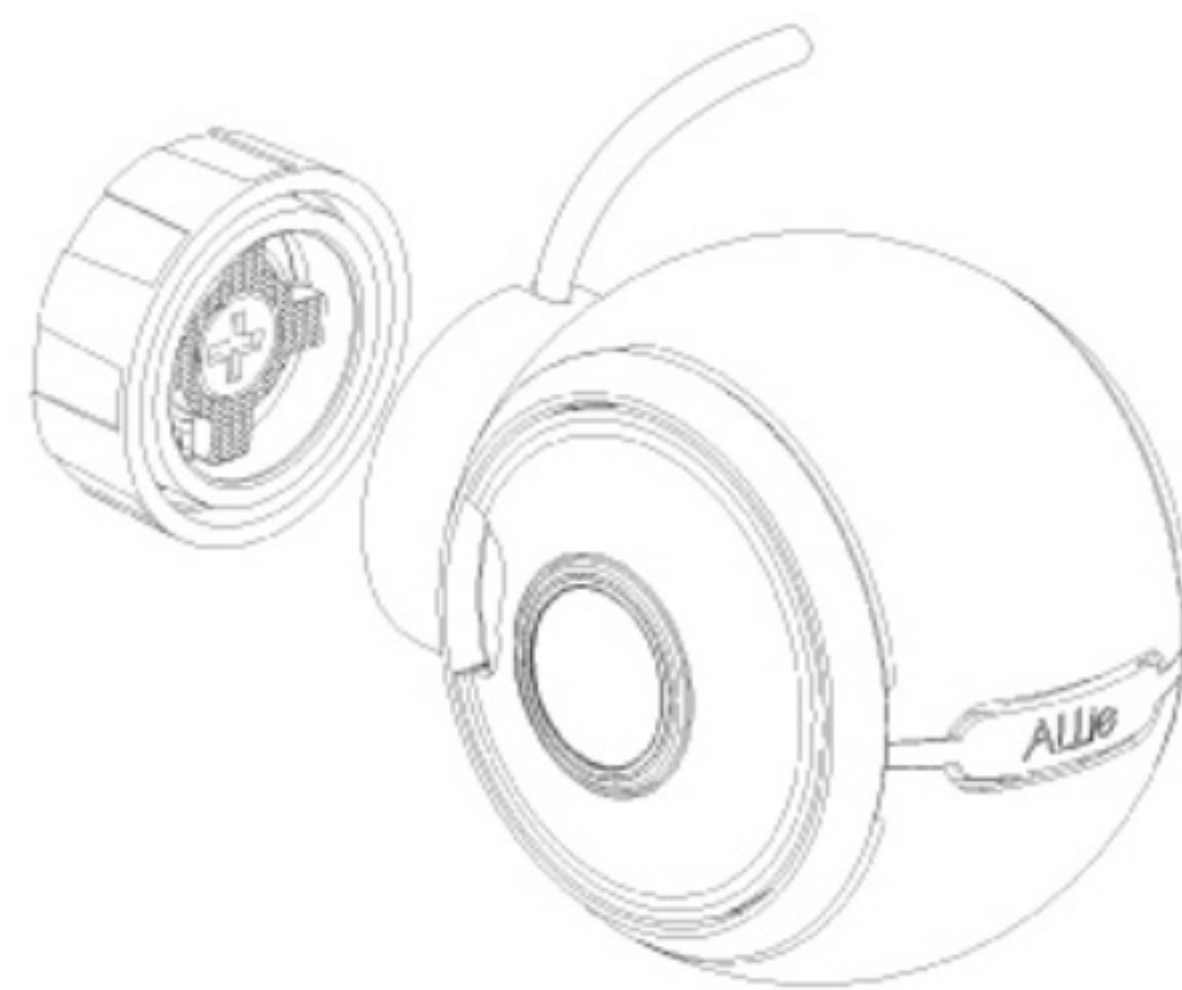

## STEP 5:

Attach Wall Mount Retainer and Collar with Screw as shown.

## STEP 6:

Position camera ,with power cord attached, over Collar. Rotate the Collar to attach the camera.

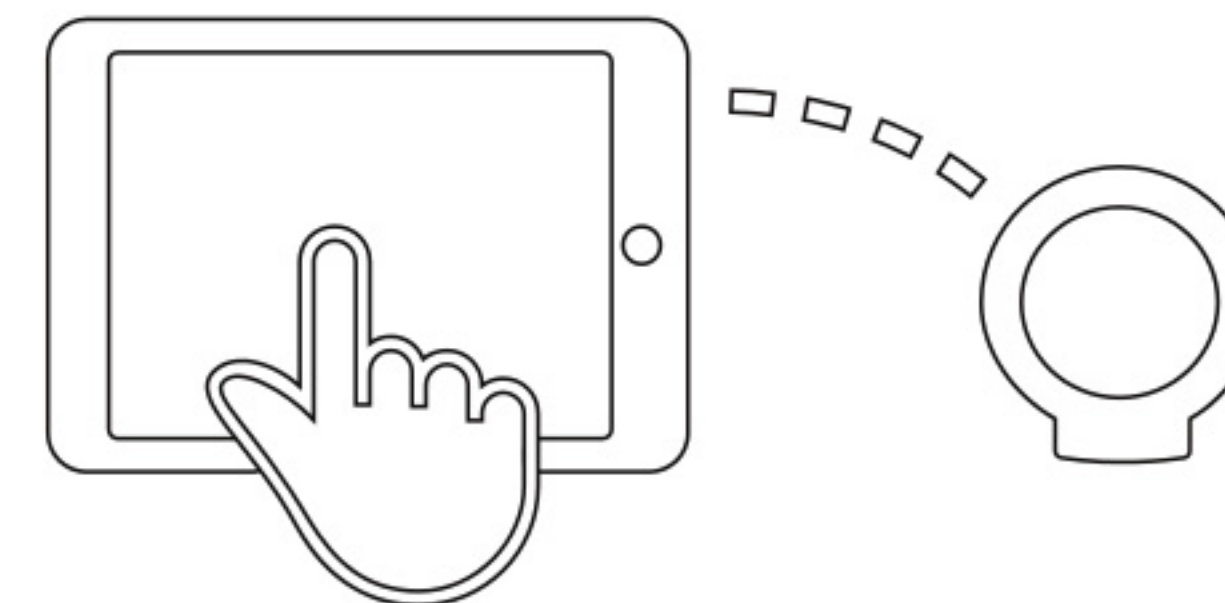

## STEP 7:

Position the camera for best viewing and tighten Collar. Do not use any tools to over tighten.

## STEP 8:

Check camera functionality.  
If the tablet or smart phone does not register please contact support:  
[Alliecam.com/Support](http://Alliecam.com/Support)

# LET'S TALK **WARRANTY**

## Limited Warranty Camera

IC Real Tech, Inc.

### Limited Warranty

THIS LIMITED WARRANTY CONTAINS IMPORTANT INFORMATION ABOUT YOUR RIGHTS AND OBLIGATIONS, AS WELL AS LIMITATIONS AND EXCLUSIONS THAT MAY APPLY TO YOU.

#### 1. WHAT THIS LIMITED WARRANTY COVERS; PERIOD OF COVERAGE

2. IC Real Tech, Inc. 3050 N Andrews Ave Pompano Beach FL 33064USA, warrants to the owner of the enclosed product that the product contained in this box (“Product”) will be free from defects in materials and workmanship for a period of three (3) years from the date of delivery following the original retail purchase (the “Warranty Period”). If the Product fails to conform to this Limited Warranty during the Warranty Period, IC Real Tech will, at its sole discretion, either (a) repair or replace any defective Product or component; or (b) accept the return of the Product and refund the money actually paid by the original purchaser for the Product. Repair or replacement may be made with a new or refurbished product or components, at IC Real Tech’s sole discretion. If the Product or a component incorporated within it is no longer available, IC Real Tech may, at IC Real Tech’s sole discretion, replace the Product with a similar product of similar function. This is your sole and exclusive remedy for breach of this Limited Warranty. Any Product that has either been repaired or replaced under this Limited Warranty will be covered by the terms of this Limited Warranty for the longer of (a) ninety (90) days from the date of delivery of the repaired Product or replacement Product, or (b) the remaining Warranty Period. This Limited Warranty is transferable from the original purchaser to subsequent owners, but the Warranty Period will not be extended in duration or expanded in coverage for any such transfer.

#### 3. TOTAL SATISFACTION RETURN POLICY

4. If you are the original purchaser of the Product and you are not satisfied with this Product for any reason, you may return it in its original condition within thirty (30) days of the original purchase and receive a full refund.

#### 5. WARRANTY CONDITIONS; HOW TO GET SERVICE IF YOU WANT TO CLAIM UNDER THIS LIMITED WARRANTY

6. Before making a claim under this Limited Warranty, the owner of the Product must (a) notify IC Real Tech of the intention to claim by visiting [icrealtech.com](http://icrealtech.com) during the Warranty Period and providing a description of the alleged failure, and (b) comply with IC Real Tech’s return shipping instructions. IC Real Tech will have no warranty obligations with respect to a returned Product if it determines, in its reasonable discretion after examination of the returned Product, that the Product is an Ineligible Product (defined below). IC Real Tech will bear all costs of return shipping to owner and will reimburse any shipping costs incurred by the owner, except with respect to any Ineligible Product, for which owner will bear all shipping costs.

#### 7. WHAT THIS LIMITED WARRANTY DOES NOT COVER

8. This Limited Warranty does not cover the following (collectively “Ineligible Products”): Products marked as “sample” or “Not for Sale”, or sold “AS IS”; or Products that have been subject to: (a) modifications, alterations, tampering, or improper maintenance or repairs; (b) handling, storage, installation, testing, or use not in accordance with the User’s Guide, Placement Guidelines, or other instructions provided by IC Real Tech; (c) abuse or misuse of the Product; (d) breakdowns, fluctuations, or interruptions in electric power or the telecommunications network; or (e) Acts of God, including but not limited to lightning, flood, tornado, earthquake, or hurricane. This Limited Warranty does not cover consumable parts, including batteries, unless damage is due to defects in materials or workmanship of the Product, or software (even if packaged or sold with the product). IC Real Tech recommends that you use only authorized service providers for maintenance or repair. Unauthorized use of the Product or software can impair the Product’s performance and may invalidate this Limited Warranty.

#### 9. DISCLAIMER OF WARRANTIES

10. EXCEPT AS STATED ABOVE IN THIS LIMITED WARRANTY, AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IC REAL TECH DISCLAIMS ALL EXPRESS, IMPLIED, AND STATUTORY WARRANTIES AND CONDITIONS WITH RESPECT TO THE PRODUCT, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IC REAL TECH ALSO LIMITS THE DURATION OF ANY APPLICABLE IMPLIED WARRANTIES OR CONDITIONS TO THE DURATION OF THIS LIMITED WARRANTY.

#### 11. LIMITATION OF DAMAGES

12. IN ADDITION TO THE ABOVE WARRANTY DISCLAIMERS, IN NO EVENT WILL IC REAL TECH BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, EXEMPLARY, OR SPECIAL DAMAGES, INCLUDING ANY DAMAGES FOR LOST DATA OR LOST PROFITS, ARISING FROM OR RELATING TO THIS LIMITED WARRANTY OR THE PRODUCT, AND IC REAL TECH’S TOTAL CUMULATIVE LIABILITY ARISING FROM OR RELATED TO THIS LIMITED WARRANTY OR THE PRODUCT WILL NOT EXCEED THE AMOUNT ACTUALLY PAID FOR THE PRODUCT BY THE ORIGINAL PURCHASER.

#### 13. LIMITATION OF LIABILITY

14. THE IC REAL TECH ONLINE SERVICES (“SERVICES”) PROVIDE YOU INFORMATION (“PRODUCT INFORMATION”) REGARDING YOUR IC REAL TECH PRODUCTS OR OTHER PERIPHERALS CONNECTED TO YOUR PRODUCTS (“PRODUCT PERIPHERALS”). THE

TYPE OF PRODUCT PERIPHERALS THAT MAY BE CONNECTED TO YOUR PRODUCT MAY CHANGE FROM TIME TO TIME. WITHOUT LIMITING THE GENERALITY OF THE DISCLAIMERS ABOVE, ALL PRODUCT INFORMATION IS PROVIDED FOR YOUR CONVENIENCE, “AS IS”, AND “AS AVAILABLE”. IC REAL TECH DOES NOT REPRESENT, WARRANT, OR GUARANTEE THAT PRODUCT INFORMATION WILL BE AVAILABLE, ACCURATE, OR RELIABLE OR THAT PRODUCT INFORMATION OR USE OF THE SERVICES OR PRODUCT WILL PROVIDE SAFETY IN YOUR HOME. YOU USE ALL PRODUCT INFORMATION, THE SERVICES, AND THE PRODUCT AT YOUR OWN DISCRETION AND RISK. YOU WILL BE SOLELY RESPONSIBLE FOR (AND IC REAL TECH DISCLAIMS) ANY AND ALL LOSS, LIABILITY, OR DAMAGES, INCLUDING TO YOUR WIRING, FIXTURES, ELECTRICITY, HOME, PRODUCT, PRODUCT PERIPHERALS, COMPUTER, MOBILE DEVICE, AND ALL OTHER ITEMS AND PETS IN YOUR HOME, RESULTING FROM YOUR USE OF THE PRODUCT INFORMATION, SERVICES, OR PRODUCT. PRODUCT INFORMATION PROVIDED BY THE SERVICES IS NOT INTENDED AS A SUBSTITUTE FOR DIRECT MEANS OF OBTAINING THE INFORMATION. FOR EXAMPLE, A NOTIFICATION PROVIDED THROUGH THE SERVICE IS NOT INTENDED AS A SUBSTITUTE FOR AUDIBLE AND VISIBLE INDICATIONS IN THE HOME AND ON THE PRODUCT, NOR FOR A THIRD PARTY MONITORING SERVICE THAT MONITORS ALARM STATE.

#### 15. YOUR RIGHTS AND THIS LIMITED WARRANTY

16. This Limited Warranty gives you specific legal rights. You may also have other legal rights that vary by state, province, or jurisdiction. Likewise, some of the limitations in this Limited Warranty may not apply in certain states. The terms of this Limited Warranty will apply to the extent permitted by applicable law. For a full description of your legal rights you should refer to the laws applicable in your jurisdiction and you may wish to contact a relevant consumer advisory service.

#### FCC Regulations:

##### § 15.19 (a)(3)

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

##### § 15.21

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

##### § 15.105 (b)

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

#### FCC Regulations:

##### § 15.407 (e)

Operation on the 5.15-5.25 GHz frequency band is restricted to indoor use only. The FCC requires indoor use for the 5.15-5.25 GHz band to reduce the potential for harmful interference to co-channel Mobile Satellite Systems.

#### FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

#### Regulaciones de la FCC:

##### § 15.19 (a) (3)

Este dispositivo cumple con la parte 15 de las normas de la FCC. La operación está sujeta a las dos condiciones siguientes: (1) Este dispositivo no puede causar interferencias perjudiciales y (2) este dispositivo debe aceptar cualquier interferencia recibida, incluyendo interferencias que puedan causar un funcionamiento no deseado.

##### § 15.21

Los cambios o modificaciones no aprobados expresamente por la parte responsable del cumplimiento podrían anular la autoridad del usuario para operar el equipo.

##### § 15.105 (b)

Este equipo ha sido probado y cumple con los límites para un dispositivo digital de Clase B, de acuerdo con la parte 15 de las normas FCC. Estos límites están diseñados para proporcionar una protección razonable contra interferencias perjudiciales en una instalación residencial. Este equipo genera, utiliza y puede irradiar energía de radiofrecuencia y, si no se instala y utiliza de acuerdo con las instrucciones, puede causar interferencias perjudiciales en las comunicaciones de radio. Sin embargo, no hay garantía de que no se produzcan interferencias recepción de televisión, que puede determinarse encendiéndolo y apagándolo, se recomienda al usuario que intente corregir la interferencia mediante una o más de las siguientes medidas:

- Reorientar o reubicar la antena receptora.
- Aumente la separación entre el equipo y el receptor.
- Conecte El equipo a una toma de corriente de un circuito diferente de aquel al que está conectado el receptor.
- Consultar Con el distribuidor o un experimentado técnico de radio / TV para obtener ayuda.

#### Regulaciones de la FCC:

##### § 15.407 (e)

Operación en la banda de frecuencia de 5,15 hasta 5,25 GHz está restringido a uso exclusivo en interiores. La FCC requiere el uso de interior de la banda de 5,15 a 5,25 GHz para reducir las posibles interferencias perjudiciales en canales Mobile Satellite Systems.

#### Radiación de la FCC Declaración de exposición:

Este equipo cumple con los límites de exposición a la radiación de la FCC establecidos para un ambiente no controlado. Este equipo debe ser instalado y operado a una distancia mínima 20 cm entre el radiador y su cuerpo.
