A decorative illustration featuring a central vertical line. To the right of this line, there are several stylized, swirling floral and vine motifs. These motifs consist of thick, black, curved lines that form loops and scrolls, interspersed with small, dark, teardrop-shaped leaves and clusters of tiny dots. The overall style is reminiscent of traditional woodcut or linocut art. The text 'www:diagonale37.ru' is printed in a green, sans-serif font across the middle of the page, overlapping the central vertical line and the floral design.

A decorative graphic consisting of black lines and dots on a white background. The design is split vertically by a thin black line. On the left side, there are several large, thick, black swirls and a vertical line of dots of varying sizes. On the right side, there are thinner, more delicate swirls and a cluster of dots. The overall style is reminiscent of Art Deco or mid-century modern decorative motifs.

The image features a symmetrical abstract design. A central vertical line divides the composition into two mirror-image halves. Thick, black, curved lines sweep upwards from the bottom corners and meet at the top, creating a sense of upward movement and tension. The background is white, with faint, light gray lines forming a grid or radial pattern that adds depth to the overall aesthetic.

A black and white decorative illustration featuring a central vertical stem with various floral and vine motifs. The stem is adorned with several leaves, some of which are solid black, and small circular details. At the bottom left, there is a cluster of small, star-shaped flowers. The entire design is set against a white background with a faint, light-colored circular watermark. A vertical line runs through the center of the illustration, and a horizontal line is visible near the top left corner.

A decorative border featuring intricate black floral and scrollwork patterns on a white background. The design is symmetrical, with ornate scrolls and clusters of butterflies positioned along the left and right edges. The butterflies are rendered in various sizes and orientations, some appearing to fly towards the center. The overall style is reminiscent of traditional woodcut or linocut art.
