

The Smartup Accelerator Model - Letter of Intent

Open resources on the Smartup Accelerator platform shall include access to important websites, manuals, case studies, market insight, information of community organisations and the open event calendar, which is continuously updated by the network. Members of the network are offered exclusive access to a discussion platform, as well as information regarding co-innovation opportunities and projects that are developed within the network. Members will also receive access to peer support and opportunities to make connections.

As a Smartup Accelerator Platform/Model community member, you are obliged to participate in the communication platform, offer peer-to-peer support whenever needed and update the event calendar when relevant. By signing this letter of intent, you are committing to participate in the functioning model and thus contribute to the consumer cleantech ecosystem in the Baltic Sea Region and beyond.

I hereby sign this letter of intent to actively participate in the Smartup Accelerator model, in exchange for access to the Smartup Accelerator network, knowledge and tools.
