### Task 1

Read the texts below. Match choices (A—H) to (1—5). There are three choices you do not need to use.

#### How to Adjust to a New School

School is a child's base where they learn to succeed. Adjusting to a new school can be nerve-wracking and scary. When you go to a new school, you might worry that you don't know anyone or that you won't fit in. Knowing about your school, preparing for the first day and knowing how to make friends can make this transition a lot easier.

Before you start the school, go with your parents to visit the school. Find out where your classroom will be, as well as the cafeteria, auditorium, gym and other important places (including the bathroom!)
